Order Of Publication

Milburn W. Brooks and Leora S. Brooks, his wife,
Plaintiffs,
vs.
Joshua Nelson, Sidney Davison, Robert A. Howard, Henry B. Smith, John McCollum, Gouverneur H. Nelson, Camelia M. Smith, Theodore W. Smith, John Davenport, Margaret Allen, Ethan Allen, Samuel Bryan, Elizabeth Allison, Philander D. Freese, Wilson H. Stout, or their unknown heirs, devisees, legatees and assigns,
Defendants,

At a session of said court held at the Court House in the City of Adrian, in said county, on the 23rd day of September, A. D. 1940.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

SCHOOL NOTES

Chapel

The second of the Monday morning chapel services of the Tecumseh High School opened with singing of "Onward Christian Soldiers" and "God Bless America." The service was then turned over to Rev. Robinson, who read a few lines of scripture from the Bible and then proceeded with the sermon, the subject of which was "Working Together in America." The morning's exercise was closed with a few remarks from Mr. Berkhof.

Senior Class Notes

At their first meeting of the year the Senior Class elected the following officers: President, Bill Lenardson; Vice President, Ermest Oliver; Secretary-Treasurer, Bertha Mae Ewing; adviser Mr Paul Johnson. Our Student Council Representative will be elected later. This is the second year that Mr Johnson has been chosen as our adviser, and the fourth successive year that Bill Lenardson has been our class president. We believe that we are the only class ever to have had the same class president during the entire high school course.

The Senior Class started off the year with a bang by throwing a grand party at Lenardson's farm last Friday, Sept. 13, after school. We had nearly 100 per cent attendance.

We started out with a rousing game of softball, which we played until our appetites told us it was supper time. The boys then proceeded to build a fire, and we roasted our wieners. Each member brought a huge steak, which nearly had our adviser, Mr Johnson, in his capacity as official chef, buffaloed. After polishing off a couple of plates of doughnuts provided by our generous hostess, Mrs Lenardson, we did a little dancing, similar to the Virginia reel, on the lawn, after which we ourselves out with this, we formed a ring, and each member had to perform a stunt. No spectator would ever have guessed that it was a class of seniors who comprised this group.

We are very grateful to the Lenardson's for letting us use their farm for our party and also for the weiners in addition to our supper. After a party like this, we feel we can accomplish great things this coming winter.

Reporter, Ruth Brainard.

Junior Class Notes

The officers elected by the Junior class are as follows: President, Bob Main; Vice-President, Bob Wilson; Secretary-Treasurer, Lois Clark. For class adviser we have Mr Young, and our Student Council Representative is Richard Hammel.

We are all satisfied with our officers, and we are sure that they will do all that they can for our class.

Reporter, Ethel Cook.

Sophomore Class Notes

The Sophomores elected the following officers at their first class meeting: Malcolm Bagshaw, President; Bob Laidlaw, Vice President; Mary Jane Smith, Secretary-Treasurer; Mary Wright, Student Council Representative; Mr Mead, Adviser.

At our second class meeting we decided to have a class party Monday night at Iron Creek.

Mary Louise Stevenson, Reporter.

Freshman Class Notes

The Freshman class, after several meetings, has finally elected as its officers: Mary Lou Carlson, President; Bill Aebersold, Vice President; Patsy Hickey, Secretary-Treasurer; and Dalton Van Valkenburg, Student Council Representative. Mr Parsons is our adviser, and he will have the help of Mrs Bleil and Coach Ralzk.

A party and recreation committee was appointed by our president to plan a coming party for us.

We are the largest class in school and, we believe, the largest that has ever entered Tecumseh High, so we plan on accomplishing much.

Dorothy Bowen, Reporter.

Student Council Notes

The election for President of the Student Council was held last Thursday morning. On Tuesday Camilla Satterthwaite and Dick Hammel were nominated for this office. Campaign speeches were given for each on Thursday morning, and the election was held immediately afterwards. Camilla, a Senior, was elected.

Gay Larsen, reporter.

Journalism Club

The first meeting of the Journalism club was held on Tuesday, Sept. 17, in Mrs Service's room. At this meeting we elected Ruth Brainard editor-in-chief. The club is much larger this year than in previous years, containing thirty enthusiastic members.

Our ambition this year, in addition to writing school notes for The Herald, is to print a school paper about once a month, containing school notes, special features, social events, sports, and other items. During the year we may have an occasional picnic or party.

Reporter, Irene Dobek.

Band

This year the band has started out with fifteen new members, including Jean Marie Herrick as drum-major with Corleone Hunt and Gwendolyn Kring as drum majorettes.

We are all working hard to get ready for the football season, and we are all hoping that this year will be one of our most successful years.

The Band Mothers are beginning their activities this year by furnishing new uniforms for some of our new members.

Joanne Poucher, reporter.

What junior girl has adopted two sophomore boys? They surely seem to be enjoying it.

What new sophomore girl, a tall brunette, is causing heart trouble among the males?

What teacher goes to Wampler's Lake Saturday nights to check up on his students?

What two sophomore girls get hungry about eleven o'clock each morning?

What teacher is so popular that some students just can't stay out of his room?

Mathematics Class

In Mr Johnson's geometry class there are thirty-eight pupils. This large number is very unusual. In his algebra class there are 39 enrolled, which is also a large enrollment.

This year Mr Johnson teaches a new subject called General Mathematics. In this class there are 49 pupils, making a total of 126 pupils in beginning mathematics.

Music and Art Department

Miss Humphrey is organizing a high school chorus this year that promises to be a success. Already 37 boys and girls have enrolled, and more are expected to join. The first meeting was held last Thursday morning. No officers have been elected as yet. New music has been selected and ordered, while plans are being made for school programs involving chorus work.

The junior high music and art classes now meet three times a week. The seventh grades have been working on cut paper designs, and chalk-dust work. The eighth graders are attempting the more complicated cut-paper peasant designs, and also chalk drawings. The work of the two grades together makes an interesting and attractive display in the art room.

Kindergarten - West Branch
Mrs. Updyke - Teacher

Two more children were enrolled in our kindergarten this week, bringing our enrollment to 29.

We have already learned several songs, and we enjoy taking turns singing them alone.

Our family chart got started this week. We have been looking for pictures of mothers, fathers, sisters, brothers, and babies. These we cut out and paste in their proper places on our big chart. Many of us cut on the lines very well.

First Grade - West Branch
Miss Smith - Teacher

We have been having a grand time dramatizing the story of "The Three Bears." When we feel confident that we are doing our best acting we are going to entertain the kindergarten children.

We have finished writing a group of chart stories about pets. We put these stories into a little book and have taken them home to read.

First and Second Grade
East Branch
Miss Borgarde - Teacher

Thursday afternoon we went for a walk and stopped at Jerry and Patsy O'Brien's house. We saw all their pets, which included two dogs, a cat, a pig, and a Nanny goat. The latter was of special interest to us, and we enjoyed watching Jerry feed her. Along the way we also saw kittens and rabbits, which we stopped to watch. Right now we are interested in all types of pets, as we are discussing them, and we have a large display of pet pictures in our room. Some of our chart stories are about pets, and we have made up a few stories about our recent walk.

Jerry O'Brien added a Western painted turtle to our collection. He is so beautifully colored that one might think he had been painted or shellacked. He is about twice as large as our snappers and is very active. We find our turtle pets very interesting.

Second Grade - West Branch
Miss LaPointe - Teacher

Virginia Greagory has enrolled with us. She had been visiting in Tennessee and had not returned when school began.

We are dramatizing some of our favorite stories in language classes.

Owen Campbell was seven years old on September 18. His mother served ice cream and drop cakes with candles on them. When school closed Owen gave each of his classmates a balloon.

Pauline Bagshaw celebrated her seventh birthday on Sept. 19.

For art and nature study we are making leaf booklets.

Mrs. Max Bleckman was our first visitor this school year. We are glad to have visitors.

Fourth Grade
Miss Cole - Teacher

We worked with our art books for the first time this week, and we all decided that they are a great deal of fun. We drew large bowls of fruit and colored them with our crayons. As soon as they are all finished the seven best ones will be chosen to put above our book shelves. Next week we are going to trace and paint autumn leaves. We are looking for as many different kinds of leaves as we can find. Our art book suggests maple, elm, hickory, oak, poplar, and beech.

Our science exhibit is steadily growing. We have two caterpillars which have spun cocoons.

This week our science book told us how to divide all animals into six different groups: they are birds, fishes, insects, reptiles, mammals, and amphibians. We learned how to tell to which group any animal belongs by examining its structure. Next week we are going to learn how plants are divided into groups.

Fourth and Fifth Grades
Mrs Pfaus - Teacher

In our new subject, geography, we fourth graders are learning how to read maps and how to tell directions both at night and during the day. Next week we are going to take an imaginary trip to Belgian Congo in Africa to visit Bombo.

In arithmetic grades are reviewing multiplication. The fifth grade is studying division with two numbers in the division, too.

Patsy Wilson and Perry Cook have been absent on account of illness. No one has been absent or tardy in our fourth grade group.

Bonnie Beasley and Donna Adams are the room helpers this week.

Display Case

Our first display this year proves to be one of interest to the High School, and also to the lower grade students, for whom it has been especially prepared. It is a part of the new science course this year, the purpose of which is to assist in awakening a vital interest in science and the upper elementary grades.

The case contains at the left a display of chemistry equipment familiar to all chemistry students. Also you will find a barometer and a microscope. In the center is a case of mounted birds and mounted butterflies, familiar to us all. But the part that seems to hold the most fascination is the display of preserved sea animals. This includes an octupus, star fish, sea horse, leopard eel, cowfish, and a young sponge. And not escaping attention are the stuffed owl, the skeleton of a cat, the horseshoe crab, a coral, and a giant water beetle. All these things the fifth and sixth grade pupils will show you with pride. This is indeed a new and interesting display. Those who made this display possible are Mrs. Pfaus, Miss Starr, Mr. Johnson, and Mr. Parsons.

Above our display hangs this verse by Robert Louis Stevenson:
"The world is so full of a number of things,
I'm sure we should all be as happy as kings."

Dickinson Proclaims Michigan P. T. A. Week

LANSING, Sept. 21—Gov. Luren D. Dickinson today designated October 6-13 as Parent-Teacher Week in Michigan, declaring "this occasion serves to emphasize once more the importance of this movement for the proper bringing up of our children, preparing them for the heavy responsibilities they must one day assume."

Parent-Teacher Week in Michigan will be an occasion for the observance of "Enrollment Week" by the 1120 units in the state with a membership of 84,363, an all-time high. Michigan now ranks eighth in membership in the National Congress, Mrs. Fred J. Sebert of Kalamazoo is membership chairman.

Gov. Dickinson's proclamation of Parent-Teacher Week follows:

"Whereas, the Michigan Congress of Parents and Teachers, in accordance with an annual custom, will observe "Parent-Teacher Week" this year from October 6 to 13, inclusive, and

Whereas, this occasion serves to emphasize once more the importance of this movement for the proper bringing up of our children, preparing them for the heavy responsibilities they must one day assume, and

Whereas, the many serious problems they are certain to meet, as the citizens of tomorrow, will certainly call for the highest type of intelligence, for courage, and for self-sacrificing service on behalf of our public interests, and

Whereas, this high type of citizenship is well promoted by the Parent-Teacher movement,

Therefor, I, Luren D. Dickinson, Governor of Michigan, designate the period of October 6 to 13, as Parent-Teacher Week, within this state, and urge that all citizens join in its observance in every appropriate manner."

(Signed) L. D. Dickinson,
Governor.

State Troopers Probe Snake-In-Flag Fantasy

EAST LANSING, Sept. 26—Michigan State Police have very definite ideas on the patriotic zeal of Michigan folks. In fact, the zeal of the super-patriots has created a police problem.

The yardstick on patriotism, especially as it concerns the use and display of Old Glory, was very innocently furnished by a national oil company which distributed several thousand American windshield stickers to customers.

A few weeks later, the super-patriots began to see snakes—in the flag on the many windshields bearing the stickers. More critical attention to the design caused the "supers" to see darts piercing the field of the design.

Immediately the witch hunt was on in full force. Many state police posts had complaints of smashed windshields. Innocent motorists were hauled from their machines and questioned to determine possible "Fifth Column" connections because of the snake and-dart design vivid but impractical imaginations had found in the innocent shadings included in the flag design.

The attention of state police officials at East Lansing was directed at the matter by the increasing number of complaints reaching posts in all parts of the state.

Commissioner Oscar G. Olander in checking the design used found it was made in 1932 long before anyone heard about any Fifth Column. The stickers were printed from plates made at the time.

"The story that there is a serpent concealed in the design," Commissioner Olander said, "is rather silly. The artist, in using gray-blue streaks across the folds or waves of the flag to indicate motion in the breeze, had not attempted to convey some subtle, subversive message. The shading is used to give a third dimension appearance. It lends to the purpose in mind when viewed at a distance rather than at very close analytical inspection.

"Our investigation indicates to us in a convincing way that the shading has no ulterior significance. There is no evidence that the lines were placed for any subversive effect whatsoever."

Announcing the big NEW 1941 FORD

In some years, some cars take a big jump ahead. *The Ford does that for 1941.*

It has jumped ahead in *size*. It's the *biggest Ford* we've ever built, *inside and out*. It's *wider*. It has a *longer wheelbase*. Its seating room is *wider* by as much as 7 inches. It has *new wide doors* and *semi-concealed running boards*.

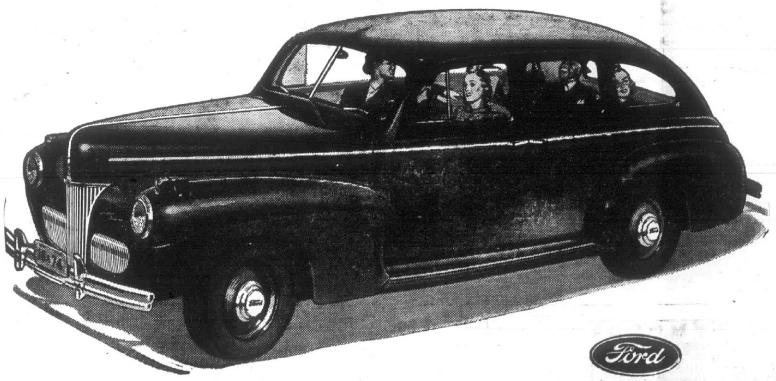
You'll notice also a new beauty, achieved by a skilful blending of mass with *longer flowing lines*. *Larger windshield and windows* give better vision all around.

One of its biggest advantages is the *new soft ride*. New, slower-action springs give a slow, gentle, gliding movement. A *newly designed stabilizer* helps absorb road shocks, and maintains balance on sharp curves and in cross winds.

More rapid acceleration to match its familiar speed and power makes this new Ford an even livelier car to drive.

These are only a few of this new car's outstanding features. It represents all the rich experience gained in building more than 28 million motor cars.

Any Ford dealer can give you many good reasons for making this your 1941 car.



Get the Facts and You'll Get a Ford!

The 1941 model Ford Cars will go on display....

WILLKIE GREETS CROWD IN ADRIAN

ENDS TOUR OF MICHIGAN WITH PLEA FOR ADEQUATE NATIONAL DEFENSE

Wendell L. Willkie, Republican candidate for President, ended his campaign tour of Michigan when he addressed some 5,000 persons from the platform of his 15-car special train at the New York Central railroad station in Adrian, Wednesday morning. The large assembly, numbering hundreds of residents from Tecumseh and other sections of Lenawee county, was entirely orderly, enthusiastic and at times a bit serious. It was Mr. Willkie's first appearance in Lenawee. The crowd found him to be a forceful speaker, with a voice far more pleasing than the radio indicates, and with a determination that he is fighting for a cause—the continuation of American democracy.

The Willkie special arrived promptly at 10 o'clock and teh waiting crowd that had filled the railroad station grounds and nearby streets to overflowing surged forward to catch a glimpse of the Republican standard bearer. They did not wait for long, however. Mr. and Mrs. Willkie appearing on the platform almost before the train stopped, waving a greeting to the cheering thousands before electrical connection were made permitting the use of loud speakers.

"It is in such places as Adrian and Lenawee county that democracy is born," the speaker told his Audience. "This truly is America, and it is people like you who keep it so."

"I am glad to see so many of you here this morning, and I am also glad to be in the home town of my good friend, Earl Michener. If you are thinking of voting for me next month, I also hope that you will vote for him."—This brought a cheer from the crowd.

"In the last few days," Willkie continued, "I have talked to millions of people in more than 20 states. I know that they are not interested in me—they are interested in the cause I represent.

"The most important election in the history of the United States will be held this fall. You people are going to determine the course of this nation for many years. Only a few days ago Japan and Italy and Germany signed a pact and agreed upon mutual conflict with any nation that becomes involved in the European war from now on. They are thinking of the United States in terms of war while we want peace.

"We have had little influence in international affairs in recent years. As the result of circumstances there is only one hope for the United States. We must become strong in domestic economy and we must become strong in a military sense.

"The present administration has spent 60 billions of dollars and has doubled our national debt. Agricultural prices still are depressed. Workers still are unemployed. With all this expenditure they have failed to build an adequate national defense."

"The administration says we shouldn't change horses in the middle of the stream," he said. "What I'd like to know is who got us in the middle of the stream. That is a fine old adage about the horse but when he begins to flounder is time to get off and get a new horse and get it quickly.

"I believe in a defense so strong that no nation will dare to strike at us." The crowd cheered its approval of this statement.

"Our only danger of war," he continued, "is if we remain weak. If the dictators of Europe see American domestic economy functioning, if they see our farms producing and our factories humming, if they see a nation with armed strength we can go along in peace. They will strike only when we are least prepared."

After speaking briefly of England's action in removing the Chamberlain government for that of Churchill during a crisis Willkie concluded his address. "If we do not prevail in this election," he said, "the American way of life as we know it will pass. We must have a strong economy and adequate defense. That is something this administration has failed to give us. Don't believe in catch phrases. Don't let this administration take you down the road farther than it already has."

QUARANTINE ON DOGS IS LIFTED

DOG OWNERS, HOWEVER, MUST MUST KEEP ANIMALS UNDER RIGID CONTROL

Although the quarantine on dogs in Lenawee county was lifted by the state last Friday, L. E. Van Etten, county dog warden, warned today that owners of animals must keep them under rigid control at all times, and in accordance with state laws.

The quarantine that has been in effect for several months, was lifter not only in Lenawee but in 46 other counties of Michigan, Mr. Van Etten said. The order was originally issued because of the growing prevalence of rabies. The disease has quieted down sufficiently to permit the "easement" order.

According to Van Etten, not a single case of rabies has been reported in Lenawee county since May. Prior to the quarantine the disease had reached a near epidemic stage, especially in the eastern part of Lenawee.

Accident Unavoidable, Finding In Tiede Case

Erwin Tiede, 10-year-old son of Mr. and Mrs. Frank Tiede of Holloway, died as the result of an unavoidable accident, a coroner jury decided following an inquest in Adrian, Tuesday morning. The jury, all of Adrian, deliberated for 20 minutes before it returned a verdict. The youth was killed when he was struck by a car driven by Neita Heide Daisher of Holloway, September 22.

The boy was killed as he was riding his bicycle on the highway from the driveway of his home near Holloway. Mrs. Daisher, one of the witnesses, said she did not see the boy until he was about 12 feet away and that then it was too late to avoid striking him.

Other citnesses were Mrs. Lamira LaPointe, who lives in the vicinity and said she saw Mrs. Daisher driving about 25 or 40 miles an hour at the time of the accident; Dr. R. F. Helzerman of Tecumseh who said the boy suffered a broken neck and was dead when he arrived, and Trooper Robert Goodeve of the Blissfield state police post who investigated the accident.

Coroner Paul E. Mott was in charge of the inquest. Prosecutor Lawrence J. Hammond questioned the witnesses.

TRAFFIC VIOLATORS PAY

Five motorists were arraigned in Justice Glyde Barber's court during the past week, charged with violations of the traffic code. G. E. Lane of Adrian, paid a fine of $1 and costs of a similar amount for running a red light. Ralph Randolph of Hudson paid a similar fine and costs for a like offense. William Hagadorn, jr., Tecumseh, paid a fine of $5 and costs of $1 for speeding, and Greenwald Spangler, Tecumseh, paid $2 fine and costs for failing to observe a stop street. A fine of $1 and costs of a like amount were paid by Earl Lindsley for overtime parking in the downtown district.

TRAFFIC CRASH KILLS WORKMAN

MARTIN CLINE, PRODUCTS EMPLOYEE, FATALLY HURT AT MUNSON

One man was killed and three other persons were injured in a series of automobile accidents involving Tecumseh residents, over the week end.

Martin Cline, 52, an employee of Tecumseh Products Company, was instantly killed, and Eugene Axford, 46, was seriously injured when their automobiles collided at Munson about 3 o'clock Saturday morning. Both men were residents of Fayette, Ohio, and Mr. Cline was returning home from work on a night shift when the accident occurred. Mr. Axford who works in Detroit, was also in his way home.

The accident occurred at a road intersection and officers who investigated said Mr. Cline failed to stop at the through highway. No inquest will be held.

Mr. Cline leaves his widow and six children. The body was taken to the Ward Funeral Home in Fayette. Mr. Axford was removed to his home by ambulance.

Mrs. George Everett of Tecumseh suffered painful injuries Saturday morning when struck by an automobile while crossing a street in Adrian. Joseph Beaubien, driver, was backing his machine and failed to see Mrs. Everett at the intersection. As he struck he applied his brakes catching Mrs. Everett's right hand under the wheel and dragging her along the pavement for several feet. She was removed to Bixby hospital where it was found necessary to amputate two fingers from the badly crushed hand.

Cars driven by Marvin Manning of Tecumseh and John Scott of Adrian, collided at a street intersection in that city early Sunday morning badly damaging both machines. Lester Manning who was riding with his brother was cut about the face and neck.

New Grange Officials To Be Named October 10

Tecumseh Grange observed Booster Night, Thursday evening opening the fall and winter activities. Nearly 100 members and guests were seated at the pot-luck supper at 7 o'clock which preceded the meeting.

A program was presented following the supper and consisted of selections by the Baptist Sunday school orchestra conducted by Carlton Gobba; a community song service led by Miss Genevieve Alger of Adrian; "Welcome," Miss Helen Furgason; "Mother Goose Up-To-Date," Mrs. I. W. Boltz; "The Fliver Family," Mrs. Wm. Grigg, Mrs. Thos. Murphy, Mrs. Clarence Hunt and Mrs. Walter Haviland; an original skit "Nurse Maid Wanted," written by Mrs. I. L. Parrett and presented by Mrs. Parrett, Mrs. Sharp, Mrs. C. Beland and Mrs. Grigg; piano solo, Jack Puffer; song "Cradle Day Mama," Ray Puffer accompanied by Jack Puffer; "God Bless America," by the Grange. A dance program with Mr. and Mrs. M. N. Bovee of Manitou Beach furnishing music, completed the evening's entertainment.

At the next meeting to be held Thursday evening, October 10, officers will be elected.

AT WILLKIE RALLY

Mrs. L. J. Britton, Mrs. Clarence Fisher, Mrs. Paul Geiger, Mrs. S. L. Wyman, Mrs. Glenn Driscoll, Mrs. Chas. W. Howe, and Mrs. Jennie Law Hardy, Mrs. John Nyland, Mrs. Rosencrans attended the conference of the National Federation of Republican Women's Clubs, Sept. 30, and Oct. 1, in Detroit. Mrs. Hardy was one of the eight delegates from Michigan.

The ladies also were present at the Willkie rally at the Olympia on Sept. 30.

WED IN ANGOLA

Glen Crittenden of Macon and Miss Mary A. Fielder of Clinton were married Saturday in Angola, Ind., by the Rev. N. E. Smith. They were attended by Miss Margaret Ladd of Adrian and Russell Liddell of Detroit. They are residing near Macon temporarily, but will move to Highland Park where Mr. Crittendon is employed.

GRANGE IN SESSION

Lenawee County Pomona Grange is meeting today at the Four Towns Grange hall, with J. R. Foster of Detroit speaking on the Michigan state hospitalization plan at the afternoon program. The business meeting will be conducted in the morning and during the evening session fifth degree work will be presented by Pomona degree team.

WIT - WISDOM CLUB

The Wit and Wisdom Club will hold its first egular meeting Monday evening, October 7, at the home of Mr. and Mrs. A. O. Howard on West Shawnee street. Mr. and Mrs. C. R. Dustin are the assistant host and hostess and Mr. Howard is leader of the program which will include a book review by Jon Young.

Ford Inspects Engine In Sawmill At Macon

MACON, Oct. 3—Henry Ford of Dearborn, was an "interested mechanic" here last Friday morning when he watched workmen as they started an engine, built in 1861, which will operate an old reconstructed sawmill. Mr. Ford purchased come 11 years ago from G. D. Ellis. The mill is located on Ford's property, at the edge of this village, and is to become a part of the equipment used in his vocational educational program.

The sawing of a few logs into lumber to be used in Ford's building program here was watched with interest by the motor manufacturer and a few of his friends.

The engine that operates the mill was built in 1861 by H. Brewer & Co., Tecumseh, and was purchased and moved to the sawmill by Milan Sage in 1881. For 20 years, between 1861 and 1881, the engine was owned by Henry Smith and was used to operate the Tecumseh Paper Mills.

This and That

INDIANS READY FOR ST. MARY'S

HOPE TO TAKE ADRIAN BY TWO TOUCHDOWNS AFTER HUDSON DEFEAT, 13-7

Beat St. Mary's by at least two touchdowns.

That was the cry of the Tecumseh high school Indians as they made ready to journey to Adrian tonight to play their second grid game of the season after dropping the opener, last Friday evening, to Hudson, by a score of 13 to 7.

The Tecumseh-St. Mary's game will be played at 8 o'clock tonight at the Island gridiron, Adrian, under floodlights. Originally it had been scheduled for tomorrow afternoon, but a conflict in the use of the field resulted in the last-minute change.

Other games on Tecumseh's schedule are: October 11, Swanton, Ohio, here; Oct. 18, Clinton, there; Oct. 23, Hillsdale B team, here; Oct. 25, Manchester, there; Nov. 1, Concord, here; Nov. 8, Blissfield here. There is only one possible change that may take place in the schedule and that is the Hillsdale game. Because Tecumseh must play two games within a week to play Hillsdale, approval must yet come from the state commission.

Tonight's game will be the third for the St. Mary's eleven this year and will not be a walk-away for Coach Hart's warriors. St. Mary's thus far has won one and tied one, has a line that is heavier than Tecumseh's and is determined that tomorrow's battle must bring victory.

The Hudson game proved a big surprise for the nearly 400 Tecumseh fans who attended the show. Five minutes before the opening gun it was conceded by the Indians' most ardent boosters that Hudson would win by half a dozen downs. Hudson's line outweighed Tecumseh's by about thirty pounds to the man, and was far greater experienced, and the play was on Hudson's gridiron. Tecumseh, it was argued, had but two lettermen, an unusually light line, and was badly in need of experience.

The fact that Tecumseh held Hudson to two touchdowns, and succeeded in scoring, greatly boosted Coach Hart's stock among the Indians while following the Indian battles. It was the Indians first appearance under Hart's guidance and the fans, both in and out of school, were highly pleased. The boys showed defin-

Heart Attack Fatal To Ford Mills Manager

S. W. Caldwell, a resident of Clinton the past year and a half, plant manager of the Ford Mills at Sharon Hollow and the Ford plant in Manchester, died last Wednesday night at Ford hospital, Detroit, from a heart attack suffered earlier in the evening, while he and Mrs. Caldwell were attending a preview of Ford cars in the Ford showroom in that city. He was 53 years of age and had been in the employ of the Ford Company since 1911.

Survivors are the widow Mrs. Louise Caldwell of Clinton a son Robert, a daughter Betty and a grand-daughter Betty Ann, all of Long Beach, Calif., also two sisters Mrs. William Palmer and Mrs. Norman Andrew of Peterboro.

The body was brought to the Hause Funeral Home in Clinton where funeral services were held Monday afternoon, Rev. W. H. Shentebury of the Clinton Congregational church officiating.

Burial was made in a Detriot cemetery.

R. N. A. CONVENTION

A large group from the local camp, Royal Neighbors of America, were in Adrian Thursday for the Tri-County Convention of the organization. The Tecumseh Camp was awarded the banner for the largest percentage of attendance and Mrs. Mayme Stevenson was elected assistant marshal. The Tecumseh camp also presented a drill on the afternoon program.

The 1941 convention will be held in Ann Arbor.

MRS. BELDING HOSTESS

The Woman's Society of Christian Service of the Methodist church will meet this afternoon at 2:30 at the home of Mrs. Guy Belding, on West Kilbuck's street. The executive committee will meet at 2 o'clock. Standing committees will be announced and final plans made for the annual church fair and supper to be held November 7.

All women of the church are urged to be present as the charter will be closed after this meeting.

Refreshments were served and Mrs. Van Valkenburg received several gifts as well as plants and flowers.

Rotary Governor Here For Official Visit

Greetings from Rotary International and a message of greater friendship and goodwill were brought to Tecumseh Rotary on Tuesday by Dr. Del Marr of Ridgetown, Ontario, Canada, governor of the 153rd district, of which Tecumseh is a part.

It was the Governor's first visit to Tecumseh since his elevation to office, and prior to the luncheon meeting he conferred with President E. M. Campbell and officers and chairmen of the local club. He addressed the organization after the luncheon, at the Tecumseh Cafe.

Guests at the meeting were Dr. J. J. Preston of Wayne, Neville Hart of Tecumseh, George Lancaster, jr., Dr. H. D. Ihler and Dr. J. R. Foreman of Clinton.

METHODIST RALLY DAY

Rally Day will be observed Sunday at the Methodist church with a special program at 11:15 a. m. by the Bible school. Rev. E. F. Hildebrand will give the invocation and a play "First Things First" will be presented by a cast composed of Jane Leighton, Mary Jane Cordray, Doris Gallant, Ethel Cook and Joyce Waldron. Trombone solo by W. G. Waldron will be followed by graduation exercises and presentation of diplomas and Bibles.

REBEKAH MEETING

ST. PETERS PLANS BIRTHDAY PARTY

CHURCH TO OBSERVE 107TH ANNIVERSARY AT SERVICES OCTOBER 10TH

Next Sunday will mark the 107th birthday anniversary of the erection of St. Peter's Episcopal church. Work on this historic edifice was begun October 10, 1833. For several years now the parish has paid tribute to that event with special services on the Sunday nearest, October 10.

The celebration this year will take a two-fold form as follows:

All departments of the church school will meet this Sunday at 11:15 a. m. for a Rally Day program to be held as part of the birthday observance. Every pupil in the church school is expected to bring another boy or girl having no church or Sunday school affiliation. Those pupils bringing boys and girls who become regular members of the church school will receive an award at the close of the school year. After the worship service, in place of classes, the whole school will adjourn to the parish house where moving pictures will be shown. These pictures were taken at the time Bishop Page, Bishop Creighton, and Archdeacon Hagger made visits to the parish. They show these clergy greeting the people and church school pupils. A large section of te film shows scenes of church school classes taken last fall. Perhaps that portion of keenest interest and humor will be the part featuring in color the L'il Abner and Daisey Mae party of the senior classes last spring. The program will be concluded with the cutting and serving of a birthday cake bearing 107 candles to correspond with St. Peter's age.

In the evening, beginning at 7:30 o'clock, a festival evening prayer service will be held, with the Rev. Charles Jatho, rector of St. John's church, Royal Oak, as the guest preacher. His subject will be "God, the All Merciful." The Rev. Mr. Jatho is one of the most able preachers in this diocese. It will be of interest to local people to know that he succeeded the Rev. Dr. W. M. Blachford in the rectorship of the Royal Oak parish. The Rev. Mr. Blachford, the oldest living clergyman in the Diocese of Michigan, was the rector of St. Peter's church, Tecumseh, more than forty years ago, and St. John's church, Royal Oak, was his last parish prior to his retirement. The choir will be sung by the choir under the direction of Mrs. Charles Jones, Richard Hammel and Robert Wilson, junior lay-readers, will assist the rector in the conduct of the service. Immediately after the service, a short informal social gathering will be held in the parish house to which the congregation can meet the Rev. and Mrs. Jatho. Light refreshments will be served by the wives of the vestry under the direction of Mrs. Karl M. Schoepfle.

The general public is cordially invited to attend the evening service and the social period which follows it.

'OLD FOLK' ARE HOSTS AT "YOUNGSTER" PARTY

The Adult class of the Friends Sunday school entertained the Young People's class Tuesday evening at the home of Mr. and Mrs. R. R. Van Winkle on East Shawnee street. Dinner was served at 7 o'clock to 50 guests, seated at 12 small tables decorated to represent the months of the year. Guests were seated at tables marking their birth month.

The program consisted of a welcome to the young people by Mrs. Naomi Sallows with response by Mrs. Glenn Weaver; piano solo, Joyce Sallows; reading, Mrs. Edward Escolme; vocal duet, Mrs. Perry Hayden and Ralph Comfort; harmonica selections by Walter Abbott, playing his own accompaniment; reading, Mrs. Escolme; closing song, America.

NEW CLUB FORMED

A meeting was held at the home of Mrs. Elmer Green in Raisin Township to organize a branch of the Shawnee Republican Women's Club. The meeting was addressed by Mrs. Jenny Law Hardy, and the ladies present voted to join the club, and to meet at the general club meeting at Mrs. S. L. Wyman's residence at 2 p. m., on Friday.

CHILD BADLY BURNED

Larry Hooton, two-year-old son of Mr. and Mrs. Gale Hooton was painfully burned yesterday afternoon about 4:30 when he fell from his tricycle into a bonfire at the home of his grandparents Mr. and Mrs. C. A. Hooton. Both hands and knees were badly burned. He was taken to Tecumseh hospital.

HITLER A U. S. MENACE?

The answer is YES. But Hitler's greatest menace to America does not lie in any military strength he might throw against us. It is not our purpose here to discuss the merits or demerits of preparedness; of conscription; or of whether or not we should sell our warships, airplanes and ammunition to England.

There are many sincere, patriotic Americans who believe we should resort to every means "short of war" to help England in her fight against the Axis Powers. There probably are just as many who hold the opinion that we should not go to extremes in our eagerness to assist the British Empire in its fight for exisence.

All real Americans, however, agree that we should be prepared to meet any military attack on this country even hough they may differ widely among themselves as to the methods to be used in order to achieve this necessary preparedness.

The real menace of Hitler to America LIES WITH OURSELVES, the danger that we may adopt his political as well as his military methods. Surely American industry can be speeded up to provide sufficient armaments and enough men can be recruited to successfully repel any attempt at military invasion of America.

At long last, we are alive to the peril which threatens us in the way of military attack and are taking the necessary steps to circumvent and frustrate any who would be foolish enough to attempt it.

Hitler's menace to us is that he is infiltrating his obnoxious ideologies into a large section of the so-called civilized world — he has succeeded even in inoculating many Americans with the virus of poisonous theories. Most of the men who have fostered the growth of bureaucratic control at our nations's capital probably are unconscious of the fact that such control is the first step along the pathway to Hitlerism.

The millions among us who advocate the "Something-For-Nothing-Every-Thursday" schemes unintentionally are embracing the ideologies of "The Fuehrer," and are paving the way for his political conquest of America. The profligate squanderers of public funds responsible for the piling up of our huge national, state and municipal debts are giving Adolph a helping hand, for totalitarianism follows economic collapse just as surely as night follows the day.

Unbelievable as it may seem, there are some in this country who openly advocate that we abandon our free institutions, the right of free speech and personal liberty, who would have us adopt government by men instead of government by law, and who would have us throw overboard our American System of Free Enterprise. This, in spite of the fact that they have witnessed the horrible spectacle of what has happened in every country Hitler has penetrated either by force of arms or by his "Fifth-Column" brigades. They have seen the enslavement of formerly free men and a lowering of the standard of living.

Yes, we should be on guard against Hitler, the soldier, but the real thing we have to fear is Hitler, the indoctrinator.

THIS BUSINESS OF Living

BY SUSAN THAYER

A great man stood before the microphone the other day in a city scarred by bombs. Fires were raging at the docks of its historic river and there was a threat of greater bombing in the night to come.

The man spoke calmly, courageously to the people of an harassed empire. He told them of the situation as it stood that awful day and warned them of the impending danger of invasion. There was no effort to minimize the frightfulness of the ordeal before them. Yet there was no sign of flinching.

He called upon them to remember the greatness of their past and to realize the significance of the battle they were waging. Then in closing that magnificent speech, Winston Churchill turned for a moment from the horror of the conflict and, looking toward the future, spoke confidently of "the long and better days that are to come!"

If the Prime Minister of Great Britain, in such an hour, could speak with confidence of the Future, how much more hopeful should we be, here in the United States. Not only because we are an ocean away from the actual conflict but because this country of ours was founded for the sake of those "better days" as they were visioned by our forefathers 200 years ago.

With our representative democracy and our free enterprise system, we have already come nearer than any other nation to those "better days" of which great men in every age have dreamed. The highest standard of living the world has ever known . . . education for a larger per cent of our young and those precious privileges of being able to say what we please . . . to write what we think . . . to go to the church we believe in, has made this land of ours the envy of the world.

Yes, we have endured 10 years of "hard times" during which, for the first time in our history, we have failed to advance our standard of living. But our country is still rich in natural resources . . . still underpopulated . . . and we still have that genius for invention, production and organization that has built up the greatest industrial system ever known!

When the world finds Peace again and Industry can once more devote itself to the production of the myriad items that make the life of the average man and woman easier and more beautiful and our power as a nation to an increase of individual opportunity, then indeed those better days will come nearer!

A PEOPLE KEPT IN IGNORANCE IS A NATION Enslaved..

In America the People Have

1. FREEDOM OF SPEECH
2. FREEDOM OF WORSHIP
3. FREEDOM OF ASSEMBLY
4. FREEDOM OF THE PRESS

"And These Shall Never Pass Away"

The world has learned many lessons since a Hitler strode across the stage destroying, corrupting, hating. It has looked at this horror and seen one inalterable fact—that the disease of fascism first strikes at the Press!

Once the Press loses its voice, the people are blinded to the truth, gagged, silenced. Once the Press is dictated to, the people are put in chains—and fascism plants its barbarism upon a nation.

Wherever dictatorship has come into power, the first shadow of its coming has been cast upon the pages of the Press . . . If in America, the Press is ever denied its right to differ, argue, opinionate; it it be deprived of its inalienable heritage to cry out against injustice, to challenge corruption—then the Bill of Rights would be dead, the Declaration of Independence a memory, the Constitution a myth—and America a land of goose-steps!

Consider the Press abroad—silenced, inert, decadent; told what to write, when to write, how to write! Consider the people abroad — crushed, blinded, gagged; told what to do, when to do it, how to do it!

Fascism annihilates the liberties of all by first crushing the Press. With a free Press dead, the people are easier victims . . . this is the picture under Fascism!

IN AMERICA THE PRESS IS FREE — PRODUCT AND GUARDIAN OF DEMOCRACY —

LET'S KEEP IT FREE!

Let us face the facts . . . Today, free men and free institutions are fighting for their very lives. Leading this fight for freedom in America is the Press! The very heart of liberty, the very core of our heritage is in the Press. That truth can no longer be mumbled or mouthed in truisms. It must now become a salient, fighting message for the American people. During the years that this nation has forged ahead as the outstanding champion of civilization as we know it, the Press has clarioned the voice of the people. Never once has it faltered, never once has it laid down its cudgels in behalf of truth and justice. While there is darkness in the world, the Press will struggle to bring light. It is your weapon against chaos.

itely that they had been trained to play the game—that with proper seasoning hey would register victory.

The Warriors and Coach Hart also were gratified by the support shown by Tecumseh. Indian fans equaled if not exceeded the number of Hudson rooters on the sidelines, and the Tecumseh band and cheer leaders added much to the spirit of the event.

The play-by-play report of the game follows:

Tecumseh kicked off to Hudson, the ball rolling to Hudson's 20 from where it was run back to their 44. On the first play, Hudson picked up 7 yards, and on the second made first down. Here, Jack Brown was substituted for Jackson. Hudson was penalized for off side which was the only penalty of the game although the boys of both teams were warned more than once. Hudson came around end for long run which ended when the ball carrier was out of bounds on Tecumseh 15 yard line. From the 15, Hudson managed to get over for a touchdown and the point after was run over making the score 7-0 Hudson. This was done in the first few minutes of play. Hudson staging a march down the field which caused more than one THS rooter to lose heart. Tecumseh received the kick and ran the ball back to their own 42. Failing to make first down Tecumseh kicked and before Hudson could complete more than one or two unimportant plays the quarter was over.

At the start of the second quarter Hudson was in possession of the ball but lost it on a fumble recovered by Tecumseh. Tecumseh after making first down was caught off balance and lost 9 yards to Hudson making it 2nd and 19. Mohr here let go a pass good for 15 yars which caught the Hudson boys napping. They (Hudson) could do no more than stand and stare it was so unexpected. The boys made first down and found themselves on Hudson's 4 yard line. Wilson driving through the line put the ball on the right side of the goal line for a THS touchdown. Mohr split the goal posts for the extra point tieing the score at 7. Wilson hoping to catch the Hudson boys asleep again elected Mohr to pass but it was blocked. Tecumseh then tried a field goal but it was blocked and Hudson recovered. Here the half ended.

Oliver and Coffey were injured in the first half.

In the third quarter Coffey was back in the game. Hudson fumbled but recovered. Then failing to make first down went into punt formation and punted a very nice kick which Karl Schneider ran back 15 yards. Tecumseh here met with a strong opposition which forced Mohr and he let go a well placed kick which rolled out of bounds near Hudson's goal line without a Hudson boy touching it. This left Hudson no choice but to kick. Schneider this time let the ball get by him but recovered it with no loss but yardage. In the next three plays Hudson had two injuries and picked up a 40-yard gain. Here the third quarter ended.

Hudson was in possession of the ball at the start of the final quarter and in the firs few minuets made a long run which in the next play gave them a touchdown. They tried to run the point but were unsuccessful. Score 13-7 Hudson.

The kick was a low roller which got away from the receiver after it had been touched but was recovered without loss. Tecumseh punted the ball rolling out on Hudson's 43. Hudson then punted and it was dropped by Tecumseh and recovered without loss. Tecumseh failing to make first down punted and on the Hudson run back Green was hurt but did not leave the field. Hudson lost the ball and Mohr passed to Green but the pass was intercepted by Hudson. Before another play could be run the game ended. The final score, Hudson 13, Tecumseh 7.

The starting line up was: Carpenter and Schneider, half backs; Wilson, quarter back; Mohr, full back; Coffey, center; Brooks and Jackson, guards; Lenardson (capt.) and Williamson, tackles; Oliver and Green, ends.

Newlyweds Honored At Church Reception

Mr. and Mrs. Edward Beal, recently married, were given a reception Tuesday evening at the Methodist church parlors. Both young people have been prominent workers in the church and Bible school and in the choir for several years. Large baskets of fall flowers were arranged throughout the parlors and Mrs. Floyd Elliott and Mrs. T. Rentschler presided at the punch bowl placed on a lace-covered table in the center of the rooms.

The program presented consisted of a welcome by Rev. E. F. Hilderband; piano duets "Melody in F" by Rubenstein and "Hungarian Dance No. 5" by Brahms, Miss Sarah Humphrey and Mrs. George Parsons; reading "The Hanging of the Crane," Mrs. Andrew Taylor; Welcome to the Reliable Class, Mrs. Marvin Watkins; trombone solos, W. G. Waldron, accompanied by Mrs. Waldron; greeting from Men's Bible class, Alfred Wright; accordion solos, Marlou Gilman, the guests singing the accompaniment; soprano solos, Mrs. John McNeil, accompanied by Mrs. Wilfred Waldron; talk "Home Life," Dr. H. H. Loveland; reading, "The Wedding," Mrs. S. L. Wyman.

Mrs. George Parsons then presented the newlyweds with a set of silver salad forks from the choir. Mrs. Waldron presented them with a chair from the church and Bible school and Mrs. Wm. Barnes presented the bride with a corsage of roses grown in her own garden. The couple responded graciously thanking all for their remembrances. In closing the assembly sang "Love's Old Sweet Song."

Mr. and Mrs. Beal were further complimented at a dinner party given by employees of the Tecumseh and Adrian offices of the Consumers Power Company, Friday evening in Witherell Hall. Mr. and Mrs. Beal were presented with a gift from the group by Henry Smith, local manager. The evening was spent socially.

MISS MARY J. COOK WEDS JULIUS VINCZE

Miss Mary J. Cook, daughter of Mr. and Mrs. Earl H. Cook became the bride of Julius Vincze, son of Mr. and Mrs. Louis Vincze of Britton, Saturday at an afternoon ceremony held at the home of the bride's parents on South Evans street.

Promptly at 4 o'clock the couple attended by her sister Miss Ethel Cook as bridesmaid and his brother Louis Vincze, Jr., as best man, took their places before an improvised altar in the living room where the marriage service was read by the Rev. E. F. Hildebrand. Sixty relatives and friends witnessed the ceremony.

Refreshments were served the guests immediately following the ceremony and at seven o'clock a wedding supper for the immediate families was served at the home of the groom's parents, where they are making their home temporarily.

Guests from Detroit, Dearborn, Adrian and Tecumseh attended the wedding.

87th Birthday Anniversary

On Sunday Sept. 27, Mrs Bertha Stilts and Mrs Flora Vesley entertained a group of relatives for the pleasure of their mother who was celebrating her 87th birthday anniversary. A potluck dinner was served to 50 guests who came from Detroit, Dearborn, Lincoln Park, Ypsilanti, Ann Arbor, Tecumseh and which included children and grand children, nephews and nieces, grandnieces and great-grand nieces, down to the fifth generation of the descendants of the late Ezra and Rachel Ann Browaw Gleason, parents of Mrs Kuder.

Other guests were neighbors Mrs Olive Easlick, 80 years old; and Mr and Mrs Earl Betser. Mrs Kuder was the recipient of many beautiful flowers and greeting cards.

Mrs Kuder was born in a log cabin which was built by her father in 1840 or 1841 and which stood across the street from the Gleason school house. Instead of the log cabin, Mrs Kuder has lived these many years in the more commodious frame house which was built on a new site on the homestead on the east and west road. Her daughter, Mrs Frank Stilts and Mr Stilts occupy a part of the house.

The Charter meeting of the Woman's Society of Christian Service of the Methodist church was held Thursday afternoon at the home of Mr and Mrs Floyd Spence. Rev. R. E. Simons was in cargo of the services. He told of the purpose of the organization and outlined the work to be carried on. Eighteen ladies have enrolled as charter members. The officers elected are: president, Mrs Ruby Bigelow; vice president Mrs Mildred Moore; corresponding and recording secretary, Mrs Helen Thomas; treasurer, Mrs Blanch Osborne; missionary and program secretary, Mrs L. C. House; secretary of social and financial activities and committee, Mrs Margaret Hall, Mrs Beatrice Gilmore. Mrs Lillian Bilby, Mrs Mary Spence, Mrs Mildred Moore; secretary of spiritual work Mrs Glyde Wittup; secretary of fellowship work, Mrs Ralph Halladay. The date of the Fair and supper is Friday, November 1.

The Woman's Club will be entertained at the home of Mr and Mrs Arthur Weddel for the October meeting Thursday the 10th.

Mr and Mrs Herbert Morden moved Saturday into their new home which they built on the lot which they recently bought from Moyne Pennington. It is located east and north of the Carl Thomas property.

Mrs David Bush returned home Sunday from Charleston, Illinois, where she was called Tuesday by the death of her mother Mrs J. L. Stephens.

Mr and Mrs Ralph Halladay and Mrs Guy Hoover and little daughter spent Sunday in Lansing, guests of Miss Lucille Halladay.

Herman Schanz accompanied Al Helzerman, Ray Puffer, Dan Corkery and Dr. Ralph Helzerman to the latter's hunting lodge near South Branch on Sunday.

Ralph Camburn and Ardith and Olis Baily have entered the Teachers State College at Ypsilanti as students.

Week end guests of Mr and Mrs Herbert Gilmore were Mr and Mrs Harold Cross and daughter of Bowling Green, Ohio.

Mr and Mrs Chancey Gifford and Mr and Mrs Charles Gilden of Portland, Mich., Sunday afternoon.

Mr and Mrs Russell Collins entertained on Tuesday evening Mr and Mrs Howard Wilson and Howard Jr. of Tecumseh. The occasion was Mrs Wilson's birthday anniversary.

Mr and Mrs Earl Schanz, Miss Flora Schanz, and Otto Schanz, all of Chelsea, were callers Sunday in the home of Mr and Mrs Herman Schanz.

Mrs Hattie Robison returned home Saturday from a month's visit in the home of her daughter Mrs S. A. Jeffers and Mr Jeffers in South Bend, Ind. She was accompanied home by her daughter and husband.

"Unreality" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 6.

The Golden Text (Deuteronomy 4:39) is: "Know therefore this day, and consider it in thine heart, that the Lord he is God in heaven above, and upon the earth beneath: there is none else."

Among the Bible citations is this passage (Matthew 11:29): "Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 249): "Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal nor material power as able to destroy."

SCHOOL NOTES

Chapel Notes

On the last day of September we opened our chapel services by singing "America." Our speaker, Rev. Edw. Green, gave an interesting talk on the importance of etiquette. He stressed the fact that bad manners are usually excused if errors are made unintentionally or accidents happen because of our self-consciousness, but when we deliberately say a mean thing to or about some one to hurt him, it is not so easily excused.

We enjoyed his talk and we are looking forward to his next visit with us.

Joanne Poucher, reporter.

Senior Class Notes

The Seniors have also elected a new Student Council representative, Camilla Satterthwaite, as our representative, but she was forced to resign upon being elected president of the Student Council. Ruth Brainard was elected to take Camilla's place as our representative.

Hugh Des Ermia, Senior Reporter.

Junior Class Notes

The Junior Class held their first class party of the season on Thursday, Sept. 19.

We went to Iron Creek. Everyone left the school house at five, and after we arrived at Iron Creek, we went on a treasure hunt, which had been laid out by Mr Young our class adviser. At the conclusion of the treasure hunt, at least five minutes was spent by everyone in taking sandburrs out of their clothes.

After the weiner roast we initiated James O'Neill, a new pupil from Chicago into our class.

We had a grand time, and we are looking forward to our next class party.

Reporter, Ethel Cook.

Mrs Service's Classes

In French I there are 19 pupils enrolled, all of whom seem very eager to learn to read and speak French. They have been spending most of their time in oral conversation and exercises in French. Every member of the class has sent for the name of a French student with whom to correspond.

There are 25 students enrolled in Latin II. They have been translating Roman and Greek Myths, which they find rather difficult at present. The class is studying the story of Ulysses and Circe.

The Seniors who are taking English Literature are studying the famous "Canterbury Tales" by Chaucer, they are keeping notes to include in a complete outline of the periods of literature. So far we have studied four periods.

Doris Aebersold, Reporter.

Music Notes
Miss Humphrey

Under the direction of Mr Camburn and with the cooperation of Miss Humphrey, the fourth grade is going to have a sexette class. This class meets once a week. The instruments are to be furnished by the school, but a rental of ten cents will be charged.

The fourth, fifth, and sixth grades are going to have a "Round the World" race in music class. Each grade will have its own clipper plane, and as soon as they have completed one lesson in their music sight—reading books, they can fly the next lap of the trip, and so on, until they go around the world.

Mary Wright, Reporter.

Physical Education Notes
Mrs Bliel - Teacher

The girls' physical education classes have been divided into squads, and the squad leaders for the various periods are as follows: The third period—Mary Lou Carlson, Aileen Wintersteen, Joan Lott; sixth period—Joyce Service, Nancy Tingley, Betty Purkey, Theyone Eggleston, Doris Gallant; seventh period—Joyce Sallows, Jane Spitler, Mary Wright, Marda Jean Duncan.

The morning classes are working on team games. The afternoon classes, because of large enrollments, have not started the inter-squad work, but will do so soon. The games which the teams are working on are volley ball, cage ball and bombardment ball.

Bill Brown, Reporter.

Mr Parson's Classes

In Animal Husbandry class they are testing milk with their new milk tester.

The members of the Farm Crops class are lining up the projects that they will run this year.

The Biology class is working on a leaf collection.

The F. F. A. had their initiation party on Wednesday, September 25.

Phyllis Ferris, Reporter.

Home Economics
Mrs Laidlaw

There are 139 girls enrolled in Home Ec. classes this year.

The Freshman class canned 230 quarts of tomatoes this week. One of the Seniors remarked, "The Freshman girls certainly are 'peelers' aren't they?" They peeled 12 bushels of tomatoes. The Freshmen are beginning the unit, "Better Buying Practice." Also they have started to make their uniforms, which are of bright red percale trimmed with white tape.

Home Ec. III class is working on their make-over garments. Several coats and skirts are being constructed.

The 8th grade girls are studying the unit "Meat in preparation for the dinner."

The 7th graders hope that they can get in the kitchen soon. They will learn how to prepare breakfast.

Jean Marie Herrick, Reporter.

Mr Johnson's Classes

Mr Johnson's Algebra class is larger than at first expected. The group appear interested and seem capable of handling the work, and it is fully expected that they will have a very good start in mathematics by the end of the year.

The geometry class forms the largest group which has taken this subject in the last five years, and it is showing ample ability to master the facts of geometry. The new textbook being used shows a definite relationship between last year's algebra and the present study of geometry.

The general mathematics group is made up of students from all classes. The prime object is to meet the individual needs of each student. To accomplish this, graded assignments are being used and will be used throughout the year. At the present the students are particularly interested in their "blitz-quiz-downs."

Mary Lou Carlson, reporter.

Junior High School News

During the first week of the school year the seventh grade met to elect officers for the coming year. The results of the election were as follows:

President, Richard Watkins; vice-president, Robert Baker; treasurer, Barbara Humble; secretary, Jane Spitler; Student Council Representative, James Parker.

The officers met this week with their adviser, Miss Elliott, to discuss plans for the year. If it is possible, a class meeting will be held every two weeks to discuss problems and business pertinent to the class. At our first regular meeting we shall discuss the making of a constitution for our class and will appoint committees for the various activities.

The seventh grade English classes have been spending their time recently in getting acquainted with the rules of our high school and in planning a study schedule for each student. We discussed the library rules this week, and we are now learning to give directions and explanations. Last Thursday each student wrote a description of some one well known to the entire class, and as the description was read, the other students tried to guess who it was.

The eighth grade also made out study schedules and discussed the rules for the school library. We are now working on dramatic presentations, and have been doing pantomimes in class. Next week we will do improvisations. Each student will be given a situation, and together with other students in the group will develop that situation into a short play to be given for the class.

Our Junior High Library has not yet been catalogued, but the students are bringing books in each day, and we hope to have the library functioning by the end of next week.

Speech

The students are working on the storytelling unit, after having completed unit one on Conversation. Thursday each student told a story as he would tell it to a second grade child. Last Wednesday we told myths, "tall" stories, and mystery stories.

Sixth Grade
Mrs Smith - Teacher

We are going to make a book about Tecumseh and put in it the interesting things about our town.

In history we have started to study about the Romans. Each lesson becomes more interesting. Some of us have made soap carvings and many other things to illustrate Roman life.

Jerry Coffey made a wire cage for insects, and some of the children have brought insects to put in it.

Some of the experiments have been completed.

Ben Hammack is visiting in Kentucky.

The room helpers this week are Geraldine Daniels and Jean Wilson.

Reporters, Wilfred Waldron and Martha Hewlett.

Fourth and Fifth Grades
Mrs Pfaus - Teacher

In fifth grade geography we are studying the New England states. We have found out that manufacturing is the chief industry there. We were surprised to learn this, after having studied about the lack of raw materials in these states.

Science continues to be as interesting as ever. The fourth graders are learning to classify all living and non-living things. The fifth grade is studying social animals.

Harold Anderson and Michael Chamberlain are the room-helpers this week.

Mrs. Pfaus was disappointed that not one of our parents attended the first P.T.A. meeting. She hopes that during the year all of our parents will be present, and that all who can, will visit our room and see us in our regular classes.

Fourth Grade
Miss Cole - Teacher

Our geography class has started on an imaginary trip to Bombo's land. Bombo lives in the Belgian Congo. We brought road maps to school and planned our journey to New York. We took a big ocean liner at New York, and we are now traveling southeast toward Africa. It is very hot now. We crossed the equator this afternoon.

We wrote stories about our experience at the Fair this week in our English class. The children who did not go to the Fair wrote about something which they had done this summer. The best papers which were read to the class and then put upon the bulletin board, were written by John Allison, Shirley Deewall, Ginger Duane Murphy, Helen McKenzie, Barbara Schoeck, Gerald Tomezak, Gene Tuckey, and Jack Whelan.

Third Grade - East Branch
Mrs Truesdale - Teacher

We listened to a number of nature riddles during a recent English period. It was so much fun to guess the answers that we decided to make up some of our own and place them in a Riddle Book for our library: Gordon Keyser, Norman Felger, Jennie May Bird, and Marilyn Lindsley told very good ones.

Six first-grade children read for us from their experience charts. They were as follows: Robert Marsh, My Grandfather's Farm; Raymond Seitz, A Big Boat; Charles Bumpus, Eight Turtles; Nancy Sherrad, Jerry's Pets; Constance Goag, A Walk; Nita Mae Spangler, Goats. The stories were very interesting, and we thought the first-graders read very well.

As our room does not get enough sunlight for most houseplants, we have decided to have various kinds of cactus this year. Our window sills are attractive with brightly colored flower pots shaped like elephants, swans, cats, pigs, rabbits, and deer. We have a new aquarium also. Marietta Service and Eddie Collins brought the gold-fish for it.

First and Second Grade
East Branch
Miss Borgards - Teacher

Joyce Ann Grider from Wayne, Michigan has entered our room and is enrolled in our second grade.

The third grade children dramatized the story of "The Simpleton" Friday, and we were invited to see the performance, which we thoroughly enjoyed. Jennie Bird and Norman Felger acted as servants, Gordon Keyser as the farmer, JoAnn Johnston as the King, while Shirley Teske played the part of Simpleton very well.

Most of the first graders are writing their names very nicely now. We are also working on our colors and are making color books.

Second Grade - West Branch
Miss LaPointe - Teacher

Eleanor Treat celebrated her seventh birthday on September 22.

After learning some facts about coconuts we decided to tase one, so we all ate several pieces and drank some of the milk.

The helpers last week were Donna Burleson, Joan Brietenwischcer, Jolene Barron, and Donald Bickham. This week they were Larry Drewyer, LeRoy Duncan, Owen Campbell and Ruth Covell.

We are studying leaves and are now saking leaf booklets in art periods.

The following have not been absent or tardy during the first month of school: Shirley Bailey, Billy Baker, Barbara Bryan, Clara Belle Barnes, Jolene Barron, Donald Bickham, Joan Breitenwischer, Donna Closson, Owen Campbell, Ruth Covell, Larry Drewyor, LeRoy Duncan, Jerry Eggleston, Shirley Fosbender, Barry Freckelton, Richard Haight, Lois Lawson, Lucille Lawson, Ila Jean Louden, Charles Nobles, David Ousterhout, Lowell Perin, Mary Potts, Robert Sharp, Robert Shaw, Robert Smith, Eleanor Treat, and Nancy Wilson.

We observed American Indian Day on September 27 by reading and talking about Indians.

First Grade - West Branch
Miss Smith - Teacher

Our reading classes have started to read their Pre-primers and are showing a great interest in them.

Last week we wrote an invitation to the kindergarten boys and girls, inviting them in to see us dramatize "The Three Bears."

Material is being gathered to build a passenger train with pullman, baggage, and dining cars. While we are working on this unit we shall read Nila B. Smith's delightful little book, "Tom's Trip." We shall use the practice pad form, in which we build up the book page by page. The children will not receive the second page until they master the first.

Kindergarten - West Branch
Mrs. Updyke - Teacher

We have had several visitors in the kindergarten—Mrs Arnold, Mrs Bickham, Mrs Bird, Mrs Tonborg, and Mrs T. B. Gilliam from Detroit. We enjoyed having them so much.

Every child was weighed this week. We have our names and weights on a large chart. Vegetables, fruits, and milk have been the subject of our conversation a great deal of the time. We are going to try and eat all of the vegetables that our mothers serve us, and when we are weighed next time we will see how much we have grown.

We each made a funny man from vegetable pictures that we cut out. His head was a tomato; done this summer. Te best papers legs, corn; and his feet were potatoes. We think our vegetable men will remind us to eat our vegetables.

INSURE AGAINST FIRES!

HEED THESE DON'TS

1. Don't leave fluid-soaked rags to accumulate in cupboards or or closets! They can result in spontaneous combustion.
2. Don't experiment with home dry cleaning and inflammable cleansers! It's cheaper to have them done professionally.
3. Don't smoke in bed—you can never tell when you'll get drowsy and let a cigarette fall on bedding or carpet.
4. Don't leave matches or inflammable fluids within reach of children, who've not been taught their use.
5. If you have anything combustible in home or garage, label it cleary with a CAUTION—INFLAMMABLE message.
6. Don't have curtains or drapery near a stove—they may blow over the lit jets and catch fire very easily.
7. Don't leave a fireplace unattended before it is reduced to embers—shielded from blowing into the room.

These are all such simple precautions — yet neglect of them causes thousands of dollars of loss of property—and even loss of life—each year! Play safe. Insure against fires by being careful; and insure against fire loss by taking out one of our complete fire protection policies.

Hunting SEASON OPENS

Get our free Digest of Michigan Game Laws for Hunters. It tells you what you can bag within our state, and dozens of other things that you should know.

AS THE WIND starts whirling, blowing the first leaves off the trees, the forests are alive with fleet footed animal-life; and birds on the wing set the huntsman's heart a-quiver with anticipated excitement. No pursuit is a happier one than that of man and gun after a common prey. Smith, John Davenport, Margaret Allen, Ethan Allen, Samuel Bryan, Elizabeth Jillason, Philander D. Freese, Wilson H. Stout, or their unknown heirs, devisees, legatees and assigns,
Defendants,

At a session of said court held at the Court House in the City of Adrian, in said county, on the 23rd day of September, A. D. 1940.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,

NEED INSTRUCTIONS

President Roosevelt Should Tell Mayor Hague to Obey Law.

President Roosevelt talks a great deal about keeping bright the fires of democracy. But in Jersey City his henchman, Mayor Frank Hague, Vice Chairman of the Democratic National Committee and ardent third term supporter, thwarts the workings of democracy by refusing to install voting machines as directed by the State Legislature. What does Mr. Roosevelt say about that? Nothing.

All Promise, No Performance

Including his campaign pledges, President Roosevelt has promised to balance the budget no less than eleven times. During the seven years of his Administration, however, Mr. Roosevelt has never balanced the Federal budget. The average annual deficit for these seven years has been $3,227,400,000.

POLITICS "OUT" ON THE SABBATH

BOTH DICKINSON AND WILLKIE REFUSE TO MAKE POLITICAL SPEECHES ON SUNDAY

LANSING—Wendell L. Willkie and Governor Luren D. Dickinson have one trait in common: Neither man will make a political speech on Sunday.

When the Republican presidential nominee greeted audiences from the rear platform of his train on a recent Sunday, he said he did not intend to campaign on the Sabbath.

Well, Governor Dickinson does not either.

In fact, when an Upper Peninsula editor visited the executive office recently, Dickinson remarked he was not going to campaign in an old-fashioned barnstorming way.

The editor smiled in agreement, and then asked: "And how was the audience yesterday (Sunday) at Owosso?"

Michigan's 51-year-old executive, who had addressed a Bible Fellowship rally, remarked glowingly that several thousand people were present. He said he had "visited" with quite a few.

For Sunday "visiting" during a political campaign, Dickinson's tactics are highly effective. He doesn't talk politics. He just emphasizes the value of personal character and public morality.

You can't argue with God; neither can you accuse the governor of being insincere.

It's one of those things.

Last summer the state newspapers sponsored a national defense program at Fort Huron. Among the speakers were Governor Dickinson and Murray D. Van Wagoner.

Because last-minute complications prevented a visit of Michigan editor visited the executive office recently. Dickinson remarked he was not going to campaign in an old-fashioned barnstorming way.

The editor smiled in agreement, and then asked: "And how was Brace was a Paris correspondent of the New York Herald Tribune in 1919-20, and he had been with the American Chamber of Commerce at the French capital until its fall to the Nazi in 1940.

"Look at history," he said, "and you will find that it has been a constant swing of the pendulum of public opinion—either towards individual freedom or a disciplined state. France under tyrannical kings had a disciplined state; Bastile Day brought just the opposite—freedom for the individual which in its excess led to terrorism of the guillotine.

"Russia's history is almost parallel. Who can say that the dictatorship of a Stalin is not worse than the autocratic hand of a czar?

"Germany had disciplined control under Bismark and Kaiser Wilhelm. In the first and second reich the Germans had individual freedom, but they were not happy. Hitler restored the pendulum to its accepted course—that of a powerful central government of discipline, of law and order.

"In the United States we had individual initiative under Harding, Coolidge, and Hoover. Now we are getting a strong disciplined state under Roosevelt. If centralization of power goes too far, public opinion will demand a return to less regulation by Washington, more freedom for the individual."

One of Lansing's close observers of public opinion, a staunch friend of Governor Dickinson, unknowingly applied the same philosophy in a recent analysis why the Republican nominee is such a consistent vote-getter.

"In this country today we have several groups of people. One group is bewildered at our technological unemployment, our industrial insecurity, the complexity of of social problems at every direction. Then there is the disillusioned group — those who are disappointed at the failure of government to end unemployment, for example. Others remember that America fought 25 years ago to make the world safe for democracy. These people are plainly disillusioned. To them change has not meant progress.

"In such a flux of attitudes, Dickinson appeals to these groups as a gibralter of morality. To them he represents law and order, strong discipline, unyielding character.

"He has never imposed his personal likes and dislikes on others. As lieutenant governor he would never pack committees with drys just because he personally disapproved of the public sale of liquor. He was fair to both sides.

"In my judgment, there is the key to Dickinson's popularity."

THE TECUMSEH HERALD

NINETY - FIRST YEAR— NUMBER TWO | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 10, 1940. | FIVE CENTS PER COPY.

FEDERAL DRAFT REGISTRATION HERE OCT. 16

EVERY MAN, 21 TO 35 INCLUSIVE, NOT IN MILITARY SERVICE, MUST REGISTER

Plans for the registration of some 450 men in Tecumseh and Tecumseh township, in accordance with Federal draft registration regulations, were announced today by H. H. Hanna, township clerk.

In Tecumseh, Mr. Hanna declared, registrations will be taken at the Council Building, South Evans street, on Wednesday, October 16, between the hours of 7 a. m., and 9 p. m., and it is mandatory that all men between the ages of 21 and 35 years, inclusive, present themselves during that time. There are no exemptions, Mr. Hanna said, except for men actively engaged in military service. Illness or absence or lack of information is no excuse. Men becoming 21 years of age on October 16 must register and men who do not become 36 years of age until October 17 must register. In the event of illness, a member of the family or a friend may advise the board and arrangements for registration will be made. In the event that the prospective registrant is too ill to answer questions, then the law

WILL YOU SERVE?

To properly register men of draft age, H. H. Hanna, township clerk, today appealed for draft board workers in Tecumseh on Wednesday, October 16. Either men or women may serve on the board, but they must, as a patriotic duty, serve without pay. Persons who are willing to work are urged to contact Mr. Hanna or telephone 153, leaving their name and address. It is estimated that 16 board workers will be needed to do the work here.

provides that registration must be made as quickly as recovery permits.

"These boards of registration are being set up in every voting precinct in Lenawee county," Mr. Hanna explained. "Members of these boards are working without pay, as a patriotic duty. It is not necessary that a man register where he votes, but he must register. If a man living elsewhere than Tecumseh finds himself here on registration day he may register here. And likewise, the Tecumseh man who is away from home on that day may register where it is most convenient. It is, however, mandatory that he register on that day, and he will receive a registration card, which he must carry at all times, showing that he had complied with the law.

"Every person in the county, even those confined to jails or in hospitals, regardless of position, physical condition or dependants, if he is not actively engaged in military service, must submit to the registration if his age falls within the limits," Hanna declared. "We plan to register those who might be in the hospital here on that day, and we will show every courtesy to those who are ill by going to homes, if necessary, to meet the law's requirements."

Draft registration boards throughout the county were instructed in the work on Tuesday by Robert King, county clerk. It is estimated that it will take approximately 15 minutes to register each man, and boards were warned not speed the work, because of the likelihood of error. Registrants are given a card, which they must carry at all times, showing that they have complied with the law.

Two registration boards will operate in Tecumseh, Mr. Hanna said, one in each precinct. He estimates that it will take from 14 to 16 persons to do the work and these workers must serve without pay. He said today that several persons had expressed their willingness to serve but he urged that others also join in the service to expedite the work. Mr. Hanna and J. C. Beardsley will act as chief registrars.

Mr. Hanna said that men of draft age residing in towns and townships other than Tecumseh would find registration booths at their regular voting places. For example, he said, boards will be set up in Ridgeway, Macon, Clinton, Raisin and Franklin townships, and in the city of Adrian there will be 12 registration boards.

Friends Doubt Story; Youth Is Now In Jail

Because Frank Brown's friends failed to believe that he had "struck oil" in a sufficient quantity to enable him to purchase a Lincoln-Zephyr car, the 18-year-old youth today is in the county jail at Adrian, held in default of $500 bail for a trial in the circuit court.

Young Brown, a Tecumseh resident, is charged by officers with the theft of a car owned by H. Van Camp, last Saturday afternoon. The machine was taken from the parking lot in the downtown district here.

Officers say that the boy drove the car to Kenton, Ohio, where he formerly resided, and there boasted to friends that it was "his very own." They became suspicious and notified officers, who took him into custody. He was returned to Adrian on Tuesday and the car was turned over to its owner.

Mr. Van Camp said yesterday that the car showed little damage except that it had been washed in cylinder oil. Yesterday it was being cleaned and polished for the owner.

STOLEN AUTO CRASH KILLS 2

HITCH-HIKER, DRIVER FATALLY HURT; TWO OTHERS INJURED

Two Detroit youths, one a hitch-hiker, were fatally injured and two others were injured seriously at 6:30 p. m. Friday on Michigan avenue near the Lotz road, two miles west of Wayne, when the stolen car in which they were riding struck loose gravel, went out of control and turned over three times.

The dead youths are:

Stanton Britton, 19 years old, 9924 Ingram avenue, Rosedale Garnens, who had hitch-hiked a ride and did not know he was in a stolen car.

Edward Putnam, 16, of Detroit.

Leland Tyger, 16, Detroit, was riding in the front seat with Putnam, the driver. Both Tyger and Jack Newstead, Detroit, were being held by State Police after they had admitted they stole the car in Tecumseh. They said Putnam and Burton joined them later, police said.

Young Putnam recently enlisted in the 119th Infantry of the Michigan National Guard. He was to have left Detroit with the regiment for training in the South on Oct. 15. He is survived by his father and a brother.

While Trooper Mario Formolo, of the State Police, was responding to the accident call, he was crowded from Michigan road at Dearborn, Mich., by a truck and his car overturned. He is in a serious condition in Beyer Memorial Hospital, Ypsilanti.

The car that was stolen and wrecked was owned by Waldo Mood of West Logan street, and was taken from South Evans-st., where it had been parked about 5 o'clock, while Mr. Mohr was in a barber shop.

The car was completely wrecked, but the loss is covered by insurance.

Tyger was arranged in Justice Van Duzen's court at Clinton yesterday, charged with the larceny of a car. He waived examination and was bound over to the circuit court under $500 bail, which he failed to furnish and is being detained at the county jail, Adrian.

Freez-It Lockers To Open Next Thursday

Freez-it Lockers, a frozen foods storage plant for the use of residents of Tecumseh and its trading area, will be opened here next week Thursday by Miss Marian Whelan, its owner. The plant, built at a cost of several thousands of dollars, is located at 113 West Logan street, immediately west of the Whelan Implement Company.

The plant contains 320 lockers, each having a capacity of six cubic feet and large enough to hold approximately 250 pounds of meat, fruits or vegetables. These lockers are rented to customers, who may store their meat there at all times. The plant also will operate a service shop, where customers meat will be cut up and packaged to suit their convenience.

The locker plants are popular in many sections, making it possible for farmers and others to store large quantities of meats and fruits and have them available at all times. Hunters also are desirous of the service, making it possible for them to keep game without danger of spoilage.

The plant is an innovation in Tecumseh and its "open house" next week Thursday, Friday and Saturday is expected to attract many visitors. They will be taken to the service, cooling and freezing rooms where temperatures range from 34 degrees above freezing to far below the zero mark.

LEAGUE TO MEET

The Presbyterian League will meet Tuesday evening, October 15, at the home of Miss Mary McWilliams north of town.

CLUB LUNCHEON MARKS 46TH YEAR

MONDAY CLUB RESUMES MEETINGS HERE AFTER SUMMER RECESS

Tecumseh Monday Club opened its 46th year Monday with a luncheon meeting at the Methodist church parlors when Past Presidents' Day was observed. Luncheon tables were centered with white dahlias and leaves of the day lily and places were arranged for 60 guests, the Past Presidents seated together at a table marked with 14 candles. The luncheon was arranged and served by Mrs. T. Rentschler, Mrs. Thos. Elliott, Mrs. P. B. O'Brien, Mrs. William Barnes, Mrs. Lewis Lent, Mrs. Grace Coffey, Mrs. H. O. Winter, Mrs. Harry O'Neil and Mrs. Paul Johnson.

Mrs. Sam Sisson presided and Mrs. C. A. Slayton and Mrs. R. S. Moore, the two oldest members of the club, were honored at a brief ceremony conducted by Mrs. W. L. Berkhof. A candle light service was held in memory of deceased past presidents. Mrs. J. R. Lott and Miss Gertrude Spaulding presiding; and a toast to the past presidents attending was given by Mrs. Sisson.

Mrs. S. L. Wyman, program leader, gave a talk to the guests and led the assembly in singing "God Bless America." She then introduced Mrs. Clarence Starkweather, president of the Woman's Study Club of Ypsilanti, who in turn presented a group of members in a program of music and readings. Those taking part were Mrs. L. A. Fessler in "Extracts from a Humorous Note Book"; vocal duets by Mrs. Paul Ehman and Mrs. Charles Hill; a short play by Mrs. Feamans and Mrs. George Emmons, and vocal solo by Mrs. Feamans, Mrs. Esther Whan acted as accompanist.

During the business meeting year books were distributed announcing the year's programs.

Next Monday's meeting will be presented by the Tecumseh Garden Club and members of the club are to be guests. Various flower arrangements will be demonstrated and Mrs. R. S. Moore will be in charge of the music. Tea will be served at the close of the meeting.

An evening meeting will be held at the high school October 21, when Hugh Wilson of the American Defense League, and a member of the Dies committee, will speak on "Subversive Activities in the United States." Other programs will include a musical program by the Rev. and Mrs. Laurance Taylor of Addison, a lecture by Professor Pollock of the University of Michigan, a program by Abi Evans chapter of the Daughters of the American Revolution and Underwood-Orr Auxiliary of the American Legion, book reviews, an address by Floyd Starr of the Starr Commonwealth for Boys, an art talk by Sister Helene of Sienna Heights College of Adrian, a debate on the applied education group, Christmas program, flag program, an address by Dr. H. H. Hammel, an address by James T. Stermer, field sociologist, Michigan Child Guidance Institute of Ann Arbor, book talk by Jon Young, movie round table discussion, a patriotic program with Colonial setting and exhibit of antique glass, china, furniture, clothing and jewelry, a Victor Herbert program, a trip through the Tecumseh schools, a lecture, a program on music and art in the schools by Miss Sarah Humphrey and pupils, a program presented by the Clinton Culture club, one on cancer control, an address on Juvenile Delinquency by Judge Tripp, an address by Lieutenant Harold Mulbar, deputy chief of detectives of East Lansing and, in closing, a musical spring luncheon with a program presented by the music group.

BAND BENEFIT

The Junior and Senior Band Mothers met Friday evening at the home of Mrs. Lewis Lent when final plans were made for the benefit entertainment and dance to be presented in the high school gymnasium, Friday evening, by Tim Doolittle and his Pine Center Gang.

Tickets are now on sale by band members and also suits for the junior band. Refreshments were served at the close of the meeting.

The club will meet November 1 at the home of Mr. and Mrs. E. C. Brandt when the band fathers are invited to attend.

P. E. O. LUNCHEON

Chapter AJ, P.E.O., enjoyed a luncheon meeting Tuesday at the home of Mrs. Clyde Bailey.

Funeral Here Saturday For Mrs. Carrie Boyd

Mrs. Carrie Boyd, wife of David Boyd, died suddenly Wednesday morning at 8 o'clock at her home on West Chicago boulevard where she had resided for over 20 years.

Mrs. Boyd, who was nearly 70 years of age, was born November 9, 1870 at Wood Hall, Michigan. On December 18, 1887 she was married to Mr. Boyd and in 1937 they celebrated their golden wedding anniversary. They made their home in this community their entire married life moving to Tecumseh from their farm south west of town. Mrs. Boyd was a member of the Presbyterian church and of the Welcome class of the Sunday school.

Besides her husband she leaves one daughter Mary, wife of Ralph Hardy of Brooklyn; four sons, Archie, Lawrence and Melvin Boyd of Tecumseh, and Garland Boyd of Detroit; 11 grand children; eight great-grand-children and several nieces and nephews.

The body was removed to the Collins Funeral Home on North Union street to remain until Saturday at 1 o'clock. Funeral services will be held Saturday at 2:30 at the Presbyterian church, Rev. E. M. McGehee officiating.

Shawnee Club Names Its Permanent Officers

The Shawnee Republican Woman's Club held its second meeting Friday afternoon at the home of Mrs. S. L. Wyman with 130 members in attendance. A membership of 230 was announced, and the temporary officers, elected at the previous meeting were made permanent. Six additional officers were elected in order to give all six townships equal representation.

The six vice presidents and their townships are Mrs. C. W. Howe, Tecumseh; Mrs. L. J. Britton, Ridgeway; Mrs. Ella Swick, Macon; Mrs. Addie Lindbert, Franklin; Miss Lois Lancaster, Clinton, and Mrs. Elmer Green, Raisin. Additional officers elected were Mrs. W. C. Fisher, Franklin, corresponding secretary; Mrs. Viva Brown, Ridgeway, treasurer; Mrs. Effie Gibson, Macon, publicity chairman.

Mrs. Jenny Law Hardy, president of the club, appointed Mrs. Pearl Elliott, Mrs. Green, Mrs. Fisher and Mrs. Wyman a committee to instruct prospective voters. Reports of the recent state convention were given by Mrs. Howe, and of the National Women's Conference by Mrs. Glenn Driscoll and Mrs. Wyman who spoke on the Willkie address.

At the close of the meeting the hostess served tea and cakes, Mrs. Britton and Mrs. Lindbert presiding at the tea table.

The next meeting will be held Friday afternoon, October 25, at 2:30, at the home of Mrs. Glenn Driscoll on W. Brown street. As this is the last meeting before election all members and prospective members are urged to be present.

Harvest Home Services Planned By Friends

The seventh annual Harvest Home Service of the Friends church will be held Sunday, October 13 at 10 a. m., and 7 p. m. Rev. Worthy A. Spring, president of Cleveland Bible College, will be the speaker at both services.

The church is decorated with autumn flowers, fruit, vegetables and canned goods for these services and the food is later given to one of the institutions supported by the Friends church. Last year it was given to the Friends Rescue Home in Columbus and this year will go to the Cleveland Bible College. The motto of the service is "No offering too small —no offering too large."

All desiring to make contributions of produce are asked to bring it to the church not later than noon on Saturday, so it may be used in the decorations.

Harvest thanksgiving services, with the churches so decorated, are an English custom, quite generally observed by churches and chapels in England.

The public is invited to attend these services.

CALLED TO DUTY

Dr. H. H. Hammel, Colonel, Medical Reserve of the Regular Army, has been ordered to temporary (30 days) active duty at Lansing, where he will be president of a board of officers who have charge of inspection of inspection of physical records of the Michigan National Guard officers who will be inducted into the Regular Army 15 October.

ASSETS SOLD

The assets of the Lenawee Sand & Gravel Company which is being dissolved, were sold Monday at public auction to C. C. Gradolph of Petersburg for $10,500. Accounts receivable were sold to John E. Murphy for $305. The sale was conducted and confirmed by Circuit Judge G. A. Rathbun.

NOBLE GRAND CLUB

The Past Noble Grand Club of the Rebekah lodge met Tuesday evening at the home of Mrs. Jennie Hodges for a potluck supper, regular meeting and social hour.

WARRIORS WIN FROM ST. MARY'S

TECUMSEH BRINGS HOME VICTORY FROM ADRIAN; SWANTON HERE, FRIDAY

BY BOB LARSEN

With the taste of defeat at Hudson still bitter in their mouths, Tecumseh's Indian gridders defeated St. Mary's at Adrian, Thursday evening, by a score of 19 to 6. It was the second game played by the Indians this season and their first victory.

Captain Mohr was definitely the star of the game and carried the ball at least three quarters of the time it was in play. He did, however, receive excellent support from the team, which showed a marked improvement over its initial appearance at Hudson a week earlier.

Tecumseh plays its third game here on Friday afternoon at Athletic park when the Indians battle an eleven from the Swanton high school. While the outcome of this game appears dubious, Coach Hart's Warriors are training for a fierce battle.

An enthusiastic crowd of some 300 Tecumseh fans watched Coach Hart's team come through to victory at Adrian and then joined in a parade from Island Park to the downtown district of the County Seat City. Tecumseh's band, at the head of the parade, made an excellent appearance, and also won much favorable comment on the football field.

The play-by-play description of the Adrian game follows:

St. Mary's kicked off to Tecumseh and the ball was run back about 15 yards. On the second play Mohr made 7 yards. Wilson carried the ball for a first down. Schneider carried the ball the next two plays for no gain and a loss of 5 yards, respectively. Mohr punted to mid-field and Green downed the ball.

St. Mary's made first down in the next three plays and then went around end for a gain of 9 yards. After first down St. Mary's lost 4 yards on the next play and threw an incomplete pass. St. Mary's on a lateral pass picked up 7 yards, making it fourth and 7. They then threw a pass which gave them first down. St. Mary's

Methodists Planning Annual Church Fair

The Woman's Society of Christian Service of the Methodist church met Thursday afternoon at the home of Mrs. Guy E. Belding on West Kiser street when plans were discussed for the annual church fair and supper to be held in the church parlors on November 7. Devotions were conducted by Mrs. P. B. O'Brien.

The following standing committees were appointed; spiritual life, Mrs. S. L. Wyman, Mrs. Harry Abbott, Mrs. E. D. Brown, Mrs. W. L. Abbott, Miss Lavie Snedicor; program, Mrs. P. B. O'Brien, Mrs. H. H. Loveland, Mrs. J. O. Eaton, Mrs. Alfred Wright, finance, Mrs. Guy Belding, Mrs. Claud Gray, Mrs. W. G. Waldron and Mrs. R. S. Bumpus; membership, Mrs. C. C. Ruppel, Mrs. James Foster, Mrs. Earl Mrs. Jennie Temple; fellowship, Mrs. G. E. Parsons, Mrs. Aden Mead, Mrs. Chester Beach, Mrs. Marvin Watkins; status of women, Mrs. S. L. Collins, Mrs. Alta Lidke, Mrs. L. A. Carlson, Mrs. Mertle Waring; publicity in training, Mrs. T. Rentschler, Mrs. E. P. Hildebrand and Mrs. Wright.

Mrs. W. G. Waldron, Mrs. J. O. Eaton, Mrs. Claud Gray, Mrs. Wm. Barnes and Mrs. E. F. Hildebrand officers of the society, attended a conference in Pontiac Friday.

SCHOOL ADJOURNS FOR REGIONAL MEET

Tecumseh school children were enjoying a two-day holiday, beginning this morning, while Superintendent W. L. Berkhof and members of the teaching staff were in attendance at a regional meeting of the Michigan Teachers Association at Lansing. Regular school sessions will be resumed on Monday.

HURT IN ACCIDENT

Duane Brady and Raymond Lohr of Britton were brought to Tecumseh Hospital following an automobile accident in Britton, early Sunday morning. Mr. Brady suffered a fractured left leg and head injuries. Mr. Lohr was treated for minor injuries and was released.

FATHER DIES

Miss Mary Smith, teacher at the West Branch school, was called to St. Louis, Ill., last Friday night because of the death of her father. In her absence this week her classes were taught by Mrs. H. Van Camp.

A CORRECTION

In the advertisement of the Baldwin Hardware Company in last week's issue of The Herald, Xpert shotgun shells, 12 ga., chilled shot, were priced at $1.95. This was an error, and the price should have read $1.05.

Hey! Listen, Y' Kids, How About Ice Skating?

It may be a bit early to talk about it, but the board of education, in regular monthly session Tuesday evening, ordered the weeds cleared from the ice skating rink at the East Branch School, in preparation for winter weather. The rink, flooded and frozen, is one of the popular recreational spots for the children.

The board also authorized the request for a loan from the State Department of Public Instruction to care for the school's current expenses until added tax money arrives. The advance payment requested would be deducted from the state aid money due the school district.

The board was requested to furnish additional information to the state WPA office on the proposed regrading of the athletic field, near the school. The trustees also discussed winter classes in adult education, similar to those held here last year by R. M. Hardy, but no action was taken, pending a canvass of business men and merchants as to their popularity.

14 NEW HOMES HERE THIS YEAR

TEN NOW UNDER CONSTRUCTION AND WILL BE READY WITHIN FEW WEEKS

Fourteen Tecumseh families will spend Christmas and possibly Thanksgiving in their own new homes this year, the result of the village's rapidly increasing building program.

At Indian Acres, popular subdivision on North Union street, eight new houses are being constructed this year bringing the total in that subdivision to 16. In other sections of the village this year, half a dozen other homes are being or have been built, and in all probability, according to R. H. Moore of the R. S. Moore & Son Co., builders, three or four more new houses will be started here this fall.

At Indian Acres, the Garth Hall, Frederick Bryan, Kenneth Ringman and Sam Shervino homes will be ready for occupancy in about 30 days. The Charles Mensing house will be completed in about 45 days and the Wayne Lusk home will be finished this week. The Oscar Shonbeck home was completed this week and already is occupied by the family. Frank Beal, jr., will build a new home on Brown street, starting at once.

In the Turner subdivision, the F. C. Hannas already have moved into their new home as have the L. C. Jacokes. The Larry Larsen house is progressing rapidly and will be ready for the frame work next week. The C. F. Sage house on West Pottawatamie will be finished in about 45 days.

On East Logan street, the M. W. Wilson house is rapidly being completed and will be ready for occupancy within a few weeks. On East Pottawatamie street, the Reinhold Schmidts are occupying their new home.

There still are eight available lots in the Indian Acres subdivision, it was said, and four lots have been sold there for new homes yet to be constructed.

Wit And Wisdom Club Organized For Year

The Wit and Wisdom Club held its first regular meeting Monday evening at the home of Mr. and Mrs. A. O. Howard, with Mr. and Mrs. C. R. Dustin the assisting host and hostess. Mr. Howard was program leader and the program included a book review by Jon Young. A social hour and refreshments concluded the evening.

Mr. and Mrs. Fred Sheldon and Mr. and Mrs. G. E. Parson are hosts and hostesses for the next meeting on October 21, when Miss Frances Gillespie will show Western pictures.

Programs for the year include a musical program on November 4, a travelogue of Alaska on November 18; talk on "Crime Detection" on December 2; Christmas program on December 16; Ladies Night, January 13; "Mobilization," January 27; Minister's Night, February 10; "Lives of Our Presidents," February 24; "National Defense," March 10; Past President's Night, March 24; annual banquet, April 7, and annual picnic, July 7.

BUILDING ADDITION

The construction of an addition to the office building of Dr. H. H. Hammel on South Pearl street, was begun this week. The new addition, on the south side of the building, nearly doubles the size of the nurse's office, surgical room and the recovery room. It will be completed about the first of November.

P. T. A. SPEAKER

Mrs. Edith Dowley, teacher of the University Elementary school, Ann Arbor, who has traveled abroad extensively, will be the speaker at the meeting of the Tecumseh Parent-Teacher Association to be held Thursday evening, October 17, in the high school auditorium.

MERIT SYSTEM UP TO VOTERS

PROPOSAL ON NOVEMBER BALLOT TO BRING IMPORTANT DECISION IN MICHIGAN

LANSING—When Michigan voters go to the polls November 5, they must make an important decision. They must decide whether or not the people can trust their legislature to carry out the popular will.

For many years it has been an old American custom, regardless of party, for legislators to proclaim: "To the victors, belong the spoils!"

Proposal No. 2 on the November 3 ballot is an amendment to the state constitution which would write civil service into Michigan's basic law and set up a four-member, bi-partisan commission to administer the merit system directly under the constitution.

The legislature would no longer have any practical authority in the civil service picture. Thus would pass away the traditional power of the elected representatives of the people over this phase of state administration.

Would this tradition be good or bad? That is the question the voters must decide, and it is admitted there is much to be said on both sides of the case.

Probably the first question in the mind of the neutral voter is, Why it is deemed necessary to strip the legislators of this power?

The Michigan Merit System association, sponsor of the amendment, has taken the stand that the legislature has failed to act upon to give the state a real civil service, and the association leaders point to the state's three-year experience with the merit system as evidence that patronage governs the choice of state employees and disrupts efficiency.

It will be remembered that the 1937 Democratic legislature passed the bill setting up Michigan's first civil service. Frank Murphy, then governor, imported William Brownrigg from California to administer the system. Director Brownrigg proceeded to hew to the line so rigorously in choosing employees by question-and answer tests and in governing employee relations according to the letter of the law, that a political reaction blew him out of office early in 1939.

At that time the newly elected Republican legislature revised the system by what critics termed a "ripper" bill. There were observers, in politics and out, who felt

Miss Ellen McLain, 79, Dies After Brief Illness

Miss Ellen McLain, aged 79 years, a life long resident of this community, died early Friday morning at her home on North Maiden Lane where she and her brother, Fulton McLain, had resided the past nine years. She had been in failing health for several months but was seriously ill only 12 hours.

Miss McLain was born in Raisin township and was one of a family of six children of Fulton and Jane Jack McLain, pioneer settlers of that district. She attended the Raisin Valley Seminary and for a number of years taught in the rural schools. She was a member of the Holloway Presbyterian church and of the local church since moving into town.

Survivors are two brothers Fulton McLain of Tecumseh and Henry McLain of Hudson, also several nephews and nieces.

Funeral services were held Monday afternoon at Belding Funeral Home. Rev. E. M. McGehee officiated and burial was made in the McLain cemetery in Raisin township.

Heart Attack Fatal To John Gibson, 86

John Gibson, aged 86 years, a former resident of this vicinity, died suddenly of a heart attack Thursday at his home in Marion, Michigan, where he had lived for over 30 years.

He leaves one son Alfred, also two brothers William Gibson of Tecumseh and David Gibson of Deerfield and one sister Mrs. Anna Underwood of Ridgeway. Mrs. Gibson who was formerly Mary Owen of Tecumseh died about 23 years ago.

Funeral services were held in Marion Saturday morning and the body was brought to Tecumseh for burial in Brookside cemetery where services were held at the grave, Rev. E. M. McGehee officiating.

ON EXAMINING BOARD

Dr. F. G. Hodge, local dentist and a lieutenant in the 111th General Hospital Unit, U. S. Army, has been ordered to report on Saturday of this week to examine National Guardsmen who have been called to active duty by the government. Lieut. Hodge will be stationed at Ann Arbor, Ypsilanti and the Wayne Airport during the week or more that he will be on duty with the examining boards.

attempted to go around end but lost 3 yards. On the next two plays St. Mary's gained 4 and 7 yards respectively. On the next they made first down, and went around end for a gain of 2 yards. Next they passed and the receiver ran for a St. Mary's touchdown. They failed to convert the point and the score was 6-0, St. Mary's. The kick from St. Mary's rolled on the ground before Mohr picked it up only to be stopped after he had run less than 5 yards.

Mohr passed to Green who ran to the St. Mary's 2½ yard line. He stumbled after he caught the ball, due to a sore knee that was tightly taped, otherwise he would have been able to have run all the way for a touch-down. Here the quarter ended.

At the start of the second quarter, the Indians were in possession of the ball and after one or two plays they put the ball over for a touchdown. They failed to convert the point and the score was tied at 6. The Indian kick was low and the St. Mary's ran it back only one or two yards. After losing a few yards and gaining them back St. Mary's was forced to punt. The punt was high and short as was characteristic of every punt made by that team. Mohr passed, incomplete. Wilson picked up a yard or two and Tecumseh fumbled losing 6 yards. Mohr punted and on the next play St. Mary's picked up 6 or 6 yards. It did them no good, however, for they met with strong opposition and were forced to punt, Tecumseh had the ball for three plays and on a forced punt. Green stopped the St. Mary's man in his tracks. St. Mary's passed and this was intercepted by Brooks. Tecumseh held the ball for a few ploys and tried a field goal. This was blocked and here the raft ended with St. Mary's in possession of the ball.

St. Mary's kicked and Mohr ran the ball back for 11 yards and on the next play he went for a first down. Schneider fumbled the wet ball and lost 3 or 4 yards. Wilson picked up 6 yards and Mohr, after running 6 yards thru the line, made a first down. Mohr took the ball for the next three plays and made a first down. On the next play Mohr fired a pass to Jewell who ran over for a Tecumseh touchdown. The Indians ran over the extra point making the score 13-6. Tecumseh.

Tecumseh's kick was good and St. Mary's ran it back 5 yards and passed for no gain. Forced to punt their line loosened and it was blocked. Tecumseh made no yardage and lost the ball. St. Mary's followed suit and made no gain finally punting to mid field where Tecumseh was in possession at the end of the third quarter.

Mohr passed to Wilson and to Green and both were incomplete. The Indians failed to make first-down and St. Mary's got the ball. After losing 7 yards thd throwing an incomplete pass St. Mary's punt was blocked. The Indians found themselves on St. Mary's 5 yard line and Wilson went thru for the touchdown. Mohr tried to convert the extra point but was unsuccessful. The ball hit the cross bar and bounded back. An Indian caught the ball on the rebound and ran it over but the referee refused the point.

Mohr kicked to St. Mary's and on a 25 yard run back Coffey was hurt and was carried off the field. St. Mary's gained 3 yards and on a pass lost the ball when it was intercepted by Carpenter. From here on it was nothing but a punting duel and the game ended with a final score of 13-6, Tecumseh.

Substitution were: 1st quarter, Brown-Jackson. 2nd quarter: Jackson-Brown, Curtiss-Schneider, Brown-Jackson, Schneider. 4th quarter. Curtiss, Jackson-Brown, Osburne-Mohr.

MERIT SYSTEM

(Continued From Page 1)

the liberalization was justified on the basis that Brownrigg had sought to do the impossible, namely, to reform government overnight.

The original act brought approximately 15,000 workers under civil service. At present there are only about 8,800 of the state's total of 17,5000 employees under the setup.

All this will be changed if the amendment passes. So sweeping is the measure that only about 570 positions (elected officers, department heads, board, and commission members, employees of the legislature, and not more than two other positions for each elected administrative officer and each department, board, and commission) would be exempt.

Furthermore the amendment manipulates the state's purse-strings. It directs the legislature to appropriate not less than one per cent of the total state payroll for the merit system. This means considerably more money than civil service is now getting.

Many objections to the amendment have been raised. Various organizations which have supported civil service and which formerly backed the Merit System association's program are opposing the current proposal. They include the state department of the American Legion, Michigan Farm Bureau, Inc., Michigan Federation of Labor, and the Michigan Federation of Business and Professional Women.

The opposition centers on the argument that whatever corrections need to be made to civil service should be made by the legislature and not through constitutional alterations. If the lawmakers are not now doing the will of the people, then the voters can elect legislators who will. That is the contention.

There are other lesser objections, however. For instance, the various ex-servicemen's organizations are zealous to safeguard the advantages they have gained through the veterans preference act. The amendment would simplify that law and leave preference questions entirely up to the new commission. The commissioners, incidentally, would be appointed by the governor and serve staggered terms.

The Michigan Federation of Labor has attacked the amendment because it pre-allocates funds and in the ground it would jeopardize the barzaining rights of labor.

On the other hand, proponents of the amendment emphasize the efficiency angle. The words of Samuel H. Ordway, Jr., of New York city, president of the National Civil Service Reform league, illustrates this point.

"Each of us as citizen and taxpayer," he said in a recent talk in Lansing, "is concerned not only with getting a dollar's worth of service for a tax dollar paid, but, for the preservation of democracy itself, in seeing that all these services are as effectively rendered as skill, non-partisanship, and high morale can assure."

Supporters of the amendment argue that the measure represents the very essence of democracy, in that the people thereby write their own law into the constitution. California and one or two other states are said to have used this means to safeguard civil service against legislative tampering.

This leads to the most serious objection made against the amendment, namely, the implications as to continuation of the American form of representative government. If the legislature cannot be trusted, and if civil service can more efficiently and more satisfactorily be administered by a small super-commission, why not finances, health matters, and everything else the legisature now handles? Why not gradually dissolve the legislature and let constitutional bureaus do the whole job? These are the questions being advanced.

It is further contended that the net result of adoption of the amendment would be a growing laxness on the part of the electorate. The need of watching legislators would be somewhat diminished, and a legislature now said to be weak would become still weaker.

Thus the people would be doing less than ever to govern themselves intelligently, it is argued.

Although neutral observers have been slow to take up the cries of alarm raised by some opponents of the amendment, it is freely admitted the proposal implies a modification in the traditional American pattern of government. Some observers regard this change as desirable, as one calculated to streamline and strengthen the failing party system of representative government.

It is apparent that the amendment will be supported in November by many who feel that in no other way can a stable civil service be effected. It is also apparent, however, that the proposal will meet opposition on the ground that the legislature, with all its faults, should remain the administrative arm of the people.

U. S. MANHOOD CALLED TO DUTY

TECUMSEH JOINS WITH NATION IN MILITARY DRAFT REGISTRATION ON WEDNESDAY

Approximately 450 residents of Tecumseh and Tecumseh township, men between the ages of 21 and 35 years, inclusive, yesterday placed their services at the disposal of the federal government for possible military instruction when they registered here in the first peace-time compulsory military training program in the nation's history. Nationally, it was estimated that the draft registration amounted to more than 16,400,000. It was the second time in the life of most Americans that young manhood registered for military service, the other call being made on June 5, 23 years ago, during the world war.

Registration booths, set up in all voting precincts in Lenawee county and throughout the nation, yesterday opened at 7 o'clock and continued open until 9 p. m., last night. In Tecumseh, a waiting line was on hand for the opening, as it was in most precincts throughout the county. The registration was entirely orderly, and there was an almost continuous flow of registrants throughout the day.

"Our morning registration was unusually heavy," H. H. Hanna, township clerk and chief registrar, declared. Before 4 o'clock yesterday afternoon, some 360 men had registered, and there was another rush during the 6 o'clock hour.

Registration here was handled by a group of volunteer workers, who received no renumeration for their services. The law under which the men registered required that all men between the ages of 21 and 35, inclusive, regardless of physical condition, register for possible military training. Ignorance of the law, absence or illness was no excuse.

While there were no reported objection to registration here on Wednesday, press reports from New York said that Donald L. Benedict, son of Mr. and Mrs. Leon Benedict of Adrian, and a graduate of Tecumseh High School, was one of 19 students of the Union Theological Seminary of that city, who had expressed their determination not to register for the draft. The students said that instead of registering they would present their draft boards with a written statement denouncing the draft as a "totalitarian movement."

Young Benedict is well known in Tecumseh and throughout the county and southern Michigan. He is a former Adrian softball star, and a member of the state championship team in 1937. After his graduation here he attended Albion college. He is now a ministerial candidate of the Detroit Methodist Conference, and a few weeks ago was a guest speaker at the Methodist church in Adrian, while in that city on a visit.

Frozen Foods Lockers Opened Here, Today

Tecumseh's new frozen foods storage plant, operated by Miss Marian Whelan on West Logan street, will be opened to the public today. The "open house" will continue through Saturday, and the public is invited to inspect the new enterprise.

Freez-it Lockers, as the plant is known, houses 320 lockers, each having a capacity of six cubic feet and large enough to hold approximately 250 pounds of meat, fruit or vegetables. These lockers are rented to customers, who may store their meat or produce there at all times. A service shop also is operated in connection with the plant, where customers' meat is cut and packaged to suit convenience.

The Freez-it Lockers is one of the first plants of its kind in this section of the state, although similar plants are popular in other states, especially in the east. It is expected that it will be used extensively by farmers, who kill their own meat and desire proper storage.

The plant also will carry a complete stock of frozen foods and meats, which will be retailed to customers.

NOTICE

From October 8 to about October 28th, while on active military duty, at Lansing, my office will be open for Xrays, collections of accounts, and medical refills. I may be in my office some evenings during this time.

H. H. HAMMILL, M. D. O-24

NOTICE

Beginning October 13, 1940 for a period of about one year my office will be closed while I am on active military duty with the Michigan National Guard.

MACCABEE MEET

The Maccabees will meet Monday evening, October 21, at the home of Mrs. Martha Nye. Refreshments will be served at the close of the meeting.

— Dies Investigator —

Chas. L. Wilson

Mr. Wilson, Oakland prosecutor and Dies worker, will address a public meeting here, next Monday evening at the high school, at which time he will expose subversive activities in Michigan.

DIES WORKER TO TALK HERE

OAKLAND PROSECUTOR TO TELL OF ACTIVITIES OF THE FIFTH COLUMN

Charles L. Wilson, a worker on the Dies investigating committee and prosecuting attorney of Oakland County, will discuss "The Peril of Fifth Columnists in Michigan," at a public meeting, to be held on Monday evening, October 21, at 8 o'clock, in the auditorium of Tecumseh high school. The meeting is sponsored by the Monday Club, the American Legion and Auxiliary, the Business and Professional Women's Club, the Chamber of Commerce, the Board of Education, the Child Study Club, the Wit and Wisdom Club and Tecumseh Grange. It is open to the public and no admission will be charged.

Mr. Wilson, who is an able speaker, will tell in detail the facts of the activities of the Nazi Bund and Communist Camps, and also will show his audience documentary evidence of their existence. The meeting will be in no way political, and entirely informative, giving Americans an insight into subversive activities nationally and in the State of Michigan.

Mr. Wilson was elected secretary of the American Citizens' Defense League of Michigan, in recognition of his efforts to outlaw the Nazi Bund and Communist camps, and to bring other organizations into the open which have advocated the overflow of the American Citizens' government. He has worked with both the state police and the Federal Bureau of Investigation in connection with subversive matters, and only recently he prosecuted and convicted one of the leaders of Jehovah's Witnesses for defamation of the American Flag.

At present, Mr. Wilson is chairman of the board of directors of the Michigan Prosecuting Attorney's Association, president of the Oakland County Law Enforcement League, and secretary of the American Citizens' Defense League of Michigan.

CHAMPION HUSKER

Le Roy Anderson of Camden became the corn husking champion of Michigan Saturday afternoon when he won the first state corn-husking contest, held near Pittsford, by turning in a net load of 1,623 pounds of husked corn during the eighty minute time limit. Second place in the contest, witnessed by about 5,000 people, went to Ed Quiter of Quincy with 1,514 pounds. The contest was sponsored by W. E. Swan, state manager of the Modern Woodmen of America.

TIPTON GRANGE

Tipton Grange will meet Friday evening for annual election of officers. Supper at 7:30 will precede the meeting.

NOTICE TO WATER USERS

On Friday, October 18, the water will be shut off between 1 p. m., and 5 p. m., in the district between Chicago Boulevard and Shawnee street, east of Evans street, to Maumee street, including buildings located on west side of Evans street and buildings on the west side of Maumee street.

This shut-down is necessary to allow the Water Department to install new valves. It is suggested that users draw sufficient water for use until Saturday morning, for drinking and cooking purposes.

Wade L. Jones, Village Clerk.

NOTICE

My office will be open from October 25 to October 31, inclusive, for general practice. After that date it will be closed for one year, during which time I will serve in the United States Army.

HUNTER KILLED 4 OTHERS HURT

HUNTING SEASON OPENING CLAIMS FIRST VICTIM IN MISHAP AT WAMPLERS

Dean Joslin, 19, Detroit, was the first victim of the hunting season in this vicinity, when he lost his life in an accident at Wamplers Lake, Tuesday. Four other persons were injured in the county, and two were arraigned in justice court here, charged with trespassing.

The accident in which Joslin was killed occurred when he became mired in a swamp on the west side of Wamplers. Richard Le Blanc, 18, Detroit, with whom Joslin was hunting, extended the muzzle end of his shotgun to Joslin in an effort to pull him out. Joslin lost his footing and when he fell, the gun discharged, the shot striking him in the heart. He died almost instantly.

Nathan Gray, 31, who lives southwest of Tipton, suffered the loss of his left hand while hunting with Dale Warner, a neighbor, on Tuesday. As they were returning to their home Mr. Gray fell in a cornfield, the shotgun exploded and the charge struck him in the palm of the hand. He was removed to an Adrian hospital and the hand was amputated.

Percy Mills of Tecumseh was shot in the face near the right eye, Tuesday, while hunting. He was brought to Tecumseh hospital for treatment and returned to his home.

Theodore Hentschel of Dearborn was brought to Tecumseh Hospital Tuesday for emergency treatment for gun shot wounds in the leg, received while hunting. After treatment he was removed to a Detroit hospital.

Bill Damon, Jr., of Tecumseh, fell while hunting Tuesday and struck on the butt of his gun, cutting a bad gash in his forehead. He was brought to Dr. R. F. Helzerman's office where several stitches were taken to close the wound.

Nathan Lowenthal and Otto Helwig, jr., both of Detroit, were taken into custody near Macon, Tuesday, charged with hunting on posted land. In Justice P. C. Hanna's court they pleaded guilty to trespassing charges and drew fines of $2 each and costs of $3.35. They paid.

SHUT OFF WATER

VILLAGE WARNS USERS OF INTERRUPTION OF SERVICE FOR REPAIRS

Wade L. Jones village clerk, today warned water users of intended interruptions in the water service this week and next, during which time the village is laying new mains to care for increased demands for service.

On Friday of this week, between 1 and 5 p. m., the water will be shut off in the district between Chicago boulevard and Shawnee street, east of Evans street, to Maumee street, including buildings on the west side of both Evans and Maumee street. The village advises that this section to draw sufficient water for cooking and drinking as is required to last until Saturday morning. While the water will be turned on Friday evening, it will be riley and not suitable for drinking, it was said.

Next week Monday, workmen will start laying a new water main on South Union street, from Patterson to Chicago boulevard. This will necessitate a shut-off of water in the district west of Union street, between Chicago boulevard and Patterson street, and west as far as Adrian street. It will affect users on the south side of Chicago boulevard.

In this section, in all probability the water will not be shut off before next week Thursday or Friday, and the village will endeavor to give a one-day notice in advance. It also was said that it is likely that more than one shut-off will be necessary, indicating that this area may be affected on two or three different days.

FAIR QUEEN

Mary Green, daughter of Mrs. Russell Green of Morenci, formerly of Tecumseh, was chosen queen of Morenci's ninth annual community fair held Friday and Saturday. Mary, who is a sophomore, is a niece of Mrs. R. J. McCoy.

4-H MEETING

The Lenawee County 4-H Club Council, elected in May, will meet in the extension office at the court house in Adrian, Friday evening, Oct. 18, to form an organization and adopt a constitution and by-laws.

TO ADDRESS RALLY

Mrs. Jenny Law Hardy will address a Republican rally today in the Congregational church, St. Johns, Michigan, at the banquet given by the Clinton County Republican Federation of Women's Clubs.

THS Band Is First In Clinton Contest

Tecumseh high school band was awarded first place in the band concert contest, held Saturday afternoon in Clinton. Seven school bads participated in the event and other awards made were Waldron, second; Clayton, third and Sand Creek, fourth. Brooklyn, Manchester and Clinton bands also took part.

GEORGE KIDMAN FATALLY HURT

STRUCK ON HEAD BY PUMP WHEN ROPE BROKE IN WELL ACCIDENT

George Kidman, aged 56 years, well known resident of Adrian township, was fatally injured Saturday afternoon while working in a well at the Clarence Sherman farm, north of Tecumseh. The accident occurred when a rope broke as a pitcher pump was being lowered into the 60-foot well, the pump striking Mr. Kidman on the head and rendering him unconscious. Dr. William S. Britton and Claud La May were called from the near-by Britton farm and succeeded in bringing the injured man to the surface. Dr. Britton descended the 60-foot rope ladder, adjusted a rope around the body of the unconscious man, and with the aid of Sherman and La May succeeded in raising Kidman to the top of the well. He was rushed to Tecumseh Hospital, but lived only a short time.

Mr. Kidman is survived by the widow, formerly Margaret Waldron of Tecumseh; a daughter Mrs. Wilbur Bess, and three grand children all of Tecumseh. He was a member of the Adrian Presbyterian church.

Funeral services were held Tuesday afternoon at the Belding Funeral Home, Rev. George D. Prentice of Adrian, officiating. Burial was in Brookside cemetery.

Earl E. Bugbee Dies After Long Illness

Earl E. Bugbee, aged 51 years, died Monday morning at his home west of town after several months illness. He was removed to University hospital in Ann Arbor last Thursday morning and was returned to his home here Friday night.

Mr. Bugbee was born February 5, 1889, in Adrian township and had always lile within life in Lenawee county, moving 14 years ago to the farm where his death occurred. On Febuary 5, 1908, he was married to Miss Edna Taft, also of Adrian township, who survives.

Besides the widow he leaves two sons Elwyn Bugbee of Macon and Ivan at home, two daughters Mrs. Donald Faust of Adrian and Myrna at home; also one sister Mrs. Ira Ashley of Tecumseh and two brothers Cary and Benjamin Bugbee of Adrian.

Funeral services were held Wednesday afternoon at the Everliss Funeral home in Adrian, Rev. Harley Bowerman officiated and burial was in Bogart cemetery.

DR. HODGE RECEIVES YEAR'S SERVICE ORDER

Dr. F. G. Hodge, a lieutenant in the 111th General Hospital Unit, U. S. Army, and who last week Saturday reported at Detroit for the purpose of examining guardsmen who are being inducted into service, has received further orders to report at Fort Sheridan, Ill., on November 5, for a year's training. Lieut. Hodge will complete his week's service in Detroit, next Friday or Saturday.

Lieut. Hodge is a practicing dentist here, having opened his offices about eight and a half years ago, following graduation from the University of Michigan.

GUARDS ARE HONORED

A group of young men who will leave soon with the National Guards for Camp Beauregard, Louisiana, were honored Saturday evening at a party at the home of Mr. and Mrs. Wm. Shevalier. The evening was spent socially, refreshments were served and each young guest presented with a gift. Twenty persons attended.

The honor guests were William Shevalier, Jr., Don Flager, Geo. Louden, Al Hooton, Charles Seitz and Franklin Shea.

TO OPERATE PLANT

The Lenawee Sand & Gravel Company, purchased last week by C. C. Gradolph of Petersburg, has a force of men working to get the plant in shape for operation. Fred Weslow as superintendent. Production will begin soon.

YPSI PASTOR HERE

Rev. Charles White, pastor of the Ypsilanti Church of God, will conduct services at the Lower Light Mission Sunday afternoon, October 20, at 3 o'clock.

C. A. R. TO MEET

The Charles Mickley Society of the C. A. R. will meet Saturday afternoon at 2 o'clock at Croswell House in Adrian. Several from here expect to attend.

1 DEAD 7 HURT IN AUTO MISHAP

SOUTH BEND MAN FATALLY INJURED; TWO OTHERS IN HOSPITAL HERE

A South Bend, Ind., man was fatally injured and seven other persons were hurt, two of them seriously, as the result of traffic accidents in this vicinity during the past week.

George Kepshire, aged 50 years, of South Bend, Ind., suffered fatal injuries when he lost control of his automobile, Saturday morning about 11 o'clock, three miles east of Clinton on US-112. The car left the pavement and over turned, Mr. Kepshire was brought to Tecumseh Hospital where his death occurred about 5 p. m. Mrs. Kepshier and three children, occupants of the car, were treated for minor injuries by a Clinton physician and Mrs. Anna Fedorchak, whose ankle was broken, was brought to Tecumseh hospital.

Miss Juna Evans, former office employee at Tecumseh Hospital, and Mrs. Archie Williams, both of Onsted, are in a serious condition at Tecumseh Hospital from injuries received in an automobile accident about 9 o'clock Monday morning. The accident happened at a road intersection three miles south of Onsted when their car collided and a truck, driven by Frank Ickle of Rome Center, collided. Heavy growth of brush at the intersection obstructed the view of both drivers. Miss Evans suffered head injuries and a badly cut hand and Mrs. Williams suffered chest and head injuries. Her son Malcolm Williams suffered cuts and minor bruises. The truck which struck a tree was badly damaged but Mr. Ickle was not hurt. The Williams car was also damaged.

Cars driven by Levi Huster of Huron, Ohio, and Hardy Hampden of Adrian were damaged Sunday night in a head-on collision two miles south of Tecumseh. No one was injured in the accident.

G. MILLS HATCH DIES AT MACON

FUNERAL SERVICES HELD SUNDAY AFTERNOON FOR WELL KNOWN RESIDENT

G. Mills Hatch, aged 69 years, life long resident and retired farmer of Macon, died Thursday afternoon at the home of his son Leland Hatch, after several months illness. Mr. Hatch was born January 3, 1871, on a farm near Macon where he spent his entire life until his illness, and was the son of the late James D. and Ann Mills Hatch. He was the grandson of two prominent pioneer families of Macon township, his paternal grandfather, David Hatch, settling here in 1839 and his maternal grandfather, Gabriel Mills, coming here in 1832. On October 1, 1890 he was married to Miss Persis Rhymert who died October 15, 1915.

Besides the son Leland, he leaves three grand-children, Raymond, Persis and Mignon Hatch all of Macon, a great-granddaughter Judith Clare Hatch of Ann Arbor, one brother J. Harold Hatch of Macon, a niece Mrs. M. Hefner of Dundee, two nephews William B. Hatch of Altadena, Calif., and Robert Hatch of Detroit.

Tecumseh Will Get $1859 Primary Money

Tecumseh will get $1859 from the state primary school money, received last week by the county treasurer from Lansing for allocation to the various Lenawee school districts. The total amount received by Harry Bradley, county treasurer, was $36,473, and represents the second payment due the county, to be alloted to districts at the rate of $2.80 for each child listed in the school census. The two final payments will be made in November and December.

The amount will be divided as follows: Adrian, $9719; Blissfield, $1588; Onsted, $235; Clinton, $602; Deerfield, $431; Jasper, $314; Weston, $274; Hudson, $1792; Sand Creek, $532; Palmyra, $344; Britton, $356; Riga, $254; Morenci, $1224; Tecumseh, $1859; Addison, $423; Clayton, $342; and Ridgeway, $174. The rest goes to the various rural districts.

PRICE AND TAX RISE FORECAST

DETROIT INVESTMENT COUNSEL ADDRESSES ROTARY CLUB HERE, TUESDAY

Predicting a sharp rise in many commodity prices, a shortage of skilled labor for non-essential industry, and sky-rocketing taxes for the nation generally, Dr. Ralph E. Badger, Detroit investment counsel, addressed members of the Tecumseh Rotary Club, Tuesday at the Boston Lunch. Dr. Badger was the guest of John R. Thompson, cashier of the United Savings Bank.

In an interesting 45-minute talk Dr. Badger carefully traced the nation's financial life from 1914 to the present date. In 1914, at the beginning of the World War, he pointed out that the United State's debt was less than a billion dollars, and the federal government was operating on a national income of an approximate amount. Today, he declared, the national debt is somewhere between 40 and 50 billion, and he predicted that this amount might be doubled, due to the defense program.

Dr. Badger is of the opinion that many commodity prices will rise sharply because of heavy government buying for preparedness purposes. He also believes that Great Britain will enter the United States market for foods and supplies, creating a further demand and price jump. The demand for skilled labor in the defense program will create a shortage in non-essential industry, he believes, and taxes of all kinds, within the next 18 months, will sky-rocket. He also predicted an increase in interest rates before the end of the 18-months period.

The speaker doubted an invasion of England this year by the Axis powers and expressed an opinion that the present war might continue at least until the end of 1941.

Dr. Badger flew his own plane from Detroit to Tecumseh, landing at Tecumseh Airport. After the luncheon he flew back to the Motor City.

PETERSBURG CHURCH PLANS ANNIVERSARY

The Petersburg Methodist Church will observe the ninety-first anniversary of the erection of its sanctuary with a homecoming on Sunday, October 20. The preacher at the 11:15 a. m., service will be the Rev. Earl J. Rice. Bishop Raymond J. Wade, will preach at the 7:30 p. m. service. A potluck dinner will be served at 1 p. m. after which a fellowship hour will be held.

The Rev. Mr. Rice was pastor of the church when the original building was extensively remodeled and the Epworth League room added.

Bishop Wade has had jurisdiction over the Methodist work in European countries. Eleven of these countries are now at war. At the evening service Floyd Schultz, a flutist with the Lansing Symphony Orchestra will play.

It is believed that the Methodist society in Petersburg is one hundred years old, though no exact evidence is available. The original church was finished in 1849.

WIT-WISDOM CLUB

The Wit and Wisdom Club will meet Tuesday evening, October 22, at the home of Mr. and Mrs. Fred Sheldon, with Mr. and Mrs. George Parsons the assistant host and hostess. Miss Frances Gillespie will present a program of Western pictures.

The meeting was changed from Monday to Tuesday evening on account of the Monday Club program at the high school Monday evening.

INDIANS READY TO MEET RIVALS

TO PLAY CLINTON GRIDDERS THERE, FRIDAY; SWANTON WINS HERE, 20-6

BY BOB LARSEN

Tecumseh will meet its traditional sporting rival tomorrow afternoon when Coach Neville Hart's Indian Warriors journey to Clinton to play the fourth in the 1940 series of grid games.

The Clinton-Tecumseh conflict, always one of the most colorful of local school games, is a sure box office, attracting record gates for both villages. Tomorrow's crowd from Tecumseh will include practically every member of the junior-senior high school as well as scores of interested adults.

On paper, Tecumseh is in for a battle with its neighboring rival. Already this season the Clinton eleven has defeated Hudson and Hudson has defeated Tecumseh. Dopesters, however, declare that the Indians are in much better condition than when they played the Hudson game, and the spirit of the team and of the school is for a Tecumseh victory. This much is certain, Clinton, definitely will have a fight on its hands—an even harder fight than it had with Hudson.

Last week Friday at Athletic Park, the Indians went down to defeat at the hands of the Swanton, Ohio, eleven by a score of 20-6. Tecumseh was outweighed in every position by nearly 30 pounds but played a spirited game that showed marked improvement over previous contests.

The starting line-up for Tecumseh was: Capt. Wilson, quarterback; Mohr and Wilson, halfbacks; and Curtiss, halfbacks; Coffey, center; Williamson and Jewell, tackles; Brooks and Brown, guards; Green and Oliver, ends. This, with the exception of Carlson at halfback, will be the starting lineup for the Clinton game.

The game started with Tecumseh kicking to Swanton and the ball was run back about 20 yards. The next play was a pass which was completed. In the next two plays Swanton completed and went around end for about 6 yards. Swanton's next end sneak play got to Tecumseh's 5 yard line. Swanton passed and made a touchdown. The kicked was good and the score stood at 7-0, Swanton, in the first five minutes of play.

Swanton kicked and Curtiss ran the ball back about 20 yards. On the next two plays Mohr carried the ball for no gain and Wilson picked up 4 yards. Mohr punted and Swanton returned and downed the ball on Tecumseh's 40.

Wilson carried the ball the next two plays losing a yard and gaining it back along with one or two more. Mohr punted, Green and Coffey making the tackle. Here THS took time out. As play

THIS FLAG OF OURS

In these present days of universal chaos, an ever-increasing number of Americans cling to the flag of this country in the belief that it is the only guarantee of human welfare and human dignity in a world beset by dark and evil forces.

At such a time, it is particularly appropriate to envision what the flag might say to the citizens of the United States if it were suddenly gifted with a voice. A. W. Hawkes, President of Congoleum-Nairn, Inc., did just that recently in the following stirring words, which need no further comment:

"I, as your flag, represent true democracy in the representative form. I am only 163 years old, but before I took form and became a reality, millions of people throughout the world had given up their lives trying to give me birth . . .

"If you would not fail me, you will preserve me in what I represent for you and those to follow. Your work in preserving me is only the fulfillment of your obligation to principle and justice and those who created me for you. They gave to you, through me, liberty and freedom and the opportunity for individual accomplishment—fair reward for services and the protection of the law in the rightful enjoyment of property legally acquired.

"I leave you with this thought: I, your flag, will mean just what you make me mean. I will stand for you and what you are and what you do. I can be no more and no less than the representative of your character, courage and nobility of purpose. I hope you will never forsake the things I stand for and I hope your acts will enable me always to hold my head high any place on earth, proceeding always in the interest of justice, in the support of the will of God on earth, and in promoting the development of mankind in rightful happiness.

"May you never forget your obligation in return for your privileges—and remember, I SHALL BE WITH YOU ALWAYS, IF YOU MAKE ME STAY."

DO YOU REMEMBER?

Defendants.

At a session of said court held at the Court House in the City of Adrian, in said county, on the 16th day of September, A. D. 1940.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN
Circuit Judge.

Countersigned:

OLD BILL says
"Here's what I think—"

"I see by the papers that the Gallup poll shows one out of every three persons hasn't made up his mind whether to vote four years for Willkie or nine, ten, eleven and twelve years for Roosevelt.

* * *

"Well, *if I were a veteran*, I'd remember that Willkie volunteered within 24 hours after we got into the last war. He won his captaincy by overseas service on the front line, not by White House pull. He didn't warm a swivel seat at Washington, either.

* * *

"*If I were a mother*, I'd surely want to know how far the Brain Trust has involved us down a costly and bloody road to war. Who and where are those 2,000,000 American boys going to fight, anyway—in France again, or Japan?

* * *

"*If I were a laboring man*, I'd want a steady job with good pay and reasonable hours. I can trust a man like Willkie, who rose humbly as a worker himself to responsibility as an employer of thousands of folks. He served even as legal counsel for labor unions, wants to preserve and extend our social security laws, and otherwise give the worker a real deal. I'd believe in a man who proved during the depression that it could be done—lowering consumer costs and putting more men to work, both at the same time! After all, you've got to have a job first before you can bargain with anyone.

"*If I were a business man*, I'd certainly remember the staggering debt of 60 billions spent in the past seven and a half years, the mounting burden of taxes, and the un-American inciting of class against class. Let's give business a chance!

* * *

"*If I were a farmer*, I'd think twice about today's low farm prices, our threatening national bankruptcy, and I'd support this next-door Hoosier just because it makes good horse sense. Here's a man who owns his own farms. You can't go wrong with Willkie.

* * *

"It was Churchill, a few years ago, who said Roosevelt had failed to solve the depression here and was hurting world recovery. What did the British do when Chamberlain got them into the middle of the stream, even after war was declared? Why, they turned to this man Churchill!

"I feel we're in the same fix now. It's high time we turned to our American Churchill, Mr. Wendell L. Willkie, while there is still time for us to keep out of war.

* * *

"Yes, they threw rotten eggs at him in some of the automobile towns. Well, some radical agitators threw more than that at the good name of Michigan in 1937, and you remember what we folks did in November, two years ago? We made no mistake then.

* * *

"*Let's finish the job on Nov. 5!*"

BEDSHEET SIZE BALLOT NOV. 5

"AMENDMENT" BALLOT TO BE SUBMITTED IS LONGEST IN MICHIGAN'S HISTORY

LANSING, Oct. 17—What is the capacity of an electorate to vote intelligently on complex issues at the polls?

This question is again being weighed by political observers as the November 5 election approaches with a ballot of statewide proposals that hits a new high in "bedsheet" proportions. Previous ones have at times carried more individual propositions, but the four proposals on the current offering require more space in print.

Of course the size of a ballot is not in itself the real point. It is the implication that the long voting sheet with its confusing complexities will overwhelm the voter and result in a small and perhaps uninformed aggregate vote, that invites scrutiny.

It is not denied that the voter who fails to familiarize himself with the issues before entering the polls is lost, so far as voting intelligently on them is concerned. He is left to the choice either of voting by pure guesswork, of balloting "no" on the general principal that he is always safe in defending the status quo, or of not voting at all. And it is open to question which is the least helpful.

On the ground that it's a good idea to look over all of the issues before election day, here are the highlights of the four state proposals:

Proposition No. 1

This is a proposed amendment to the state constitution. It is designed to make it easier for school districts to finance the construction or repairing of buildings, by enabling them to spread their taxes for bonding purposes over a 15-year instead of a 5 year period. The proposal has the support of the Michigan Education association.

According to many school authorities, it is practically impossible for some districts to enlarge their school plants or even to make necessary repairs because of the bonding restrictions of the 15-mill tax limit in the constitution. At present this allows a district to bond itself and levy taxes aggregating not more than 50 mills (or 5 per cent of the assessed valuation of its property) in any one year. And this increase is allowable for not more than five consecutive years.

The result, according to school men, is that some districts simply cannot afford to build new schools or add extensively to existing buildings. The tax load is too heavy during the five-year period, and they cannot extend the time. There are many districts on the outskirts of large cities where present buildings are so crowded that classes meet only for one-half or one-third of a day.

Genesee county has classes of 60 and 70 students to a teacher, which is considered far too heavy a load. The gymnasium platform in one such school has been turned into a classroom in the emergency. In Alpena the high school students are attending classes in various places because their building burned down and the district finds itself unable to finance a new structure under the present requirements.

These are the arguments advanced in favor of the amendment which was proposed by action of the 1939 legislature. In brief, the measure would allow school district, for building and repair purposes only, to raise not more than 12 mills (instead of 50, as at present) each year for not more than 15 years. One objection heard is that the interest cost would be greater. This is regarded, however, as a necessary evil, as in the case of the man who buys a house on a long term plan because he would be unable to own one any other way.

Proposition No. 2

This is another proposed amendment to the constitution, placed on the ballot through petitions sponsored by the Michigan Merit System association. Its passage would write civil service into the basic law of the state, strip the legislature of virtually all of its traditional powers over state employment, and place this authority in the hands of a four-member, non-partisan commission functioning directly under the constitution.

The proposal was treated in detail in last week's column.

Proposition No. 3

This is an act of the 1939 legislature now being brought before the electorate for a referendum vote. It would remove the right of municipalities to operate buses beyond their own limits without being subject to state regulation.

Popularly this measure is known as the D.S.R. (Detroit Street Railways) act because it

PROPOSED AMENDMENTS

NOTICE IS HEREBY FURTHER GIVEN that at the time and places of holding the General Election, there will be submitted at said Election, Four Proposed Amendments or Referendums, viz:

(Proposal No. 1)

SHALL THE CONSTITUTION BE AMENDED TO AUTHORIZE THE ELECTORS OF SCHOOL DISTRICTS TO EXCEED THE 15 MILL LIMITATION FOR BUILDING PURPOSES?

AMENDING SECTION 21 OF ARTICLE X OF THE STATE CONSTITUTION:

Sec. 21. The total amount of taxes assessed against property for all purposes in any 1 year shall not exceed 1½ per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed 5 years at any 1 time, to not more than a total of 5 per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932: Provided further, That this limitation shall not apply to the taxes levied in an amount not exceeding 1.2 per cent per year for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon.

Shall section 21 of article 10 of the state constitution be amended to authorize a tax on property, in addition to the 15 mill limitation, in an amount not exceeding 1.2 per cent per year, for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon?

(Proposal No. 2)

SHALL THE CONSTITUTION BE AMENDED TO ESTABLISH A NEW SYSTEM OF CIVIL SERVICE FOR STATE EMPLOYMENT?

ADDING SECTION 22 TO ARTICLE VI OF THE STATE CONSTITUTION:

Sec. 22. The state civil service shall consist of all positions in the state service except those filled by popular election, heads of departments, members of boards and commissions, employees of courts of record, of the legislature, of the higher educational institutions recognized by the state constitution, all persons in the military and naval forces of the state, and not to exceed two other exempt positions for each elected administrative officer, and each department, board and commission.

There is hereby created a non-salaried civil service commission to consist of four persons, not more than two of whom shall be members of the same political party, appointed by the governor for eight-year, overlapping terms, the four original appointments to be for two, four, six and eight years respectively. This commission shall supercede all existing state personnel agencies and succeed to their appropriations, records, supplies, equipment, and other property.

The commission shall classify all positions in the state civil service according to their respective duties and responsibilities, fix rates of compensation for all classes of positions, approve or disapprove disbursements for all personal services, determine by competitive performance exclusively on the basis of merit, efficiency and fitness the qualifications of all candidates for positions in the state civil service, make rules and regulations covering all personnel transactions, and regulate all conditions of employment in the state civil service. No person shall be appointed to or promoted in the state civil service who has not been certified as so qualified for such appointment or promotion by the commission. No removals from or demotions in the state civil service shall be made for partisan, racial, or religious considerations.

The administration of the commission's powers shall be vested in a state personnel director who shall be a member of the state civil service and who shall be responsible to and selected by the commission after open competitive examination.

To enable the commission to execute these powers, the legislature shall appropriate for the six months' period ending June 30, 1941, a sum not less than one-half of one per cent, and for each and every subsequent fiscal year, a sum not less than one per cent, of the aggregate annual payroll of the state service for the preceding fiscal year as certified to by the commission.

After August 1, 1941, no payment for personal services shall be made or authorized until the provisions of this amendment have been complied with in every particular. Violation of any of the provisions hereof may be restrained or observance compelled by injunctive or mandamus proceedings brought by any citizen of the state.

This amendment shall take effect on the first day of January following the approval thereof.

(Proposal No. 3)

REFERENDUM ON SECTION 3 OF ARTICLE I OF ACT 261 OF THE PUBLIC ACTS OF 1939, WHICH AMENDS THE MOTOR CARRIER ACT OF 1933, TO PROVIDE THAT NO MUNICIPAL CORPORATION, OR ANY AGENCY OR INSTRUMENTALITY THEREOF, SHALL OPERATE AS A COMMON OR CONTRACT MOTOR CARRIER FOR HIRE, ON THE PUBLIC HIGHWAYS OF THE STATE, EXCEPT AS PROVIDED IN SAID MOTOR CARRIER ACT, WITHOUT FIRST OBTAINING FROM THE MICHIGAN PUBLIC SERVICE COMMISSION A CERTIFICATE OR PERMIT TO DO SO.

Sec. 3. General exemption and regulations in connection therewith. All carriers of passengers or property by motor vehicle for hire upon the highways of this state shall be subject to the provisions of this act and no person, firm, association or private or municipal corporation or any agency or instrumentality thereof shall operate as a common or contract motor carrier for hire without first obtaining from the commission a certificate or permit under the provisions of this act authorizing such operation, regardless of the provisions of any other statute, unless hereinafter specifically exempted: Provided, however, Common motor carriers of property and contract motor carriers of property whose operations do not extend for a distance of more than 40 miles over the highways of the state in any direction from their home terminal, as designated under the requirements of this section, shall not be subject to the provisions of this act except to the extent required by this section: Provided, however, That this exemption shall not be construed to apply to common motor carriers or contract motor carriers furnishing service between 2 or more cities, towns, or villages. The commission shall determine whether any motor carrier is within this exemption and shall make such rules and regulations, and orders as it may deem necessary for the proper classification of such carriers and for the enforcement of this act. Any common motor carrier or contract motor carrier whose operations will bring such carrier within this exemption and who desires to come under the provisions of this section shall file with the commission an application under oath setting forth such information as the commission may require with regard to his operations upon the form prescribed by the commission. Such application shall, among other things, designate the home terminal of such carrier. Such designated home terminal shall thereafter be the fixed point from which the 40 mile radius within which operations shall be permitted under this section shall be computed. Such common motor carriers of property and contract motor carriers of property may change their home terminal when notice in writing is given to the commission 48 hours before such anticipated change. Any person who shall wilfully, under oath, make false statement to the commission in such application, shall be deemed guilty of perjury.

Shall said Section 3 of Article I of Act 261 of the Public Acts of 1939, be approved?

(Proposal No. 4)

REFERENDUM ON ACT NO. 122 OF THE PUBLIC ACTS OF 1939, BEING "AN ACT TO REGULATE THE PRACTICE OF DENTISTRY AND DENTAL SURGERY; AND TO REPEAL CERTAIN ACTS AND PARTS OF ACTS."

AN ACT to regulate the practice of dentistry and dental surgery; to provide for the examination, licensing, registration and regulation of persons who may practice the same; to provide for the disposition of moneys received under this act; to provide penalties for violations of this act; and to repeal certain acts and parts of acts.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Section 1. The practice of dentistry shall be under the supervision of a board to be known as the Michigan state board of dentistry. Said board shall consist of 7 reputable dentists, each of whom shall have been graduated from a reputable dental college, shall have practiced his profession in this state for at least 5 years, and shall have been a resident of this state for at least 5 years, 2 of whom shall be residents of the upper peninsula. The present members of the board now in existence shall continue in office until the expiration of the term for which they were respectively appointed. The governor shall annually hereafter appoint 1 member of said board, and shall fill any vacancy for an unexpired term, by appointment from a list of 3 licensed dentists recommended to him by the Michigan state dental society. Each member shall hold office for a term of 7 years, or until the appointment and qualification of his successor. No member of a dental faculty may be eligible to membership on the board.

Sec. 2 Said board shall adopt rules and regulations for its own organization and for the practice of dentistry in this state, and for carrying out the provisions of this act, and may amend, modify and repeal said rules and regulations from time to time. Said board shall also have the power to appoint such committees, special examiners, officers and employes, and fix their duties, expenses, as it may deem necessary or proper to carry out the provisions of this act, the expense thereof to be charged and paid as other expenditures of the board. The president and secretary of the existing board shall continue in office until their respective terms as such shall expire. Thereafter said board shall elect a president and secretary from its membership, each of whom shall hold office for a term of 1 year. It shall hold 1 regular meeting each year in the city of Ann Arbor in the month of June and such special meetings as may be necessary at such times and places as it may determine. A majority of the board shall constitute a quorum. The board shall hold 2 examinations in each year, 1 in the month of June and 1 at such time and place as may be fixed by the board, at which applicants to practice dentistry in the state of Michigan may be licensed by the board. The board shall have power to send 2 delegates to the meetings of the national association of dental examiners, and charge the expense thereof, per diem excluded, to the business of the board. The secretary shall keep a full record of its proceedings and a complete registry of all licensed dentists and dental hygienists and dental graduates to whom permits are issued, as hereinafter provided. A transcript of any entry in such record or registry certified by the secretary shall be competent evidence of the facts therein stated. Upon this act becoming effective, the secretary shall mail a copy of the same to every licensed dentist and oral hygienist within the state, and each year thereafter a copy of the same, with any amendments thereto, to those to whom the board has granted licenses during the year. Said board shall prepare and file with the state administrative board such reports as may be required by the state administrative board, which reports may be printed and bound in such form, and in such quantities as the board of state auditors may deem necessary. The expense of such printing and binding shall be charged as an expenditure of said board.

Sec. 3. The secretary shall give bond in such amount as said board may fix for the faithful discharge of his duties as custodian of the moneys paid to said board. He shall receive such salary as shall be determined by the board. Each of the members, other than the secretary, shall receive for each day actually engaged in the duties of his office a per diem of $20.00, not to exceed, however, the sum of $500.00 per year, and his actual and necessary expenses. Said board may annually expend the total amount received from fees hereinafter provided, but in no case shall the total expenditures for all purposes exceed its total receipts. All moneys received by said board shall be paid to the state treasurer at the end of each month and a receipt for the same filed by the secretary of the board in the office of the auditor general. The amounts necessary for the expenditures of said board shall be paid out of the state treasury upon the warrant of the auditor general, drawn upon the presentation to him of vouchers signed by the chairman of the board.

Sec. 4. Except as herein otherwise provided, it shall be unlawful for any person to practice or engage in the practice of dentistry or dental surgery in any of its branches, other than:

1. Those who are duly registered and licensed dentists in this state under the provisions of either Act No. 235 of the Public Acts of 1933, or the laws of this state in force at the time of their license and registration; and

2. Those duly licensed and registered under the provisions of this act.

Sec. 5. No person desiring to practice dentistry shall be licensed until he shall have satisfactorily passed an examination by said board. Every applicant for examination must be a citizen of the United States, or have declared his intention of becoming such. In cases where the applicant has declared his intentions of becoming a citizen, but has not completed his qualifications for citizenship, a temporary license may be issued for the duration of the minimum time required to complete citizenship. Upon completion of the requirements for citizenship the board may issue a regular license without further examination. It remains within the province of the board, before admitting an applicant graduated from a college of a foreign country to examination, to require such applicant to take such post-graduate work in a college of this country as will satisfy the board that such applicant is on an equal basis with graduates of reputable dental colleges of the United States. All applicants who have been graduated from a reputable dental college in the United States or foreign country may be required to furnish a certificate signed by the faculty or secretary of the school, college or university from which said applicant was graduated, certifying as to the character of and to the proficiency attained by said applicant throughout his curriculum of study. Every applicant for such examination shall furnish satisfactory proof supported by affidavit that he is of good moral character and a graduate of a reputable dental college duly organized under the laws of this state or any other of the United States or of any other country. Said board is hereby authorized to ascertain and determine what shall constitute a reputable dental college, but to be considered reputable, the following qualifications shall be necessary:

1. It must be chartered under the laws of the state in which it is located and operated, and authorized by its charter to confer the degree of doctor of dental surgery or doctor of dental medicine;

2. It must give annually a full course of lectures and instructions by a competent faculty and corps of instructors in the following subjects: Physiological chemistry, embryology, anatomy, histology, hygiene, bacteriology, pathology, materia medica, therapeutics, oral surgery, metallurgy, operative dentistry, prosthetic dentistry, crown and bridge work and orthodontia; the curriculum of instruction to consist of not less than 4 terms in 4 separate academic years and each term to be of not less than 32 weeks of 5½ days in each week;

3. It must have apparatus and equipment ample and sufficient for the ready and full teaching of the above named subjects; and

4. It must require matriculates to have a preliminary education equal to 60 semester hours in a college or university approved by said board.

Sec. 6. Every candidate for examination shall file a written application on a form prescribed by the board, shall present his license or diploma for inspection, and shall pay to the secretary a fee of $35.00. The applicant shall present himself before the board for examination at a date not later than the second regular meeting of the board next after filing his application, in default of which said fee shall be forfeited to said board. The examination shall be written or oral, or both, and shall include such subjects as may be designated by the board at any meeting of the board held 6 months prior to such examination. The board may also require such practical tests, working operations and demonstrations as may be designated by the board. The examination papers of each applicant shall be preserved by said board and may be inspected for 6 months after the date of his examination. During such period any unsuccessful applicant, by depositing $50.00 with the secretary, shall have the privilege of having his examination papers re-read by the board in the presence of himself and any one representing him. If upon such re-reading the board shall determine that the examination papers of the applicant should have entitled him to pass, a license shall be issued to him and said deposit refuned, but said deposit shall be issued to him and said deposit refunded, but said deposit fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $25.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Any applicant who shall fail to pass the examination upon his first trial will be given credit for such subjects as he may be entitled to, but such credits will be extended only until the second following board examination. If the applicant fails to pass his examination on the second trial, the applicant shall on any third or subsequent trial be required to take an examination in all subjects the same as on his original first application. Any person who in any affidavit or application for examination shall wilfully make a false statement in a material regard shall be deemed guilty of perjury, and, upon conviction thereof, shall be punished as provided by the laws of this state for the crime of perjury.

Sec. 7. The board shall issue to each person who shall successfully pass the examination a license under its seal duly authenticated by the signatures of the board members. No person, not previously registered under the laws of this state in the county where his office is located, shall engage in the practice of dentistry until he shall have registered such license in the office of the clerk of the county where he intends to practice. It is hereby made the duty of the county clerk to register the same in a book provided and kept for that purpose, for which he shall be paid a fee of 50 cents in each case by the person offering the same for registration. The board shall declare a license void unless it is so registered within 6 months from the date when the holder begins practice in said county. A duplicate license may be issued by the board in case of the neglect, failure or refusal to register within said period, but only upon payment to the board the sum of $5.00 as a penalty, which shall be available for the proper expenditures of the board. In case of the removal of a registered dentist to another county within the state, he shall cause his license to be registered in the same manner and within the same time as above provided. On the first day of September in each year, every county clerk in the state shall send to the secretary of the board a complete list of all dentists and dental hygienists who registered in his county during the preceding year on blanks to be sent to the county clerk by the board. Every person operating or controlling any dental office or rooms shall promptly report to the board the name or names of all registered dentists and dental hygienists in his employ, together with their place of residence and shall also report whenever any registered dentist or dental hygienist shall leave his employ.

Sec. 8. No dentist shall announce or hold himself out to the public as limiting his practice to, or as being especially qualified in, or as giving special attention to, any branch of dentistry, without first having obtained a license therefor from the board as hereinafter provided. The board, upon satisfactory proof that the applicant has had a minimum of 1 year of post-graduate work in any one of the several recognized branches of dentistry in an approved college or university, or its equivalent, to be determined by the board, or has complied with any additional requirements of the board, may issue a license to any such dentist authorizing him to hold himself out, or to announce, to the public that he is especially qualified in, or limits his practice to, or gives special attention to, such recognized branch of the dental profession. Examinations shall be theoretical and practical. The theoretical examinations shall be in writing and include all the subjects represented in that recognized branch of dentistry in which the applicant desires to specialize. Written examinations may be supplemented by oral examinations. Demonstrations of the applicant's skill shall also be required. A special license shall be required for the practice of each recognized branch of dentistry in order for a dentist to hold himself out to the public as limiting his practice to, or being especially qualified in, or giving special attention to, any branch of dentistry. The fee for such examination and special license shall be $25.00. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $15.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination.

Sec. 9. Said board may also issue licenses to dental assistants to be known as dental hygienists. Every candidate for examination as a dental hygienist shall pay to the secretary of the board a fee of $15.00 and shall furnish satisfactory proof that he is a graduate of an accredited high school in this state, or a school of like and equal standing in any other state or country, or has earned in units of study the equivalent necessary for graduation, and has earned a diploma or certificate from a reputable school of dental hygienists having a curriculum of not less than 2 separate academic years, and each term to be of not less than 32 weeks of 5½ days in each week. The board may ascertain and determine what shall constitute such reputable school. Every applicant who shall successfully pass such examination as may be prescribed by the board shall be granted a license as a dental hygienist which shall be recorded in the same manner as provided in section 7 of this act. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $10.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Such licensed dental hygienists may remove calcareous deposits, accretion and stains from the teeth, and may prescribe or apply ordinary mouth washes of soothing character, but shall not perform any other operation on the teeth, mouth or tissues of the oral cavity, or administer any therapeutic remedies to diseased portions of teeth or their surrounding tissues. A hygienist may operate in the office of a legally licensed dentist, in a state or municipal institution, or in public schools, or under a board of health, or in a public clinic, authorized by said board, but shall not operate except under the supervision of a licensed dentist. The board may revoke or suspend the license of any registered dentist who shall permit any dental hygienist operating under his supervision to perform any operation other than those permitted under the provisions of this section.

Sec. 10. Said board may also issue a dental graduate permit upon payment of a fee of $10.00 to any person who is a graduate of a reputable dental college as approved by the board, but who shall not yet have been licensed as a dentist by said board. Any person receiving such permit may practice dentistry in any state or municipal

institution, or hospital, or public school, or under a board of health, or in any public clinic, authorized by said board under the direct supervision of a licensed dentist, but not otherwise; nor shall any permit authorize such person to practice for a period longer than the interim between its date of issue and the next regular examination held by the board for applicants for licenses as dentists. Permits shall be granted only to such graduates as have a definite offer of a position in a state or municipal institution, or hospital, or public school, or board of health, or public clinic, authorized by the board, and only after proper credentials of the applicant for such a permit have been examined and accepted by the board.

Sec. 11. On or before the first day of October of each year, excepting the year in which he is originally licensed, every registered dentist and dental hygienist shall pay to the secretary of the board $3.00 as an annual license fee. The board may revoke or suspend the license of any person who shall default in making such payment, unless said fee is paid on or before said first day of October: Provided, That such revocation or suspension shall not be ordered except on and after 30 days' written notice by registered mail to the last known address of such person of such delinquency, during which period such person may pay such fee, together with such penalty, not exceeding $5.00, as may be determined by the board. In case any such license is revoked or suspended, the same may be reissued or reinstated upon the payment of the accrued fees and such penalties, not exceeding $10.00, as may be determined by the board. Such penalties shall be available for the proper expenditures of the board.

Such licensed dentists and dental hygienists, who shall have paid the fees due when this act becomes effective, shall be entitled to a credit for such amount so paid on the license fees due and payable as herein provided.

Sec. 12. A person practices dentistry, within the meaning of this act, when it shall be shown:

1. That he uses a dental degree, or designation, or card, device, directory, poster, sign, or other means whereby he represents himself or permits himself to be represented as being able to diagnose, treat, prescribe or operate for any disease, pain, deformity, deficiency, injury or physical condition of the human tooth, teeth, alveolar process, gums or jaws, or their dependent tissues; or

2. That he is a manager, proprietor, operator or conductor of a place where dental operations are performed; or

3. That he performs dental operations of any kind gratuitously, or for a fee, gift, compensation or reward, paid or to be paid, either to himself or to another person or agency; or

4. That he, or his employe or employes, use a Roentgen or X-ray machine for dental treatment, radiograms, or for dental diagnostic purposes; or

5. That he extracts a human tooth or teeth, or corrects or attempts to correct malpositions of the human teeth or jaws, or repairs or fills cavities in human teeth; or

6. That he offers and undertakes, by any means or method, to diagnose, treat or remove stains or accretions from human teeth or jaws; or

7. That he uses or administers local anesthetics in the treatment of dental or oral diseases or in any preparation incident to a dental operation of any kind or character; or

8. That he takes impressions of the human tooth, teeth, jaws, or performs any phase of any operation incident to the replacement of a part of a tooth, teeth or associated tissues; or

9. That he examines clinical material in a dental office or contracts or agrees to render or perform, either personally or thsough another, a dental service or services; or

10. That he performs any operation included in the curricula of recognized dental schools or colleges.

Sec. 13. The following practices, acts and operations, however, are exempt from the operation of this act:

1. The rendering of dental relief in bona fide emergency cases in the practice of his profession by a physician or surgeon, licensed as such and registered under the laws of this state; or

2. The practice of dentistry in the discharge of their official duties by dentists in the United States army, or he United States navy, the United States public health service, or the United States veterans' bureau; or

3. The practice of dentistry by students in dental schools or colleges approved by the board, when acting under the direction and supervision of registered and licensed dentists acting as instructors; or

4. The practice of dentistry by licensed dentists of other states or countries at meetings of the Michigan state dental society, or component parts thereof, alumni meetings of dental colleges, or any other like dental organizations, while appearing as clinicians; or

5. The use of Roentgen or other rays for making radiograms or similar records of dental or oral tissues under the supervision of a licensed dentist or physician; Provided, however, That such service shall not be advertised, by any name whatsoever, as an aid or inducement to secure dental patronage: And provided further, That no corporation shall advertise that it has, leases, owns or operates a Roentgen or X-ray machine for the purpose of making dental radiograms of the human teeth or tissues of the oral cavity, or administering treatment thereo for any disease thereof; or

6. The making of artificial restorations, substitutes, appliances or materials for the correction of disease, loss, deformity, malposition, dislocation, fracture or injury to the jaw, teeth, lips, gums, cheeks, palate, or associated tissues, or parts, either upon order, prescriptions, casts, models or from impressions furnished by a licensed and registered dentist: Provided, That such prosthetic or orthodontic appliances, or services rendered in the construction, repair or alteration thereof, shall not be advertised, sold or delivered, directly, to the public by any unlicensed person or dental laboratory as principal or agent.

Sec. 14. The terms "manager," "proprietor," "operator" or "conductor" as used in this act shall be deemed to include any person:

1. Who employs operators or assistants; or

2. Who places in the possession of an operator, assistant or other agent such dental material or equipment as may be necessary for the management of a dental office on the basis of a lease or any other agreement for compensation for the use of such material, equipment or office; or

3. Who retains the ownership or control of dental material, equipment or office and makes the same available in any manner for use by operators, assistants or other agents: Provided, however, That the above shall not apply to bonafide sales of dental material or equipment.

A licensee of dentistry who shall enter into any of the above described arrangements with an unlicensed manager, proprietor, operator or conductor may have his license suspended or revoked by the board.

Sec. 15. No corporation shall practice or continue to practice, offer or undertake to practice or hold itself out or continue to hold itself out, as practicing dentistry. Every person practicing dentistry as an employe of another shall cause his name to be conspicuously displayed and kept in a conspicious place at the entrance of the place where such practice is conducted: Provided, however, That nothing herein contained shall prohibit a licensed dentist from practicing dentistry as the agent or employe of any charitable institution or hospital.

Sec. 16 It shall be unlawful for any person to practice dentistry or to operate or be a partner in the operation of, or control as proprietor, manager or otherwise, or to have any financial interest in the proceeds or receipts of or from, other than compensation as employe in the usual course of the practice, or to receive any part or percentage of the proceeds or receipts of or from, in lieu of rent or any part of the rent of any room or office, where dental work is done, provided or contracted for in any county of this state, not being at the time a dentist licensed to practice as such in this state and registered in the office of the county clerk of such county as herein provided. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist whose license or permit to practice has been revoked or suspended. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist without at all times keeping his license conspicuously displayed in his operating room and in any office where there are more dental chairs than 1 without having the license of each practitioner so displayed. It shall be unlawful for any person to employ any capper or solicitor for the purpose of procuring patients for dental work to be done. It shall be unlawful for any person to practice dentistry or to operate or control as proprietor, manager or otherwise any room or office where dental wok is done or contracted for, or in any way to advertise the same under any false or assumed name, or under the name of a corporation, company, association, trade name or under any name other than that under which his license was granted. It shall be unlawful for any person to advertise to the public any commercial dental laboratory or dental technician or dental clinic.

No person or persons shall own, or be financially interested in, or manage more than 1 office for the practice of dentistry in any location or locations and operate them under his or their own name, with employed operators. No dentist or dentists shall be associated or connected with, in any manner, any offices or rooms where the profession of dentistry is practiced unless such dentist or dentists shall be actually engaged for the major portion of their time in the practice of dentistry at such office or rooms: Provided, however, That the provisions of this paragraph shall not apply where a licensed dentist, with the approval of the board, shall choose to practice dentistry, under his own name, 1 or more days of a given week in 1 location other than the location of his principal office.

Sec. 17. Excepting as in this act provided, it shall be unlawful for any dentist or dentists to:

1. Make use of any advertising statements of a character tending to mislead or deceive the public; or

2. Circulate any statement or statements as to the skill or method of practicing dentistry of any dentist through any media, means, agencies or devises of an advertising nature; or

3. Advertise professional superiority or the performance of professional services in a superior manner; or

4. Advertise price, cost, charge, fee or terms of credit for professional services in a manner that materials used in the practice of dentistry, or comparative values thereof, since in a professional health service and because of the nature of the services involved, the prices must be variable; or

5. Advertise bargains, cut rates, or special values in dental service or productions with or without specifying the time they shall apply; or

6. Advertise any free dental work or free examinations; or

7. Advertise to guarantee any dental services; or

8. Advertise to perform any dental operation painlessly; or

9. Advertise or circulate reports of cases or statements of patients in any way whatsoever; or

10. Advertise by any means, the using of any secret anesthetic, drug, formula, medicine, method or system; or

11 Employ any person or persons to obtain, contract for, sell or solicit patronage or make use of free publicity press agents; or

12. Advertise by means of large display signs, or glaring light signs, electric or neon, or such signs containing as part thereof the representation of a tooth, teeth, bridgework, plates of teeth or any portion of the human head, or use specimens of such in display, directing the attention of the public to any such person or persons engaged in the practice of dentistry; or

13. Advertise artificial teeth, bridgework or dentures by the use of any representation of a tooth, teeth, bridgework or denture, or of any portion of the human head, or advertise dental plates, or restorations, or the materials used in their construction, under any fictitious, misleading, fancy or unscientific name; or

14. Give any public demonstration of skill or methods of practicing dentistry for the purpose of securing patronage: Provided, That any dentist may publicly announce by way of newspaper or professional card that he is engaged in the practice of dentistry, giving his name, degree, office location where he is actually engaged in practice, office hours, telephone numbers and residence address, and, if he limits his practice to a specialty, he may state same.

Sec. 18. The board shall have the power, and it shall be its duty, and it is hereby authorized, to suspend for a limited period or to revoke the license of any licensed dentist or any licensed dental hygienist for any of the following reasons:

1. His conviction of a felony or of a misdemeanor involving moral turpitude, in either of which cases a certified copy of the court record shall be conclusive evidence, upon receipt of which the board shall revoke or suspend the license of the person so convicted;

2. For fraud or deceit in procuring admission to practice dentistry or oral hygiene;

3. For habitually using drugs or intoxicants to the extent of rendering him unfit for the practice of dentistry or oral hygiene, or for gross immorality;

4. For being guilty of wilful and gross malpractice or wilful and gross neglect in the practice of dentistry or oral hygiene;

5. For conducting the practice of dentistry so as to permit directly or indirectly an unlicensed person to perform work which under this act can legally be done only by persons licensed to practice dentistry or oral hygiene in this state;

6. For practicing dentistry under a corporate, assumed, trade or firm name in violation of the provisions of this act;

7. For violation of the rules and regulations for the practice of dentistry, provided for in section 2 hereof;

8. For employing solicitors or cappers for the purpose of procuring patients for dental work to be done;

9. For attracting or attempting to attract any person on the public streets by means of any public demonstration of any phase of dental surgery or by offering, selling or giving away any cure or any nostrum or premium in order to induce such person or persons to enter any dental office, or room;

10. For obtaining any fee by fraud or misrepresentation;

11. For being guilty of false, fraudulent or misleading advertising;

12. For having failed to pay license fees as herein provided;

13. For holding himself out as specially qualified in, or limiting his practice to, or giving special attention to a branch of dentistry, without a special license therefor;

14. For being guilty of dishonorable or unprofessional conduct in the practice of dentistry;

15. For the use of the name "clinic," "institute," or other title that may suggest a public or semi-public activity to designate what is in fact an individual or group private practice;

16. For failure to maintain a satisfactory standard of competency in the practice of dentistry; or

17. For a violation of any provision of this act, or for being a party to or assisting in any violation of any provision of this act.

Sec. 19. In the case any person shall make an accusation against any licensee under any of the subdivisions of the preceding section, except the first subdivision, the same shall be reduced to writing, verified by some person familiar with the facts therein stated, and 2 copies thereof filed with the secretary of the board. If the board shall deem that the charges made are sufficient, if true, to warrant suspension or revocation of license, it shall make an order fixing the time and place for a hearing and requiring the accused to appear and answer thereto, such order together with a copy of the charges to be served upon the accused at least 20 days before the date fixed for hearing, either personally or by registered mail, sent to his last known post office address. At the time and place fixed in said notice for said hearing, or at any time and place to which the said hearing shall be adjourned, the board shall hear the matter. The accused person shall have the right to be represented at any such hearing by counsel of his selection.

The president of the board shall have the right to administer oaths to witnesses and to issue subpoenas for the attendance of such witnesses at such hearing. Upon the request of the accused person, or his counsel, the said board shall issue subpoenas for the attendance of such witnesses in behalf of the accused, which subpoenas when issued shall be delivered to the accused person, or his counsel. Process for the attendance of witnesses shall be effective if served upon the person named therein anywhere within this state: Provided, That at the time of such service the fees now or hereafter provided by law for witnesses in civil cases in circuit court shall be paid or tendered to such person. In case of disobedience of a subpoena, the board or any party to such hearing may invoke the aid of any circuit court of the state of Michigan in requiring the attendance and testimony of witnesses. Any of the circuit courts of the state within the jurisdiction of which such hearing is being held may, in case of contumacy or refusal to obey a subpoena, issue an order requiring such person to appear before said board, and if so ordered give evidence touching the matter involved in the hearing. Any failure to obey such order of the court may be punished by such court as a contmpt thereof.

If the accused pleads guilty, or after hearing he shall be found guilty by the board of any of the charges made, it may revoke or suspend his license for a limited period, shall enter the order on its records, and shall notify the clerk of the county where he is registered of the cancellation or suspension of his license, as the case may be, who shall in turn enter such cancellation or suspension on the registration record in his office.

The findings of fact made by the board acting within its power shall, in the absence of fraud, be conclusive, but the supreme court shall have power to review questions of law involved in any final decision or determination of the board: Provided, that application is made by the aggrieved party within 30 days after such determination by certiorari, mandamus or by any other method permissible under the rules and practice of said court, or the laws of this state, and to make such further orders in respect thereto as justice may require. Pending the review by the supreme court, the action of the board, suspending or revoking the license, shall be stayed.

Sec. 20. Any person who shall violate any provision of this act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than $500.00, or by imprisonment in the county jail for not more than 1 year, or by both such fine and imprisonment in the discretion of the court. After conviction of any violation of any of the provisions of this act, any person who shall again violate any provision of this act, shall be deemed guilty of a felony, and upon conviction thereof shall be punished by a fine of not more than $2,000.00, or by imprisonment in the state prison for not more than 2 years, or by both such fine and imprisonment in the discretion of the court.

Sec. 21. This act shall be deemed to be passed in the interests of public health, safety and welfare of the people of this state, and its provisions shall be liberally construed to carry out its object and purposes.

Sec. 22 This act is declared to be severable, and should any word, phrase, sentence, provision or section hereof be hereafter declared unconstitutional or otherwise invalid, the remainder of this act shall not thereby be affected, but shall remain valid and in full force and effect for all intents and purposes.

Sec. 23. Act No. 235 of the Public Acts of 1933, excepting as to prosecutions commenced or penalties incurred thereunder, is hereby repealed. All other acts or parts of acts, insofar as inconsistent with the provisions of this act, are hereby repealed.

was resumed Swanton threw an incomplete pass and twice went around end for gains of 4 and 5 yards. Mohr was hurt and had to be taken out. Swanton punted, failing to make first down. Wilson punted after THS had twice failed to gain. Oliver was hurt on the play. Here the first quarter ended.

As the second quarter started Swanton went through the line for 4 yards and threw a pass for first down. Swanton passed and Curtiss intercepted. Wilson carried the ball the next two plays. Mohr, who re-entered at the start of the second quarter completed a pass to green. Wilson passed but it was batted down by Swanton. Mohr completed a pass to Jewell for first down. The next three plays were run without gain, and with 10 yards to go on fourth down Mohr passed to Jewell who carried the ball for a THS touchdown. On the conversion the pass from center was bad and the point was not made.

The kickoff was good and Swanton ran the ball back 30 yards to their own 41, the tackle being made by Williamson. Swanton, on a lateral pass, picked up 5 yards, then around end for 3 yards and drew a penalty of 15 yards for clipping. Swanton punted and Carpenter the THS receiver was stopped in his tracks. Mohr threw a pass incomplete but the referee ruled that there was interference on the play and the pass was good. A THS pass was intercepted by Swanton. Swanton went around end 4 yards. Coffey and Williamson making the tackle. Swanton went through the line for first down, and around end for a yard or two and passed for first down. Swanton next threw a pass intercepted by Lenardson. Here the half ended.

The third quarter THS kicked to Swanton. The ball was carried back some 30 yards. On the next eight plays Swanton made four first downs, mostly by passing and end plays. Swanton threw a complete pass but there was offside on the play and it was called back. In the next two plays Swanton made a first down and passed which gave them another touchdown. They failed to convert the point and the score stood at 13-6, Swanton.

Swanton's kick was short, Wilson completed a pass to Jewell. Suanton had an injury on the play but he did not leave the field. Green's bad knee caused him to leave, and Bagshaw substituted. Swanton intercepted a THS pass and lost 15 yards on the next play, gained it back on the next, and lost it on a 15 yard penalty for clipping. Swanton completed a pass as the period ended.

At the start of the fourth quarter, Swanton went around end for 20 or 25 yards and made a first down in the next three plays, and in three more a touchdown. They kicked the extra point and the score stood 020-6, Swanton. This was the last score of the game. THS took to the air in an effort to add to their score in the closing minutes of the game, which ended 20-6 in favor of Swanton.

Substitutions for THS were: 1st quarter, Lenardson-Jewell, Jewell-Coffey, Osburn-Mohr, Coffey-Oliver, 2nd quarter, Mohr-Osburne, Osurne-Mohr, 3rd quarter, Jackson-Brown, Bagshaw-Green, Brown-Jackson, 4th quarter, Schneider-Curtiss, Oliver-Jewell, Curtiss-Schneider.

1941 AUTO LICENSES ARE NOW ON SALE

Auto license plates for 1941 are now on sale in all branch offices of the secretary of state.

To stimulate the sale of new cars, Harry F. Kelly, secretary of state, authorized issuance of the new plates to coincide with the display of new models at the Detroit Auto Show.

The plates are the same size as those of 1939 and the uniform letter and numeral system (two letters and four numerals) is retained.

The color scheme for 1941 is white letters and numerals on a maroon background, this combination having been recommended by auto engineers, traffic experts, police, auto club officials, and other interested parties after a series of visibility tests.

Jubilee Anniversary Is Observed By D. A. R.

Abi Evans chapter, Daughters of the American Revolution, met Friday afternoon at the home of Mrs. B. B. Turnbull, with 25 members in attendance. Mrs. E. D. Brown, regent, presided and the meeting opened with the flag salute and singing of America led by Mrs. R. S. Moore.

Mrs. Turnbull was leader of the program which consisted of a radio address by Mrs. Henry M. Robert, Jr., national president general, and "The Origin and History of the D. A. R." given by Miss Edith Ingersoll. This was in observance of the Golden Jubilee Anniversary.

The D. A. R. was organized in Washington, D. C., in 1890, with three founding members and has grown to its present total of more than 140,000 Revolutionary descendants. Many accomplishments are accredited to the society during its 50 years of existence, along the lines of historical commemoration and conservation, education, Americanism and other patriotic and philanthropic lines. The headquarters in Washington, D. C., consist of the Memorial Continental Hall and Constitution Hall, built at a total cost of 2½ million dollars.

Refreshments were served at the close of the meeting and a color scheme of gold and white was carried out in observance of the anniversary.

Mrs. Nettie Hendershot Buried On Saturday

Mrs. Nettie Hendershot, aged nearly 85 years, widow of the late Charles C. Hendershot, died suddenly last Wednesday evening in Monroe where she had made her home the past nine years.

Deceased was born in Macon township, November 15, 1855 and was the last survivor of a family of six children of Edmund and Harriett Newell Smith Hand, pioneer settlers of Macon township. She was married December 19, 1877 to Mr. Hendershot who died in December 1900. Mrs. Hendershot was a member of the Methodist church.

She leaves one daughter, Mrs. Jay Howell of Macon, seven grandchildren, eight great-grandchildren and several nieces and nephews. Three brothers and two sisters preceded her in death.

The body was brought to the home of her daughter Mrs. Howell at Macon where funeral services were held Saturday afternoon.

Rev. R. E. Simons officiated assisted by Rev. P. O. Hawley of Ridgeway and bearers were Jay Howell, Charles and Robert Howell, Charles Burleson, Lavern Pennington and Leslie Naugle. Burial was in Macon cemetery and relatives and friends from Dearborn, Wayne, Saline, Britton, Tecumseh, Ridgeway and Macon attended the service.

represents a fight between the city's lines and private bus interests over the suburban Detroit area. The D.S.R. is waging a vigorous campaign to defeat the measure. Bus tops and street cars in Detroit are painted conspicuously with "Vote No on Proposal No. 3" signs. The opposition, meanwhile, is plastering the area with "Vote Yes" placards.

Back of the controversy is the interesting story of a legalistic oversight which occurred during the 1939 session of the legislature.

By way of background it should be mentioned that for years the D.S.R. has had the benefit of certain privileges granted in the city charter. One of these permitted it to operate without state control in and for 10 miles outside of Detroit. However, if and when its buses should venture beyond that radius they would come under the jurisdiction of the public service (or utilities) commission.

This was the situation up to 1939, when the newly elected Republican legislature followed the dictates of the late Gov. Frank D. Fitzgerald and abolished the public utilities commission in order to remove some recalcitrant Democrats from office. The act which accomplished this purpose set up a brand new public service commission that was supposed to inherit all the important privileges and authority of the old P.U.C. There was one slip in the procedure, however. The legislature neglected to give the new commission the right to regulate municipal buses outside of city areas.

After the law took effect the board went on from private bus lines who visualized the D.S.R. as being in a position to spread out over all of eastern Michigan. And so the legislature passed an amendatory act to correct the situation.

It is this measure that appears on the referendum ballot.

Briefly, it amends the state motor carrier act, which was originally designed to regulate privately owned lines, so as to include municipal buses. This would prevent the D.S.R. from operating more than two miles beyond the city limits of Detroit without a permit from the public service commission. In other words, the D.S.R. would be obliged to haul in some of its suburban lines or submit to state regulation.

According to the private bus firms the act would equalize competition by causing the D.S.R. and any other city lines operating outside their boundaries to pay equal taxes and meet comparable safety requirements. From the Detroit city viewpoint, however the act is an attack upon home rule and an attempt to penalize suburbanites who now share in lower fares the D.S.R. has made possible.

Proposition No. 4

This is also an act of the 1939 legislature put on the ballot by petitions calling for a referendum. It would provide for regulation of the practice of dentistry in Michigan. The act was sponsored by the Michigan State Dental society and is similar to laws in effect in some other states. The aim of the measure is to raise the standards of dental practice, but some of is provisions, particularly those which deal with the right of a dentist to advertise as he pleases, have met opposition from newspapers and advertising dentists on the ground that the law would abridge individual rights.

The society claims it has found upon investigation that so-called "bargain" prices offered by some dentists have the sole purpose of luring patrons to "cut-rate" offices where they are then victimized into paying more than the prices of ordinary practitioners. The society contends the act is necessary to correct such abuses.

It would prohibit dentists from advertising by means of large display signs and would outlaw, in newspaper advertising and on professional cards, all matter except such information as the dentist's name, degree, address, and office hours.

SPOOKS' PARTY ON HALLOWE'EN

ROTARY, CHAMBER OF COMMERCE, VILLAGE UNITE FOR FUN PARTY HERE

If you intend to go anywhere in Tecumseh next week Thursday evening, don't be surprised if you should meet a ghost or a goblin—in fact don't be surprised at anything.

Next week Thursday is Hallowe'en, and in keeping with tradition, Tecumseh expects to celebrate it with a "Spooks' Party" in which both young and old may participate. The party is being staged under the auspices of the Rotary Club, the Chamber of Commerce and the Village Council, and there will be prizes, eats, fun and dancing for everybody.

Wade L. Jones, secretary of the Chamber, has announced that the party will get under way at 7 o'clock with a parade, forming at Logan and Ottawa street, moving south to Chicago Boulevard and then through the business district. In the procession will be the high school band and all of the fun-makers in costume, and prizes appropriate to each classification will be awarded. After the parade the merrymakers will go to the Central school park where there will be a bonfire and plenty of cider and doughnuts for the entire crowd. At 9 o'clock there will be a dance in the gymnasium of the high school, Paul Johnson's orchestra furnishing the music. No admission will be charged, but attendants must be masked.

Committees in charge of the celebration are: Parade and prizes, Rev. O. V. Robinson, P. C. Satterthwaite, Fay Whelan and Lee Randall; Dance, Rev. E. R. A. Green and Paul Johnson; bonfire and eats, Clarence Gilman, H. H. Hanna, J. H. Anderson, George Parsons and Cleo Sallows.

The Hallowe'en party is an annual affair here, the Chamber, the village and the Rotary club several years ago agreeing to furnish a party for the children if they in turn would agree to refrain from soaping windows and destroying property on Spooks Night. The agreement has been kept without exception and annually organizations endeavor to make each succeeding party a little larger and better than ever.

Mrs. R. K. Anderson Garden Club President

Mrs. R. K. Anderson was Garden Club at the final meeting, elected president of Tecumseh held Friday at the home of Mrs. R. H. Moore on South Maiden Lane. Other officers elected were Mrs. F. C. Dickinson, vice president; Mrs. Ned Baldwin, secretary and Mrs. Charles Kempf, treasurer.

Mrs. R. S. Moore, Mrs. Anderson, Mrs. Leon Rosacrans and Shirlie Ann Moore in Mexican costume, and Mrs. Dickinson, the assistant hostesses, were in the receiving line to greet the members and guests.

Mrs. C. C. Ruppel, vice president, presided, in the absence of Mrs. B. J. Pulver and response to roll call members named a tree, shrub or fruit native to Mexico. The program consisted of papers on gourds and cacti read by Mrs. Ella Brown and Mrs. H. H. Hammel; a Mexican Hat Dance by Shirlie Ann Moore and Gloria Underwood accompanied by Mrs. R. H. Moore. A letter from Mrs. Pulver, retiring president, who is in California, was read reviewing the accomplishments of the past year.

Following the program a fiesta tea was served in the recreation room where the walls were hung with Mexican blankets and scarfs, and pottery, trays, gourds and dolls were exhibited. Mrs. R. S. Moore and Mrs. Anderson poured at a table centered with roses and delphinium and lighted yellow tapers. Tortilla for the tea, made by a Mexican woman, were contributed by Mrs. Guy Pocklington.

Mrs. Glenn Williams, Mrs. Kate Dunn, Mrs. H. H. Hanna, Mrs. Clyde Bailey and Mrs. Rose Harper were guests of the club.

SHEEP FEEDERS BANQUET

W. B. Hotrum of the Hotrum Coal & Feed Company, was the host to about 75 sheep-feeders of this area, at a banquet, held last evening at the Tecumseh Grange Hall. Following the banquet, Lyman Peck of Ft. Wayne, Ind., a neutritional expert, spoke and a film of interest to the feeders was shown.

Boy Scout Rally To Be Held In Adrian

Plans are being made by commissioners of the Lenawee district of the Wolverine Boy Scout council for a county-wide troop rally, to be held in Adrian, Tuesday, October 29, the first winter contest meeting between troops of the county.

The Club Pack will meet tonight at 7:30 in Room 6 at the high school building for their Halloween party. Each Cub is to bring a jack-o'lantern to enter in the contest. Each boy is to be accompanied by one or both parents.

ACCIDENT FATAL TO LEWIS CHASE

CLINTON MAN IS KILLED WHEN CARS CRASH; SON SERIOUSLY INJURED

Lewis J. Chase of Clinton was instantly killed and his son Llewellyn, seriously injured in an automobile accident near Hudson, Friday. The accident occurred when their machine and one driven by William Parrish of Hillsdale, collided at a road intersection. The Chase machine was thrown across the road into a field. The son was given first aid treatment at the hospital in Hudson and then removed to his home northwest of Clinton. He suffered broken ribs and head injuries. Mr. Parrish and Claud Lewis, who was riding with him were cut and bruised, but not seriously injured.

Lewis Chase, who was 72 years of age, is survived by the widow, Myra, two sons George W. Chase of Onsted and Llewellyn J., of Clinton, a daughter Mrs. Lewis Deline of Dover and several grand-children.

The funeral was held Sunday afternoon, Rev. F. D. Hague officiating. Burial was in the Addison cemetery.

Detroit Rector To Talk At Men's Meeting Here

Next Tuesday evening, October 29, beginning at 6:45 o'clock, there will be a dinner for all the men of St. Peter's church in the parish house. Following the dinner, there will be an address by the Rev. Francis B. Creamer, rector of Christ Church, Grosse Pointe. Mr. Creamer has just returned as a delegate from the Episcopal Diocese of Michigan to the general convention which met in Kansas City. His subject here will be "The Power and Influence of the Episcopal Church."

Mr. Creamer ranks with the most outstanding speakers among the clergy of the Detroit area. The parish of which he is rector is one of the largest in the diocese. His written works include "The Cobbled Road" and "Judas." He has also seen active military service, having served at the Mexican border in 1916-17 with the First Pennsylvania Field Artillery, and later he was in the AEF during the years 1917-19 with 103rd Field Artillery.

The vestry is sponsoring this dinner meeting, and tickets can be secured from any vestryman. Leland Randall is in charge of the ticket sale and arrangements.

The Lyster Junior Service League is serving the dinner.

Mrs. Escolme's Father Dies At Home In England

Mrs. Edward Escolme received word Friday of the death of her father, Thomas Whormby Jackson, which occurred September 30 at his home in Carnforth, Lancashire, England. Mr. Jackson was 81 years of age.

Besides Mrs. Tscolme he leaves two daughters at home in England, a sister in Belfast, Ireland, and a brother in Vancouver, British Columbia. Mrs. Jackson died five years ago.

Rev. and Mrs. Escolme visited her family in England in 1938.

TRAFFIC VIOLATORS

Five persons were arraigned in Justice F. C. Hamm's court during the past week, charged with violations of the traffic law.

Vincent E. Hayes, Tecumseh, paid $1 fine and $1 costs for careless driving in the parking lot. Felix Anderson, Tecumseh, received a similar fine and costs for overtime parking. Curtis Schilberg, Macon, drew a $2 fine and $1 costs for speeding. Wallace Smith paid $1 fine and $1 costs for careless driving, and Leonard Shealby, Meadville, N. Y., paid a $2 fine and $1 costs for running a red light.

82ND ANNIVERSARY

St. Michael and All Angels' church, at Cambridge, will celebrate its 82nd anniversary on Sunday, October 27. Rev. W. R. Blachford, a former rector, now 80 years of age and retired from the ministry, will preach the anniversary sermon.

ANTI-AMERICAN ACTS ARE BARED

OAKLAND PROSECUTOR SAYS HE FEARS FIFTH COLUMN MORE THAN INVASION

Declaring that he fears Fifth Column activity in the United States far more than he does an actual armed invasion of the country by an enemy power, Charles L. Wilson of Pontiac, prosecuting attorney of Oakland county and secretary of the American Citizens Defense League of Michigan, addressed a large audience in the auditorium of Tecumseh high school, Monday evening. Mr. Wilson spoke under the auspices of the Monday Club, but the meeting also was sponsored by several other local organizations.

Mr. Wilson, who only recently prosecuted and convicted one of the leaders of Jehovah's Witnesses for defamation of the American Flag, declared that there are more than 1,000,000 known sympathizers of Nazism in the United States. He declared that near Pontiac a camp was raided and the Nazi flag of Germany removed. Men in the camp, he said, drilled in the uniforms of the Nazis and with rifles.

The prosecutor of Oakland also told of another raid that he had conducted and of the seizure of a large safe, which the owners refused to open. It was burned open, he said, with an acetylene torch and found to contain papers and literature of the Moscow government.

"I don't tell me it can't happen here," the speaker declared. "It is happening here, and we must acquaint ourselves with the facts."

The greatest need of prosecutors and officers to combat subversive activities, he declared, is legislation to control such activity. He said that he had started a friendly suit against Harry Kelly, secretary of state, in an effort to keep the Communist ticket off the November election ballot, the case being before the Supreme Court. As yet, Mr. Wilson said, the case has not been called for hearing.

Mrs. Jenny C. Law Hardy presided at the meeting and introduced the speaker. Preceding the address the high school band, under the direction of Clare Camburn, played several numbers. The meeting closed with the band playing The Star Spangled Banner.

MAJ. MARSH AND FAMILY LEAVE FOR THE SOUTH

Major R. G. B. Marsh and Mrs. Marsh and their family left this morning for Leesburg, La., where they will reside for a year while the major is stationed at Camp Beauregard, La., with National Guard troops who have been called for training.

Major Marsh has been assigned as the regimental plans and training officer of the 107th Medical Regiment attached to the 32nd Division. On Tuesday he made an official visit to Adrian, where troops are preparing to leave for Camp Beauregard, Friday. Last week, Major Marsh was on duty at Ann Arbor, Ypsilanti and at the Wayne County Airport.

Major Marsh, until called to active duty, was a practicing physician and surgeon here. He has closed his Tecumseh office during the year that he will be at the Louisiana camp.

FORMER RESIDENT DIES

Word has been received here of the death of Rudolph A. Hires, which occurred in Jackson Monday. Mr. Hines and family were former residents of Tecumseh. He was 65 years of age and a baker by trade.

Survivors are a daughter Mrs. Mae Carey of Jackson, two brothers Joseph Hines of Grand Rapids and Fred Hines of Adrian, and one sister Mrs. Marie Krais of Adrian. Mrs. Hines death occurred a few months ago.

The funeral was held yesterday in Jackson.

DIES IN BIRDSALL

Funeral services were held Saturday at Belding Funeral Home for Mrs. Charles W. Harris, who died Thursday at her home near Birdsall. Burial was in Union Valley cemetery.

Mrs. Harris leaves her husband four daughters and two sons. Mrs. Albert Teske of Tecumseh is a daughter.

JOINT CHURCH MEET

The Baptist congregation will join the congregation of the Friends church for their evening meeting at 7:30 p. m., Sunday.

At the morning service the Rev. O. V. Robinson will give the sixth in a series of sermons on The Lord's Prayer.

TO MEET IN JACKSON

The Second District meeting of the American Legion and Auxiliary will be held in Jackson, Sunday, October 27. The Auxiliary will meet at 2:30 in the Odd Fellow hall on Mechanic St. The Post will meet at the Legion Home. Banquet at 6:30.

I will be in my office at the usual hours on and after Tuesday, October 29.

Miles Of Ballots To Be Used In Election, Nov. 5

With election less than two weeks away, and with the largest vote in the nation's history forecast, election officials in Lenawee county are making preparations for one of the "heaviest" ballots on record.

Voters who go to the polls this year will receive three ballots First is the party ballot, 19 by 25 inches in size; the second ballot, containing the four proposed constitutional amendments, is 21 by 28 inches; the third ballot, the non-partisan, is much smaller.

The combined weight of the three ballots for all of Lenawee county is approximately 6,000 pounds, and the amendment ballots, if laid end to end, would reach for a distance of more than 12 miles. Anticipating the heavy vote in Lenawee county, election officials this year have purchased 29,900 official ballots and 3,000 instruction ballots.

Precinct election officials are beginning to worry over the ballot size, and are wondering if containers on hand are large enough to care for the voted ballots. In some precincts, it is understood, larger containers have been ordered.

Tecumseh, on November 5, expects to break all records by casting in the neighborhood of 2,000 votes. H. H. Hanna, township clerk, said today that more than 2,100 voters are registered and eligible to take part in the election.

MRS. M'WILLIAMS DIES SUDDENLY

83-YEAR-OLD RESIDENT SUCCUMBS TO HEART ATTACK AT FARM HOME

Mrs. David McWilliams, aged 83 years, died Thursday afternoon following a heart attack at her home north east of town. Mrs. McWilliams, who was formerly Margaret Elliott, daughter of James and Maria Miller Elliott, was born in County Antrim, Ireland, August 16, 1857 and came to this community when a young woman. She was married March 24, 1886, to Mr. McWilliams in Tecumseh by the Rev. W. H. Babbitt and moved to the farm where they have since resided. They celebrated their golden wedding anniversary in 1936. Mrs. McWilliams was a member of the Tecumseh Presbyterian church.

Besides her husband she leaves three daughters, Mrs. Margaret Lathers of Ypsilanti, Misses Mary and Agnes McWilliams at home, also three grandchildren, Nancy Stuart and David Lathers. She was a sister of the late Robert, James and Thomas Elliott, who preceded her in death.

Funeral services were held at the residence, Sunday afternoon. Rev. E. M. McGehee officiated and bearers were Andrew McWilliams, Floyd Elliott, Herbert Murphy, Charles Allen, Victor Voorhees and Charles Howe, Burial was in Brookside cemetery.

Among those from away who attended the funeral were Mr. and Mrs. Herbert Blackwell and Walter MacAlonan of Cleveland, Dr. and Mrs. W. T. MacAlonan, Mr. and Mrs. J. R. Cook and Miss Ruby McWilliams of Detroit, Mr. and Mrs. Carl Knorr of Grosse Pointe, Mr. and Mrs. J. H. Mead and Mr. and Mrs. Percy Payne of Saginaw, Mr. and Mrs. Leo Mahallak, Mr. and Mrs. Don Mead, Mr. and Mrs. Elliott Mead of Flint, Mrs. Tillie Mason of Owosso, Mr. and Mrs. Harry Ruhl of East Lansing, Mrs. Bess Foster of Jackson, Mr. and Mrs. Milburn Pawson and Carl Voorhees of Battle Creek, Mr. and Mrs. Alex Bolton of Cement City, Mr. and Mrs. Al Knoble and Mrs. Eva Slear of Toledo, Robert McWilliams of Blissfield, Mr. and Mrs. Erwin Smith of Dundee, Mrs. Louis Blum and daughter and Mr. and Mrs. Clarence Starkweather of Ypsilanti, Mrs. Ernest Elliott of Saline, Mrs. Jas. H. Elliott, Misses K. Armstrong and Mildred Golden of Lexington, Ky., and others from Holloway, Britton, Ridgeway, Clinton and the surrounding community.

INFANT DAUGHTER DIES

Sharon Kay, infant daughter of Mr. and Mrs. Frank K. Smith, was born Sunday afternoon at Tecumseh Hospital, and lived only a short time. A resuscitator was brought from Adrian and hospital attendants and Firemen Norman McKenzie and Louis Howe of the Adrian department worked for more than seven hours in an effort to establish normal breathing. Eight tanks of oxygen were used, but to no avail.

Committal services were held at the grave in Brookside cemetery Tuesday afternoon. Rev. E. R. A. Green officiating.

CARS COLLIDE

Cars driven by Jack Smith, Jr., and Mrs. Walter Haviland were damaged Tuesday morning when they collided in the Clarkson district. No one was injured but Mrs. Haviland, Mrs. Clarence Hunt and Mrs. William Griggs, who were on their way to attend the state grange convention, were forced to cancel the trip.

TAX LAND SALE IS ANNOUNCED

WILL BE HELD AT COURT HOUSE IN ADRIAN ON FRIDAY, NOVEMBER 1ST

An announcement to the effect that another sale of tax-reverted lands in Lenawee County will be held at the court house in Adrian, on Nov. 1 has been received from the State Land Office Board by Harry Bradley, county treasurer.

This sale will cover a list of properties to which the state acquired title last fall and which have not yet been sold at previous sales conducted by the State Land Office Board. This sale will be in the nature of a public auction and will be held under somewhat different conditions than a similar sale conducted last February. At the coming sale a former owner has no special privileges, those having expired at the conclusion of the first sale. Property will be definitely sold to the highest bidder at the auction and deeds or contracts will be delivered promptly.

Terms on purchases of more than $100 are available to all bidders; sales of $100 or less are for cash.

Lists of properties to be offered are now available at the county treasurer's office together with rules and regulations and other information regarding the sale procedure.

It is reported that there many outstanding bargains available and it is anticipated that there will be a large number of bidders participating in the auction.

Action of the state supreme court in upholding the constitutionality of the state land office board act and thereby establishing the validity of titles now held by the state is expected to contribute materially to, increase activity at the sale.

Religious Survey Will Be Taken In Tecumseh

Plans for a community-wide religious survey, beginning tomorrow, October 25, were completed at a meeting, held last Sunday afternoon at the Baptist church. The purpose of the survey is to learn the religious relationships and preferences of each Tecumseh family, and those in charge of the canvass have set Saturday, November 2, as the closing date.

Churches conducting the survey are St. Peter's Episcopal, the Methodist, Presbyterian, Baptist and Friends, about 100 workers from these churches will make the canvass. Perry M. Hayden is general chairman of the work and the ministers of the several churches are serving as an executive committee. The canvassers are supplied with cards upon which they will gather the data. After the cards have been sorted they will be turned over to the officials of every religious group that has a church or mission in Tecumseh.

Plans call for another meeting, to be held at the Baptist church next Sunday at 4 p. m., at which time partial reports will be received.

521 ARE REGISTERED

Five hundred and twenty-one men between the ages of 21 and 35 years, inclusive, registered here last week Wednesday for possible military training instruction, H. H. Hanna, township clerk and chief registrant, said today. Mr. Hanna declared that a few of the men were non-residents of the township.

The registration cards filled out by the men locally have been sent to the draft board at Adrian and numbers will be assigned to each man. Later, the numbers will be drawn for the first quota of eligible men to report to military service.

FATHER ROSS SPEAKS

The Rev. Fr. John Ross, pastor of St. Elizabeth's church here, was the guest speaker at the regular meeting of the Rotary Club, Tuesday, at the Boston Lunch. The Rev. Fr. Ross used as his topic, "Nazism, Fascism and Communism," and told of their origin. His talk was very interesting and was greatly enjoyed by club members.

S. S. INSTITUTE

An institute for Sunday school teachers, workers and parents will be held Wednesday, afternoon and evening, October 30, at the Presbyterian church, beginning at 4 o'clock.

The institute is sponsored by the Michigan Federal Council of Churches and all Sunday school workers of every denomination are invited to attend.

HUNTER IS FINED

Attilio Corsini of Detroit, was arrested last week, charged with hunting and trespassing on posted land. In Justice F. C. Hanna's court he paid a fine of $2 and costs of $3.35.

Rev. Fred Kendal

Rev. Fred Kendal, superintendent of the Hebrew Christian Mission of Detroit will be the speaker at a meeting to be held Sunday evening at 7:30 at the Tecumseh Friends Church. The Rev. O. V. Robinson of the Tecumseh Baptist church will be the chairman.

The Mission Council is interdenominational in character and consists of twenty-five persons. The activities of the mission are varied. Gospel services, mothers' meetings, Bible classes, boys' clubs and girls' clubs, open-air meetings, tract distribution, and visitation evangelism are some of the ministries in which the mission engages. The Rev. Mr. Kendal has spoken in Tecumseh several times, and the public is invited to hear him on Sunday evening.

Mrs. Oliver T. Rose, Former Resident, Dies

Mrs. Oliver T. Rose, formerly Della Cadmus, died Friday morning at her home in Toledo after a five weeks' illness. Mrs. Rose was born in Raisin township and lived in this community until her marriage to Mr. Rose 49 years ago.

Besides her husband she leaves one brother John L. Cadmus, and two sisters Mrs. Hettie McIntyre and Miss Agnes Cadmus, all of Tecumseh.

The body was taken to the Birkenkamp Mortuary in Toledo where services were conducted Saturday evening by members of Ivy Leaf Grove, Woodmen of the World, of which she was a member. On Sunday afternoon Rev. Paul Gray, pastor of the Asbury Methodist church in Toledo, officiated at the funeral services and the body was brought to Ridgeway cemetery for burial.

RURAL COUNTY INSTITUTE

The Lenawee County Institute which all rural teachers are expected to attend will be held at the Lincoln Consolidated School, south of Ypsilanti, on Friday, Nov. 1. Teachers are requested to be present promptly at 8:30 a. m. Lunch will be served at the school building at noon and a social tea will follow the meeting at 3:30 p. m. This is an innovation for the institute work and only rural teachers are to attend. Later in the year an institute will be planned for the city and village teachers.

W. C. T. U. MEETING

A district meeting of the W. C. T. U. will be held Friday, October 25, at the home of Dr. Glendaline Snow in Ypsilanti with business sessions in the morning followed by a potluck dinner at noon.

In the afternoon a boulder is to be unveiled with Dr. Marshall Reed of Detroit and Mrs. Dora Whitney, state president, of Benton Harbor, as speakers.

INJURED IN FALL

INDIANS SCALP CLINTON ELEVEN

TRADITIONAL RIVALS DEFEATED 7 TO 6; PLAY MANCHESTER ON FRIDAY

Winning by the narrowest margin—the point after touchdown—Coach Neville Hart's Tecumseh high school Indians, last Friday defeated the Clinton high school eleven by a score of 7 to 6. The game was played on Clinton's gridiron and was attended by some 400 persons, more than half of the number being from Tecumseh.

The game was unusually clean and both teams were in the best of condition. The score completely upset all forecasts, dopesters having chosen Clinton to win by an easy margin. The game was not won by luck, however, but rather through quick thinking. Both teams planned to kick the extra point and both had bad passes from center, Clinton ran with the ball and was stopped before scrimmage and failed. Wilson, ball holder for Tecumseh, waited until Mohr, who had intended to kick the point, had run into the end zone. He then threw him a pass complete for the conversion point.

Don Carlson, who filled the position of quarter-back and captain, played his first game for the Orange and Black and made an excellent showing. Carlson has been unable to play because of illness.

Tomorrow afternoon Tecumseh goes to Manchester for one of the toughest games of the season. The Indian gridders are a bit chesty, due to the Clinton victory, and observers are wondering if they will drop the Manchester tilt because of over-confidence. They should not underestimate Manchester's strength, however, because a look at the record shows that they defeated Blissfield 7 to 0 and Blissfield defeated Morenci 10 to 0, and Morenci defeated Manchester, 7 to 0. Morenci is conceded to have one of the fastest and most dangerous teams in the league.

A report of the Clinton game shows:

Clinton kicked off to Tecumseh's 20 yard line and in a series of plays Wilson and Mohr carried it for a first down on Clinton's 43. In the next plays Mohr carried the ball through center to Clinton's 40. On fourth down Mohr, with 7 yards to go, punted and Feldkamp ran it back to the Clinton 10. Here Clinton picked up some 30 yards and with a fourth down and 4 to go Feldkamp punted at Carpenter and he was dropped on Tecumseh's 16.

Carlson went over guard for 5 and Wilson picked up 3 more off tackle. Mohr got off a beautiful punt downed by Green on the 50 stripe. The remainder of the first quarter was a line battle except for a short Clinton punt and the gun cracked with the score 0-0.

It was Tecumseh's ball on their own 32, second down and 6 to go on the second quarter opened. Carlson made 3 yards and then Mohr, in another punt, sent the ball to Clinton's 10. Carlson plunged for 3 and Mohr, faking a line plunge, passed to Jewell who carried the ball for the touchdown, the extra point was made and the score was 7-0.

Mohr kicked for Tecumseh and Peterson, Clinton's right tackle, took the ball from 30 to the 40 stripe. Clinton failed to make first down after three line plays and punted to Tecumseh's 38. Carlson carried the ball three times for first downs and then the Indians drew a 5 yard penalty for off-side. Clinton, through passing and line plunges marched to Tecumseh's 20 and then a pass from Barrd to Feldkamp gave them a touchdown but the point was not converted. The score 7-6.

Clinton kicked to Tecumseh and Carlson ran the ball to the In-

THIRD TERM ISSUE

No matter the importance of any and every other issue in the present presidential campaign, there was and still is no other real issue equal to the third term issue and all it means to the American people.

Win or lose, the mere fact that any president should seek a third successive term in office contrary to the precedent set by every other president we have had, America is weakened. It has been a severe blow to our prestige as the "last best democracy" on the face of the earth. For by the simple and brutal fact that our present president employed the methods he did in Chicago to have himself renominated, he lowered us in the eyes of other world nations who look to us for guidance.

If the people of this country do not shout their indignation and overwhelmingly express themselves against it at the polls next November 5, then our children will become the heirs of our lethargy and the odds on winning a fight against some form of totalitarian government will be greatly reduced.

That democracy, or a true republican form of government, exists only so long as it can reproduce its leaders is a basic fact in our form of government. Should it fail to do so, then there is no longer any democracy.

Now the mere fact that one man can have so little respect for that pure democratic principle that he is selfishly willing to set himself up as the only man worthy of breaking the precedent without impairing the system, and receive some manner of support in his effort, bodes ill for our way of life.

We can acknowledge that our way of life has its shortcomings and they be vicious and unfair, but of all forms of government it has produced the greatest good for the greatest number, and its inequalities can be remedied. We cannot wreck the system in order to satisfy the egotistical beliefs of any man, no matter how valuable he may have been or might be. We can, if necessary, stand the strain of almost anything except to have the main principle of democratic government wrecked.

If you believe in democracy, if you love your country, then it is up to you—each and every one of you—to do everything within your power to see that this tragic thing doesn't happen to it now.

And we sincerely hope that when the vote is counted next November 5 that the job will have been done so well that no man be he Democrat or Republican or a member of any other party—ever again will take it upon himself to make a similar effort.

Ironing meant Sad Irons and Sore Muscles?

Yes, it was a sad day for the homemaker when she had to spend long hours on her feet handling heavy cumbersome irons that were either too scorching hot or abruptly too cool. At the end of indigo Tuesday women sank exhausted into the nearest chair with aching backs, tired feet and often blistered hands.

Oh that they could have known the benefits of our great emancipator of modern times—*electricity*. . . . The manual bondage of laundry chores is unnecessary and unknown with modern laundry equipment. With electric ironers women accomplish the seemingly impossible by speedily turning out heavy linens and flat work, shirts and even dainty ruffled dresses while sitting comfortably in a chair. *Electricity lifts the labor load in the modern home—decreases the working hours and brings comforts undreamed of and unknown a few decades ago.* . . . Best of all, this priceless power is lower in price than ever before.

GOVERNOR DICKINSON

He Has Guarded Public Funds

Elect Him November 5

Capable -- Trusted -- Experienced

- He is trusted by Labor. He is fair to all.
- He protects the rights of all citizens.
- He is a farmer, who knows the farmer's problems.
- He is a governor who knows the state's problems.

"MICHIGAN IS SAFE WITH HIM"

OLD BILL says "Here's what I think—"

"I have been watching, closely, the affairs of our state for twenty years.

"Yes, in all that time there has never been a governor so determined to do the right thing for the people as Luren D. Dickinson. He has been as firm as a rock. His forthrightness has been amazing. In making decisions Governor Dickinson seriously and earnestly considers every side of every problem with a single thought—'What is best for the people?' Having made up his mind he drives a straight, clean furrow to his goal. No politician, no influence, can shunt him off the course.

* * *

"Without fanfare or hullaballoo Governor Dickinson has put every state department to work. He has ordered expenditures cut, and they are being cut. He is boring steadily into the towering deficit left by the previous New Deal administration.

* * *

"A governor, to deserve the office, must appreciate that 'all' the people are a part of Michigan. Some of the governors of the past seemed to think that certain groups were the whole state. Governor Dickinson has the fine faculty of recognizing his responsibility to every man, woman and child.

* * *

"No man ever had greater sympathy for labor. He wants workingmen and women to have jobs, at good pay and with decent hours. He wants them to have good homes, and good living. He has worked hard to keep men employed, and to smooth out disputes. Honest labor will get fat pay envelopes as long as Governor Dickinson has anything to say about it.

* * *

"In Governor Dickinson's administration there has been none of the fantastic experiments which discouraged business and industry and decreased employment. He wants labor to work, and prosper.

* * *

"The incumbent governor is a farmer, and he knows the problems of the farmer. He is the kind of a farmer who gets in the fields and works, and who earns a living from the land.

* * *

"He is a tax lover, and he wants taxes reduced wherever possible. We don't have to worry about taxes being increased under Governor Dickinson. His philosophy of government is to eliminate extravagances so we may have ample funds to care for the needy and the aged, and still give those who must pay the bill a chance to keep their heads above water.

* * *

"The biggest items in Governor Dickinson's program for the conduct of state government are honesty and uprightness. They cover a lot of ground. They just about sum up everything that is necessary to good government. As I see it, we can feel very safe with the steady hand of a man like that at the helm.

INDIANS SCALP

(Continued From Page 1)

dians' 35. Clinton drew a 15 yard penalty for unnecessary roughness and after line plunges failed, Mohr punted to Clinton's 8 where it was downed. The remainder of the third quarter was run almost without event until the last three plays when Clinton's Barrd made first down on THS 20. Clinton smashed through the line for 4 yards more and on the next play they completed a pass for a touchdown which should have won the game for them. But, the gun ending the third quarter had gone off before the ball was snapped from center and the score was not allowed.

In the fourth quarter with the ball on the THS 16 the THS defense bristled and Clinton lost the ball on downs. Mohr standing in his own end zone booted the ball down to mid-field where Clinton took it back to the THS 38. From here on it was a punting duel until the last six plays when Barrd threw six forward passes in an attempt to catch Tecumseh in the closing minutes of the game. The attempt was unsuccessful and the Indians were on the long end of the score, 7-6.

Starting Lineup for Clinton: Heimerdinger, LE; Culbert, LT; Dzwigalskr, LE; King, C; Bissel, RG; Garrison, (RT; Nastal, RE; Baker, QB; Feldkamp, LH; Warner, RH; Barrd, FB;

Starting Lineup for Tecumseh: Lenardson, G; Green, E; Mohr, FB; Coffey, C; Brooks, G; Wilson, HB; Oliver, T; Williamson, T; Carlson, QB; Carpenter, HB.

GUARD TO SPEAK

During the church school hour at the Methodist church, Sunday morning, at 11:15, William Shavalier, Jr., will speak on his experiences in the National Guard.

World's Temperance Sunday will be observed during the regular worship hour at 10 o'clock with sermon on "Intemperance and Tomorrow" by Rev. E. F. Hildebrand.

PLEDGED TO FRATERNITY

Gregg Aebersold and Louis Schneider of Tecumseh, students of Adrian College, have been pledged to the chapter of Alpha Tau Omega.

CHURCH BAZAAR

The annual bazaar of the St. Elizabeth Catholic church was held last evening at the church. The affair was sponsored by the Altar Society with Mrs. James Tressler and Mrs. L. Stevenson as general chairmen.

MISSIONARY MEET

The Presbyterian Missionary Circle will be entertained by Mrs. D. W. Beck, president of the circle, at a 12:30 luncheon Friday, October 25, in her home south of town. A business meeting and program will follow.

DEPENDABLE CLASS

The Temple Dependable Class of the Methodist church met Friday at the home of Mrs. Floyd Waring. After a short program the ladies sewed on a project and later Mrs. Waring and Mrs. Geo. Church served refreshments.

SCHOOL NOTES

Chapel

Today chapel was opened with a salute to the flag. We sang two songs, "The Little Brown Church in the Vale" and "Come, Thou Almighty King." Rev. McGehee was our speaker. He talked about his trip to the Grand Canyon and about the cliff dwellers. At the end of his talk we all repeated the Lord's Prayer. Rev. McGehee's talk was very interesting.

Reporter, Betty Gray.

Senior Class Notes

The Seniors held their second class party of the year last Wednesday night in the high school gym. It started at 7:30 p. m. and we danced until all were present. We started by playing games, the first of which was "Steal the Bacon." The next was stunts in which everyone took part. For the best stunts we had two prizes. First prize went to Mr Johnson, who had to give a political speech from a soap box, which was very clever. Robert Hamilton received second prize for his demonstration of how mama's little girl might act giving her first poem in public. This was also very good.

We then had cider and doughnuts after which we danced until 10:00 p. m., when the party was brought to a close.

Hugh DesErmia, Senior reporter.

Senior Play

Mr Young, the director of the Senior Play, has chosen the cast for the Senior Play called "One Wild Night," which is comedy and is to be presented the evenings of November 13 and 14.

The cast of the play is as follows: Rodney Dodd, a healthy young man who thinks he is an invalid, Harold Easton; Henrietta, his housekeeper, Ruth Brainard; Dodwillow, the butler, Bill Lenardson; Aunt Myra Dodd, Rodney's Aunt, Ruth Galloway; Charlotte Allen, Aunt Myra's young companion, Evelyn Lindsley; Dr. Bell, the family doctor, Hugh Des Ermia; Nurse Trent, Dr. Bell's Assistant, Betty Krueger; Ned Steerwell, a College hero, Robert Jewell; Doris Winthrope, a college girl, Frances Glenn; Hawkins, a moving man, Bill Mackey; Maribelle, Doris' room-mate, Jean Osburn; Mrs Rooley, President of the Dexter School for Girls, Camilla Satterthwaite; Mrs Batson, a public spirited townslady, Ida Woodcox; Jade Darmelli, a night club singer, Bertha Mae Kriag; James Scorpio, the town's leading gangster, Robert Hamilton; Officer Dryder, a policeman, Robert McKee. We are sure that the play will be well worth the price of admission.

Doris Aebersold, Reporter.

Girl Scouts

A Girl Scout meeting was held Wednesday afternoon with a very large attendance of the younger troop. They have elected the following as their patrol leaders: Jean Wilson, Weeping Willows; Louise Bowen, Cardinals; and Dorothy J. Brandt, North Star. New merit badge books were handed out. When the older troop arrived, we sang some songs which we all knew, and we also learned a new one called "Puffer Billies," which is a lot of fun to sing. The closing game, "Bumper," was enjoyed by all. Although the older troop is small in number, they elected their patrol leaders: Dorothy Bowen and Joan Lott. Plans for a Halloween party were discussed.

What's the matter with the "okisters?" We aren't going to let the "Youngsters" get ahead of us, are we? Come on out and have a good time, and also show your appreciation to Mrs Thompson, Miss Starr, Miss Cole, Mrs Pfaus, and Mrs Moore, who are so kindly giving of their time to help us.

Wilma M. Hoagland, reporter.

Display Case

The "autumn-like" display in the show case was arranged by our Farm Crop Class. In the foreground are exhibits of corn from the projects of Alfred Allen, Allen Brooks and James Meade. Also two exhibits of potatoes from the projects of John Hamilton and Willis Davenport.

In the background are small bundles of grain and grasses — Bald Rock Wheat, German Millet, Huron oats, Orchard grass, Red Top grass, Canada Bule Grass, Mammoth clover, Kentucky Blue Grass, Michelete beans, Flax, Alsike clover, and Sudan grass. This bundle material was presented to the school by Mr Finkbeiner of Clinton. The variety of oats and wheat are those recommended by Michigan State College to be grown in Lenawee county.

The Huron oats displayed are the new variety developed by Michigan State College. They do not require a treatment for smut, as they are smut resistant.

The following ratings were received at the Lenawee County Fair:

For their exhibits of corn, Alfred Allen received an A rating, Allen Brooks a B rating, and James Meade a C rating.

John Gardner received an A rating for his market pigs, and Wayne Jackson won an A rating for his sheep and a C rating for his Holstein heifer.

We all hope that our Farm Crop boys will continue their good work.

Reporter, Elva Mae Dickinson.

Mr Mead's Classes

The eighth graders have been studying about the Colonial Period in history. They have been learning about the lives of the Pilgrims and the Puritans.

The Freshmen have been having psychological examinations for the last two days to determine their weaknesses in different subjects. The Freshmen are regularly subscribing to the magazine, "Young American," which is used in the Civics classes. Oral reports are given twice a week and a quiz is given almost every day.

The Sophomores have been studying about Greek civilizations and are now studying Roman culture. They find it very interesting.

Reporter, Margaret Jack.

West Branch - First Grade Miss Smith - Teacher

The first six weeks period of the school year is over, and we are happy to report that nine in our room were not absent during that time: Stephanie Davis, Jerry Cubberly, Janet Erhart, Leroy Helstand, James Hite, Jennie Phillips, Ruth Ann Stuart, Richard Whelan and Diane Wingfield.

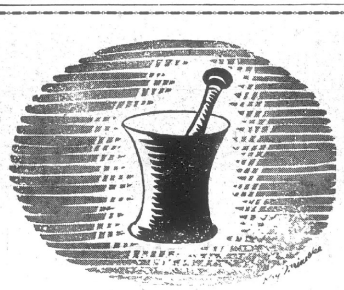
We went for a walk one day. The children enjoyed telling the names of the different trees they saw.

During our story hour we are reading "The Cry-Baby Chickens.

Mr Ward of Clinton, a magician, entertained us at our assembly program last Monday.

Mr Ward did many tricks, including several with handkerchiefs. He made a red handkerchief turn blue, and several small ones become one large handkerchief. He also did many other tricks, one with salt that disappeared, another with a milk bottle from which the milk refused to pour. He finished his program with several card tricks and jokes that everyone greatly enjoyed.

Mary Wickwire, Reporter.



ACCURACY

A druggist never felt more keenly the need for accuracy in the compounding of his prescriptions than does a good banker in the handling of the finances of a community. In every individual connected with this institution has been impressed and instilled the absolute necessity for constant accuracy . . . which is another reason why this is a good bank.

They're Your Highways

PROTECT THEM!

VOTE YES ON PROPOSAL #3

THE CITY OF DETROIT has long enjoyed certain benefits and privileges. On November Fifth they are seeking through the Detroit Street Railways to further encroach upon out-state territory. Specifically, the City of Detroit wants to run its buses over state highways in or between any communities it may choose without subjecting itself to safety regulations and without payment of highway taxes.

You can stop this unfair practice by voting "yes" on State Proposal Number 3.

Proposal Number 3 provides that buses owned by a city or village must first get permission from the Public Service Commission in order to operate two miles beyond city or village limits on state highways. The law affirms the principles under which Michigan's great highway system has been built—that highway users shall pay highway taxes and that highway taxes shall be used for highways.

In fairness to everyone and above all to yourself, cast your vote on this special ballot at the election November Fifth. And be sure to vote "YES".

ARE YOU IN THE DARK?

Blinded by a pile of cancelled checks or rent receipts, are you worried about a way or means of owning your own home—of knowing the security of "living under your own roof?"

There is a way out, Mr. and Mrs. Family Head, and it's a very simple way. You can own and live in your own home as easily and conveniently as you now pay rent.

Why don't you call on us today—permit us to explain the modern way of home-building. Dozens of folks in Lenawee county—many of them in Tecumseh, have taken advantage of the Federal Housing Act and are enjoying the comforts of home ownership.

A small down payment, the balance over a period of years, just as you now pay rent—that is the modern secret of home ownership. And remember:

A HOME OF YOUR OWN IS YOUR GREATEST SECURITY!

To the People of the 2nd Congressional District:

The American people do not want this country to get into any European or Asiatic war. They want an impregnable national defense. They are looking to their elected representatives in Washington to keep them out of war and to provide that defense.

To this end the Congress has been in almost continuous session during the last year. This has made it impossible for me to be in the district as much as is my custom. It is very difficult to be on the job in Washington while a political campaign is progressing in the district. I have felt, however, that my duty was in Washington, regardless of my political fortunes in the campaign.

I appreciate the confidence my constituents have reposed in me. It is my ambition to merit that confidence. I have no political platform other than my record and my promise to do at all times, that which I conscientiously believe to be for the best interests of my constituents and my country.

Sincerely,

PROPOSED AMENDMENTS

NOTICE IS HEREBY FURTHER GIVEN that at the time and places of holding the General Election, there will be submitted at said Election, Four Proposed Amendments or Referendums, viz:

(Proposal No. 1)

SHALL THE CONSTITUTION BE AMENDED TO AUTHORIZE THE ELECTORS OF SCHOOL DISTRICTS TO EXCEED THE 15 MILL LIMITATION FOR BUILDING PURPOSES?

AMENDING SECTION 21 OF ARTICLE X OF THE STATE CONSTITUTION:

Sec. 21. The total amount of taxes assessed against property for all purposes in any 1 year shall not exceed 1½ per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed 5 years at any 1 time, to not more than a total of 5 per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932: Provided further, That this limitation shall not apply to the taxes levied in an amount not exceeding 1.2 per cent per year for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon.

Shall section 21 of article 10 of the state constitution be amended to authorize a tax on property, in addition to the 15 mill limitation, in an amount not exceeding 1.2 per cent per year, for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon?

(Proposal No. 2)

SHALL THE CONSTITUTION BE AMENDED TO ESTABLISH A NEW SYSTEM OF CIVIL SERVICE FOR STATE EMPLOYMENT?

ADDING SECTION 22 TO ARTICLE VI OF THE STATE CONSTITUTION:

Sec. 22. The state civil service shall consist of all positions in the state service except those filled by popular election, heads of departments, members of boards and commissions, employees of courts of record, of the legislature, of the higher educational institutions recognized by the state constitution, all persons in the military and naval forces of the state, and not to exceed two other exempt positions for each elected administrative officer, and each department, board and commission.

There is hereby created a non-salaried civil service commission to consist of four persons, not more than two of whom shall be members of the same political party, appointed by the governor for eight-year, overlapping terms, the four original appointments to be for two, four, six and eight years respectively. This commission shall supercede all existing state personnel agencies and succeed to their appropriations, records, supplies, equipment, and other property.

The commission shall classify all positions in the state civil service according to their respective duties and responsibilities, fix rates of compensation for all classes of positions, approve or disapprove disbursements for all personal services, determine by competitive performance exclusively on the basis of merit, efficiency and fitness the qualifications of all candidates for positions in the state civil service, make rules and regulations covering all personnel transactions, and regulate all conditions of employment in the state civil service. No person shall be appointed to or promoted in the state civil service who has not been certified as so qualified for such appointment or promotion by the commission. No removals from or demotions in the state civil service shall be made for partisan, racial, or religious considerations.

The administration of the commission's powers shall be vested in a state personnel director who shall be a member of the state civil service and who shall be responsible to and selected by the commission after open competitive examination.

To enable the commission to execute these powers, the legislature shall appropriate for the six months' period ending June 30, 1941, a sum not less than one-half of one per cent, and for each and every subsequent fiscal year, a sum not less than one per cent, of the aggregate annual payroll of the state service for the preceding fiscal year as certified to by the commission.

After August 1, 1941, no payment for personal services shall be made or authorized until the provisions of this amendment have been complied with in every particular. Violation of any of the provisions hereof may be restrained or observance compelled by injunctive or mandamus proceedings brought by any citizen of the state.

This amendment shall take effect on the first day of January following the approval thereof.

(Proposal No. 3)

REFERENDUM ON SECTION 3 OF ARTICLE I OF ACT 261 OF THE PUBLIC ACTS OF 1939, WHICH AMENDS THE MOTOR CARRIER ACT OF 1933, TO PROVIDE THAT NO MUNICIPAL CORPORATION, OR ANY AGENCY OR INSTRUMENTALITY THEREOF, SHALL OPERATE AS A COMMON OR CONTRACT MOTOR CARRIER FOR HIRE, ON THE PUBLIC HIGHWAYS OF THE STATE, EXCEPT AS PROVIDED IN SAID MOTOR CARRIER ACT, WITHOUT FIRST OBTAINING FROM THE MICHIGAN PUBLIC SERVICE COMMISSION A CERTIFICATE OR PERMIT TO DO SO.

Sec. 3. General exemption and regulations in connection therewith. All carriers of passengers or property by motor vehicle for hire upon the highways of this state shall be subject to the provisions of this act and no person, firm, association or private or municipal corporation or any agency or instrumentality thereof shall operate as a common or contract motor carrier for hire without first obtaining from the commission a certificate or permit under the provisions of this act authorizing such operation, regardless of the provisions of any other statute, unless hereinafter specifically exempted: Provided, however, Common motor carriers of property and contract motor carriers of property whose operations do not extend for a distance of more than 40 miles over the highways of the state in any direction from their home terminal, as designated under the requirements of this section, shall not be subject to the provisions of this act except to the extent required by this section: Provided, however, That this exemption shall not be construed to apply to common motor carriers or contract motor carriers furnishing service between 2 or more cities, towns, or villages. The commission shall determine whether any motor carrier is within this exemption and shall make such rules and regulations and orders as it may deem necessary for the proper classification of such carriers and for the enforcement of this act. Any common motor carrier or contract motor carrier whose operations will bring such carrier within this exemption and who desires to come under the provisions of this section shall file with the commission an application under oath setting forth such information as the commission may require with regard to his operations upon the form prescribed by the commission. Such application shall, among other things, designate the home terminal of such carrier. Such designated home terminal shall thereafter be the fixed point from which the 40 mile radius within which operations shall be permitted under this section shall be computed. Such common motor carriers of property and contract motor carriers of property may change their home terminal when notice in writing is given to the commission 48 hours before such anticipated change. Any person who shall wilfully, under oath, make false statement to the commission in such application, shall be deemed guilty of perjury.

Shall said Section 3 of Article I of Act 261 of the Public Acts of 1939, be approved?

(Proposal No. 4)

REFERENDUM ON ACT NO. 122 OF THE PUBLIC ACTS OF 1939, BEING "AN ACT TO REGULATE THE PRACTICE OF DENTISTRY AND DENTAL SURGERY; AND TO REPEAL CERTAIN ACTS AND PARTS OF ACTS."

AN ACT to regulate the practice of dentistry and dental surgery; to provide for the examination, licensing, registration and regulation of persons who may practice the same; to provide for the disposition of moneys received under this act; to provide penalties for violations of this act; and to repeal certain acts and parts of acts.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Section 1. The practice of dentistry shall be under the supervision of a board to be known as the Michigan state board of dentistry. Said board shall consist of 7 reputable dentists, each of whom shall have been graduated from a reputable dental college, shall have practiced his profession in this state for at least 5 years, and shall have been a resident of this state for at least 5 years, 2 of whom shall be residents of the upper peninsula. The present members of the board now in existence shall continue in office until the expiration of the term for which they were respectively appointed. The governor shall annually hereafter appoint 1 member of said board, and shall fill any vacancy for an unexpired term, by appointment from a list of 3 licensed dentists recommended to him by the Michigan state dental society. Each member shall hold office for a term of 7 years, or until the appointment and qualification of his successor. No member of a dental faculty may be eligible to membership on the board.

Sec. 2. Said board shall adopt rules and regulations for its own organization and for the practice of dentistry in this state, and for carrying out the provisions of this act, and may amend, modify and repeal said rules and regulations from time to time. Said board shall also have the power to appoint such committees, special examiners, officers and employes, and to have such expenses, as it may deem necessary or proper to carry out the provisions of this act, the expense thereof to be charged and paid as other expenditures of the board. The president and secretary of the existing board shall continue in office until their respective terms as such shall expire. Thereafter said board shall elect a president and secretary from its membership, each of whom shall hold office for a term of 1 year. It shall hold 1 regular meeting each year in the city of Ann Arbor in the month of June and such special meetings as may be necessary at such times and places as it may determine. A majority of the board shall constitute a quorum. The board shall hold 2 examinations in each year, 1 in the month of June and 1 at such time and place as may be fixed by the board, at which applicants to practice dentistry in the state of Michigan may be licensed by the board. The board shall have power to send 2 delegates to the meetings of the national association of dental examiners, and charge the expense thereof, per diem excluded, to the business of the board. The secretary shall keep a full record of its proceedings and a complete registry of all licensed dentists and dental hygienists and dental graduates to whom permits are issued, as hereinafter provided. A transcript of any entry in such record or registry certified by the secretary shall be competent evidence of the facts therein stated. Upon this act becoming effective, the secretary shall mail a copy of the same to every licensed dentist and oral hygienist within the state, and each year thereafter a copy of the same, with any amendments thereto, to those to whom the board has granted licenses during the year. Said board shall prepare and file with the state administrative board such reports as may be required by the state administrative board, which reports may be printed and bound in such form, and in such quantities as the board of state auditors may deem necessary. The expense of such printing and binding shall be charged as an expenditure of said board.

Sec. 3. The secretary shall give bond in such amount as said board may fix for the faithful discharge of his duties as custodian of the moneys paid to said board. He shall receive such salary as shall be determined by the board. Each of the members, other than the secretary, shall receive for each day actually engaged in the duties of the office, per diem of $20.00, not to exceed, however, the sum of $500.00 per year, and his actual and necessary expenses. Said board may annually expend the total amount received from fees hereinafter provided, but in no case shall the total expenditures for all purposes exceed its total receipts. All moneys received by said board shall be paid to the state treasurer on the first of each month and a receipt for the same filed by the secretary of the board in the office of the auditor general. The amounts necessary for the expenditures of said board shall be paid out of the state treasury upon the warrant of the auditor general, drawn upon the presentation to him of vouchers signed by the chairman of the board.

Sec. 4. Except as herein otherwise provided, it shall be unlawful for any person to practice or engage in the practice of dentistry or dental surgery in any of its branches, other than:

1. Those who are duly registered and licensed dentists in this state under the provisions of either Act No. 235 of the Public Acts of 1933, or the laws of this state in force at the time of their license and registration; and

2. Those duly licensed and registered under the provisions of this act.

Sec. 5. No person desiring to practice dentistry shall be licensed until he shall have satisfactorily passed an examination by said board. Every applicant for examination must be a citizen of the United States, or have declared his intention of becoming such. In cases where the applicant has declared his intentions of becoming a citizen, but has not completed his qualifications for citizenship, a temporary license may be issued for the duration of the minimum time required to complete citizenship. Upon completion of the requirements for citizenship the board may issue a regular license without further examination. It remains within the province of the board, before admitting an applicant graduated from a college of a foreign country to examination, to require such applicant to take such post-graduate work in a college of this country as will satisfy the board that such applicant is on an equal basis with graduates of reputable dental colleges of the United States. All applicants who have been graduated from a reputable dental college in the United States or foreign country may be required to furnish a certificate signed by the faculty or secretary of the school, college or university from which said applicant was graduated, certifying as to the character of and to the proficiency attained by said applicant throughout his curriculum of study. Every applicant for such examination shall furnish satisfactory proof supported by affidavit that he is of good moral character and a graduate of a reputable dental college duly organized under the laws of this state or any other of the United States or of any other country. Said board is hereby authorized to ascertain and determine what shall constitute a reputable dental college, but to be considered reputable, the following qualifications shall be necessary:

1. It must be chartered under the laws of the state in which it is located and operated, and authorized by its charter to confer the degree of doctor of dental surgery or doctor of dental medicine;

2. It must give annually a full course of lectures and instructions by a competent faculty and corps of instructors in the following subjects: Physiological chemistry, embryology, anatomy, histology, hygiene, bacteriology, pathology, materia medica, therapeutics, oral surgery, metallurgy, operative dentistry, prosthetic dentistry, crown and bridge work and orthodontia; the curriculum of instruction to consist of not less than 4 terms in 4 separate academic years and each term to be of not less than 32 weeks of 5½ days in each week;

3. It must have apparatus and equipment ample and sufficient for the ready and full teaching of the above named subjects; and

4. It must require matriculates to have a preliminary education equal to 60 semester hours in a college or university approved by said board.

Sec. 6. Every candidate for examination shall file a written application on a form prescribed by the board, shall present his license or diploma for inspection, and shall pay to the secretary a fee of $35.00. The applicant shall present himself before the board for examination at a date not later than the second regular meeting of the board next after filing his application, in default of which said fee shall be forfeited to said board. The examination shall be written or oral, or both, and shall include such subjects as may be designated by the board at any meeting of the board held 6 months prior to such examination. The board may also require such practical tests, working operations and demonstrations as may be designated by the board. The examination papers of each applicant shall be preserved by said board and may be inspected for 6 months after the date of his examination. During such period any unsuccessful applicant, by depositing $50.00 with the secretary, shall have the privilege of having his examination papers re-read by the board in the presence of himself and any one representing him. If upon such re-reading the board shall determine that the examination papers of the applicant should have entitled him to pass, a license shall be issued to him and said deposit refunded, but said deposit shall otherwise be forfeited to the board. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $25.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Any applicant who shall pass the examination upon his first trial will be given credit for such subjects as he may be entitled to, but such credits will be extended only until the second following board examination. If the applicant fails to pass his examination on the second trial, the applicant shall on any third or subsequent trial be required to take an examination in all subjects the same as on his original first application. Any person who in any affidavit or application for examination shall wilfully make a false statement in a material regard shall be deemed guilty of perjury, and, upon conviction thereof, shall be punished as provided by the laws of this state for the crime of perjury.

Sec. 7. The board shall issue to each person who shall successfully pass the examination a license under its seal duly authenticated by the signatures of the board members. No person, not previously registered under the laws of this state in the county where his office is located, shall engage in the practice of dentistry until he shall have registered such license in the office of the clerk of the county where he intends to practice. It is the duty of the county clerk to register the same in a book provided and kept for that purpose, for which he shall be paid a fee of 50 cents in each case by the person offering the same for registration. The board shall declare a license void unless it is so registered within 6 months from the date when the holder begins to practice in any said county. A duplicate license may be issued by the board in case of the neglect, failure or refusal to register within said period, but only upon payment to the board the sum of $25.00 as a penalty, which shall be available for the proper expenditures of the board. In case of the removal of a registered dentist to another county within the state, he shall cause his license to be registered in the same manner and within the same time as above provided. On the first day of September in each year, every county clerk in the state shall send to the secretary of the board a complete list of all dentists and dental hygienists who registered in his county during the preceding year on blanks to be sent to the county clerk by the board. Every person operating or controlling any dental office or rooms shall promptly report to the board the name or names of all registered dentists and dental hygienists in his employ, together with their place of residence and shall also report whenever any registered dentist or dental hygienist shall leave his employ.

Sec. 8. No dentist shall announce or hold himself out to the public as limiting his practice to, or as being especially qualified in, or as giving special attention to, any branch of dentistry, without first having obtained a license therefor from the board as hereinafter provided. The board, upon satisfactory proof that the applicant has had a minimum of 1 year of post-graduate study in any of the several recognized branches of dentistry in an approved college or university, or its equivalent, to be determined by the board, or has complied with any additional requirements of the board, may issue a license to such dentist authorizing such dentist to hold himself out, or to announce, to the public that he is especially qualified in, or limits his practice to, or gives special attention to, such recognized branch of the dental profession. Examinations shall be theoretical and practical. The theoretical examinations shall be in writing and include all the subjects represented in that recognized branch of dentistry in which the applicant desires to specialize. Written examinations may be supplemented by oral examinations. Demonstrations of the applicant's skill shall also be required. A special license shall be required for the practice of each recognized branch of dentistry in order for a dentist to hold himself out to the public as limiting his practice to, or being especially qualified in, or giving special attention to, any branch of dentistry. The fee for such examination and special license shall be $25.00. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $15.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination.

Sec. 9. Said board may also issue licenses to dental assistants to be known as dental hygienists. Every candidate for examination as a dental hygienist shall pay to the secretary of the board a fee of $15.00 and shall furnish satisfactory proof that he is a graduate of an accredited high school in this state, or a school of like and equal standing in any other state or country, or has earned in units of study the equivalent necessary for graduation, and has earned a diploma or certificate from a reputable school of dental hygiene having a curriculum of not less than 2 separate academic years and each term to be of not less than 32 weeks of 5½ days in each week. The board may ascertain and determine what shall constitute such reputable school. Every applicant who shall successfully pass such examination as may be prescribed by the board shall be granted a license as a dental hygienist which shall be recorded in the same manner as provided in section 7 of this act. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $10.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Such licensed dental hygienists may remove calcareous deposits, accretion and stains from the teeth, and may prescribe or apply ordinary mouth washes of a soothing character, but shall not perform any other operation on the teeth, mouth or tissues of the oral cavity, or administer any therapeutic remedies to diseased portions of teeth or their surrounding tissues. A hygienist may operate in the office of a legally licensed dentist, in a state or municipal institution, or public schools, or under the board of health, or in a public clinic, authorized by said board, but shall not operate except under the supervision of a licensed dentist. The board may revoke or suspend the license of any registered dentist who shall permit any dental hygienist operating under his supervision to perform any operation other than those permitted under the provisions of this section.

Sec. 10. Said board may also issue a dental graduate permit upon payment of a fee of $10.00 to any person who is a graduate of a reputable dental college as approved by the board, but who shall not yet have been licensed as a dentist by said board. Any person receiving such permit may practice dentistry in any state or municipal

institution, or hospital, or public school, or under a board of health, or in any public clinic, authorized by said board under the direct supervision of a licensed dentist, but not otherwise; nor shall any permit authorize such person to practice for a period longer than the interim between its date of issue and the next regular examination held by the board for applicants for licenses as dentists. Permits shall be granted only to such graduates as have a definite offer of a position in a state or municipal institution, or hospital, or public school, or board of health, or public clinic, authorized by the board, and only after proper credentials of the applicant for such a permit have been examined and accepted by the board.

Sec. 11. On or before the first day of October of each year, excepting the year in which he is originally licensed, every registered dentist and dental hygienist shall pay to the secretary of the board $3.00 as an annual license fee. The board may revoke or suspend the license of any person who shall default in making such payment, unless said fee is paid on or before said first day of October: Provided, That such revocation or suspension shall not be ordered except on and after 30 days' written notice by registered mail to the last known address of such person of such delinquency, during which period such person may pay such fee, together with such penalty, not exceeding $5.00, as may be determined by the board. In case any such license is revoked or suspended, the same may be reissued or reinstated upon the payment of the accrued fees and such penalties, not exceeding $10.00, as may be determined by the board. Such penalties shall be available for the proper expenditures of the board.

Such licensed dentists and dental hygienists, who shall have paid the fees due when this act becomes effective, shall be entitled to a credit for such amount so paid on the license fees due and payable as herein provided.

Sec. 12. A person practices dentistry, within the meaning of this act, when it shall be shown:

1. That he uses a dental degree, or designation, or card, device, directory, poster, sign, or other means whereby he represents himself or permits himself to be represented as being able to diagnose, treat, prescribe or operate for any disease, pain, deformity, deficiency, injury or physical condition of the human tooth, teeth, alveolar process, gums or jaws, or their dependent tissues; or

2. That he is a manager, proprietor, operator or conductor of a place where dental operations are performed; or

3. That he performs dental operations of any kind gratuitously, or for a fee, gift, compensation or reward, paid or to be paid, either to himself or to another person or agency; or

4. That he, or his employe or employes, use a Roentgen or X-ray machine for dental treatment, radiograms, or for dental diagnostic purposes; or

5. That he extracts a human tooth or teeth, or corrects or attempts to correct malpositions of the human teeth or jaws, or repairs or fills cavities in human teeth; or

6. That he offers and undertakes, by any means or method, to diagnose, treat or remove stains or accretions from human teeth or jaws; or

7. That he uses or administers local anesthetics in the treatment of dental or oral diseases or in any preparation incident to a dental operation of any kind or character; or

8. That he takes impressions of the human tooth, teeth, jaws, or performs any phase of any operation incident to the replacement of a part of a tooth, teeth or associated tissues; or

9. That he examines clinical material in a dental office or contracts or agrees to render or perform, either personally or through another, a dental service or services; or

10. That he performs any operation included in the curricula of recognized dental schools or colleges.

Sec. 13. The following practices, acts and operations, however, are exempt from the operation of this act:

1. The rendering of dental relief in bona fide emergency cases in the practice of his profession by a physician or surgeon, licensed as such and registered under the laws of this state; or

2. The practice of dentistry in the discharge of their official duties by dentists in the United States army, or the United States navy, the United States public health service, or the United States veterans' bureau; or

3. The practice of dentistry by students in dental schools or colleges approved by the board, when acting under the direction and supervision of registered and licensed dentists acting as instructors; or

4. The practice of dentistry by licensed dentists of other states or countries at meetings of the Michigan state dental society, or component parts thereof, alumni meetings of dental colleges, or any other like dental organizations, while appearing as clinicians; or

5. The use of Roentgen or other rays for making radiograms or similar records of dental or oral tissues under the supervision of a licensed dentist or physician: Provided, however, That such service shall not be advertised, by any name whatsoever, as an aid or inducement to secure dental patronage: And provided further, That no corporation shall advertise that it has, leases, owns or operates a Roentgen or X-ray machine for the purpose of making dental radiograms of the human teeth or tissues of the oral cavity, or administering treatment thereto for any disease thereof; or

6. The making of artificial restorations, substitutes, appliances or materials for the correction of disease, loss, deformity, malposition, dislocation, fracture or injury to the jaw, teeth, lips, gums, cheeks, palate, or associated tissues, or parts, either upon order, prescriptions, casts, models or from impressions furnished by a licensed and registered dentist: Provided, That such prosthetic or orthodontic appliances, or services rendered in the construction, repair or alteration thereof, shall not be advertised, sold or delivered, directly, or indirectly to the public by any unlicensed person or dental laboratory as principal or agent.

Sec. 14. The terms "manager," "proprietor," "operator" or "conductor" as used in this act shall be deemed to include any person:

1. Who employs operators or assistants; or

2. Who places in the possession of an operator, assistant or other agent such dental room or equipment as may be necessary for the management of a dental office on the basis of a lease or any other agreement for compensation for the use of such material, equipment or office; or

3. Who retains the ownership or control of dental material, equipment or office and makes the same available in any manner for use by operators, assistants or other agents: Provided, however, That the above shall not apply to bonafide sales of dental material or equipment.

A licensee of dentistry who shall enter into any of the above described arrangements with an unlicensed manager, proprietor, operator or conductor may have his license suspended or revoked by the board.

Sec. 15. No corporation shall practice or continue to practice, offer or undertake to practice or hold itself out or continue to hold itself out, as practicing dentistry. Every person practicing dentistry as an employe of another shall cause his name to be conspicuously displayed and kept in a conspicious place at the entrance of the place where such practice is conducted: Provided, however, That nothing herein contained shall prohibit a licensed dentist from practicing dentistry as the agent or employe of any charitable institution or hospital.

Sec. 16 It shall be unlawful for any person to practice dentistry or to operate or be a partner in the operation of, or control as proprietor, manager or otherwise, or to have any financial interest in the proceeds or receipts of or from, other than compensation as employe in the usual course of the practice, or to receive any part or percentage of the proceeds or receipts of or from, in lieu of rent or any part of the rent of any room or office, where dental work is done, provided or contracted for in any county of this state, not being at the time a dentist licensed to practice as such in this state and registered in the office of the county clerk of such county as herein provided. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist whose license or permit to practice has been revoked or suspended. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist without at all times keeping his license conspicuously displayed in his operating room and in any office where there are more dental chairs than 1 without having the license of each practitioner so displayed. It shall be unlawful for any person to employ any capper or solicitor for the purpose of procuring patients for dental work to be done. It shall be unlawful for any person to practice dentistry or to operate or control as proprietor, manager or otherwise any room or office where dental work is done or contracted for, or in any way to advertise the same under any false or assumed name, or under the name of a corporation, company, association, trade name or under any name other than that under which his license was granted. It shall be unlawful for any person to advertise to the public any commercial dental laboratory or dental technician or dental clinic.

No person or persons shall own, or be financially interested in, or manage more than 1 office for the practice of dentistry in any location or locations and operate them under his or their own name, with employed operators. No dentist or dentists shall be associated or connected with, in any manner, any offices or rooms where the profession of dentistry is practiced unless such dentist or dentists shall be actually engaged for the major portion of their time in the practice of dentistry at such office or rooms: Provided, however, That the provisions of this paragraph shall not apply where a licensed dentist, with the approval of the board, shall choose to practice dentistry, under his own name, 1 or more days of a given week in 1 location other than the location of his principal office.

Sec. 17. Excepting as in this act provided, it shall be unlawful for any dentist or dentists to:

1. Make use of any advertising statements of a character tending to mislead or deceive the public; or

2. Circulate any statement or statements as to the skill or method of practicing dentistry of any dentist through any media, means, agencies or devises of an advertising nature; or

3. Advertise professional superiority or the performance of professional services in a superior manner; or

4. Advertise price, cost, charge, fee or terms of credit for professional services, or for materials used in the practice of dentistry, or comparative values thereof, since in a professional health service and because of the nature of the services involved, the prices must be variable; or

5. Advertise bargains, cut rates, or special values in dental service or productions with or without specifying the time they shall apply; or

6. Advertise any free dental work or free examinations; or

7. Advertise to guarantee any dental services; or

8. Advertise to perform any dental operation painlessly; or

9. Advertise or circulate reports of cases or statements of patients in any way whatsoever; or

10. Advertise by any means, the using of any secret anesthetic, drug, formula, medicine, method or system; or

11 Employ any person or persons to obtain, contract for, sell or solicit patronage or make use of free publicity press agents; or

12. Advertise by means of large display signs, or glaring light signs, electric or neon, or such signs containing as part thereof the representation of a tooth, teeth, bridgework, plates of teeth or any portion of the human head, or use specimens of such in display, directing the attention of the public to any such person or persons engaged in the practice of dentistry; or

13. Advertise artificial teeth, bridgework or dentures by the use of any representation of a tooth, teeth, bridgework or denture, or of any portion of the human head, or advertise dental plates, or restorations, or the materials used in their construction, under any fictitious, misleading, fancy or unscientific name; or

14. Give any public demonstration of skill or methods of practicing dentistry for the purpose of securing patronage: Provided, That any dentist may publicly announce by way of newspaper or professional card that he is engaged in the practice of dentistry, giving his name, degree, office location where he is actually engaged in practice, office hours, telephone numbers and residence address, and, if he limits his practice to a specialty, he may state same.

Sec. 18. The board shall have the power, and it shall be its duty, and it is hereby authorized, to suspend for a limited period or to revoke the license of any licensed dentist or any licensed dental hygienist for any of the following reasons:

1. His conviction of a felony or of a misdemeanor involving moral turpitude, in either of which cases a certified copy of the court record shall be conclusive evidence, upon receipt of which the board shall revoke or suspend the license of the person so convicted;

2. For fraud or deceit in procuring admission to practice dentistry or oral hygiene;

3. For habitually using drugs or intoxicants to the extent of rendering him unfit for the practice of dentistry or oral hygiene, or for gross immorality;

4. For being guilty of wilful and gross malpractice or wilful and gross neglect in the practice of dentistry or oral hygiene;

5. For conducting the practice of dentistry so as to permit directly or indirectly an unlicensed person to perform work which under this act can legally be done only by persons licensed to practice dentistry or oral hygiene in this state;

6. For practicing dentistry under a corporate, assumed, trade or firm name in violation of the provisions of this act;

7. For violation of the rules and regulations for the practice of dentistry, provided for in section 2 hereof;

8. For employing solicitors or cappers for the purpose of procuring patients for dental work to be done;

9. For attracting or attempting to attract any person on the public streets by means of any public demonstration of any phase of dental surgery or by offering, selling or giving away any cure or any nostrum or premium in order to induce such person or persons to enter any dental office, or room;

10. For obtaining any fee by fraud or misrepresentation;

11. For being guilty of false, fraudulent or misleading advertising;

12. For having failed to pay license fees as herein provided;

13. For holding himself out as specially qualified in, or limiting his practice to, or giving special attention to a branch of dentistry, without a special license therefor;

14. For being guilty of dishonorable or unprofessional conduct in the practice of dentistry;

15. For the use of the name "clinic," "institute," or other title that may suggest a public or semi-public activity to designate what is in fact an individual or group private practice;

16. For failure to maintain a satisfactory standard of competency in the practice of dentistry; or

17. For a violation of any provision of this act, or for being a party to or assisting in any violation of any provision of this act.

Sec. 19. In the case any person shall make an accusation against any licensee under any of the subdivisions of the preceding section, except the first subdivision, the same shall be reduced to writing, verified by some person familiar with the facts therein stated, and 3 copies thereof filed with the secretary of the board. If the board shall deem that the charges made are sufficient, if true, to warrant suspension or revocation of license, it shall make an order fixing the time and place for a hearing and requiring the accused to appear and answer thereto, such order, together with a copy of the charges to be served upon the accused at least 20 days before the date fixed for hearing, either personally or by registered mail, sent to his last known post office address. At the time and place fixed in said notice for said hearing, or at any time and place to which the said hearing shall be adjourned, the board shall hear the matter. The accused person shall have the right to be represented at any such hearing by counsel of his selection.

The president of the board shall have the right to administer oaths to witnesses and to issue subpoenas for the attendance of such witnesses at such hearing. Upon the request of the accused person, or his counsel, the said board shall issue subpoenas for the attendance of such witnesses in behalf of the accused, which subpoenas when issued shall be delivered to the accused person, or his counsel. Process for the attendance of witnesses shall be effective if served upon the person named therein anywhere within this state: Provided, That at the time of such service the fees now or hereafter provided by law for witnesses in the civil cases in circuit court shall be paid or tendered to such person. In case of disobedience of a subpoena, the board or any party to such hearing may invoke the aid of any circuit court of the state of Michigan in requiring the attendance and testimony of witnesses. Any of the circuit courts of the state within the jurisdiction of which such hearing is being held may, in case of contumacy or refusal to obey a subpoena, issue an order requiring such person to appear before said board, and if so ordered give evidence touching the matter involved in the hearing. Any failure to obey such order of the court may be punished by such court as a contempt thereof.

If the accused pleads guilty, or after hearing he shall be found guilty by the board of any of the charges made, it may revoke or suspend his license for a limited period, shall enter the order on its records, and shall notify the clerk of the county where he is registered of the cancellation or suspension of his license, as the case may be, who shall in turn enter such cancellation or suspension on the registration record in his office.

The findings of fact made by the board acting within its power shall, in the absence of fraud, be conclusive, but the supreme court shall have power to review questions of law involved in any final decision or determination of the board: Provided, that application is made by the aggrieved party within 30 days after such determination by certiorari, mandamus or by any other method permissible under the rules and practice of said court or the laws of this state, and to make such further orders in respect thereto as justice may require. Pending the review by the supreme court, the action of the board, suspending or revoking the license, shall be stayed.

Sec. 20. Any person who shall violate any provision of this act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than $500.00, or by imprisonment in the county jail for not more than 1 year, or by both such fine and imprisonment in the discretion of the court. After conviction of any violation of any of the provisions of this act, any person who shall again violate any provision of this act, shall be deemed guilty of a felony, and upon conviction thereof shall be punished by a fine of not more than $2,000.00, or by imprisonment in the state prison for not more than 2 years, or by both such fine and imprisonment in the discretion of the court.

Sec. 21. This act shall be deemed to be passed in the interests of public health, safety and welfare of the people of this state, and its provisions shall be liberally construed to carry out its object and purposes.

Sec. 22 This act is declared to be severable, and should any word, phrase, sentence, provision or section hereof be hereafter declared unconstitutional or otherwise invalid, the remainder of this act shall not thereby be affected, but shall remain valid and in full force and effect for all intents and purposes.

Sec. 23. Act No. 235 of the Public Acts of 1933, excepting as to prosecutions commenced or penalties incurred thereunder, is hereby repealed. All other acts or parts of acts, insofar as inconsistent with the provisions of this act, are hereby repealed.

Shall said Act No. 122 of the Public Acts of 1939 be Approved?

RELATIVE TO OPENING AND CLOSING OF THE POLLS

No. 415, Laws Relating to Elections—Rev. of 1939

Section 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, and shall be continued open until six o'clock in the afternoon and no longer: PROVIDED, That in townships the board of inspectors of election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and that the township board in townships and the legislative body in cities and villages may, by resolution, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

The POLLS of said election will be open at 7 o'clock a. m. and will remain open until 6 o'clock p. m. of said day of Election, unless the Board of Election Inspectors shall, in their discretion, adjourn the Polls at 12 o'clock noon, for one hour.

REGISTRATION NOTICE
for General Election

Tuesday, November 5th, 1940

To the Qualified Electors of the Township of Tecumseh in the County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the Michigan Election Law, I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Second Saturday before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. (See Registration by Affidavit)

Notice is hereby given that I will be at The Council Building

Wednesday, Oct. 16, 1940

The Twentieth Day Preceding Said Election — As provided by Part 176, Laws Relating to Elections—Rev. of 1939

From 9 o'clock a. m. until 8 o'clock p. m., for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as Shall Properly Apply therefor.

Notice is hereby further given that I will be at my office daily until

Saturday, Oct. 26, 1940—Last Day For General Registration by Personal Application for Said Election

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION BY AFFIDAVIT

Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the township clerk an affidavit for registration which shall be in substantially the following form:

AFFIDAVIT FOR REGISTRATION

State of Michigan, County of....ss.

....being duly sworn, depose and say that I am a citizen and duly qualified elector of the....precinct of the township of...., or village of...., in the county of...., and state of Michigan; that my postoffice address is No....street...or R. F. D. No.....P. O...; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the....day of...., 19...., which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan election law: Age....; Race....; Birthplace....; Date of naturalization.... I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

....Taken, subscribed and sworn to before me this....day of....A. D., 19.... ....Notary public in and for the county of...., State of Michigan. My commission expires.....

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

REGISTRATION OF ABSENTEE BY OATH

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a TOWNSHIP to another election precinct of the same TOWNSHIP shall have the right, on any day previous to election, or primary election day, on application to Township Clerk, to have his or her name transferred from the registration book of the precinct from which he or she HAS REMOVED to the precinct in which he or she THEN RESIDES. Such elector shall have the right to have such transfer made on any ELECTION or Primary election day by obtaining from the board of inspectors of such election or primary election of the precinct from which he or she HAS REMOVED A CERTIFICATE OF TRANSFER and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

In every such case of transfer the Township Clerk or the Board of Inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words, "transferred to precinct number...(giving the number)," together with the initials of said clerk or some member of the Board of Inspectors of Election, as the case may be and the date of the transfer.

Dated October 1, 1940.

Milburn W. Brooks and Leora S. Brooks, his wife,
Plaintiffs,

vs.

Joshua Nelson, Sidney Davison, Robert A. Howard, Henry B. Smith, John McCollum, Gouverneur H. Nelson, Cornelia H. Smith, Theodore W. Smith, John Davenport, Margaret Allen, Ethan Allen, Samuel Bryan, Elizabeth Jillason, Philander D. Freese, Wilson H. Stout, or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said court held at the Court House in the City of Adrian, in said county, on the 23rd day of September, A. D. 1940.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, or if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, enter their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
ALICE M. WELCH
Deputy Clerk of the Court

TAKE NOTICE, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described pieces or parcels of land situate and being in the Township of Tecumseh, County of Lenawee and State of Michigan, described as follows, to-wit:

SCHOOL NOTES

Mrs Service's Classes

The Ninth Grade English students are now giving oral reports on current events of general interest, such as the war, politics, sports, etc. The articles that they are reporting on are taken from magazines or newspapers. Some of them are very interesting.

The Senior English Literature class is now studying the origin of the drama in England. They are studying the history of plays from the earliest days to the time of Shakespeare, attempting to find out as much as possible about the actors, scenery, costumes, and properties of these early plays. Many Literature students were surprised to learn that plays originated in the church in an attempt to make the Bible stories painer to the uneducated people, and that there were no women on the stage until after Shakespeare's time.

Genevieve Dobex, Reporter.

Mrs Bliel's Classes

The inter-squad games of gage ball have just been finished. In the morning classes the screaming lassies on Mary Lou Carlson's team won their class tournament. The sixth period class games were won by Betty Purkey's team. The seventh hour class had true competitive spirit and played two overtime games before Jane Leighton's "Cagers" were able to defeat Jacqueline Costigan's "Jumpers."

At present the squads are busy on the fundamentals of basketball and calisthentics. Many of the first six weeks' winners are expected to be defeated because of hard work of all of the squads.

Miss Humphrey's Classes

Mrs Smith's sixth grade is ahead in the Sight Singing Contest.

Art classes are planning a trip to the Toledo Art Museum. The high school art class is completing the unit on color. The seventh graders have finished designs to harmonize with shapes of bowls. The eighth grade is working with problems in perspective.

THE TECUMSEH HERALD

NINETY - FIRST YEAR— NUMBER FIVE — TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 31, 1940. — FIVE CENTS PER COPY

PREDICT RECORD VOTE TUESDAY

MORE THAN 2,100 ARE ELIGIBLE TO CAST BALLOT IN TECUMSEH, NOV. 5

With more than 2,100 registered votes in Tecumseh and Tecumseh township, and with reports of similar record-breaking registration figures coming in from other sections of the state and the nation, politicians today were predicting the heaviest vote in the history of the United States when electors go to the polls on Tuesday, November 5, to choose between Franklin D. Roosevelt and Wendell Willkie for the presidency, and to name other federal, state and county office holders.

In Tecumseh, as has been customary in the past, the voting booths for both precincts will be set up in the council building on South Evans street. The polls will be open between the hours of 7 a. m., and 6 p. m., Eastern Standard Time. Some 2,300 ballots have been alloted to Tecumseh by the county election board, and H. H. Hanna, township clerk, estimated today that few of them would be unused.

While interest locally this year centers in the race for the presidency, many local electors also are taking a keen interest in the race between Governor L. D. Dickinson, Republican incumbent, and his Democratic opponent, Murray D. Van Wagoner. There also is no small amount of interest in the campaign that Earl C. Michener, of Adrian, is making for his re-election to Congress. It is the voter's keen sence of responsibility this year that has brought out the record local registration—nearly 400 more than ever before on the poll list—and it is almost certain that more than 2000 ballots will be cast here.

The county office race, observers declare, is attracting but little attention, and Hawkins there has been but little campaigning locally by politicians for those offices. It is quite apparent that both Republicans and Democrats alike are conceding that Lenawee county will again this year lodge itself solidly in the G.O.P. column.

The official tabulation of election returns will be held on Tuesday night—probably not until the wee small hours of Wednesday, it was said. The fact that the election boards this year will be forced to handle three ballots is certain to slow up the counting process.

Voters this year will receive three tickets when they enter the booths. The party ballot is about the same size as it has been in the past, 19 by 25 inches, and contains the names of the candidates of the six political divisions. The second ballot, about 9 by 14, is the non-partisan ballot, containing the names of candidates seeking judgeships and circuit court commissioners. The third ballot, the so-called bed-sheet size amendment ballot, is 21 by 28 inches, and lists in their entirety the four proposed amendments to the Michigan constitution.

While it may take voters a trifle longer this year to cast their ballots, owing to the size, election officials say that they have no fear of serious difficulty. Also, it was said that there has been a heavy demand for instruction ballots, showing that the electors are interested in reaching a decision before going to the polls.

TIPTON GIRL IS BRIDE OF PAUL J. SCHRAMM

Miss Frances E. Feight, daughter of Mr. and Mrs. Frank Feight of Tipton, and Paul J. Schramm of Jackson, were united in marriage Saturday morning at St. Joseph's chapel in the Irish Hills, the Rev. Fr. Joseph Schramm, uncle of the bridegroom reading the service. The couple were attended by Miss Margaret Schramm as bridesmaid and Joseph Schramm as best man.

Following the ceremony a wedding breakfast was served to the immediate families at Cambridge Junction Inn and was followed by a reception at the home of the bride's parents. After a short southern trip Mr. and Mrs. Schramm will make their home in Jackson where he is employed.

The bride is a graduate of Tecumseh high school and a Jackson beauty school and until recently has been employed at the Brown Wig beauty salon here. The groom is a graduate of St. Mary's high school in Jackson and attended college in Fort Wayne, Ind.

NURSES TO MEET

The November meeting of the Lenawee County Nurses Association will be held in the staff room at Bixby hospital in Adrian, Wednesday evening, November 20. Dr. Carl Badgley of University hospital, Ann Arbor, will speak on orthopedic nursing from a surgeon's viewpoint.

Red Cross Roll Call To Begin November 11

Mrs. Edna Codling has again been appointed local chairman of the annual Red Cross roll call which will begin November 11, Armistice Day and continue through November 30.

Mrs. Hervey C. King of Adrian is county chairman for the drive and will be assisted by teams of solititors from various city and county organizations in an effort to raise more funds for relief.

Other captains appointed in the county are: Blissfield, Mrs. Jacob Bauer; Deerfield, Mrs. Maude Crist; Britton, Mrs. E. W. Eberhardt; Rica, Nettie Wagner; Clinton, Mrs. Hazel Barnard; Macon, Mrs. Mattie E. Herring; Onsted, Mrs. Harley Roberts; Tipton, Mrs. Ernest Pawson; Addison, Miss T. B. Pawson; Morenci, Mrs. Ned Clark; Jasper, Mrs. Florence Coy; Hudson, Mrs. Bert Russell. The Clayton bank will take memberships in that village.

WILLIAM HICKS DIES IN TEXAS

WAS FORMER VILLAGE PRESIDENT AND BUSINESS MAN IN TECUMSEH

Word has been received here of the death of William W. Hicks, a former Tecumseh resident, which occurred Saturday, October 26, in Fort Worth, Texas, where he had made his home since 1916.

Deceased was born in Tecumseh February 12, 1875, and was the son of John F. and Mary E. Hicks. He graduated from Tecumseh high school in 1897 and later studied law at the University of Michigan in Ann Arbor, where he played end on the first football team coached by Fielding H. Yost. His last visit north was to attend the 40th anniversary of Mr. Yost's connection with football at the University.

Mr. Hicks was in the jewelry business in Tecumseh for a number of years and was prominent in local politics, serving at one time as president of the village. During his administration the long bridge at the Red Pond was built. Since going to Fort Worth he had been engaged in the business of selling trucks and buses.

Survivors are the widow Mrs. Susan Bitting Hicks of Fort Worth, and two sisters Mrs. Elizabeth Knox of Peterborough, Ont., and Mrs. R. K. Anderson of Tecumseh.

The body was cremated at San Antonio, Texas, Monday.

Tecumseh Gets $1,318 In Weight Tax Money

Tecumseh receives $1,318 from the third quarter of the annual weight tax money received by Lenawee county from the state. The total amount received by the county was $53,492 and comes from license plate collections to be used for road purposes. One half goes to the county road commission and the remainder is alloted to the cities, villages and county at the rate of 53 cents for each person included in the census.

The allotments are Adrian, $7009; Addison, $243; Blissfield, $1128; Britton, $197; Clinton, $551; Clayton, $200; Deerfield, $275; Hudson, $1267; Morenci, $951; Onsted, $201; and Tecumseh, $1318. The county's share also goes to the road commission.

WIT-WISDOM CLUB

Mr. and Mrs. Ellsworth Collins and Mr. and Mrs. Wilfred Waldron will entertain the Wit and Wisdom Club at a musical evening in the Collins home Monday evening, November 4.

Six Lucky Names To Get Theatre Tickets

Somewhere in this issue of The Herald are six lucky names, entitling six subscribers to The Herald to free admission to see one of the four coming major attractions at the Strand theatre.

Look for your name—it may be in the news column, it may be in the advertisements—but somewhere you'll find names and the announcement that they will receive the free tickets. The lucky winners may call at The Herald office within a week and receive tickets that will admit them free to any one of these coming attractions: "The Great McGinty;" "Three Faces West;" "The Sea Hawk," and "Scatterbrain."

There are no strings attached to this offer. All you need do is discover your name, call at The Herald for the pass, and become the guest of The Herald and the Strand at the show. It's a fine game, a game that your friends will enjoy, too. Look this week and every week to see who wins the tickets. If you don't win this week, maybe you'll be lucky next time. But don't fail to look.

1940 Call for Red Cross Recruits

The 1940 Poster of The American Red Cross sounds the call to the nation to serve humanity within the ranks of this army of mercy.

KEEPING step with the boys called to the colors in America's new defense army and navy, will be the American Red Cross, fulfilling its mission of service to the men in the line and to their loved ones at home, Chairman Norman H. Davis announced in Washington.

"Several thousand Red Cross nurses already have been called to the colors," Mr. Davis said, "and Red Cross field directors, and thousands of Red Cross workers in Chapters throughout the nation, are ready to help America's soldiers and sailors with personal problems, just as in the 1917-18 World War period.

"Every patriotic man and woman in the United States, who wants to do his or her share in upholding the national defense of our nation, can do so by sharing in the vitally important work of the Red Cross. Join as a member of the local Chapter, during the roll call, November 11 to 30, and through your support you will strengthen the Red Cross army of mercy.

"Recruits are needed not alone as members, but also as volunteer workers in the Red Cross Chapters."

Red Cross work will continue undiminished in its usual domestic program of relief in disaster; community public health nursing; safety education and promotion of the Junior Red Cross. An individual membership supports all of this work, not only in Red Cross Chapters, but in the nation. Relief to war victims in Europe is financed by the $20,000,000 war relief fund contributed by the public during the summer of 1940.

MANCHESTER HI DOWNS INDIANS

REDSKINS PROVE "EASY MEAT" AND LOSE 32 TO 6; MORENCI HERE TOMORROW

A six-way tie for first honors in the Lenawee Grid League was broken last Friday afternoon when Coach Neville Hart's Tecumseh Indians went down to defeat at the hands of the Manchester eleven by a score of 32 to 6. The game was played on Manchester's field, before an enthusiastic crowd of some 500 people, about half of the number from Tecumseh.

The Indians were wrong, entirely wrong, when they went onto the Manchester gridiron Friday and at no time during the game did they regain their style and stride of previous battles. Whether they were too chesty as a result of the Clinton victory, a week earlier, is problematical, but it still remains a fact that they did not play with the zip and pep of earlier encounters. Manchester, on the other hand, appeared to be in the pink of condition, and played with a determination that registered a victory.

The Tecumseh high school band, which organization always goes with the grid team, made a fine showing at Manchester and won considerable applause as the marching musicians formed an "M" and a "T" for the spectators. Jean Herrick, although in her first year as drum major, won many compliments for her excellent directing.

Tomorrow afternoon, at Athletic Park here, the Indians meet the Morenci high eleven in the next to the last contest of the year. Morenci is a "hard to beat" team, and dopesters give them a slight edge over Tecumseh. However, it is understood that the Redskins plan to dish out a different brand of ball than they did at Manchester, and if they succeed it would not be unlikely that

HALLOWEEN FUN PARTY TONIGHT

EVERYTHING IS IN READINESS FOR CIVIC CELEBRATION HERE, THIS EVENING

The ghosts and goblins will be "on the loose" tonight in Tecumseh.

Should anyone doubt this statement, we'd refer them to Wade L. Jones, secretary of the Chamber of Commerce, who has declared as complete the program for the civic celebration of Halloween in Tecumseh. And for anyone who might doubt that it's a real job, well, ask Mr. Jones.

In any event, Tecumseh's celebration of Spooks' Night will get under way at 7 o'clock this evening when a parade of ghosts and goblins, and others in comic dress, will be formed at the corner of Logan and Ottawa street. Headed by the Tecumseh High School Band, the parade will move south to Chicago Boulevard, then west through the business district and back again, to give judges an opportunity to choose prize winners. In all, it was said, some 15 prizes will be given, in several classes.

After the parade and prize awarding, fun-makers will go to the Central school park where there will be a huge bonfire and gallons of cider and dozens of doughnuts for everybody. Beginning at 9 o'clock, there will be a dance in the gymnasium of the high school. Admission will be free but attendants must be masked.

The Halloween party here is as traditional as the day and originated many years ago when the Chamber of Commerce, the Village Council and the Rotary Club made an agreement with the youngsters to the effect that the organizations would stage a civic party if, in return, the youngsters would agree not to soap windows and destroy property on Halloween night. The agreement has been kept by all parties concerned, and Mr. Jones said that this year's party would be better than any previous year's.

Committees in charge of the celebration are: Parade and prizes, Rev. O. V. Robinson, P. C. Satterthwaite, Fay Whelan and Lee Randall; Dance, Rev. R. R. A. Green and Paul Johnson; bonfire and eats, Clarence Gilman, H. H. Hanna, J. H. Anderson, Geo. Parsons and Cleo Sallows.

Women Will Instruct New Tecumseh Voters

The Shawnee Republican Woman's Club met Friday afternoon at the home of Mrs. Glenn Driscoll on West Brown street, when the names of 14 new members from Ridgeway township were added to the roll.

The afternoon was spent reading and discussing the four amendments to be voted on at the general election November 5. Mrs. Pearl Elliott and Mrs. Elmer Green presented the first amendment and advised voting against it. Mrs. Larsen reported on the second amendment and although civil service is generally favored this amendment is so worded that many fifth columnists now in office, could not be dismissed if it were passed. A "no" vote was advised.

The third amendment was discussed by Mrs. Addie Lindbert and Mrs. Ethel Claxton and although no definite conclusion was reacher, the general opinion was to vote "no" if in doubt. Mrs. S. L. Wyman read parts of the fourth amendment which was discussed by Mrs. W. C. Fisher and Mrs. Claxton. The latter advised that the bill would meet the approval of the medical profession and should have an affirmative vote. A suggestion was made that each ask his dentist's opinion in regard to the amendment.

Mrs. Florence Howe gave a report of work done at the Republican headquarters in Tecumseh and explained the card system of checking names at the polls. On Friday afternoon, November 1, instructions on voting will be given to new voters who so desire, at the Tecumseh headquarters. Each township was advised to set a date and place for the same purpose. Mrs. Jenny Law Hardy, in conclusion, spoke on the need of getting out every vote. It was decided that hereafter the expense of entertainment would be divided among the members of the township in which the meeting is held.

Doughnuts and cider were served at the close of the meeting.

The next meeting will be held November 23, at the home of Mrs. Nellie Luce in Tipton.

MISSIONARY MEETING

The Presbyterian Missionary Circle met for 12:30 luncheon Friday at the home of Mrs. D. W. Beck, with 18 members and guests attending. A business meeting and program with "The Son of the Immigrant" as the study subject.

The November meeting will be held with Miss Mary Whitelock.

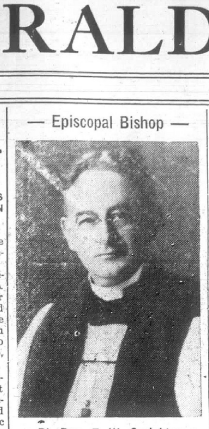
— Episcopal Bishop —



Rt. Rev. F. W. Creighton

BISHOP COMING HERE SUNDAY

RT. REV. F. W. CREIGHTON OF DETROIT, TO CONFIRM CLASS AT ST. PETER'S

Sunday afternoon, November 3, at 3:30 o'clock, the Rt. Rev. Frank W. Creighton, S. T. D., bishop of the Episcopal Diocese of Michigan will make his annual visitation to St. Peter's church. Bishop Creighton will administer the apostolic rite of laying on of hands, or confirmation and preach.

The rector, the Rev. Edward Green, of St. Peter's will present to the bishop the folowing candidates for confirmation: Mrs. Albert Tonneberger, Mrs. Charles Messing, Mrs. Russel Havens, Mr. and Mrs. Glenn Driscoll, Lenora Oliver, Caroline Phibbs, Lee Clark, Jack Brown, Jack and Jane Spitler, Keith Swain, Robert Randall, Jack Tonneberger, and Gay Larsen.

In order to enable the congregation to put its emphasis on the confirmation service in the afternoon, the 11:15 morning service on Sunday will be only a half hour celebration of holy communion without music or a sermon. In accordance with the usual custom, the loose offering received at the confirmation service will be given to the bishop for his discretionary fund.

The public as well as members of the parish and friends and relatives of the confirmation candidates are invited to the service.

Immediately after the confirmation service, the Rev. Mr. Green will leave for Washington, D. C., where he will attend the College of Preachers at the Washington Cathedral. He will be there for a week, returning to Tecumseh early Sunday morning, November 10, in time for the regular services.

British Counsel Speaks To Rotary Club, Here

Cyril H. Cane, British counsel in Detroit, was the guest speaker at the regular noon-day luncheon meeting of the Tecumseh Rotary club, Tuesday at the Boston Cafe. Mr. Cane was the guest of William Bruce, a Rotarian.

Mr. Cane discussed the war in Europe and the bombings on London and declared that the English are confident of a victory. While the war may continue for many months, English morale is even higher now than at the beginning of the conflict, he declared. Mr. Cane is a pleasing and convincing speaker and his talk was greatly enjoyed.

Following the counsel's address, a talking motion picture of the attack on France by the Germans was shown. This film was obtained by Dr. Ferris G. Hodge.

Guests at the meeting were Dr. Iler, Vance Ogden, Dr. James Foreman, H. H. Halladay, Fr. John Ross, Percy Van Tuyle, Ted Neilson, George Lancaster, jr., and Charles Hause of Clinton, James Howell of Adrian, and Albert Bagshaw and Neil Baldwin of Tecumseh. J. B. Murphy of Tecumseh was admitted to membership.

Hayden Flour Mills, Inc., Buys Egg Grading Station

Hayden Flour Mills, Inc., has purchased the entire common stock of Hayden Poultry Farms, and will continue its operation as in the past.

A. B. Horton was the original proprietor of this enterprise, which operated a federal-state egg grading station. Later, Mr. Horton formed a corporation, admitting other stockholders.

October 29, the old board of directors and officers resigned, and at a meeting of the stockholders on October 30, the following officers were elected: President, William Beardsley; Vice-President, Perry Hayden; Secretary, A. B. Horton, and Treasurer, Curtis Ashley.

PLANNING DANCE

The American Legion is planning for their annual Armistice Dance to be held Monday evening, November 11, in Witherell Hall.

DRAFT NUMBERS ARE PUBLISHED

SEVERAL MEN FROM TECUMSEH AND VICINITY TO RECEIVE QUESTIONNAIRES

With orders to "sit tight and wait for instructions," from the Lenawee county draft board, registrants of this vicinity whose serial numbers were among those called in the national draft lottery at Washington on Tuesday today were awaiting the arrival of questionnaires to be filled out and returned to the board at Adrian. Until last night some 327 order numbers, affecting Lenawee county men, had been reported. A total of 6,190 men registered under the draft law in the county.

At the draft board office in Adrian it was pointed out that within a week or two questionnaires will be mailed to all registrants with "order numbers," and that these must be filled out and returned to the board within five days. At that time the registrant will be advised of the subsequent steps to be taken by the board. Questionnaires also must be checked and it must be determined whether the registrant's class is No. 1, 2, 3 or 4.

Serial list numbers of all men registered in the county are now available at the draft board office, and have been posted at the Armory in Adrian. The armory is open each day, and in the evening between 7 and 9 p. m., and those interested may check the list for their numbers.

Watson S. Clark of Palmyra, who just turned 21 years and who is employed in an Adrian factory, held serial number 158, the first number drawn in the lottery at Washington. However, there were many other numbers 158 throughout the nation, there being 6,175 draft boards throughout the United States. As the result, Clark's order number in Lenawee county became No. 1, meaning that he will be the first man in the county to receive a questionnaire.

Men in this vicinity affected by the draft lottery, and their order numbers (the serial list in which they will receive questionnaires) follows:

Fletcher Helton, No. 8, Tecumseh; Eliseo M. Segovia, Britton, Rt. 2, No. 9; Frederick A. Dermyer, Tecumseh, No. 15; Robert E. Harrington, Tecumseh, No. 16; Ray McKenzie, Tecumseh, Rt. 1, No. 46; Norman C. Bailey, Tecumseh, No. 54; Le Roy E. Williams, Clinton, No. 57; Samuel P. Penberthy, Tecumseh, No. 65; Alvin F. Faust, Britton, Rt. 1, No. 73; Clarence Sproull, Clinton, No. 89; Otto Krauss, Tecumseh, Rt. 2, No. 90; Harold D. Kempf, Tecumseh, Rt. 2, No. 104; Charles A. Reynolds, Britton, No. 120; Clarence N. Carrell, Clinton, No. 133; Frederick R. Geiger, Clinton, No. 149; Caroll J. Sundrine, Tecumseh, 159; Robert L. Manchester, Tecumseh, 167; Lee H. Kromberg, Ridgeway, 168; Laverne L. Steele, Britton, Rt. 1, 171; James O. Wallace, Tipton, Rt. 1, 173; John G. Adrion, Clinton, 179; George L. Redding, Tecumseh, 180; Glenn C. Willnow, Tecumseh, Rt. 1, 188; Joseph Poley, Tecumseh, 206; Arthur L. Holdridge, Tecumseh, 209; Frank G. Satterla, Clinton, 215; Harold V. Poyton, Tipton, Rt. 1, 222; Lester G. Cox, Tecumseh, Rt. 1, 232.

Prof. Pollock To Speak To Club Here, Monday

The Rev. and Mrs. Lawrence Taylor of Addison, presented a musical program at this week's meeting of the Tecumseh Monday Club, held Monday evening at the Methodist church.

Mrs. Taylor, a concert pianist, gave a lecture recital, telling stories of the composers and compositions she was to play and included selections from Bach, Chopin, Debussy and Brahms and a transcription of "Turkey in the Straw."

The Rev. Mr. Taylor, who has a baritone voice, sang Robert Louis Stevenson's "Requiem," "My Lovely Celia," "I Have a Rendezvous with Life," Shelly's poem, "To Mary," a lullaby, "Among the Living," "The Lord's Prayer" and other songs and as an encore number, "Salvation."

It was voted to have an open meeting next Monday afternoon when an address is to be given by Professor J. K. Pollock of the faculty of the University of Michigan. Mrs. C. R. Dustin will introduce the speaker and Ray Waters will contribute a baritone solo with his sister, Mrs. Geo. Parsons, at the piano.

HURT AS CARS HIT

A car driven by Miss Larzelere of Clinton and another by unknown parties, collided near the cider mill on Mill Street shortly after 5 o'clock Sunday afternoon as Miss Larzelere drove out from a driveway. The unknown driver continued on his way and Mrs. Louisa Larzelere of Clinton and Miss Jean Templeton of Jackson were taken to Tecumseh hospital for treatment of minor injuries. They later returned to Clinton.

THE JOB OF VOTING

The job of voting at the general election next week Tuesday is no more complex than it was two or four years ago, or in any other similar election. The fact that voters will be given three ballots, and that they are expected to register an intelligent decision on the issues may prove to be a slightly longer job than heretofore, but the method to be employed by each voter is unchanged.

In size and appearance the official party ballot remains substantially the same as it did four years ago. The non-partisan ballot, listing the candidates for judgeships and circuit court commissioners, also remains the same. The only ballot that may confuse is the so-called "amendment ballot," of bed-sheet proportions and containing in all nearly 5,000 words.

On the so-called amendment ballot are four proposals, two of them amendments and two of them referendums. It would take the average voter well over an hour to read the ballot, if he did an intelligent job, and many electors, who have failed to acquaint themselves with the text of the ballot, will come face to face with its propositions for the first time in the election booth.

For the benefit of those voters who have not, or will not have an opportunity to study the proposals before going to the polls, The Herald herewith submits its opinion on the four issues. We suggest a "No" vote on Amendments Nos. 1, 2 and 4. On No. 3, the so-called motor bus bill, we suggest a "Yes" vote.

Briefly, here is The Herald's reason for these suggestions:

Proposal No. 1:

The 1932 collapse in real estate due to high assessments, and high bonded indebtedness, resulted in a constitutional amendment providing a 15-mill limitation, thus saving Michigan property owners millions of dollars, already it has started to bail real estate out of bankruptcy.

Proposed Amendment No. 1 would permit school districts to add 12 mills per year for 15 years on current assessed valuation, almost doubling present real estate taxes. This also may be done by a majority vote instead of a two-thirds vote, as is now provided. And for what? Anything to do with the schools.

If you do not want property taxes increased; if you do not want your community bonded without a two-thirds vote; if you want your schools to have a more dependable source of finances than "delinquent" real estate taxes, then you should vote NO on this issue.

Proposal No. 2:

We believe that the orderly balance of the executive, legislative and judicial divisions of government will be seriously disturbed if "State Proposal No. 2" sidles into the constitution.

Sponsored under the banners of "civil service" and "merit" there exists the grave possibility that the voters of this state may unwittingly enact an amendment to the constitution which will accomplish the following unannounced objectives . . .

Increase state tax burden by an unnecessary $600,000.00 biennially.

Place unestimated powers in the hands of a commission responsible to no one. (Michigan has no other "constitutional commission").

So reduce the constitutional powers of the Governor, Elective Officers, Legislature, and the Judiciary as to endanger representative government in this state.

That the enactment of this amendment could result in the foundation of the most perfect political machine devisable.

We suggest a "NO" vote on this issue.

Proposal No. 3:

The Michigan farmer who owns a tractor and operates it only on his farm pays no tax on the gasoline he uses so long as the tractor stays on his farm. But when that farmer drives his tractor out onto the public highways of the state, he has to pay that gasoline tax and he has to abide by the laws and regulations governing the operations of motor vehicles on those highways.

Proposal Number 3 is just as simple as that. It applies the rule governing tractors to motor buses. It doesn't touch the operations of Detroit Sreet Railways within the city of Detroit. It doesn't take away a single power of the Street Railway Commission over its street cars or buses in the city. But when Detroit seeks to operate its buses on the public highways of the state more than two miles beyond its city limits, it must come under the same regulations and pay certain taxes that are imposed on all other commercial vehicles.

That's all there is to Proposal Number 3. It is a referendum on an amendment to the Motor Carrier Act passed by the 1939 Legislature by more than a two-thirds majority of the members of each House. It is fair to all and the law should be sustained. On this issue we suggest a "YES" vote. We can see no need for Detroit to have any more privileges than any other division of the state.

Proposal No. 4:

The voters of Michigan must not approve Proposal No. 4. The protection of their health and the cost of such protection is at stake, and this proposal therefore vitally concerns every Michigan citizen.

Although this proposal is directed at regulation of the dental profession, by denying individual dentists the right to dispense information through the public press and other channels, it strikes directly at the fundamental American rights of free speech and free enterprise. The precedent set by writing such restrictions into the law of this state would conceivably result in an extension of similar statutory restrictions on other professions and groups until there might eventually be a gagging of private enterprise in every walk of life.

This proposal would vest a virtual dictatorship of the dental profession in a board of seven men who must be dentists. The public — who support the profession — are not permitted to be represented on the board. The board would be given power to act as prosecutor, judge and jury in the trial of members, and the decisions of the board on questions of fact would be conclusive without the right of appeal to any court. Such powers are purely judicial and should be left in the courts; they have no place in the hands of a laic group.

This board would also have power to make—and change if it saw fit—rules regulating the whole dental profession without any legal responsibility to the legislature or to the public. This type of regimentation has demoralized the professions in Europe; we don't want it here.

We suggest a "NO" vote on this proposal.

OLD BILL says
"Here's what I think—"

"I think that Senator Vandenberg should be returned to the United States Senate on his great record as the most useful Senator in Washington.

* * *

"Honestly, folks, Michigan is fortunate in having Vandenberg on the Foreign Relations Committee, Committee on Finance and Committee on Commerce—he is the only Michigan Senator ever to achieve such leadership.

* * *

"You know that when his party controls the Senate he will be President pro tem of the Senate.

* * *

"He believes in the American way and never ever wavered in his allegiance to the Constitution and its Bill of Rights.

* * *

"I would vote for him on his record of being the father of Bank Deposit Insurance alone.

* * *

"I like his fight, particularly for the American farmer, where his greatest work was in championing the sugar beet industry.

"Being a member of the International Printing Pressmen's Union for many years has brought him many endorsements by organized labor, for he has always stood for collective bargaining—and chiefly thanks to him, every worker in the land was spared a 50% increase in Social Security taxes last January.

* * *

"How he has been able as a member of a minority party to accomplish so much is really remarkable.

* * *

"I agree with Tom Dewey that it would be a calamity if Michigan and the nation were to lose the statesmanship of Vandenberg.

* * *

"Every Michigan mother should be happy to have the privilege of voting against war by marking her ballot on November 5 for Willkie in the White House and Vandenberg in the Senate. That is really an All-American pair to me.

* * * *

"Let's finish the job on Nov. 5!"

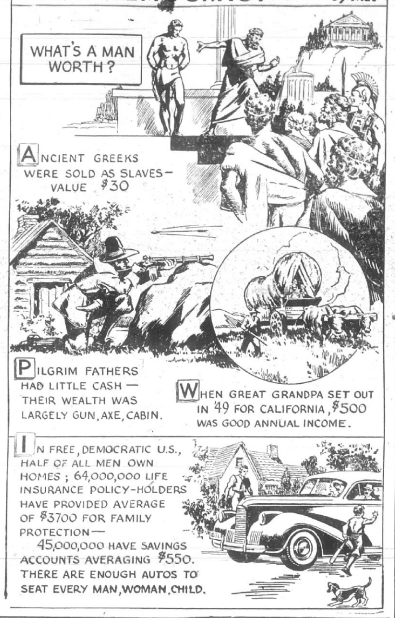
OUR DEMOCRACY — by Mat



Miss Ruth E. Kniffen Weds Lee W. Hastings

At a ceremony of charming simplicity, performed Saturday afternoon at the Congregational Christian Church in Britton, Miss Ruth Ellen Kniffen, daughter of Mr. and Mrs. Leon Kniffen of Britton, became the bride of Lee W. Hastings of Adrian, son of Mr. and Mrs. George W. Hastings of Detroit, Rev. O. E. Priest read the marriage service, the bridal party standing before an improvised altar banked with palms and white 'mums. Preceding the ceremony Mrs. Belva Weichner sang "O Promise Me" and "I Love You Truly" and the Wedding March from Lohengrin was played by Mrs. Lucille Brown. The bride was given in marriage by her father. The attendants were Miss Margaret Alice Exelby of Britton and Park Dowler of Detroit; Judith Ann Kniffen acted as ring bearer and Frank Kniffen and Arthur Schultz were ushers.

Following the ceremony a reception was held for 53 guests and later Mr. and Mrs. Hastings left on a trip through Michigan.

The bride is a graduate of Britton high school. Mr. Hastings is a graduate of Southeastern high school and Wayne University in Detroit and is a mechanical engineer. They will reside in Adrian.

The wedding guests included his grandfather H. Lee Goerman and Mr. and Mrs. John Goerman of Uniontown, Pa., Mrs. Sarah Richardson of Los Angeles, Calif., and others from Detroit, Adrian and Tecumseh.

HALLOWEEN PARTY

The Baptist Young People's Union will hold a Halloween party tonight (Thursday) at 8 o'clock at the home of Ernest Van Valkenburg.

ROUTSON - BARKER

William Routson of Sand Creek, formerly of Tecumseh, and Edna Reed Barker of Ogden Center, were married October 19 in Wayne, by the Rev. Ralph Reed, brother of the bride. After a trip in the East they will make their home at Sand Creek.

HONOR SISTER

Mr and Mrs J. F. Rector entertained a group of 24 cousins Friday evening honoring her sister Miss Martha Biddeson and brother T. E. Biddeson of Baltimore, Md. The evening was spent socially and refreshments were served.

Mrs. Orville Farver, Tecumseh, wins free ticket to Strand theatre.

TEACHERS MEET

The Tecumseh Teachers Club met Thursday evening at Iron Creek for a chicken dinner preceding their business meeting and social evening. Thirty-five teachers, their wives and husbands attended.

Our idea of a true friend is the fellow who never insists on telling you all his family troubles.

If America kissed on the cheek instead of the usual hand-shake it would sure play havoc with political candidates.

Bernard N. Williamson

The Democratic Candidate for Prosecutor

A native of Tecumseh, life-long resident of Lenawee County, and practicing attorney at Morenci for several years, will sincerely appreciate your vote at the November election.

MANCHESTER HI

(Continued From Page 1)

the victory would be for Tecumseh.

In last Friday's game:

Captain Brooks won the toss and elected to defend the east goal. Manchester kicked off to Tecumseh and Wilson took the ball on his own 20 only to be dropped after running the ball back to his own 25. The first quarter was a punting duel until the 16th play when Manchester, with the ball on the Indians' 45 elected Clark to pass. The receiver dodged Indian tacklers all the way down the field and ran for a touchdown. The conversion failed and in the first eight minutes the score was 6-0, Manchester. The remainder of the first quarter passed without event and ended with Manchester in possession of the ball, first and 10 on the Tecumseh 49.

In the second quarter the teams exchanged punts until the 18th play with fourth down and inches to go Sutton of Manchester carried the ball over for the second Manchester touchdown. Again the game settled down to punts and the half ended with Manchester in possession of the ball third and eight on the Tecumseh 49.

At the start of the third quarter Tecumseh kicked off to Manchester and Sutton carried the ball from the Manchester 10 to the 20. In this quarter Manchester marched down the field and on the eighth play of the period with the ball on Tecumseh's 2 yard line, put there by a completed pass from Clark to Defendefer. Sutton carried the ball over for the third score of the game. Clark failed to drop kick the conversion and the score stood at 18-0 in favor of Manchester. On the 18th play of the period after a series of completed passes Carpenter carried the ball over for the only Tecumseh score of the game. Mohr failed to kick the conversion and the score was 18-6.

Mohr kicked off to Manchester and the receiver ran the ball from the Manchester 19 to the 25. Ten plays later on a pass complete from Clark, standing on his own 46, to Fiedler, Manchester made another touchdown. The conversion failed and the score was 25-6 Manchester.

The third quarter ended with Tecumseh in possession of the ball on their own 33.

At the start of the fourth quarter after a first down by runs on the eighth play with third down and 6 Mohr, standing on his own 31, attempted a pass which was intercepted by Clark on Tecumseh's 35 and he ran for a Manchester touchdown. On a pass from Clark to Cushman the conversion was made and the score stood at 32-6, Manchester. From here to game turned into an aerial attack by both teams but neither scored and the game edned with Manchester victorious.

The Next Few Hours May Decide

THE DESTINY OF OUR COUNTRY

In a few hours you will be called upon to decide whether a President of the United States shall break one of our most cherished and hallowed traditions.

There are — of course — other grave issues. But none, however grave, is likely to have such a far-reaching effect on the future of our country. Shall we, with open eyes, go down the road that leads to Fascism, Nazism, Communism or whatever you choose to call a type of government which denies the dignity of man and the rights of the individual? Shall we, for the first time in our history, accept the *theory* of the indispensable man, as against the *fact* that no man in all history has ever been indispensable?

Make no mistake. Once we set foot on the road to dictatorship there is no turning back any more than the people of Germany or Russia can now turn back and choose other leaders . . . any more than the people of Germany can now end the terrible war that their present leaders have led them into.

So when you enter the polling booth on Tuesday—and you are alone with your conscience—with the ballot spread out before you, it will be up to you to choose whether we shall surely remain free men and women working together in a democracy, or whether we shall put ourselves in peril of one day living as slaves ruled by despots. It has happened *there*—it could happen *here*.

Uncle Sam is the world's greatest landlord. The federal government has foreclosed on 171,036 properties or 16.8 per cent of the total original loans through the Home Owners Loan Corporation and still holds mortgages on one out of ten owner-occupied city homes. As a landlord the H.O.L.C. is renting 76,911 dwelling units.

Miss Anna E. Beevers Bride Of Gerald Elliott

Miss Anna E. Beevers, daughter of Mr. and Mrs. Guy Beevers of Tecumseh, and Gerald Elliott, son of Mr. and Mrs. Harold Elliott of Brooklyn, were married Friday evening in their new home at Oakwood Beach, Vineyard Lake. Rev. Edward Escolme read the marriage service and their attendants were Miss Florence Beevers, sister of the bride and Jack Elliott of Brooklyn, brother of the groom. Mrs. Escolme played the wedding march as the group took their places under the archway where a large white bell was suspended. Tall baskets of yellow and white asters and chrysanthemums were used in decorating.

The bride wore a tailored blue silk crepe with a corsage of gardenias and roses and her sister wore wine silk crepe with talisman roses.

Following the ceremony a reception was held for 30 guests which included the immediate families and a few friends. Refreshments were served from a table centered with a large wedding cake and lighted by tapers in crystal holders. Blue and white was the color scheme for decorations.

Mr. and Mrs. Elliott left later on a trip in Northern Michigan. The bride who is a graduate of Tecumseh high school and Lenawee county normal school at Blissfield, is a teacher in the Culbertson school north-east of Tecumseh. Mr. Elliott, a graduate of Brooklyn high school, is in business with his father in Brooklyn.

America's Crusade

"I call on you to join me in this great crusade to build a strong and free America—this crusade to make jobs, to put our country back to work, to give the nation back to the American people.

"We are fighting a foe entrenched, a foe that is smug, a foe that is powerful in the use of money and more powerful in the use of pressure. But if you help, we cannot fail. Don't be afraid, America would not be the land of the free if it were not the home of the brave."

"More than ever before in history, the American people hold their own fate and the fate of other nations in their hands. More than ever before in history, it is for them to mould the shape of things to come. Their decision will be born on a single day—Tuesday, Nov. 5—when the people choose their government for the next four years.

"On that day let them not choose a government for which peace is just a word; a government of attitudes and poses, a government whose promises still are, and will remain, on order. Let them choose rather a government that will make peace a reality; a government that will get things done to make them strong; a government that can turn to any dictator and say:

"This is America. And it is all on hand."

To the People of the 2nd Congressional District:

The American people do not want this country to get into any European or Asiatic war. They want an impregnable national defense. They are looking to their elected representatives in Washington to keep them out of war and to provide that defense.

To this end the Congress has been in almost continuous session during the last year. This has made it impossible for me to be in the district as much as is my custom. It is very difficult to be on the job in Washington while a political campaign is progressing in the district. I have felt, however, that my duty was in Washington, regardless of my political fortunes in the campaign.

I appreciate the confidence my constituents have reposed in me. It is my ambition to merit that confidence. I have no political platform other than my record and my promise to do at all times, that which I conscientiously believe to be for the best interests of my constituents and my country.

Sincerely,
Earl C. Michener

THE MANDATE OF 1938—Two years ago the people of Michigan registered a protest at the ballot box. It was a protest against wasteful spending, mounting deficits, and a betrayal of honest laboring men.

You gave the Republican party in Michigan a *mandate* to do a job.

This party has *kept the faith!*

NO NEW TAXES—Needs of public service have been met on a "pay-as-you-go" basis without recourse to new taxes.

Business has been encouraged to GO AHEAD—hire more men, increase payrolls.

Industrial peace has replaced industrial turmoil.

The party has kept the faith!

MORE WORK TO BE DONE—In two years' time the record of accomplishment has been notable.

Workers have enjoyed more stabilized employment. The labor mediation board is respected by all. Farmers enjoy better marketing methods.

Let's carry on good government in Michigan.

The Republican State Ticket awaits your mandate *to finish the job.*

These Problems Demand Positive Action!

1. Funds to finance activities of the state government must be collected efficiently and budgeted soundly. An open and above-board purchasing policy must be inaugurated to assure the state of honest value for every dollar spent. A fiscal program which short-changes the sick, the unfortunate and the needy will not be tolerated under VanWagoner administration.

2. Higher farm prices and better farm living conditions depend upon an efficient state administration which has a firm grasp on farm problems. Federal-state grading service must be extended and a vigorous promotion undertaken to establish Michigan's produce in the national market.

3. The rights of labor to organize and bargain collectively have been firmly established under Democratic leadership. This constructive leadership must be restored to Michigan.

4. A humane, yet business like administration of welfare must supplant the present haphazard and wasteful policy which is based on the political spoils system. Fuller advantage of federal assistance should be taken to assure a decent standard of existence to the state's aged and dependent. Benefits should be extended to all persons who are entitled to them.

5. The pitiful pleadings of crippled children* and the mentally sick can no longer be ignored. The present policy of pinch-penny economy at the expense of human lives must give way to a humane, decent program of saving lives. Already constructed hospital buildings must be equipped. Administrative and technical skill must supplant political meddling in the state's responsibility to protect your life and the lives of your family.

6. The many thousands of Michigan people who look to the state's great tourist and resort industry to provide their livelihood have the right to expect their state government to promote the state's recreational facilities. As State Highway Commissioner, Murray D. VanWagoner has played an important part in development of this industry through construction of scenic highways and tourist conveniences. As governor he may be counted on to start and follow through a tourist promotion program whose benefits will accrue to the state at large.

7. Administrative indifference in the executive office is depriving your children of educational advantages to which they are entitled. The same energy and resourcefulness that have made possible the achievements of Michigan's state highway department will give Michigan the nation's finest school system.

(*Nearly a thousand children are in danger of remaining hopeless and permanent cripples because they have been deprived of hospitalization, according to the Michigan Crippled Children's Commission.)

SCHOOL NOTES

Sixth Grade
Mrs Smith - Teacher

Our history this week is very interesting. It deals mostly with Julius Caesar and the Caesars which followed him.

Gordon Pearson brought two tiny live mice to school. Their names are Micky and Minnie.

We finished our silhouettes last last Tuesday. Some of us made borders. Mrs Smith hung them up in our room. Our next art lesson will be fall pictures.

Richard Teske brought in some peanuts which he grew near his home in order to compare them with the ones that Mr Hayden brought back from the South.

In geography Mrs Smith drew a map of the British Isles on the blackboard, and we filled in the manufacturing districts and the industries. Jim Sisson printed in the names of the districts as we named them.

As we look at our first writing papers we see how our penmanship improves as we practice arm movement.

Mr Berkhof visited our room on Thursday. We had our first discussion in history. Dwaine Louden was the leader.

Marjorie McLain, who recently moved to Lambertville, visited school. We were very happy to have her visit us.

We had our first class meeting today. The meeting was conducted by Jim Sisson, class president.

Miss Marian Whelan invited our room to visit the "Freez-It Lockers" Friday. She told us about all the different things in the building.

Room helpers are Gordon Pearson and Billy Stuart.

Reporters, Martha Hewlett, Wilfred Waldron.

Fifth Grade
Miss Starr - Teacher

During the first six weeks of school, 18 of our class were present every day. We wish we could say that of more pupils.

In art class we have completed our drawings of totem poles. Some are very good, and we had fun making them.

We have several new plants in our room this week and Miss Starr received a lovely bouquet of roses from Tommy Corkery.

History becomes more interesting each day. We are now studying early leaders of our country.

Bill Brown is making a leaf poster. He is doing a very nice bit of work.

Mary Wilson, Monna Woodcox and Keith Swain were room helpers this week.

We were pleasantly surprised last Monday when our last year's teacher, who is now Mrs Clifford Lewis, visited our room after chapel. She told us about her travels.

Reporters, Maxine Covell and Robert Irwin.

Fourth and Fifth Grades
Mrs Plaus - Teacher

On our bulletin board is a very interesting display of material showing "Insects and Their Relation to Man." This, of course, is closely connected with our science course, which we find very interesting.

For social studies we are making a stage setting for a colonial home. The boys have built the fire place, andirons, table, chairs, cradle and drying racks for the candles out of orange crates. The girls are making a set of rag rugs, some plates, candle holders, and an iron kettle, out of papier mache. We are drying apples and making candles. We hope to make soap, too. These furnishings will be used many times in history class and for a Thanksgiving play which we hope to produce. The project is also helping us to appreciate our homes with their modern conveniences.

Patty Hammack and Mary Erhart are room helpers this week.

Perry Cook and Patty Hammack were elected to represent our room on the new safety council which has recently been organized.

ORDER OF HEARING

State of Michigan, County of Lenawee, ss.

At a session of the probate court for said county, held at the probate office in the city of Adrian, on the 21st day of October, in the year one thousand nine hundred and forty.

Present, Hon Maurice E. Tripp, Judge of Probate.

In the matter of the estate of JOHN B. YATES, Incompetent.

On reading and filing the petition duly verified, of Bert L. Miller, guardian of said ward, alleging that he is now ready to render his final guardianship account, and praying that said account may be approved and allowed, that he may be discharged as such guardian and Grover Yates, appointed successor guardian of said estate, and for such other order as to the court shall seem proper;

It Is Ordered, That Monday, the 18th day of November next, at nine o'clock in the forenoon, be assigned for the hearing or said petition.

It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said County of Lenawee for three consecutive weeks previous to said day of hearing.

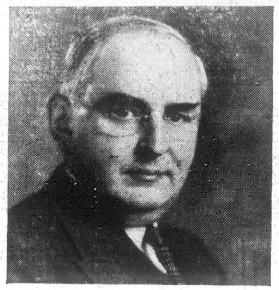
Re-elect SENATOR VANDENBERG



When You Vote for Vandenberg You Vote for Michigan

Senator Arthur H. Vandenberg is Michigan's champion. In foreign relations, in finance, in commerce, he is one of the few successful, influential and important men Michigan ever sent to Washington. BUT he has never forgotten the people who sent him there. For thirteen years he has fought for Michigan's interests—from sugar beets to automobiles, from furniture to fruit. He's a staunch friend of farming, an aggressive spokesman for organized labor . . . and an implacable foe of extravagance.

Vandenberg is the man who sponsored the famous "munitions investigation" that took big profits out of war.

He is the man who forced congressional reapportionment, gaining four seats for Michigan in the House of Representatives, and four votes in the Electoral College.

He is the man who was chiefly responsible for last January's bill which stopped an increase of 50% in taxes on 40,000,000 workers.

He is called "the Father of Bank Deposit Insurance."

He is the man who saved America $500,000,000 by defeating the shamefully wasteful Passamaquoddy and Florida Ship Canal and a number of other senseless projects.

He has done all these things for the nation, but he has never been too busy to "deliver the goods" for Michigan.

He saved the state's copper industry with his tariff.

He sponsored Isle Royale's development as Michigan's first National Park.

He has vigilantly guarded the state's vast interests in Great Lakes commerce, and he is working *now* for Michigan's share in National Defense.

This is the man who is a great leader of the Senate minority party . . . the man whom *Life* magazine picked among the "first ten" Senators.

His re-election is Michigan's duty to 47 other states as well as to itself. His re-election means that Michigan will continue to be "tops" in the United States Senate!

Re-elect MICHIGAN'S NATIONAL LEADER!

All Thinking People of Michigan Will Vote for President Roosevelt's Re-election

Because he has preserved our Democratic form of Government, and intends to continue to do so.

Because he squeezed the water out of the stock market through the S. E. C.

Because he extended good intentions toward the farmer through the tangible action of the AAA, the Rural Electrification Administration, etc.

Because he has doubled the national income since he took office in 1933.

Because he has made plain to the Congress and the people of the United States the need for social legislation including unemployment insurance, the Old Age Pension, Wage and Hour Act, Collective Bargaining, and the Fair Labor Standards.

Because he has been considerate of our National Resources and has increased the duties of the Conservation Department.

Because he has brought us through a revolutionary period with the least hardship and bloodshed ever known in a like period in history.

Because he has almost painlessly changed our thinking from purely personalized consideration to group consciousness. Also he has eased the social and class consciousness and hatred which has always existed into a more cooperative spirit—the one class with another. Those who state he has augmented this hatred show their ignorance of the true facts of the deep hatreds existing always between classes. Of course there are some who do not believe in the good life for all—only the privileged few who would keep the rest subjugated.

Because the dictators fear him and what he stands for in their countries.

David Lawrence Said
Sept. 11, 1940

The President knows the diplomatic side of the emergency too, and the limitless red tape that sometimes stops official action when it should go ahead without hesitation. He knows how to cut red tape and get things done, and one evidence of his readiness to act came in his issuance of the "limited emergency" proclamation Friday which enabled the Army and Navy defenses to be strengthened and funds provided at once. Likewise he was careful to explain to the press just what the technicalities were that required such a step.

President Roosevelt is far better qualified to take care of American interests, especially with the idea of keeping out of war, than President

Wilson was at the outbreak of hostilities in Europe in 1914. Submarine warfare was then new, airplanes were new in combat, and the whole war situation came so suddenly as to give the Washington government little time to prepare. Even the evacuation of Americans from Europe is being arranged this time with far less confusion that was inevitable in the abrupt turn of events in August 1914.

In war President Roosevelt is a real leader, an experienced strategist and an excellent commander-in-chief of the big Army and Navy that must patrol our coasts and protect our possessions.

Because our National Debt was incurred by investing in sound and revenue-producing projects.

Because the President's foreign policy has been above reproach, and has attempted to instill humane and religious consideration into a world gone mad.

Because he will do what is necessary for defense.

Because he will not fight any war of aggression.

Because he has the best welfare of all the people of the nation at heart, in spite of propaganda to the contrary.

Because his tradition is the one of civic duty to his fellow man, as his acts have proven.

Because his aspirations for personal power are nil except as he may use it to the advantage of our nation's people through the crisis of the next four years.

Because he gets things done and is not merely content to be a rubber stamp of Wall Street.

Because Lewis dislikes him and calls him names.

Because he is a true American in every manner of speaking.

Because he has kept our boys off the street by placing them in the CCC.

Because he ever tries to adjust conditions to make all men's lives reflect the Right to Life, Liberty and the Pursuit of Happiness with a capital H.

Because he has given us a strong defense.

David Lawrence Said
Feb. 4, 1940

Today Republicans have begun a direct attack on President Roosevelt's foreign policy on the charge that he wants to drag America into war. The first maneuver has been to insist that American manufacturers sell airplanes to all nations which can pay for them and that American sympathies should not be expressed on the side of the democracies through sales. This is a dangerous viewpoint from the standpoint of practical politics. For, while the American people do not want war, it will not be easy for the Republicans to convince them that President Roosevelt wants it either; and that's the burden of their case to date.

PROPOSED AMENDMENTS

NOTICE IS HEREBY FURTHER GIVEN that at the time and places of holding the General Election, there will be submitted at said Election, Four Proposed Amendments or Referendums, viz:

(Proposal No. 1)

SHALL THE CONSTITUTION BE AMENDED TO AUTHORIZE THE ELECTORS OF SCHOOL DISTRICTS TO EXCEED THE 15 MILL LIMITATION FOR BUILDING PURPOSES?

AMENDING SECTION 21 OF ARTICLE X OF THE STATE CONSTITUTION:

Sec. 21. The total amount of taxes assessed against property for all purposes in any 1 year shall not exceed 1½ per cent of the assessed valuation of said property, except taxes levied for the payment of interest and principal on obligations heretofore incurred, which sums shall be separately assessed in all cases: Provided, That this limitation may be increased for a period of not to exceed 5 years at any 1 time, to not more than a total of 5 per cent of the assessed valuation, by a two-thirds vote of the electors of any assessing district, or when provided for by the charter of a municipal corporation: Provided further, That this limitation shall not apply to taxes levied in the year 1932: Provided further, That this limitation shall not apply to the taxes levied in an amount not exceeding 1.2 per cent per year for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon.

Shall section 21 of article 10 of the state constitution be amended to authorize a tax on property, in addition to the 15 mill limitation, in an amount not exceeding 1.2 per cent per year, for the payment of the principal and of the interest on bonds issued by school districts for the purpose of defraying the cost of erecting, altering or improving buildings or making repairs thereto or purchasing a site therefor, maturing in not to exceed 15 years from date of issuance, when such bonds shall have been authorized by the legally required number of the qualified electors voting thereon?

Yes ☐
No ☐

(Proposal No. 2)

SHALL THE CONSTITUTION BE AMENDED TO ESTABLISH A NEW SYSTEM OF CIVIL SERVICE FOR STATE EMPLOYMENT?

ADDING SECTION 22 TO ARTICLE VI OF THE STATE CONSTITUTION:

Sec. 22. The state civil service shall consist of all positions in the state service except those filled by popular election, heads of departments, members of boards and commissions, employees of courts of record, of the legislature, of the higher educational institutions recognized by the state constitution, all persons in the military and naval forces of the state, and not to exceed two other exempt positions for each elected administrative officer, and each department, board and commission.

There is hereby created a non-salaried civil service commission to consist of four persons, not more than two of whom shall be members of the same political party, appointed by the governor for eight-year, overlapping terms, the four original appointments to be for two, four, six and eight years respectively. This commission shall supercede all existing state personnel agencies and succeed to their appropriations, records, supplies, equipment, and other property.

The commission shall classify all positions in the state civil service according to their respective duties and responsibilities, fix rates of compensation for all classes of positions, approve or disapprove disbursements for all personal services, determine by competitive performance exclusively on the basis of merit, efficiency and fitness the qualifications of all candidates for positions in the state civil service, make rules and regulations covering all personnel transactions, and regulate all conditions of employment in the state civil service. No person shall be appointed to or promoted in the state civil service who has not been certified as so qualified for such appointment or promotion by the commission. No removals from or demotions in the state civil service shall be made for partisan, racial, or religious considerations.

The administration of the commission's powers shall be vested in a state personnel director who shall be a member of the state civil service and who shall be responsible to and selected by the commission after open competitive examination.

To enable the commission to execute these powers, the legislature shall appropriate for the six months' period ending June 30, 1941, a sum not less than one-half of one per cent, and for each and every subsequent fiscal year, a sum not less than one per cent, of the aggregate annual payroll of the state service for the preceding fiscal year as certified to by the commission.

After August 1, 1941, no payment for personal services shall be made or authorized until the provisions of this amendment have been complied with in every particular. Violation of any of the provisions hereof may be restrained or observance compelled by injunctive or mandamus proceedings brought by any citizen of the state.

This amendment shall take effect on the first day of January following the approval thereof.

REFERENDUM ON SECTION 3 OF ARTICLE I OF ACT 261 OF THE PUBLIC ACTS OF 1939, WHICH AMENDS THE MOTOR CARRIER ACT OF 1933, TO PROVIDE THAT NO MUNICIPAL CORPORATION, OR ANY AGENCY OR INSTRUMENTALITY THEREOF, SHALL OPERATE AS A COMMON OR CONTRACT MOTOR CARRIER FOR HIRE, ON THE PUBLIC HIGHWAYS OF THE STATE, EXCEPT AS PROVIDED IN SAID MOTOR CARRIER ACT, WITHOUT FIRST OBTAINING FROM THE MICHIGAN PUBLIC SERVICE COMMISSION A CERTIFICATE OR PERMIT TO DO SO.

Sec. 3. General exemption and regulations in connection therewith. All carriers of passengers or property by motor vehicle for hire upon the highways of this state shall be subject to the provisions of this act and no person, firm, association or private or municipal corporation or any agency or instrumentality thereof shall operate as a common or contract motor carrier for hire without first obtaining from the commission a certificate or permit under the provisions of this act authorizing such operation, regardless of the provisions of any other statute, unless hereinafter specifically exempted: Provided, however, Common motor carriers of property and contract motor carriers of property whose operations do not extend for a distance of more than 40 miles over the highways of the state in any direction from their home terminal, as designated under the requirements of this section, shall not be subject to the provisions of this act except to the extent required by this section: Provided, however, That this exemption shall not be construed to apply to common motor carriers or contract motor carriers furnishing service between 2 or more cities, towns, or villages. The commission shall determine whether any motor carrier is within this exemption and shall make such rules and regulations and orders as it may deem necessary for the proper classification of such carriers and for the enforcement of this act. Any common motor carrier or contract motor carrier whose operations will bring such carrier within this exemption and who desires to come under the provisions of this section shall file with the commission an application under oath setting forth such information as the commission may require with regard to his operations upon the form prescribed by the commission. Such application shall, among other things, designate the home terminal of such carrier. Such designated home terminal shall thereafter be the fixed point from which the 40 mile radius within which operations shall be permitted under this section shall be computed. Such common motor carriers of property and contract motor carriers of property may change their home terminal when notice in writing is given to the commission 48 hours before such anticipated change. Any person who shall wilfully, under oath, make false statement to the commission in such application, shall be deemed guilty of perjury.

Shall said Section 3 of Article I of Act 261 of the Public Acts of 1939, be approved?

(Proposal No. 4)

REFERENDUM ON ACT NO. 122 OF THE PUBLIC ACTS OF 1939, BEING "AN ACT TO REGULATE THE PRACTICE OF DENTISTRY AND DENTAL SURGERY; AND TO REPEAL CERTAIN ACTS AND PARTS OF ACTS."

AN ACT to regulate the practice of dentistry and dental surgery; to provide for the examination, licensing, registration and regulation of persons who may practice the same; to provide for the disposition of moneys received under this act; to provide penalties for violations of this act; and to repeal certain acts and parts of acts.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Section 1. The practice of dentistry shall be under the supervision of a board to be known as the Michigan state board of dentistry. Said board shall consist of 7 reputable dentists, each of whom shall have been graduated from a reputable dental college, shall have practiced his profession in this state for at least 5 years, and shall have been a resident of this state for at least 5 years, 2 of whom shall be residents of the peninsula. The present members of the board now in existence shall continue in office until the expiration of the term for which they were respectively appointed. The governor shall annually hereafter appoint 1 member of said board, and shall fill any vacancy for an unexpired term, by appointment from a list of 3 licensed dentists recommended to him by the Michigan state dental society. Each member shall hold office for a term of 7 years, or until the appointment and qualification of his successor. No member of a dental faculty may be eligible to membership on the board.

Sec. 2. Said board shall adopt rules and regulations for its own organization and for the practice of dentistry in this state, and for carrying out the provisions of this act, and may amend, modify and repeal said rules and regulations from time to time. Said board shall also have the power to appoint such committees, special examiners, officers and employes, and to incur such expenses, as it may deem necessary or proper to carry out the provisions of this act, the expense thereof to be charged and paid as other expenditures of the board. The president and secretary of the existing board shall continue in office until their respective terms as such shall expire. Thereafter said board shall elect a president and secretary from its membership, each of whom shall hold office for a term of 1 year. It shall hold 1 regular meeting each year in the city of Ann Arbor in the month of June and such special meetings as may be necessary at such times and places as it may determine. A majority of the board shall constitute a quorum. The board shall hold 2 examinations in each year, 1 in the month of June and 1 at such time and place as may be fixed by the board, which applicants to practice dentistry in the state of Michigan may be licensed by the board. The board shall have power to send 2 delegates to the meetings of the national association of dental examiners, and charge the expense thereof, per diem excluded, to the business of the board. The secretary shall keep a full record of its proceedings and a complete registry of all licensed dentists and dental hygienists and dental graduates to whom permits are issued, as hereinafter provided. A transcript of any entry in such record or registry certified by the secretary shall be competent evidence of the facts therein stated. Upon this act becoming effective, the secretary shall mail a copy of the same to every licensed dentist and oral hygienist within the state, and each year thereafter a copy of the same, with any amendments thereto, to those to whom the board has granted licenses during the year. Said board shall prepare and file with the state administrative board such reports as may be required by the state administrative board, which reports may be printed and bound in such form, and in such quantities as the board of state auditors may deem necessary. The expense of such printing and binding shall be charged as an expenditure of said board.

Sec. 3. The secretary shall give bond in such amount as said board may fix for the faithful discharge of his duties as custodian of the moneys paid to said board. He shall receive for his salary an amount to be determined by the board. Each of the members, other than the secretary, shall receive for each day actually engaged in the duties of his office a per diem of $20.00, not to exceed, however, the sum of $600.00 per year, and his actual and necessary expenses. Said board may annually expend the total amount received from fees hereinafter provided, but in no case shall the total expenditures for all purposes exceed its total receipts. All moneys received by said board shall be paid to the state treasurer at the end of each month and a receipt for the same filed by the secretary of the board in the office of the auditor general. The amounts necessary for the disbursements of said board shall be paid out of the state treasury upon the warrant of the auditor general, drawn upon the presentation to him of vouchers signed by the chairman of the board.

Sec. 4. Except as herein otherwise provided, it shall be unlawful for any person to practice or engage in the practice of dentistry or dental surgery in any of its branches, other than:

1. Those who are duly registered and licensed dentists in this state under the provisions of either Act No. 235 of the Public Acts of 1933, or the laws of this state in force at the time of their license and registration; and

2. Those duly licensed and registered under the provisions of this act.

Sec. 5. No person desiring to practice dentistry shall be licensed until he shall have satisfactorily passed an examination by said board. Every applicant for examination must be a citizen of the United States, or have declared his intention of becoming such. In cases where the applicant has declared his intentions of becoming a citizen, but has not completed his qualifications for citizenship, a temporary license may be issued for the duration of the minimum time required to complete citizenship. Upon completion of the requirements for citizenship the board may issue a regular license without further examination. It remains within the province of the board, before admitting an applicant graduated from a college of a foreign country to examination, to require such applicant to take such post-graduate work in a college of this country as will satisfy the board that such applicant is on an equal basis with graduates of reputable dental colleges of the United States. All applicants who have been graduated from a reputable dental college in the United States or foreign country may be required to furnish a certificate signed by the faculty or secretary of the school, college or university from which said applicant was graduated, certifying as to the character of and to the proficiency attained by said applicant throughout his curriculum of study. Every applicant for such examination shall furnish satisfactory proof supported by affidavit that he is of good moral character and a graduate of a reputable dental college duly organized under the laws of this state or any other of the United States or of any other country. Said board is hereby authorized to ascertain and determine what shall constitute a reputable dental college, but to be considered reputable, the following qualifications shall be necessary:

1. It must be chartered under the laws of the state in which it is located and operated, and authorized by its charter to confer the degree of doctor of dental surgery or doctor of dental medicine;

2. It must give annually a full course of lectures and instructions by a competent faculty and corps of instructors in the following subjects: Physiological chemistry, embryology, anatomy, histology, hygiene, bacteriology, pathology, materia medica, therapeutics, oral surgery, metallurgy, operative dentistry, prosthetic dentistry, crown and bridge work and orthodontia; the curriculum of instruction to consist of not less than 4 terms in 4 separate academic years and each term to be of not less than 22 weeks of 5½ days in each week;

3. It must have apparatus and equipment ample and sufficient for the ready and full teaching of the above named subjects; and

4. It must require matriculates to have a preliminary education equal to 60 semester hours in a college or university approved by said board.

Sec. 6. Every candidate for examination shall file a written application on a form prescribed by the board, shall present his license or diploma for inspection, and shall pay to the secretary a fee of $35.00. The applicant shall present himself before the board for examination at a date not later than the second regular meeting of the board next after filing his application, in default of which said fee shall be forfeited to said board. The examination shall be written or oral, or both, and shall include such subjects as may be designated by the board at any meeting of the board held 6 months prior to such examination. The board may also require such practical tests, working operations and demonstrations as may be designated by the board. The examination papers of each applicant shall be preserved by said board and may be inspected for 6 months after the date of his examination. During such period any unsuccessful applicant, by depositing $50.00 with the secretary, shall have the privilege of having his examination papers re-read by the board in the presence of himself and any one representing him. If upon such re-reading the board shall determine that the examination papers of the applicant should have entitled him to pass, a license shall be issued to him and said deposit refunded, but said deposit shall otherwise be forfeited to the board. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $25.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Any applicant who shall fail to pass the examination upon his first trial will be given credit for such subjects as he may be entitled to, but such credits will be extended only until the second following board examination. If the applicant fails to pass his examination on the second trial, the applicant shall on any third or subsequent trial be required to take an examination in all subjects the same as on his original first application. Any person who in any affidavit or application for examination shall wilfully make a false statement in a material regard shall be deemed guilty of perjury, and, upon conviction thereof, shall be punished as provided by the laws of this state for the crime of perjury.

Sec. 7. The board shall issue to each person who shall successfully pass the examination a license under its seal duly authenticated by the signatures of the board members. No person, not previously registered under the laws of this state in the county where his office is located, shall engage in the practice of dentistry until he shall have registered such license in the office of the clerk of the county where he intends to practice. It is hereby made the duty of the county clerk to register the same in a book provided and kept for that purpose, for which he shall be paid a fee of 50 cents in each case by the person offering the same for registration. The board shall declare a license void unless it is so registered within 6 months from the date when the holder begins practice in said county. A duplicate license may be issued by the board in case of the neglect, failure or refusal to register within said period, but only upon payment to the board the sum of $25.00 as a penalty, which shall be available for the proper expenditures of the board. In case of the removal of a registered dentist to another county within the state, he shall cause his license to be registered in like manner and within the same time as above provided. On the first day of September in each year, every county clerk in the state shall send to the secretary of the board a complete list of all dentists and dental hygienists who registered in his county during the preceding year on blanks to be sent to the county clerk by the board. Every person operating or controlling any dental office or rooms shall promptly report to the board the name or names of all registered dentists and dental hygienists in his employ, together with their place of residence and shall also report whenever any registered dentist or dental hygienist shall leave his employ.

Sec. 8. No dentist shall announce or hold himself out to the public as limiting his practice to, or as being especially qualified in, or as giving special attention to, any branch of dentistry, without first having obtained a license therefor from the board as hereinafter provided. The board, upon satisfactory proof that the applicant has had a minimum of 1 year of post-graduate work in any one of the several recognized branches of dentistry in an approved college or university, or its equivalent, to be determined by the board, or has complied with any additional requirements of the board, may issue a license to such dentist authorizing such dentist to hold himself out to announce, to the public that he is especially qualified in, or limits his practice to, or gives special attention to, such recognized branch of the dental profession. Examinations shall be theoretical and practical. The theoretical examinations shall be in writing and include all the subjects represented in that recognized branch of dentistry in which the applicant desires to specialize. Written examinations may be supplemented by oral examinations. Demonstrations of the applicant's skill shall also be required. A special license shall be required for the practice of each recognized branch of dentistry in order for a dentist to hold himself out to the public as limiting his practice to, or being especially qualified in, or giving special attention to, any branch of dentistry. The fee for such examination and special license shall be $25.00. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $15.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination.

Sec. 9. Said board may also issue licenses to dental assistants to be known as dental hygienists. Every candidate for examination as a dental hygienist shall pay to the secretary of the board a fee of $15.00 and shall furnish satisfactory proof that he is a graduate of an accredited high school in this state, or a school of like and equal standing in any other state or country, or has earned in units of study the equivalent necessary for graduation, and has earned a diploma or certificate from a reputable school of dental hygienists having a curriculum of not less than 2 separate academic years, and each term to be of not less than 32 weeks of 6½ days in each week. The board may ascertain and determine what shall constitute such reputable school. Every applicant who shall successfully pass such examination as may be prescribed by the board shall be granted a license as a dental hygienist which shall be recorded in the same manner as provided in section 7 of this act. Any applicant who shall fail to pass an examination shall have the right to apply for a subsequent examination, in which case he shall pay to the secretary a fee of $10.00 for each subsequent examination: Provided, however, That said board may for a sufficient cause remit said fee for such subsequent re-examination. Such licensed dental hygienists may remove calcareous deposits, accretion and stains from the teeth, and may prescribe or apply ordinary mouth washes of cooling character, but shall not perform any other operation on the teeth, mouth or tissues of the oral cavity, or administer any therapeutic remedies to diseased portions of teeth or their surrounding tissues. A hygienist may operate in the office of a legally licensed dentist, in a state or municipal institution, or in public schools, or under a board of health, or in a public clinic, authorized by said board, but shall not operate except under the supervision of a licensed dentist. The board may revoke or suspend the license of any registered dentist who shall permit any dental hygienist operating under his supervision to perform any operation other than those permitted under the provisions of this section.

Sec. 10. Said board may also issue a dental graduate permit upon payment of a fee of $10.00 to any person who is a graduate of a reputable dental college as approved by the board, but who shall not yet have been licensed as a dentist by said board. Any person receiving such permit may practice dentistry in any state or municipal

institution, or hospital, or public school, or under a board of health, or in any public clinic, authorized by said board under the direct supervision of a licensed dentist, but not otherwise; nor shall any permit authorize such person to practice for a period longer than the interim between its date of issue and the next regular examination held by the board for applicants for licenses as dentists. Permits shall be granted only to such graduates as have a definite offer of a position in a state or municipal institution, or hospital, or public school, or board of health, or public clinic, authorized by the board, and only after proper credentials of the applicant for such a permit have been examined and accepted by the board.

Sec. 11. On or before the first day of October of each year, excepting the year in which he is originally licensed, every registered dentist and dental hygienist shall pay to the secretary of the board $3.00 as an annual license fee. The board may revoke or suspend the license of any person who shall default in making such payment, unless said fee is paid on or before said first day of October: Provided, That such revocation or suspension shall not be ordered except on and after 30 days' written notice by registered mail to the last known address of such person of such delinquency, during which period such person may pay such fee, together with such penalty, not exceeding $5.00, as may be determined by the board. In case any such license is revoked or suspended, the same may be reissued or reinstated upon the payment of the accrued fees and such penalties, not exceeding $10.00, as may be determined by the board. Such penalties shall be available for the proper expenditures of the board.

Such licensed dentists and dental hygienists, who shall have paid the fees due when this act becomes effective, shall be entitled to a credit for such amount so paid on the license fees due and payable as herein provided.

Sec. 12. A person practices dentistry, within the meaning of this act, when it shall be shown:

1. That he uses a dental degree, or designation, or card, device, directory, poster, sign, or other means whereby he represents himself or permits himself to be represented as being able to diagnose, treat, prescribe or operate for any disease, pain, deformity, deficiency, injury or physical condition of the human tooth, teeth, alveolar process, gums or jaws, or their dependent tissues; or

2. That he is a manager, proprietor, operator or conductor of a place where dental operations are performed; or

3. That he performs dental operations of any kind gratuitously, or for a fee, gift, compensation or reward, paid or to be paid, either to himself or to another person or agency; or

4. That he, or his employe or employes, use a Roentgen or X-ray machine for dental treatment, radiograms, or for dental diagnostic purposes; or

5. That he extracts a human tooth or teeth, or corrects or attempts to correct malpositions of the human teeth or jaws, or repairs or fills cavities in human teeth; or

6. That he offers and undertakes, by any means or method, to diagnose, treat or remove stains or accretions from human teeth or jaws; or

7. That he uses or administers local anesthetics in the treatment of dental or oral diseases or in any preparation incident to a dental operation of any kind or character; or

8. That he takes impressions of the human tooth, teeth, jaws, or performs any phase of any operation incident to the replacement of a part of a tooth, teeth or associated tissues; or

9. That he examines clinical material in a dental office or contracts or agrees to render or perform, either personally or through another, a dental service or services; or

10. That he performs any operation included in the curricula of recognized dental schools or colleges.

Sec. 13. The following practices, acts and operations, however, are exempt from the operation of this act:

1. The rendering of dental relief in bona fide emergency cases in the practice of his profession by a physician or surgeon, licensed as such and registered under the laws of this state; or

2. The practice of dentistry in the discharge of their official duties by dentists in the United States army, or the United States navy, the United States public health service, or the United States veterans' bureau; or

3. The practice of dentistry by students in dental schools or colleges approved by the board, when acting under the direction and supervision of registered and licensed dentists acting as instructors; or

4. The practice of dentistry by licensed dentists of other states or countries at meetings of the Michigan state dental society, or component parts thereof, alumni meetings of dental colleges, or any other like dental organizations, while appearing as clinicians; or

5. The use of Roentgen or other rays for making radiograms or similar records of dental or oral tissues under the supervision of a licensed dentist or physician: Provided, however, That such service shall not be advertised, by any name whatsoever, as an aid or inducement to secure dental patronage: And provided further, That no corporation shall advertise it has, leases, owns or operates a Roentgen or X-ray machine for the purpose of making dental radiograms of the human teeth or tissues of the oral cavity, or administering treatment thereto for any disease thereof; or

6. The making of artificial restorations, substitutes, appliances or materials for the correction of disease, loss, deformity, malposition, dislocation, fracture or injury to the jaw, teeth, lips, gums, cheeks, palate, or associated tissues, or parts, either upon order, prescriptions, casts, models or impressions furnished by a licensed and registered dentist: Provided, That such prosthetic or orthodontic appliances, or services rendered in the construction, repair or alteration thereof, shall not be advertised, sold or delivered, directly, or indirectly to the public by any unlicensed person or dental laboratory as principal or agent.

Sec. 14. The terms "manager," "proprietor," "operator" or "conductor" as used in this act shall be deemed to include any person:

1. Who employs operators or assistants; or

2. Who places in the possession of an operator, assistant or other agent such dental material or equipment as may be necessary for the management of a dental office on the basis of a lease or any other agreement for compensation for the use of such material, equipment or office; or

3. Who retains the ownership or control of dental material, equipment or office and makes the same available in any manner for use by operators, assistants or other agents: Provided, however, That the above shall not apply to bonafide sales of dental material or equipment.

A licensee of dentistry who shall enter into any of the above described arrangements with an unlicensed manager, proprietor, operator or conductor may have his license suspended or revoked by the board.

Sec. 15. No corporation shall practice or continue to practice, offer or undertake to practice or hold itself out or continue to hold itself out as practicing dentistry. Every person practicing dentistry as an employe of another shall cause his name to be conspicuously displayed and kept in a conspicious place at the entrance of the place where such practice is conducted: Provided, however, That nothing herein contained shall prohibit a licensed dentist from practicing dentistry as the agent or employe of any charitable institution or hospital.

Sec. 16 It shall be unlawful for any person to practice dentistry or to operate or be a partner in the operation of, or control as proprietor, manager or otherwise, or to have any financial interest in the proceeds or receipts of or from, other than compensation as employe in the usual course of the practice, or to receive any part or percentage of the proceeds or receipts of or from, in lieu of rent or any part of the rent of any room or office, where dental work is done, provided or contracted for in any county of this state, not being at the time a dentist licensed to practice as such in this state and registered in the office of the county clerk of such county as herein provided. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist whose license or permit to practice has been revoked or suspended. It shall be unlawful for any person to practice dentistry or to practice as a dental hygienist without at all times keeping his license conspicuously displayed in his operating room and in any office where there are more dental chairs than 1 without having the license of each practitioner so displayed. It shall be unlawful for any person to employ any capper or solicitor for the purpose of procuring patients for dental work to be done. It shall be unlawful for any person to practice dentistry or to operate or control as proprietor, manager or otherwise any room or office where dental work is done or contracted for, or in any way to advertise the same under any false or assumed name, or under the name of a corporation, company, association, trade name or under any name other than that under which his license was granted. It shall be unlawful for any person to advertise to the public any commercial dental laboratory or dental technician or dental clinic.

No person or persons shall own, or be financially interested in, or manage more than 1 office for the practice of dentistry in any location or locations and operate them under his or their own name, with employed operators. No dentist or dentists shall be associated or connected with, in any manner, any offices or rooms where the profession of dentistry is practiced unless such dentist or dentists shall be actually engaged for the major portion of their time in the practice of dentistry at such office or rooms: Provided, however, That the provisions of this paragraph shall not apply where a licensed dentist, with the approval of the board, shall choose to practice dentistry, under his own name, 1 or more days of a given week in 1 location other than the location of his principal office.

Sec. 17. Excepting as in this act provided, it shall be unlawful for any dentist or dentists to:

1. Make use of any advertising statements of a character tending to mislead or deceive the public; or

2. Circulate any statement or statements as to the skill or method of practicing dentistry of any dentist through any media, means, agencies or devises of an advertising nature; or

3. Advertise professional superiority or the performance of professional services in a superior manner; or

4. Advertise price, cost, charge, fee or terms of credit for professional services, or for materials used in the practice of dentistry, or comparative values thereof, since in a professional health service and because of the nature of the services involved, the prices must be variable; or

5. Advertise bargains, cut rates; or special values in dental service or productions with or without specifying the time they shall apply; or

6. Advertise any free dental work or free examinations; or

7. Advertise to guarantee any dental services; or

8. Advertise to perform any dental operation painlessly; or

9. Advertise or circulate reports of cases or statements of patients in any way whatsoever; or

10. Advertise by any means, the using of any secret anesthetic, drug, formula, medicine, method or system; or

11 Employ any person or persons to obtain, contract for, sell or solicit patronage or make use of free publicity press agents; or

12. Advertise by means of large display signs, or glaring light signs, electric or neon, or such signs containing as part thereof the representation of a tooth, teeth, bridgework, plates of teeth or any portion of the human head, or use specimens of such in display, directing the attention of the public to any such person or persons engaged in the practice of dentistry; or

13. Advertise artificial teeth, bridgework or dentures by the use of any representation of a tooth, teeth, bridgework or denture, or of any portion of the human head, or advertise dental plates, or restorations, or the materials used in their construction, under any fictitious, misleading, fancy or unscientific name; or

14. Give any public demonstration of skill or methods of practicing dentistry for the purpose of securing patronage: Provided, That any dentist may publicly announce by way of newspaper or professional card that he is engaged in the practice of dentistry, giving his name, degree, office location where he is actually engaged in practice, office hours, telephone numbers and residence address, and, if he limits his practice to a specialty, he may state same.

Sec. 18. The board shall have the power, and it shall be its duty, and it is hereby authorized, to suspend for a limited period or to revoke the license of any licensed dentist or any licensed dental hygienist for any of the following reasons:

1. His conviction of a felony or of a misdemeanor involving moral turpitude, in either of which cases a certified copy of the court record shall be conclusive evidence, upon receipt of which the board shall revoke or suspend the license of the person so convicted;

2. For fraud or deceit in procuring admission to practice dentistry or oral hygiene;

3. For habitually using drugs or intoxicants to the extent of rendering him unfit for the practice of dentistry or oral hygiene, or for gross immorality;

4. For being guilty of wilful and gross malpractice or wilful and gross neglect in the practice of dentistry or oral hygiene;

5. For conducting the practice of dentistry so as to permit directly or indirectly an unlicensed person to perform work which under this act can legally be done only by persons licensed to practice dentistry or oral hygiene in this state;

6. For practicing dentistry under a corporate, assumed, trade or firm name in violation of the provisions of this act;

7. For violation of the rules and regulations for the practice of dentistry, provided for in section 2 hereof;

8. For employing solicitors or cappers for the purpose of procuring patients for dental work to be done;

9. For attracting or attempting to attract any person on the public streets by means of any public demonstration of any phase of dental surgery or by offering, selling or giving away any cure or any nostrum or premium in order to induce such person or persons to enter any dental office, or room;

10. For obtaining any fee by fraud or misrepresentation;

11. For being guilty of false, fraudulent or misleading advertising;

12. For having failed to pay license fees as herein provided;

13. For holding himself out as specially qualified in, or limiting his practice to, or giving special attention to a branch of dentistry without a special license therefor;

14. For being guilty of dishonorable or unprofessional conduct in the practice of dentistry;

15. For the use of the name "clinic," "institute," or other title that may suggest a public or semi-public activity to designate what is in fact an individual or group private practice;

16. For failure to maintain a satisfactory standard of competency in the practice of dentistry; or

17. For a violation of any provision of this act, or for being a party to or assisting in any violation of any provision of this act.

Sec. 19. In the case any person shall make an accusation against any licensee under any of the subdivisions of the preceding section, except the first subdivision, the same shall be reduced to writing, verified by some person familiar with the facts therein stated, and 3 copies thereof filed with the secretary of the board. If the board shall deem that the charges made are sufficient, if true, to warrant suspension or revocation of license, it shall make an order fixing the time and place for a hearing and requiring the accused to appear and answer thereto, such order, together with a copy of the charges to be served upon the accused at least 20 days before the date fixed for hearing, either personally or by registered mail, sent to his last known post office address. At the time and place fixed in said notice for said hearing, or at any time and place to which the said hearing shall be adjourned, the board shall hear the matter. The accused person shall have the right to be represented at any such hearing by counsel of his selection.

The president of the board shall have the right to administer oaths to witnesses and to issue subpoenas for the attendance of such witnesses at such hearing. Upon the request of the accused person, or his counsel, the said board shall issue subpoenas for the attendance of such witnesses in behalf of the accused, which subpoenas when issued shall be delivered to the accused person, or his counsel. Process for the attendance of witnesses shall be effective if served upon the person named therein anywhere within this state: Provided, That at the time of such service the fees now or hereafter provided by law for witnesses in civil cases in circuit court shall be paid or tendered to such person. In case of disobedience of a subpoena, the board or any party to such hearing may invoke the aid of any circuit court of the state of Michigan in requiring the attendance and testimony of witnesses. Any of the circuit courts of the state within the jurisdiction of which such hearing is being held may, in case of contumacy or refusal to obey a subpoena, issue an order requiring such person to appear before said board, and if so ordered give evidence touching the matter involved in the hearing. Any failure to obey such order of the court may be punished by such court as a contempt thereof.

If the accused pleads guilty, or after hearing he shall be found guilty by the board of any of the charges made, it may revoke or suspend his license for a limited period, shall enter the order on its records, and shall notify the clerk of the county where he is registered of the cancellation or suspension of his license, as the case may be, who shall in turn enter such cancellation or suspension on the registration record in his office.

The findings of fact made by the board acting within its power shall, in the absence of fraud, be conclusive, but the supreme court shall have power to review questions of law involved in any final decision or determination of the board: Provided, that application is made by the aggrieved party within 30 days after such determination by certiorari, mandamus or by any other method permissible under the rules and practice of said court or the laws of this state, and to make such further orders in respect thereto as justice may require. Pending the review by the supreme court, the action of the board, suspending or revoking the license, shall be stayed.

Sec. 20. Any person who shall violate any provision of this act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than $500.00, or by imprisonment in the county jail for not more than 1 year, or by both such fine and imprisonment in the discretion of the court. After conviction of any violation of any of the provisions of this act, any person who shall again violate any provision of this act, shall be deemed guilty of a felony, and upon conviction thereof shall be punished by a fine of not more than $2,000.00, or by imprisonment in the state prison for not more than 2 years, or by both such fine and imprisonment in the discretion of the court.

Sec. 21. This act shall be deemed to be passed in the interests of public health, safety and welfare of the people of this state, and its provisions shall be liberally construed to carry out its object and purposes.

Sec. 22 This act is declared to be severable, and should any word, phrase, sentence, provision or section hereof be hereafter declared unconstitutional or otherwise invalid, the remainder of this act shall not thereby be affected, but shall remain valid and in full force and effect for all intents and purposes.

Sec. 23. Act No. 235 of the Public Acts of 1933, excepting as to prosecutions commenced or penalties incurred thereunder, is hereby repealed. All other acts or parts of acts, insofar as inconsistent with the provisions of this act, are hereby repealed.

Shall said Act No. 122 of the Public Acts of 1939 be Approved?

RELATIVE TO OPENING AND CLOSING OF THE POLLS

No. 415, Laws Relating to Elections—Rev. of 1939

Section 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, and shall be continued open until six o'clock in the afternoon and no longer: PROVIDED, That in townships the board of inspectors of election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and that the township board in townships and the legislative body in cities and villages may, by resolution, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

The POLLS of said election will be open at 7 o'clock a. m. and will remain open until 6 o'clock p. m. of said day of Election, unless the Board of Election Inspectors shall, in their discretion, adjourn the Polls at 12 o'clock noon, for one hour.

Milburn W. Brooks and Leora S. Brooks, his wife,
Plaintiffs,
vs.
Joshua Nelson, Sidney Davison, Robert A. Howard, Henry B. Smith, John McCollum, Gouverneur H. Nelson, Cornelia H. Smith, Theodore W. Smith, John Davenport, Margaret Allen, Ethan Allen, Samuel Bryan, Elizabeth Jillason, Philander D. Freese, Wilson H. Stout, or their unknown heirs, devisees, legatees and assigns,
Defendants.

At a session of said court held at the Court House in the City of Adrian, in said county, on the 23rd day of September, A. D. 1940.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Richard F. Roe attached thereto, from which it satisfactorily appears to the Court that the defendants above named or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled cause; and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or residing, or who or some of them may reside, and further that the present whereabouts of said defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry:

On motion of Richard F. Roe, attorney for plaintiffs, it is ordered that said defendants and their unknown heirs, devisees, legatees and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said defendants, their unknown heirs, devisees, legatees and assigns.

It is further ordered that this order be published or served according to law.

G. ARTHUR RATHBUN,

TRIPLE BRIDGES ONLY HISTORY

NEW STRUCTURE AT BLISSFIELD OVER RAISIN IS OPEN TO TRAFFIC

The new bridge over the Raisin River at Blissfield on US-223, which was completed and opened to traffic last week, completes the structure which replaces two of the famous triple bridges. Dedication of the new structure is planned for the afternoon of Armistice Day, November 11, and the program will include addresses by state and county highway officials.

The north half of the bridge was opened to traffic August 19 and work on the approaches is now being completed.

The new bridge, a concrete structure of three 50-foot spans, has a 44-foot roadway, with a six-foot sidewalk along the south side and a two and one half foot walk on the north side.

The bridge has the same underclearance as the former structure, and has about ten more feet of space between the abutments. It has been figured that the bridge will move about one to one and one quarter inches and allowance is made for expansion and contraction between the spans.

It was built by the state highway department and cost approximately $61,000.

The old triple bridges, believed to be the only ones in the world carried traffic for US-223, the New York Central Railroad and the T. & W. Railway for over 40 years, The T. & W. road was discontinued in 1939.

Mrs. William L. Carlton Dies In U. M. Hospital

Mrs. William L. Carlton, aged 72 years, died Friday morning at University hospital in Ann Arbor where she had been a patient since Sunday. Mrs. Carlton was formerly Minnie Bilkey. The Carlton home is three miles south west of town.

Besides her husband she leaves two sons Henry at home and Willis of Milan; two daughters, Mrs. Irene Lavoy of Petersburg, and Mrs. Goldie Hoag of Adrian, one brother William Bilkey of Adrian and 14 grandchildren.

The funeral was held Sunday at Belding Funeral Home. Rev. Edward Escolme officiated and burial was in Ridgeway cemetery.

MEN'S MEETING

The Rev. Francis B. Creamer, rector of Christ Church, Grosse Pointe, was the guest speaker at the semi-annual men's meeting at St. Peter's Episcopal church here, Tuesday evening. The program followed a supper, served to about 100 men in the church house, by the Lyster Junior Service League.

The Rev. Mr. Creamer, one of the outstanding speakers among the clergy of the Detroit area, was a delegate from the Michigan Diocese to the general church convention at Kansas City, recently. He told of this convention, and explained how the laws of the church are enacted. His talk was very interesting.

Lester Rogers, senior warden of St. Peter's, presided and introduced the speaker.

INJURED IN FALL

Kenneth Snedecor was a recent guest of his father F. E. Snedecor and his sister and husband Mr. and Mrs. Clayton Young. He recently met with a serious accident when he slipped on a marble staircase in a hotel in St. Louis, Mo., striking on the back of his head and fracturing the first and third vertabrae. By wearing a cast for a year he expects a recovery.

MISSION GUILD

Miss Mary Whitelock and Mrs. E. E. Davis entertained the Florence Weld Mission Guild Tuesday evening in the home of the former, with 23 members attending. Mrs. W. J. Penman presided and papers on the study topic "Migrants" were given by Mrs. Al Helzerman and Miss Marie Koering. Miss Clara Waldron and Mrs. Edith Smith told of their visits in migrant camps during the summer.

TUXIS SOCIETY

The Tuxis Society of the Presbyterian church has elected Margaret Zick, president; Jack Puffer, vice president; Nancy Tingley, secretary, and Joan Lott, treasurer.

The group will not meet Sunday, November 3, due to the large number attending the Young Peoples' Rally in Lansing. Those planning to attend are to meet at the Presbyterian manse at 1 o'clock.

You Also Must Choose
Between These Two Issues---

Either—

You must WINTERIZE your present car.

If this is your choice, why not let our experienced mechanics do the job RIGHT? We have all of the materials necessary, and the best of equipment to service every car.

And besides, we have a sincere desire to be of service to you. We are responsible and reliable — anxious that you should be satisfied with every job that we do. We guarantee every repair job.

You'll be happy if you choose our winterizing program.

Or—

TRADE you present car for a new one or a better used one.

If this is your choice, why not one of our beautiful new Ford, Mercury or Lincoln-Zephyr cars, or one of our already completely WINTERIZED BETTER USED CARS?

We have an enviable reputation for honesty and fair dealing. A BETTER USED CAR, purchased from us, is RENEWED AND GUARANTEED. It's bound to be a good choice.

You'll be happy and SAFE, because we service what we sell.

WILLIAMS OIL COMPANY, a Michigan Corporation,
Plaintiffs,
vs.
J. KIMBALL and MRS. J. KIMBALL, her Christian name being unknown; JESSE KIMBALL and MRS. JESSE KIMBALL, her given name being unknown; HANNAH M. RUDE, FLORENCE M. ROBERTS and C. MAY HATHAWAY, or their respective unknown heirs, legatees, devisees and assigns, and EMMA L. WELLS,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, in said County, on the 23rd day of October, A. D. 1940.

PRESENT: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause, it appearing from the Bill of Complaint on file therein, and the affidavit of Henry R. Jewett, attached thereto, that the Defendants above named, or their unknown heirs, legatees, devisees and assigns, are proper and necessary parties defendant in the above entitled cause;

And it further appearing to the Court that after diligent search and inquiry, it cannot be ascertained, and it is not known whether the above named Defendants, or their respective unknown heirs, legatees, devisees and assigns are living or dead, or where they, or any of them, reside, if living, or whether they, or any of them have heirs, legatees, devisees and assigns, or whether they have personal representatives, and further that the names of the persons included herein, without being named, under the title of unknown heirs, legatees, devisees and assigns, could not be ascertained after such diligent search and inquiry.

It further appearing that Emma L. Wells, one of the above named defendants, is not a resident of the State of Michigan, but her last known place of residence was Woodsdale, City of Wheeling, and State of West Virginia.

On motion of Henry R. Jewett, attorney for said Plaintiff, it is ordered that said Defendants, and their unknown heirs, legatees, devisees and assigns, cause their appearance to be entered in said cause within three months from the date of this order, and it is further ordered that a copy of this Order of Publication be served by Registered Mail, with a return receipt demanded, on the said Emma L. Wells, directed to her last known postoffice address, Woodsdale, Wheeling, West Virginia.

It is further ordered that this order be published according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Alice M. Welch,
Deputy Clerk of the Court.

Notice is hereby given that the above cause is brought and a Decree sought to quiet title to the real estate situated in the City of Hudson, County of Lenawee and State of Michigan, described as follows, to-wit:

SCHOOL NOTES

Nursery School
Marjorie Boyce

David Green is back in school after a visit with his grandmother.

Nickie and Christopher Nilsen were absent the first of last week because of illness.

Betty Wilson and Dean Andrews spent all day with us recently.

Gary Marsh and Keith Parker have been over-night visitors.

Sally Brown, Skipper O'Neil and Tommy Baldwin have been all day visitors.

Other morning or afternoon attendants have been Grace Elizabeth Moore, Shirley Ann Moore and Billie Bruce Berkhof.

We are having lots of fun playing in the leaves.

A Halloween party is being planned also a birthday party for Tommy Baldwin.

Chapel

We opened our chapel service this morning as usual with the Pledge of Allegiance to the flag. Miss Humphrey directed us in singing "America" and "Come, Thou Almighty King." Rev. Brazee was our speaker. His topic was "Who Is My Neighbor?" and his talk was very interesting.

Joan Ward, Reporter.

Girl Scouts

The Girl Scouts held their usual meeting Wednesday after school. The meeting was opened by a circle, and the color bearers were Louise Bowen, Dorothy Jean Brandt, Arlene Easton, and Joyce Service. The pledge of allegiance to the flag was given, and then all sang "God Bless America." The Girl Scout laws and pledge were recited. This year we have a new system for saving money for uniforms. Everyone who wishes to save for a uniform is given a card which has space for nickles, dimes, and quarters with green paper to be pasted over the coins. When completed, it forms a picture of a Girl Scout uniform.

Joyce Service was elected assistant and Mary Jane Cordray, scribe in Joan Lott's patrol. In Mary Lou Carlson's patrol, Marda Gene Duncan and Vivian Clark were elected. Plans for a Halloween party were discussed. The meeting was closed by singing Taps.

Wilma Hoagland, Reporter.

Mr Young's Classes

The 10th grade English classes have turned their attention to politics, and a strenuous campaign is in the offing. Each class has found a Republican and Democratic party. In accordance with parliamentary law, which the classes are studying at present, chairmen for both parties were elected and a secretary for each party. The two parties then proceeded to elect their campaign speakers for each side and to divide their party into working committees. Political sessions are held every day during class period. During this time volumes of papers, pamphlets and magazine articles are read in search of ammunition for each party speaker. By this time the campaign has become a school issue and before long each party will launch out in a last desperate effort to win a victory. It is planned that a mock election will be held after the speeches.

The 11th grade American History classes have just completed a survey of the American Revolution. The classes plan to call a halt now and spend a few class periods in the library reading more intensively about the social and economic conditions of the period.

The classes are taking a new current events paper this year entitled "The American Observer." Because of the unusual state of world affairs, current events have an added interest this year.

Sixth Grade
Mrs Smith - Teacher

In gym Mrs Bliel is teaching us the Virginia Reel. We enjoy the dance very much.

Friday 99 per cent of our room had A in spelling. We are very proud of our record, and next week we hope to get 100 per cent.

Mrs Smith gives us a period of reading each week, and we have chosen a book to read.

Jim Sisson and his helper have put more dates on our date line.

In English we are studying well-chosen words.

Room helpers this week are Louise Wilson and Dorothy Jean Brandt.

Reporters, Martha Hewlett and Wilfred Waldron.

Third Grade - East Branch
Mrs Truesdale - Teacher

The following mothers have visited school this year: Mrs Elmer Buehrer, Mrs Kenneth Johnston, Mrs Jack Collins, Mrs George Bailey and Mrs Harold Gorrell. We appreciate the interest they have shown in our work, and we hope many other parents will visit us soon.

Jimmy Weller has made a very good miniature long house. Much interest has been shown in painting Indian pictures at th easel also.

The second grade entertained us with a movie of "The Johnny Cake" this afternoon. We enjoyed it very much.

First and Second Grades - East Branch
Miss Borgards - Teacher

Our discussion of various methods of transportation has led to a particular interest in airplanes. We have brought to school many pictures of them, as well as pictures of boats, trains, buses, and trucks. These we are using for a large poster. Our sand table is to be converted into an airport. We are also planning a large airplane in which we may ride.

The first graders feel quite grown-up since they are reading from their "Dick and Jane" books. The second graders made a talkie-movie of the story of the "Johnny Cake." We played it for the boys and girls in Mrs Truesdale's room.

Mrs Hoag, Constance's mother, visited us this week. We were pleased to have her and welcome mothers at any time.

Kindergarten - West Branch
Mrs Updike - Teacher

Sue Carol Tomezak has joined our morning group.

We are busy getting ready for Halloween. Large pumpkins and many black cats decorate our room. We are planning on having a party and bringing our smaller brothers, sisters, and friends.

Hoyt and Circle No. 4, with Mrs Lucy Kelly as the hostess. The devotionals service was lead by Miss Louise Martiny. Mrs C. L. Kimball had charge of the business session. Mrs F. R. Kaiser was named recording secretary to fill the vacancy caused by Mrs S. W. Caldwell's resignation. The program on "Stewardship" was arranged by Mrs. J. D. Hause and articles were given as follows: "Meaning and History of Stewardship," Mrs C. D. Starrett; "Stewardship in Life Today," Mrs C. L. Hause; "Personal Stewardship," Miss Eleanor Wellwood; "Local Stewardship," Mrs F. R. Kaiser.

Bible Class Meets

The Methodist Friendly Bible class held its October meeting in the church social room beginning with a potluck supper at 7 o'clock Thursday evening. Mrs Frank Harrison conducted a short business session in which members were asked to take their gifts for a "Sunshine Box" to Mrs Harrison's home on or before next Monday.

The class plans to begin the study of the book on China entitled "Dangerous Opportunity." Mrs Everett Manchester and Mrs W. E. Goings gave talks on one of the home arts, "Weaving." The meeting November 28 is to be held with Mrs Mary Clark.

Rofferty - Johnson

Mr and Mrs Elmer Johnson of north of Clinton announce the marriage of their daughter Mary Etta Johnson to Grant Rofferty of Detroit which took place October 12. They will reside in Detroit.

The young people of the Methodist church have organized and have elected Don Allen, president; Lillian Wright, Marian Clack, Robert Schmidt and Geo. Simons, vice presidents; Joyce Hindes, secretary and treasurer.

William Schneirla will speak on "Cultural Opportunities in Clinton," at the regular meeting of the Clinton Culture Club this afternoon. Mrs Fay Van Nest and Mrs Nellie Fabrique are the hostesses.

Rev. and Mrs W. H. Skentelbury returned Friday from Akron, Ohio, where they attended a mid-western missionary meeting.

William Phillips has been ill for some time south west of town.

Esli Froelich and family have moved to Ann Arbor.

Burial services were held here last Wednesday for Mrs Minnie French, who was brought here from Jackson for burial in Riverside cemetery. Mrs French was formerly Minnie Jacob and lived in Clinton for many years.

The Child Study Club will meet November 5, with Mrs J. S. Hartman.

Miss Amelia Glatz is a patient at University hospital in Ann Arbor.

Mrs F. W. Hogan has returned from Bellefontaine, Ohio.

STATE DENTAL BILL

This is an important message to you, Mr. and Mrs. Consumer.

Michigan has a model statute governing the use of advertising.

It fully protects the consumer against misuse of advertising by false or misleading statements of any kind.

Newspapers are ready at all times to keep their advertising columns clean from such abuse. Merchants likewise do not wish to mislead the consumer with inaccurate statements which result only in ill will and loss of patronage.

The economic freedom of the consumer depends largely on his or her ability to get truthful information. Is there any justification for a scheme to rob you of this right; to prohibit telling the truth?

State Proposal No. 4, the Dental Bill, would deny the consumer this important privilege. It would prohibit the telling of prices. It would encourage other groups to work for special legislation to restrict competition.

It would evade the American system of justice by court and jury. It would deny to both consumer and business man the freedom of truthful advertising.

Consumers, Guard your rights!

Defend the right to tell the truth, as judged by court and jury, and as safeguarded against abuse by the Michigan false advertising law.

This is the American way!

THE TECUMSEH HERALD

NINETY - FIRST YEAR— NUMBER SIX. TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 7, 1940. FIVE CENTS PER COPY.

DEM LANDSLIDE REELECTS F.D.R.

TECUMSEH AND COUNTY REMAIN REPUBLICAN WHILE MICHIGAN GOES TO DEMS

In another sweeping victor, in some sections paralleling the Democratic landslide of 1936, Franklin Delano Roosevelt was elected to a third term as president of the United States, Tuesday. With returns from a few states as yet incomplete, President Roosevelt is believed to have captured 433 of the nation's 531 electoral votes, leaving only 11 states in which Wendell L. Willkie, his Republican opponent, was victorious.

The popular vote, however, shows that Mr. Roosevelt slipped materially from his 1936 vote in rural areas throughout the nation and that the G. O. P. standard bearer ran a far better second than did Alfred Landon, four years ago. Incomplete returns show that a shift of a little more than 2,000,000 votes might have given to Mr. Willkie the popular ballot, latest figures giving Mr. Roosevelt a total of about 25,000,000 to Mr. Willkie's 19,000,000. Mr. Willkie's defeat, however, was decisive and for the first time in the nation's history, Mr. Roosevelt, as president, will begin serving a third term in the White House next January.

Mr. Roosevelt's heavy popular vote, felt most strongly in industrial and urban centers, won administration control of both the national House and Senate. In the Senate it is believed that the Democrats will control 57 seats and some 222 in the House.

Michigan, until four years ago considered a solid Republican state, slid into the Democratic column on Tuesday as a result of the heavy New Deal vote cast in Detroit and Wayne county. Michigan's rural vote was definitely republican, but lacked strength to climb over the immense pile of ballots cast in Greater Detroit.

It was the strength of Detroit and Wayne county and other large urban centers that won a victory for Murray D. Van Wagoner over his Republican incumbent, Governor L. D. Dickinson. Van Wagoner won two to one over Dickinson in Wayne county, while the state race was close, the Governor conceded Van Wagoner's success on Wednesday.

Returns early this morning also indicated that Wayne's strength swept into power all other Democratic candidates for state offices except Vernon Brown, auditor general, and Harry Kelly, secretary of state. This will give Michigan Frank Murphy for lieutenant governor, Raymond Starr, attorney general, and Theodore Fry, treasurer.

U. S. Senator Arthur H. Vandenberg, seeking re-election, held a commanding lead of 100,000 or more over his opponent, Frank FitzGerald. Incomplete returns, it was said, could not possibly spell his defeat.

Earl C. Michener of Adrian, despite open opposition from the Townsend Club, won an easy victory over his Democratic opponent, R. M. Burr, Ann Arbor. It will be Mr. Michener's 11th term in the House, and it is believed that his popular vote will be the largest he has ever received.

In Lenawee county, electors voted about two and a half to one Republican and returned all county officers for another term. Lenawee cast approximately 24,000 ballots on Tuesday, about 4,000 more than at any time in its history. J. J. Hammond was named as prosecutor, Roscoe Scott, sheriff, Robert King, county clerk, Harry Bradley, treasurer, Leonard Warner, register of deeds, Archie Bruce, drain commissioner, Ed Braun and Paul Mott, coroners, and Walter Frazier, surveyor. On the non-partisan ballot, Maurice Tripp was elected without opposition as probate judge, and Henry Fischer, circuit court commissioner.

Some 500 of Tecumseh registered voters failed to cast their ballots Tuesday, and as a result this township rolled up only 1,638 votes. The township was definitely Republican, casting 1,864 straight G. O. P. ballots as compared to 334 Democratic. In not a single instance did a Democratic candidate receive a majority.

Voting here started early in the morning and was heavy throughout the day, due to the keen interest, Mrs. George Meads, sr., So. Evans street, aged 80 years last April, cast her first ballot in Tuesday's election, while descendants of the McLain family, who have voted in Raisin township for 108 years, this year voted in Tecumseh. Since the last election the McLains have moved from Raisin to Tecumseh, breaking the long record.

Tecumseh's vote on the four proposed constitutional amendments shows that Nos. 1 and 2 were defeated, while there was a favorable vote on Nos. 3 and 4.

The fourth amendment, however, the so-called dental law, carried by only 11 votes here.

In the county, the first amendment was defeated by a four to one vote, number two by a 11 to eight vote, the third lost by about 200 votes, while the fourth carried by about 1,500 votes.

Complete tabulations of Tecumseh's vote on Tuesday will be found elsewhere on this page.

JOHN BOYD 68, DIES SUDDENLY

FUNERAL SERVICES HELD HERE YESTERDAY FOR WELL-KNOWN RESIDENT

John Boyd, aged 68, well-known local resident, died Saturday afternoon at 3:10 at his home on West Logan street, after a week's illness. Mr. Boyd suffered a slight stroke October 26 but had improved rapidly and had walked down town the day before his death.

Deceased was born October 9, 1872, in New York state and was a son of John G. and Mary Boyd, natives of County Antrim, Ireland. He came to this community when a young man and on December 25, 1893, was married to Cora Van Deventer of Milan. They spent their early married life near Britton moving from there to Tecumseh about 25 years ago. Mr. Boyd was a member of the Tecumseh I. O. O. F. and Rebekah lodges and of the Presbyterian church.

Besides the widow he leaves one brother, Sam Boyd of Saline and one sister, Mrs. Lizzie Boyd of Britton.

The funeral was held Wednesday afternoon at the Belding Funeral Home, Benj. Beasley of Britton officiating. Burial was made in Brookside cemetery.

Local Youth Injured In Hunting Accident

Nelson Hoekstra, 18-year-old son of Mr. and Mrs. Frank Hoekstra, was brought to Tecumseh hospital Saturday afternoon following a hunting accident which occurred near Macon.

Nelson and James McClure, also 18, were returning from hunting and Nelson had removed the shells from his gun before climbing into the automobile. James was unloading his gun when it discharged, the shot lodging in Nelson's right foot.

Funeral This Morning For Mrs. Martha Byrd

Mrs. Martha Byrd, wife of George Byrd, died Monday evening at her home on East Pottawatamie street after several months illness.

Besides her husband she leaves four daughters, Mrs. Hattie Tolley, Mrs. Mary Peckham and Miss May Byrd of Adrian, and Mrs. Doris Sneyd of Tennessee; four sons, Robert, Harrison, William and Dayton of Adrian; also three brothers and three sisters in Tennessee.

The funeral services will be held this (Thursday) morning at 10 o'clock at Belding Funeral Home, with burial in Palmyra cemetery.

COUNCIL MEETS

The regular monthly meeting of the village council was held on Monday evening, S. Henry Smith, president-pro-tem presiding in the absence of Karl M. Schneider.

Current bills were audited and ordered paid and reports of the several departments and committees were read and placed on file. O. M. Powell was granted permission to build a building at the rear of 316 N. Pearl street.

Bids were received by the village for the building of a new pump house at the "west" wells and also for pumps and machinery were referred to an engineering firm for tabulation. The council will meet next Monday evening to listen to the engineer's reports.

HIP BROKEN

Mrs. Jacob Dowell of Tipton fell in her home last Wednesday breaking her left hip. She was brought to Tecumseh hospital.

Six Lucky Names To Get Theatre Tickets

Somewhere in this issue of The Herald are six lucky names, entitling six subscribers to The Herald to free admission to see one of the four coming major attractions at the Strand theatre.

Look for your name—it may be in the news column, it may be in the advertisements—but somewhere you'll find six names and the announcement that they will receive the free tickets. The lucky winners may call at The Herald office within a week and receive tickets that will admit them free to any one of these coming attractions: "Boys from Syracuse," "Girl From God's Country," "The Sea Hawk," and "Public Deb No. 1."

There are no strings attached to this offer. All you need do is discover your name, call at The Herald for the pass, and become the guest of The Herald and the Strand at the show. It's a fine game, a game that your friends will enjoy, too. Look this week and every week to see who wins the tickets. If you don't win this week, maybe you'll be lucky next time. But don't fail to look.

Wendell L. Willkie An Easy Winner In School Election

Wendell L. Willkie, defeated Republican candidate for the Presidency at the national polls, Tuesday, was an easy winner in an election conducted by Tecumseh high school students on the same day.

The students of four grades, ninth to twelfth, inclusive, participated in the election and Mr. Willkie received 127 votes to President Franklin Roosevelt's 92. Governor Dickinson was defeated by Murray Van Wagoner by a vote of 108 to 112. Other returns showed: Keyes, 128, Murphy, 70; Kelly, 149, Card, 71; Rushton, 121, Starr, 86; Flynn, 132, Fry, 79; Brown, 134, Dotsch, 82.

Officers in charge of the polls were from the senior class and the sophomore class staged an assembly program made up entirely of campaign speeches. Bob Laidlaw, Joyce Judson and Malcolm Bagshaw spoke for the Democratic party, and Jack Osburn was chairman. Republican speeches were made by Corleone Hunt, Karl Schneider, Jr., and Don Winters. The chairman was Don Brazee. Bob Mohr of the junior class, was in charge of the election.

The students conducted their campaign speeches in true political fashion and only once was there a slip of the tongue and this made by Bob Laidlaw. After he had "pleaded" for the President's re-election to a third term he concluded by urging a solid vote for Mr. Willkie.

Prof. J. K. Pollock Talks To Monday Club

Prof. J. K. Pollock of the University of Michigan, Ann Arbor, was speaker at this week's meeting of Tecumseh Monday Club, using as his topic, "Current Problems." INDIANS READY FOR BLISSFIELD

TECUMSEH TO PLAY LAST GAME OF GRID SEASON HERE ON FRIDAY AFTERNOON

The seventh and last game of the gridiron season for Tecumseh high school will be played here tomorrow afternoon when Coach Neville Hart's Indian Warriors meet the Blissfield high school team at Athletic Park. The game will be called at 3:15 p. m.

Although school spirit is running high in favor of a victory, dopesters believe that Blissfield is the favorite. Previously, Blissfield defeated Morenci and Morenci defeated Manchester, and both Morenci and Manchester have defeated Tecumseh. The Warriors, however, point to the close score between Tecumseh and Morenci, and declare that the game will not be conceded until the final gun has sounded.

Last Friday, playing in a sea of mud at Athletic field, the Tecumseh team took it on the chin when they lost to Morenci by a score of 7-6.

The game opened with Tecumseh kicking to Morenci. The first quarter was run without event, save Carlson's mighty drive through the Morenci line. The second quarter started with the ball in Tecumseh's possession, first and 10 on their own 28. The second half had more plays than any other single quarter played by Tecumseh this year. On the 32nd play of the quarter, Wilson standing on Morenci's 42, uncorked a pass completed to Mohr for a touchdown. On the conversion the pass from center was bad and the point failed.

At the start of the half Mohr kicked off for THS to Morenci whose receiver carried the ball 20 yards back to his own 40. On the 11th play of the third quarter, Boyer of Morenci, threw a pass to Van Wagner complete for a touchdown. The conversion was run around end and the score stood at 7-6. The third quarter turned into a punting duel and the fourth a great deal of passing was done by both teams. However, neither scored and the game ended with the final score of 7-6 in favor of Morenci.

Tecumseh made 12 first downs, Morenci 3. Tecumseh completed 4 forwards and Morenci 2. Tecumseh punted 4 times and Morenci 8. Tecumseh intercepted 1 forward and Morenci 2. Tecumseh fumbled twice.

Mrs. Marian Witherell Dies At Clinton Home

Mrs. Marian Augusta Witherell, aged 88 years, died Sunday morning at her home north of Clinton in Manchester township.

She leaves two sons Alvinza Witherell at home and Herbert D., of Chelsea, a brother Edward Hunt of Tipton, a sister, Mrs. Elizabeth Cobb who resides in northern Michigan, one grandson and a great-granddaughter.

The body was brought to the Hause Funeral Home in Clinton where funeral services were held Tuesday afternoon, Rev. Mr. Jenkins of Manchester officiating. Burial was made in Reynolds Corners cemetery west of Clinton.

ANNUAL CHURCH FAIR TO BE HELD NOV. 14

Mrs. Fred Marsh has been appointed general chairman for the annual fair and chicken pie supper to be held Thursday, November 14, at the Presbyterian church. Other committees assisting Mrs. Marsh are Mrs. E. M. Linger, supper; Mrs. W. J. Penman, dining room; oprons, Mrs. Glenn Van Denbergh, Mrs. Leon Rosecrans and Mrs. John Nyland; baby booth, Mrs. Curtis Ashley, Mrs. Carlyle Mason, Mrs. C. Beach and Mrs. Robert Manchester; fancy work, Mrs. Al Helzerman and Mrs. John Carson; candy, Miss Mary McWilliams and Mrs. Earl Lindsley; baked goods, Miss Rebecca Preston, Miss Mary Whitelock and Mrs. Alfa Gage; counter, Clyde Bailey and Fred Rector; fish pond, Mrs. Clyde Bailey's Sunday school class.

HUSBAND AND WIFE ARE CRITICALLY HURT

Mr. and Mrs. Edwin Gall of Ridgeway are in a critical condition at Tecumseh hospital, following an automobile accident Friday evening when their car collided with a truck near Palmyra.

Mrs. Gall's legs were broken and she suffered serious chest injuries. Her husband suffered serious chest injuries and several cuts and bruises about the head and face.

MUMAW - BURNETT

Glen V. Mumaw, son of Mr. and Mrs. Harry Mumaw of Tecumseh and Miss Alma Burnett of Adrian were married Sunday afternoon by the Rev. Harley Bowerman at his home in Birdsall. They were attended by Miss Eva Mumaw and Dale Cregeer. Following the ceremony a reception for 35 relatives was held at the home of the bride's parents.

They will reside on a farm near Tecumseh.

It Pays To Advertise, Believe It Or Not

Last February, Mrs. Joseph Russell, then Miss Emma Lowe, lost a purse in Tecumseh and advertised the same in The Herald.

The purse has just been returned, all articles intact; the same amount of money, although in different denominations. The purse was placed in a tobacco box wrapped and addressed to Miss Lowe at 115 South Union street, and left between the door and screen door at the home of her sister, Mrs. Louis Schneider at the above address.

Although delayed a bit, Mrs. Russell wishes to thank the finder.

Captains Are Chosen In Red Cross Drive

Mrs. Edna Codling, local Red Cross chairman, has appointed the following captains to assist in the annual roll call being conducted in the village.

The county drive will open November 11. Mrs. Alta Lidke is captain of the north-west section; Miss Elizabeth Chase, the north-east section; Mrs. E. E. Berry, the south-west section; Mrs. Fred Marsh, south-east section; Mrs. Frank Buck, business district and Mrs. Pearl Elliott, the factory district. They will be assisted by various workers.

National Historian To Speak At D. A. R. Meet

Mrs. Ralph E. Wisner of Detroit, will be speaker at the regular meeting of Abi Evans chapter, Daughters of the American Revolution, to be held Friday, November 8, at the home of Mrs. R. A. Heesen. Mrs. Wisner is national historian of the C.A.R., and state chairman of the junior American citizens committee of the D. A. R., and will speak on "Americanism." A dramatization of The Star Spangled Banner will be presented by a cast composed of Mrs. Eugene Fisher, Mrs. Virgil Deming, Miss Helen Claus and Miss Marion Whelan.

The assistant hostesses are Mrs. Athol Brainard, Mrs. C. E. Fisher and Miss Marion Whelan.

AN OVERDUE REALIZATION

In the midst of the tragedy of the current bombing attacks upon great European cities there are many lessons to be learned for this peace-loving nation. One there is in particular that is likely to be neglected in favor of more dramatic but less valuable truths.

It might be well for us to ponder, three thousand miles away from the scene of these dreadful episodes, that the main intent in dropping high explosive bombs is to strike terror into the civilian population. And those who direct the raids consider they have been most successful when they hit a power plant, a gas main, a busy factory, or some other example of industry's work — things which people seldom appreciate until the shock of their destruction creates a new sense of their importance.

Thus, in cruel fashion, a suffering people learn a lesson that it is to be hoped this peaceful nation will never have demonstrated to it; that, if the contributions of industry are taken away, it is a dark and intolerably different world in which man finds himself.

The extinction of the electric light, the cutting of the gas supply or the telephone—the sudden disappearance of things to which we have become so accustomed that we make use of them without giving them a thought — should bring vividly home to us their real importance. And with this should come a new sense of the importance of industry, which has created these things, and continues to create them; and which now in addition is called upon to play so crucial a role in our great national defense effort!

School Notes

RIDGEWAY SCHOOL NOTES

Wendell Birdsall is a new boy in the kindergarten.

The kindergarten is learning nursery rhymes and making nursery pictures for their rooms at home.

The first grade has been making Vegetable Booklets, including "Alice Apple" "Tony the Fruitman" and "Johnny the Vegetable man. They have been learning the things that are good for them as well as their pets to eat.

The second and third grades are making Hygiene Booklets. They are learning about vegetables, fruits and other foods that helps to keep them healthy. They are also making Birthday Booklets to help learn the names of the months.

The fifth grade is learning to use the Encyclopedia, so they may be able to know more about certain topics mentioned in their text-books.

The primary people have their room decorated for Holloween. They had a party Wednesday afternoon, to which their mothers were invited. Prizes were given for the funniest and cleverest costumes.

Miss Mary Ann Collinge of M. S. C. was here for a visit and to help us with our singing. Ridgeway Districts 3 and 6 with their respective teachers, Mrs Geraldine Beal and Miss Thelma Younglove, were also present. Everyone enjoyed her visit.

Lysle A. Des Ermia Releases A Statement To The Public . . .

A decision has been reached regarding the fate of this store. A sudden and unexpected condition has arisen that has forced us to take unprecedented action. The ever increasing business in our Furniture and Appliance departments—Our unbounded faith in the future of Tecumseh and Lenawee County—We believe that 1941 will bring to Tecumseh—to Lenawee County—to the entire state an era of greater prosperity — This all has encouraged us to make these drastic reductions — Our Dry Goods - Ready to Wear, and Shoes must be completely sold out to the bare walls to make room for our New and Greater Furniture and Appliance Store. It's been years since Tecumseh has seen a spectacle like this . . . the deliberate and merciless slaughtering of this stock will make valuegiving history.

So, now after 8 years of fair and square dealing with the Tecumseh public, we make this New and Modern change — For this all we do thank you Mr. and Mrs. Lenawee County and Vicinity.

Signed: LYSLE A. DES ERMIA

LEGAL NOTICES

ORDER OF HEARING — CLAIMS

State of Michigan, County of Lenawee, ss. Probate Court for said County.

At a session of the said court, held at the probate office, in the city of Adrian, on the 25th day of October, A. D. 1940.

Present, Hon. Maurice E. Tripp, Judge of Probate.

In the matter of the estate of ELLEN McLAIN, Deceased.

It is Ordered, that the 30th day of January, A. D. 1941, at ten o'clock in the forenoon, at the Probate Office in the City of Adrian, be and is hereby appointed for the hearing, examination and adjustment of all claims and demands against said estate; creditors of said estate are required to present their claims in writing and under oath to this court and serve a true copy thereof upon Fulton McLain, as executor of said estate, whose address is Tecumseh, Michigan, not less than *twenty days prior to the date set* for said hearing.

It Is Further Ordered, that notice thereof be given by publication of a copy of this order for three consecutive weeks, within thirty days from the date hereof, in the Tecumseh Herald, a newspaper printed and circulating in said county.

MAURICE E. TRIPP,
Judge of Probate.

Probate Register. Nov 14

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY
Order Of Publication

WILLIAMS OIL COMPANY, a Michigan Corporation,
Plaintiffs,
vs.
J. KIMBALL and MRS. J. KIMBALL, her Christian name being unknown; JESSE KIMBALL and MRS. JESSE KIMBALL, her given name being unknown; HANNAH M. RUDE, FLORENCE M. ROBERTS and C. MAY HATHAWAY, or their respective unknown heirs, legatees, devisees and assigns, and EMMA L. WELLS,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, in said County, on the 23rd day of October, A. D. 1940.

PRESENT: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause, it appearing from the Bill of Complaint on file therein, and the affidavit of Henry R. Jewett, attached thereto, that the Defendants above named, or their unknown heirs, legatees, devisees and assigns are proper and necessary parties defendant in the above entitled cause;

And it further appearing to the Court that after diligent search and inquiry, it cannot be ascertained, and it is not known whether the above named Defendants, or their respective unknown heirs, legatees, devisees and assigns are living or dead, or where they, or any of them, reside, if living, or whether they, or any of them have heirs, legatees, devisees and assigns, or whether they have personal representatives, and further that the names of the persons included herein, without being named, under the title of unknown heirs, legatees, devisees and assigns, could not be ascertained after such diligent search and inquiry,

It further appearing that Emma L. Wells, one of the above named defendants, is not a resident of the State of Michigan, but her last known place of residence was Woodsdale, city of Wheeling, and State of West Virginia,

On motion of Henry R. Jewett, attorney for said Plaintiff, it is ordered that said Defendants, and their unknown heirs, legatees, devisees and assigns, cause their appearance to be entered in said cause within three months from the date of this order, and it is further ordered that a copy of this Order of Publication be served by Registered Mail, with a return receipt demanded, on the said Emma L. Wells, directed to her last known postoffice address, Woodsdale, Wheeling, West Virginia.

It is further ordered that this order be published according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Alice M. Welch,
Deputy Clerk of the Court.

Notice is hereby given that the above case is brought and a Decree sought to quiet title to the real estate situated in the City of Hudson, County of Lenawee and State of Michigan, described as follows, to-wit:

Commencing at the South West corner of Lot Number One (1) in Block Number Five (5) on the Plat of the Village (now City) of Hudson, as surveyed by Joseph Gibbons; thence East along the North line of Main Street Twenty-three (23) feet; thence North parallel with the West line of said Lot, Eighty (80) feet to an alley; Thence West along the South line of said alley Twenty-three (23) feet to the East line of Lane Street; Thence South along the East line of said Lane Street Eighty (80) feet to the place of beginning.

and to correct the description in the West Twenty-three (23) feet of said premises.

HALLOWEEN OBSERVED

Tecumseh's civic celebration of Halloween, last week Thursday evening, attracted scores of children and adults in the fun parade, the dance at the high school gymnasium, and at the bonfire and cider festivities at Central School Playground. Prizes were awarded to costumed participants in the parade in several classes, and gallons of cider and dozens of doughnuts were consumed by the hungry youngsters. But true to agreement, there was little or no damage done to property in the village on Halloween night.

PRE-NUPTIAL PARTY

Miss Janet Colegrove of Tecumseh and Miss Margaret Pierson of Jackson were guests of honor at a pre-nuptial tea party given last Sunday by Miss Mary Louise Sharkey at her home in Jackson.

THE TECUMSEH HERALD

NINETY - FIRST YEAR— NUMBER SEVEN. TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 14, 1940. FIVE CENTS PER COPY.

COUNTY'S DRAFT QUOTA NOW 436

LENAWEE TO FURNISH SIX IN IN FIRST CALL AND REMAINDER BY JUNE 30, '41

LANSING, Nov. 14—Six Lenawee county men will answer the first call for training under the nation's selective service act, and the county will furnish a tentative quota of 436 men by June 30, 1941, according to an announcement at the Michigan Draft Board headquarters here. In the first call, Michigan will furnish 627 men this month, and a total of 47,282 before June 30, next.

From Adrian, headquarters of the Lenawee Draft Board, A. D. Billings, chairman, has estimated that volunteers will fill the county's first quota. However, he said that 2,000 Lenawee registrants would be questioned and classified before next June. He is of the opinion that at least three-fourts of local registrants may be exempted for dependents or other reasons.

Reports say that the Lenawee board already has received requests from 12 registrants, asking that they be placed at the head of he draft list. It is believed that at least six of the number will be physically fit for service, filling the first quota. For the second call, expected in December or January, the board must dig into its classified list for registrants.

Questionnaires Coming

At the draft board headquarters in Adrian it was said that questionnaires soon would go forward to Lenawee men who have volunteered that they may ready for the first call. When other questionnaires will go forward, they did not say.

The Herald herewith prints another list of Tecumseh men and men from this vicinity who have been given order numbers by the board. The numbers show in what order questionnaires will be dispatched from the Adrian office:

Union Thanksgiving Service Here, Nov. 21

The annual union Thanksgiving Day service will be held on Thursday morning, November 21, beginning at 10 o'clock and closing at 11 o'clock, at the Tecumseh Friends Church. The speaker will be Dr. S. J. Harrison, the new president of Adrian College. Rev. E. M. McGehee will offer the invocation. Rev. E. F. Hildebrand will lead in the responsive reading. The scripture lessons will be read by Rev. E. R. A. Green, and prayer will be offered by the Rev. O. V. Robinson.

As is customary at the union Thanksgiving Day service the offering received will be given to the Tecumseh Welfare Service.

WARRIORS LOSE TO BLISSFIELD

TECUMSEH DROPS LAST GAME OF SEASON WITH SUGAR BOYS' VICTORY, 24-7

Coach Neville Hart's Tecumseh high school Warriors lost the final game of the 1940 grid season last Friday to Blissfield, by a score of 24 to 7. Out of seven scheduled games, Tecumseh won two and lost five, leaving Manchester and Blissfield tied for first honors.

Although Tecumseh did not make an excellent scoring and winning record during the season, it must be remembered that the Indians had only three lettermen in the line-up and that whatever skill the team displayed in the seven games was gained entirely through nightly practice, and on the playing field. Fans who followed the team throughout the season were happily surprised with the progress that was made between the opener at Hudson and the closing game, last Friday, and are firmly of the opinion that next year's eleven will present a new record in league honors.

Losing only three men this year through graduation, the Indians will have a complete backfield at the beginning of the 1941 practice. The line will be short three men, but these positions will be capably filled with second string men with 1940 experience.

In the Blissfield game here last Friday, Blissfield had a field day in the third quarter, making three touchdowns but failing each time to convert the point. In the fourth quarter, Tecumseh ran up a seven point score and Blissfield, in the last minutes of play, succeeded in making another six points. The Indians made eight first downs to Blissfield's seven. They completed three forward passes to the Sugar Boys' two. There was one penalty, to Blissfield, for roughness.

Funeral Here Monday For John Adams, 76

John Adams, aged 76 years, well known resident of Tecumseh, died early Saturday morning at his home on East Chicago Boulevard after a few weeks illness, although he had been in failing health for over a year.

Mr. Adams was born in North Wales and came to the United States when a small boy with his parents who settled on a farm east of Britton. In 1888 he married Sarah Smith of Dundee who died in 1921. Later he married Beulah Dibble of Cone who survives. He lived on a farm southwest of town for a number of years, moving into Tecumseh about 16 years ago.

Besides the widow, he leaves one son Clarence Adams of Birdsall, a brother Maurice Adams of Pioneer, Ohio, one sister Mrs. Martha Packard of Tecumseh and several nieces and nephews.

The funeral was held Monday afternoon at Belding Funeral Home. Rev. E. F. Hildebrand officiated and burial was in Brookside cemetery.

CHILD STUDY CLUB TO DO RED CROSS WORK

The Child Study Club met Monday evening at the home of Mrs. Leland Randall with Mrs. Homer Colson and Mrs. Roland Mohr, the assisting hostesses.

During the business session it was voted to do Red Cross work and also give a Thanksgiving basket if needed, for which Mrs. was made chairman of both committees. Mrs. Keith Barron was leader of the program which consisted of talks on "What Is Discipline About" by Mrs. Walter Nixon, and "Companionship of Books" by Mrs. Walter Pfaus. Mrs. Barron also conducted a quiz on "Know Your Tecumseh Streets." Refreshments were served in conclusion.

The next meeting will be held November 25 at the home of Mrs. Winthrop Winfield, with Mrs. Hugh Andrews and Mrs. Sam Sisson the assisting hostesses. Mrs. Percy Bowen will be leader of the program and Mrs. Carl Cederquist will talk on "Good Routine for Pre-School Age."

TALKS ON EDUCATION

W. L. Berkhof, superintendent of schools here, gave an illustrated talk on education at the regular noon-day luncheon meeting of the Rotary club, Tuesday at the Boston Lunch. Albert Bagshaw was admitted to membership in the club.

ELECTRIC STORE OPENS SATURDAY

WILL CARRY COMPLETE LINE OF APPLIANCES; ALSO SERVICE AND REPAIRS

Ray Sluyter, for five years an electrical contractor here, today announced that he would open his new store, Sluyter's Electric Shop, at 139 East Chicago boulevard, Saturday.

The new store will carry a complete line of electrical appliances, including radios, stoves, ranges, washers, refrigerators and water heaters, as well as lamps, toasters, percolators, and other equipment. It will feature only such equipment as is associated with the use of electricity.

Mr. Sluyter came to Tecumseh from Milan and during the past few years has built up a large electrical contracting and repair business. This he will continue in connection with his new enterprise, servicing and installing the equipment he sells in addition to his general repair work.

The home of the store, recently purchased by Mr. Sluyter, has been completely repaired and remodeled to suit his convenience. Associated with him in the business is Bill Muir, his brother-in-law, who will act as store manager. Mr. Muir formerly resided in Detroit and Grand Rapids, and for nearly 15 years was employed by General and Western Electric.

Ogden Girl Is Bride Of Lyle W. Calhoun

A wedding of charming simplicity was solemnized last Saturday afternoon in the home of Mrs. Leone Engel, in Ogden, when her step-daughter, Miss Gladys Engel, became the bride of Lyle W. Calhoun, son of Mrs. Herbert Williams of Holloway, in the presence of 25 close relatives and friends. Miss Gwlla Claypool of Adrian was bridesmaid and J. Leslie Calhoun, a cousin of the groom, was best man. Mrs. John Calhoun, aunt of the groom, played the wedding march from Lohengrin as the bridal group descended the stairs and took their places before an improvised arch latticed in pink and white, and banked with potted plants and chrysanthemums. A white wedding bell hung suspended from the arch where Rev. Mr. Hopkins of the Ogden Christian church awaited them and performed the single ring ceremony.

Immediately following the ceremony a wedding dinner was served by Mrs. Lawrence Williams of Holloway, Miss Esther De Clark of Ottawa Lake and Miss Eleanor Fogelsong of Ogden. A beautifully decorated three-tiered wedding cake topped with a miniature bride and groom centered the bride's table.

The couple plan to reside in the Engel home, and Mr. Calhoun will continue his work in Adrian where he is employed.

They left on a short trip to points in Ohio, returning Sunday evening when Mr. and Mrs. Herbert Williams entertained at a reception in their home in their honor. Guests present were Mr. and Mrs. I. W. Calhoun of Detroit, Mr. and Mrs. William Pugard of Monroe, Mr. and Mrs. Everett Exelby of Ann Arbor, Mrs. Leone Engel of Ogden, Mrs. W. R. Calhoun of Milan, Mrs. Jennie Baird and daughter Melba and Mr. and Mrs. J. C. Righter and family of Adrian, Mr. and Mrs. Royal McElroy, son William and daughter Arcella and Mrs. Carrie Mellow of Britton, Mr. and Mrs. J. L. Calhoun and son Leslie, Rev. and Mrs. D. S. Carmichael, Miss Esther De Clark, Mr. and Mrs. Lawrence Williams and the honored couple.

Six Lucky Names To Get Theatre Tickets

Somewhere in this issue of The Herald are six lucky names, entitling six subscribers to The Herald to free admission to see one of the coming major attractions at the Strand theatre.

Look for your name—it may be in the news column, it may be in the advertisements—but somewhere you'll find six names and the announcement that they will receive the free tickets. The lucky winners may call at The Herald office within a week and receive tickets that will admit them free to one of the coming attractions.

There are no strings attached to this offer. All you need do is discover your name, call at The Herald for the pass, and become the guest of The Herald and the Strand at the show. It's a fine game, a game that your friends will enjoy, too. Look this week and every week to see who wins the tickets. If you don't win this week, maybe you'll be lucky next time. But don't fail to look.

Pump House And Pumps Ordered By Village

The village council, in an adjourned session Tuesday noon, authorized the construction of a new water pump at the west wells at the south end of Union street, the work to be done by the H. Bender Construction Co., Toledo, at a cost of $1,484.80. New pumps to be used at the wells were ordered from a Detroit firm at a cost of $4,000.

The new wells at the west side location will augment Tecumseh's water supply, the demand for service having been greatly increased during the past months due to stimulated building activity.

The council also granted permission to C. W. Gilman for the building of an addition to his building at 108 W. Logan street. Current bills were audited and ordered paid and reports from committees were read and placed on file.

FORMER MICHIGAN MASTER PLEADS FOR UNITY AT TECUMSEH MEETING

Lenawee County Pomona Grange met Thursday at the Tecumseh Grange hall with the local organization as hosts.

John C. Ketcham of Hastings, a past master of Michigan State Grange, was speaker on the afternoon program using "National Defense" as his topic and urging unity in the United States.

An impressive memorial service for the late C. H. Bramble, master of Michigan State Grange, member of Tecumseh Grange and former resident of Tecumseh, was conducted by Tecumseh Grange under the direction of Howard Matthews. Mrs. Fred Sheldon read Mr. Bramble's favorite poem and Mrs. Jennie Law Hardy presented a picture of Mr. Bramble, a gift of Mrs. Bramble, which was unveiled by his daughter, Mrs. A. E. Brainard of Springville. Two of his favorite songs "The Little Brown Church in The Vale" and "God Bless America" were sung by the group and Mrs. Don Cleveland closed the ceremony with the benediction.

During the business meeting reports of the convention were given. Mrs. Sullivan Johnson of Morenci was installed as a member of the executive committee as a committee of five was appointed to arrange the schedule for passing the traveling gavels. The cup for the largest attendance was won by Gorman Grange and for the largest percentage of members present by Tipton Grange.

Announcement was made of the Masters and Lecturers Club meeting to be held November 26 at the Adrian Grange hall. The next meeting of Pomona Grange will be held at the Fairfield Grange hall.

Athletic Field Survey To Be Made For W.P.A.

A survey of Tecumseh new athletic field, just north of the high school building, by Walter Frazier, county surveyor, was approved by the county board of education, in session here this week. The survey has been requested by the Works Progress Administration, and will show the proposed location of stands, tracks, etc. The district is seeking WPA assistance in connection with the field improvement.

The board announced that it would sponsor poultry lectures at the high school this winter, and approved a list of periodicals to be purchased for the library.

A report of the treasurer showed the receipt of $983 from the agricultural fund, $698 from the home economics fund, $450 for distributive education, and $90.50 for some building sold from the athletic field.

ALBERT TESKE ENDS OWN LIFE

WORRY OVER FAILING EYESIGHT, DUE TO INJURY, BLAMED FOR SUICIDE

Albert Teske, 39, ended his own life here yesterday by choking himself with a rope. His body was found soon after noon, and Coroner Ed Brim of Adrian, returned a verdict of suicide.

Mr. Teske suffered serious injury to his eyes, April 6, when plaster fell into them. On Monday, he made a final trip to Ann Arbor, where specialists told him that they could do nothing more to aid the return of his failing eyesight. About noon on Wednesday he left his home on South Division street, to go to the village dump. He had not returned when the children came from school for lunch and Mrs. Teske, who could see his parked automobile from their home, asked them to call him. They found a note in his car which they returned to the mother. It told where his body might be found, over a hill and a short distance from the automobile.

Leon Gurtzweiler and Charles Hooton, neighbors, discovered the body about 12:30 and summoned Dr. Ralph Helzerman, Policeman Rubert Arnold and Deputy George Isaacson. Mr. Teske, despondent because of his partial loss of eyesight, was dead, and Coroner Braun returned the suicide verdict.

Mr. Teske was born in Raisin township. He had lived in Tecumseh 12 years and had been employed at the Quaker Oats plant here for 11 years. He had been unable to work, because of hand injuries, for the time previous to his eye injury. A few week's ago he returned to work only to suffer a nervous collapse.

Survivors are the widow formerly Mabel Harris, four children, Robert, Richard, Esther and Norma Lou, his father August Teske, two brothers, Otto and Ernest Teske, all of Tecumseh and a sister Mrs. Edward Underwood of Birdsall. His mother died about seven years ago.

The body was removed to the Belding Funeral Home where funeral services will be held Friday afternoon at 2 o'clock. Rev. O. V. Robinson will officiate and burial will be in Raisin Valley cemetery at Birdsall.

Rev. Fr. John Ross Is Monday Club Speaker

The Rev. Fr. John Ross of Clinton was the speaker at this week's meeting of Tecumseh Monday club, held Monday afternoon in the Methodist church parlors, using "Americanism" as the subject of his address. The speaker was introduced by Mrs. S. L. Wyman.

Mrs. H. H. Loveland of Abi Evans chapter, Daughters of the American Revolution, led the group in the flag salute which was followed by assembly singing of patriotic songs under the direction of Mrs. R. S. Moore. In conclusion Mrs. Wyman read George Washington's prayer.

After the program tea was served, Mrs. E. D. Brown, regent of the D. A. R., and Mrs. B. A. Warren, president of the American Legion Auxiliary, pouring, at a table decorated with tiny flags. Mrs. Jack Smith and Mrs. H. H. Hammel were hostesses.

WED IN DEERFIELD

Ansyl J. Louden, son of Mr. and Mrs. Forrest Louden of Tecumseh and Miss Thelma Marie De Shetler, daughter of Mr. and Mrs. Ralph A. De Shetler of Deerfield were married Saturday morning at St. Johnsons church in Deerfield by the Rev. Fr. George H. Kerby.

Following the ceremony a wedding breakfast was served to 40 guests at the home of the bride' parents and in the evening a reception was held, 125 attending.

Mr. and Mrs. Louden will reside in Adrian where he is factory superintendent for H. W. Tuttle Co., and Mrs. Louden is employed by the Tri-County Telephone Company.

FAIR NETS $155 PROFIT

The Methodist Ladies Aid Society made a profit of $155 from the annual fair held Thursday at the church. Mrs. E. F. Hildebrand was chairman of the affair and wishes to thank all who assisted in any way to make the affair a success.

The ladies met Friday at the home of Mrs. W. G. Waldron for their regular monthly business and social meeting and planned to buy new dishes for the church kitchen.

A new heating plant is being installed at the church this week.

WIT-WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening November 18, at the home of Rev. and Mrs. E. F. Hildebrand with Dr. and Mrs. H. H. Loveland and Mrs. H. R. Conklin the assisting host and hostesses.

FEDERATION MEETING

The board meeting of the Lenawee County Federation of Women's Clubs will be held today in the auditorium of the Adrian library.

Officers Are Chosen By Tecumseh O. E. S.

Tecumseh chapter, Order of the Eastern Star, held its annual meeting Thursday evening and elected the following officers: Mrs. Louise Lott, worthy matron; John R. Lott, worthy patron; Mrs. Alice Hamilton, associate matron; Warren Benham, associate patron; Mrs. Belva Weichner, conductress; Mrs. Ledah Beal, associate conductress; Miss Grace Gillespie, secretary; Mrs. Lynn Harris, treasurer.

Reports of grand chapter sessions in Grand Rapids and the county association meeting in Monroe, were given by Mrs. Thelma Frayer. Mrs. Gladys Russell of the local chapter was elected second vice president of the county association.

Musical selections and refreshments concluded the meeting.

STORMS DEATH TOLL IS HEAVY

MONDAY'S GALE WORST IN DECADE; DAMAGE IN TECUMSEH'S AREA IS SLIGHT

Riding in on a gale that in some sections reached a velocity of 60 miles an hour, Michigan and half a dozen other states in the west and mid-west on Monday were lashed by one of the most severe wind and rain storms of the decade, taking a death toll that may reach well over 100 and doing property damage estimated in the millions. The storm also sent temperatures tumbling from the late 60's to the 21-below-zero mark in Minnesos, and to 13 degrees above freezing in Michigan and Lenawee county.

The heaviest death toll due to the storm came in reports from Lake Michigan shipping, where it was feared that two freighters and two fishing tugs had foundered Monday night with a total death list of at least 65. Other fatalities were caused from falling buildings and trees and motor accidents throughout the area.

Michigan's heaviest wind damage was suffered in the vicinity of Detroit where buildings were unroofed, farm barns blown down, and the WJR radio tower tumbled at a loss of $60,000.

Except for failing trees, disrupted telephone and electric service, and a few unroofed buildings and broken windows, Lenawee county and Tecumseh escaped the worst of the near-cyclone. Street lights in Tecumseh were out of order on Monday night, and in some sections telephone lines were down. A tree in the Fred Dickinson yard on N. Maple Lane was blown down, and another toppled at the Edith Ingersoll home on W. Kilbuck. Trees on the Whitmore property, E. Pottawatamie street, were damaged, and another was partly destroyed at the Mrs. R. A. Heesen home, W. Chicago boulevard. Sign boards on M-50 west of here were flattened, and the Cyclone Fence Company's property, S. Evans street, suffered some damage. There were numerous reports of broken windows and roof damage. At the Henry Kujawa farm, Rt. 1, a tool shed was blown off its foundation.

William Wright Weds Miss Ruth B. Thatcher

William A. Wright, son of Mr. and Mrs. Donald F. Wright of Tecumseh and Miss Ruth Bird Thatcher, daughter of Mr. and Mrs. F. E. N. Thatcher of Muskegon Heights, were married at St. Paul's Episcopal church in Muskegon, Thursday afternoon by the Rev. John Coolidge.

The bride, who was given in marriage by her father, wore a gown of ivory moire taffeta, made princess style, with sweetheart neckline, long sleeves and train, and a fingertip veil. She carried a white prayer book and white orchids. Miss Mary Wright, sister of the groom, was bridesmaid, Mrs. Garfield C. Thatcher, matron of honor and Carol Thatcher, flower girl. Stanley Spencer of Clarkston attended Mr. Wright and the ushers were Glenn Rice of Flint, Charles Dietrich of Lansing, George Margett of Detroit, William Mier and Garfield Thatcher of Muskegon.

Following the ceremony a reception for 100 guests was held in the Thatcher home.

Mr. and Mrs. Wright left on a short trip to Chicago and on their return will take up residence in the home of Dr. R. G. B. Marsh on West Logan street.

The bride is a graduate of Jackson high school and of the School of Pharmacy at Ferris Institute in Big Rapids. Mr. Wright is a graduate of Tecumseh high school, Kenyon College at Gambier, Ohio, and Ferris Institute and also attended the University of Michigan in Ann Arbor. He has recently become a partner with his father in the C. A. Wright & Son drug firm.

Mr. and Mrs. D. F. Wright, Mr. and Mrs. Alan Bell of Tecumseh and Mrs. Julia McClure of Pittsburgh were among the guests at the wedding.

GRANGE MEETS TONIGHT

Tecumseh Grange will meet tonight (Thursday) for installation of recently elected officers. Mr. and Mrs. Eldene Clement and Miss Margaret Ash are in charge of refreshments.

STATE'S VOTERS ARE INDEPENDENT

MICHIGAN MUST BE RECKONED WITH ON ELECTION DAY IN THE FUTURE

By Gene Allman

LANSING, Nov. 14—The Michigan voter is getting quite a reputation for political independent thinking.

A skeptic might call it "vacillation." We think otherwise.

There are enough voters on the "fence," so to speak, to turn the tide one way or another. These persons constitute a system of checks and balance that must be reckoned with on election day.

Murray D. Van Wagoner, governor-elect, carried 25 out of 83 counties and accumulated in Wayne county a commanding lead of more than 200,000 to wind up the state total with a plurality of 130,000.

Approximately one-half of these counties were in the Upper Peninsula. The others were of two classifications: Industrial and tourist.

Industrial centers which went for Van Wagoner were Detroit, Saginaw, Pontiac, Muskegon, Monroe, Manistee, Flint, Battle Creek and Bay City. Tourist counties on the Van Wagoner list include Crawford (Grayling), Cheboygan and Presque Isle. Upper Peninsula counties went heavily for the Democratic ticket. (Nearly complete returns).

Bi-Partisan Control

Results of the Nov. 5 vote indicate that while the governor and lieutenant governor will be Democratic, the remainder of the state administration with the sole exception of state treasurer will continue under Republican control.

The legislature will be dominated by Republicans, enough so to give the party a two-thirds majority over possible votes.

Harry F. Kelly, secretary of state, and Vernon J. Brown, auditor general, were favored in the voting. Herbert Rushton, Republican nominee for attorney general, slipped through for a photo-finish margin.

The state administrative power, the so-called "executive committee" for state business, will be divided 50-50 between Democrat and Republican officeholders. With an individual less popular and less persuasive than Mr. Van Wagoner, the split might prove nearly disastrous, it will be recalled, however, that the highway commissioner was remarkably successful in dealing with Republican legislators in past

EVERY MEMBER CANVASS PLANNED BY ST. PETER'S

Next Sunday the annual fall Every Member Canvass will be held in St. Peter's Episcopal Church. Every member and adherent is requested to make a special effort to attend the 11:15 morning service. The order of worship will be holy communion and sermon. Sermon subject: "The Christian's Use of Money." The canvass teams will make a corporate communion. In the afternoon they will call upon every member and adherent of the parish to receive the pledges for the ensuing year. Sufficient teams have been secured so that the whole parish membership can be covered in the one afternoon.

Friday night, November 15, there will be a dinner meeting for all the teams. The exact hour and place will be announced to them by postal card. Calls will be assigned and final instructions given. Lester Rogers is chairman.

GET NEWS OF DEATH

Word has been received here of the death of Mrs. Edward L. Anderson which occurred November 4 at her home in Grosse Isle. Mr. and Mrs. Anderson lived in Tecumseh at one time when Mr. Anderson was superintendent of the Uncle Sam Macaroni Co., now the Quaker Oats Co. Her husband and two children survive.

SLEEP FOR SAFETY

Now and then as you drive along the highway you notice a truck or car parked just off the road and the driver napping in the car or under a nearby tree. Such drivers possess good sence in taking time to relax and sleep a while instead of perilling their lives and those of others by attempting to drive when sleepy.

Dr. Brant Clark of the University of Southern California, a psychologist, experimenting on the effects of long periods without sleep, says that one of the greatest effects is the impairment of vision when the body is tired. Lack of sleep causes bad perspective, slows the eye movements and causes poor color judgment. It makes one insensible to noise and even gives a high degree of insensitivity to pain.

In cases where people maintain they have gone for years without sleep, it is found that such persons doze off while resting, even though they do not realize it. Experiment has proved that the utter exhaustion produced from going without sleep causes death.

INTERDEPENDENCE

Henry Ford says both farming and manufacturing must prosper in order that either may prosper. Neither can be sacrificed for the other. Farmers must be able to buy the things the manufacturer makes, and the manufacturer must be able to buy the things the farmer raises. They are interdependent. Ford points out that in their products, manufacturers are more and more using farm crops. He mentions soybeans in the process of building cars as better and less expensive than materials formerly used. In a practical—not sentimental—way Ford says developed uses of farm crops by manufacturing industries will take care of the problem of surpluses. As farmers find out the kinds of crops for which the greatest demand exists, they will govern their planting accordingly. Ford predicts that "raw materials in the near future will come from annually grown crops instead of from nature's forest and mineral resources." The best kind of farm relief, says Ford, is greater utilization of farm products in the industries which are largely dependent on farmers for support. In this achievement, toward which much progress has been made, "we shall," says Ford, "all march together to a greater prosperity than we have ever before enjoyed." He insists that city and farm dwellers must move forward abreast.

STATE'S VOTERS

(Continued From Page 1)

sessions.

Another result of the election is the turning of power from rural to urban forces. For a generation at least Luren D. Dickinson has been a symbol of rural Michigan. A co-incident in this change was the sudden death of Dickinson's personal advisor, Grove Rouse, manager of the Michigan Motor Bus association, just 48 hours after Dickinson's defeat at the polls.

Willkie Victory

The Gallup poll through the Institute of Public Opinion had forecast a 51-49 victory in Michigan for Wendell L. Willkie. And the final returns vindicated the prediction to a fraction of 1 per cent.

The Willkie plurality, small as it was, served only to emphasize the significance of the Van Wagoner victory which was a triumph of independent voting and not, by any stretch of the imagination, a Roosevelt "coat-tail" victory.

The Democratic nominee for governor led the president by approximately 30,000 votes.

Here are some of the counties which gave a majority to Willkie and yet turned to the Van Wagoner column: Saginaw, Oakland, Monroe, Manistee, Crawford (Grayling), Calhoun (Battle Creek) and Cheboygan in the Lower Peninsula and Iron and Keeweenaw in the Upper Peninsula.

Because of the Republicans' "anti-boss" fight at the Grand Rapids convention in September, observers have scanned the returns carefully to detect any sign of a bolt in Wayne or Kent counties, or even in Genesee county. The Roosevelt-Van Wagoner and Willkie - Dickinson votes were nearly identical in each case. There had been some rumors, prior to the election, that a "trade" was under way to sell out Dickinson for Van Wagoner in favor of Willkie. Yet the actual returns seem barren of such substantiation.

A Possible Clue

Now that the fighting is over, amateurs and professionals alike are chipping in their "30 cents' worth" of analysis as to why the voters did as they did.

Here is ours.

Plausible, at least, is the following theory which seems to fit logically the situation at hand.

The Michigan outcome, like the national outcome, is a result indirectly of the record-smashing, history-making activity of one man—Herr Hitler!

Last spring the domestic failures of the Roosevelt administration — deficits, unemployment, labor dissatisfaction — pointed to a popular reaction in November. Even immediately after the June conventions the Gallup polls showed Willkie leading by a majority of electoral votes over Roosevelt.

Something happened to turn public opinion.

And that occurrence was not political propaganda — persuasion by words—but historical events.

"Overwhelming"

The unexpected fall of Holland, Belgium and France to the Nazi military juggernaut shocked American opinion out of its isolationist complacency.

Threatened with a possible loss of the British fleet, our only safeguard in the Atlantic ocean, Congress appropriated billions in a frantic rush to re-arm and adopted military conscription to provide man-power for the arms.

The Republican convention turned from Tom Dewey to Wendell Willkie under the belief that the needs were paramount for a "strong man," Democrats renominated President Roosevelt who immediately emphasized the foreign situation and our need for national defense, and thereupon declined to leave the capital for more than 12 hours' traveling distance.

Graphically the fall of France, an event over which we had little control, if any, changed the destiny of the United States.

Just as the destruction of the Maine and the sinking of the Lusitania proved to be turning points in the state of public opinion in two previous wars, the accumulation significance of the destruction of Czechoslovakia, Poland, Denmark, Norway, Holland, Belgium and France set into motion an almost irresistible trend in American public opinion.

On Sept. 1, the Institute of Propaganda Analysis, discussing America's attitude on the war, observed: "In discussion of propaganda the fact is frequently overlooked that events shape public opinion no less than words. Not only do the events serve to dramatize what the propagandist is saying, even more important their import upon our ideals, our prejudices, our fears and our desires is sometimes overwhelming."

Strong Men

Faced with a pending crisis in the trial of Mr. Hitler, the voters turned to President Roosevelt because he was strong in years of experience in handling national affairs.

Michigan's part in national defense is perhaps greater than any other state other than New York; defense contracts have exceeded the half billion mark and are still mounting.

The same trend favored Van Wagoner, a man in his early forties, against Governor Dickinson, 81 years old. It was the vigorous Churchill as against the elder Chamberlain despite the latter's experience.

If this diagnosis be true—and we offer it humbly with no insistence that it actually is—then one man, some 4,000 miles away, months ago set into motion events which resulted finally in our choice of President Roosevelt for a third term and Murray D. Van Wagoner for governor of Michigan.

Perhaps the president was right when he commented that this was a "funny campaign."

Ridgeway

Ransom - Johnson

Clair Ransom and Miss Frances Johnson were married at Britton Sunday.

W. E. Benham and Jennings Frayer left yesterday for the upper peninsula on a hunting trip.

The Ridgeway school observed Armistice Day Monday. Rev. O. Priest of Britton was the speaker.

A new furnace has been installed in the Methodist church and was used for the first time Sunday.

Mr and Mrs Homer Frame of Columbus, Ohio, were week end guests of Mrs Lovina Gifford and Clair Ransome.

Mr and Mrs Garret Baker and family of Clayton and Mrs Barlow Wood and children were Sunday dinner guests of Mr and Mrs Harry Wood.

Mr and Mrs A. F. Mull and Mr and Mrs M. J. Mull of Adrian wee Sunday evening guests of Mr and Mrs H. McCarbery.

Mrs John Frayer is seriously ill.

The regular meeting of the United Workers will be held at the home of Mr and Mrs S. C. Easlick Tuesday evening, Nov. 19.

Mr and Mrs Edwin Goll are still in Tecumseh hospital as the result of an auto accident on M-50 near Ridgeway, Tuesday evening, November 5.

We enjoyed two days vacation this month while Miss Dibble attended the Detroit Teachers Institute.

We observed Columbus Day with a suitable program of songs, recitations and two plays. The primary grades gave "An Indian Play," while the older people gave "Columbus Finds A Way."

Mrs Van Wagner, Mrs Wm. Wilson and Mrs Cooper were our mother guests that day. We hope more mothers will come visit us at our work.

The ninth and tenth grades memorized the poem "Columbus" by Joaquin Miller. They illustrated each verse with suitable pictures and their booklets are on display about the room.

Chapel leaders for the month were Jean Munger and Jerry Filter. Mrs Alice Severy was our guest speaker. She gave us an interesting travel talk about places she had visited in the U. S. Mrs Doris Exelby beautifully sang "My Task." Mrs Albert Filter, Katherine Netcher, Luella Bishop and Miss Margaret Alice Exelby were additional guests.

The Ridgeway Citizenship Club planned their own Halloween party. It was held Thursday evening in the recreation room of the school. The following chairmen and their committes were busy at work: refreshments, Vera Chase; amusements, Eleanor Cadmus; decorations, Shirley Harvey. This was a masquerade party and each person could invite one guest.

The Girls Sewing Class under the direction of Mrs Dunbar have made attractive curtains for the recreation room. They are now making lunch clothes to be used at their parties.

We received our report cards this past month. Those of the upper grades who were neither absent or tardy for the first six weeks were Vera Chase, Jean Munger, Albert Todd, Wayne Dunbar, Evelyn Gall, Eleanor Cadmus, Richard Cadmus, Jerry Filter, Fred Peter, Raynor Spreeman and Dorothy Gittus.

Reporters, Geraldine Spreeman and Shirley Belle Harvey.

Holloway

Fairbanks - Gross

Miss Harriet Gross, niece of Mr and Mrs I. Lepley of Whitmore Lake, and Roland Fairbanks, son of Mr and Mrs Myrlen Fairbanks of Holloway, were married at 12:30 o'clock on Saturday, November 9, in their home at Whitmore Lake, in the presence of 20 relatives. The ceremony was performed by Rev. D. S. Carmichael, pastor of the Holloway Presbyterian church, and took place before a fireplace, decorated with evergreens, palms, and baskets of chrysanthemums.

Miss Joyce Fairbanks, sister of the groom, was bridesmaid and Roman Hess, brother of the bride, acted as best man.

Luncheon was served immediately following the ceremony and a reception was held from 2 until 4, in the afternoon in the Lepley home with guests present from Detroit, Lansing, Albion, Ann Arbor, Adrian, Holloway and points in Ohio.

Mr. and Mrs. Fairbanks reside in an apartment on the E. R. Rogers farm west of Holloway. The groom is employed by the Tecumseh Products Co.

Green - Kopke

The marriage of Miss Betty Kopke, daughter of Mr. and Mrs Kenneth Kopke, and Elwyn Green, son of Mr and Mrs Elmer Green, took place at 12 o'clock, noon, on Saturday, November 9, in the home of the bride's parents in Raisin. Before the ceremony the bride's aunt Mrs Carol German sang "Oh Promise Me," accompanied by Miss Sarah Humphrey of Tecumseh who also played the wedding march from Lohengrin.

The bride, preceded by her sister, Mrs Joseph Glenn, matron of honor, was met at the foot of the stairs by her father who gave her in marriage. They were met at the altar by the groom and his cousin George Elliott of Tecumseh, who was best man. The single ring ceremony was performed by Rev. William Skentelbury of Clinton, a cousin of the bride's mother, before the mantle banked with baskets of chrysanthemums and lighted wite tapers.

The bride was attractive in a gown of white duchess satin fashioned on princess lines with lace insets. She wore a fingertip veil and her flowers were white chrysanthemums. The bridesmaid wore a dress of dark red stehlis crepe and carried talisman roses and chrysanthemums.

After the ceremony, a two-course luncheon was served by six friends of the bride. The table was centered by a three-tiered wedding cake decorated with a miniature bride and groom.

The bride has been manager of the Magdalena Beauty Shop in Clinton for the past year. The groom is a graduate of the Ford Training School and is employed in the Electrical Maintenance Department.

They will reside in Dearborn.

Historical Thanksgiving

Many scenes have been written into American history since the first Thanksgiving was observed! Styles have changed. Laws have changed. Science and industry have made fast strides in every phase of business life.

Much has changed. But people remain the same—and today as generations ago, man's first thought is for his home and his family.

Why do you delay longer your decision to give your family greater security by building that home you have long dreamed about? You'll never regret it, and the money you are spending for rent will, in most instances, make your monthly payments.

Visit us this week, let us advise you on home ownership—show you how, with the aid of a federal loan, you too can become more independent.

School Notes

Chapel

As usual, our Monday morning chapel service opened with a salute to the flag. The first and last stanzas of "America" were then sung. Rev. Green gave a 25 minute talk in which among other things he told about his visit to the theatre where Abraham Lincoln was shot.

The service was closed with the singing of the first and last stanzas of "America the Beautiful."

Showcase

How are you able to go to school without tuition payments? The answer to that question is one of the main points brought out in the display in the showcase this week. It explains how the first schools were set up in America, how laws were passed to provide for schools, and how Michigan, Ohio, and the surrounding territory received money from the sale of sections of land to help run schools.

The display illustrates and demonstrates the seven purposes of the school. The first is to promote the student's health-to assist him in developing a strong mind in a strong body, in order to help himself and the community. This is done through games, sports, and gym work.

The second purpose is the mastery of fundamental subjects needed in the business of living. Some of these are the ability to read, and to speak and write correct English.

The third is to teach an appreciation of the purposes and importance of home life. This is taught in home Economics and other classes.

Fourth is the training for a vocation to serve others in your community and government.

The fifth purpose is training for citizenship. This is carried out in all classes as well as in outside activities.

Sixth is the training for the proper use of leisure time.

Seven is training in character. This includes honesty, truthfulness, prompt obedience, respect for the rights of others, cleanliness, purity of speech, generosity, self-control, kindliness, and industry. If the school has not carried this out it has failed in its training program.

Mr Mead was in charge of the showcase and was assisted by Mrs Smith, Miss Elliott, and Mr Johnson.

Reporter, Dorothy Bowen.

Girl Scouts

After much deliberation the patrols of Troop One of the Girl Scouts have decided on their names. They are Silver Swans and Jupiter. The members of the Jupiter patrol have also chosen names as follows: Neptune, Venus, Cranus, Pluto, Mercury, and Saturn. Troop One is making plans for a Harvest supper.

Troop Two started the year off with a bang by having a roaring Halloween party. Some new games and songs were learned. Miss Cole gave a talk on the traditions and uses of the flag. Next week they are going to pass their tenderfoot tests.

Wilma Hoagland, reporter.

P. T. A. Dance

The second P.T.A. dance of the year, sponsored by the Student Council, was held Friday evening, November 1, in the gym. Paul Johnson's orchestra furnished the music. A large crowd attended.

Mary Wickwire, Reporter.

Miss Elliott's Classes

On Thursday, Nov. 7, the debate team took part in the first of a series of debates. They debated with the Dundee team. The subject of the debate was "Resolved that the Power of Federal Government Should Be Decreased." Tecumseh took the affirmative side. The team consisted of Jack McConnell, chairman, Mary Lou Carlson, Dick Hammel, and Bob Larsen. Judge Fisher of Ann Arbor acted as judge and decided that Dundee had presented their side of the question best.

The eighth graders are reading "Treasure Island" and completing some projects, and the seventh grade is reading "Sandy McDonald's Men" by Ferd and also working on notebooks.

Reporter, Delee Perin.

Mrs Service's Classes

In English Literature the Seniors are studying Shakespeare's play "Macbeth." They have reached the exciting second act where Macbeth murders Duncan, the king of Scotland, in order to gain the throne.

The ninth grade English classes have just finished three short stories and are now reading the biographies of Mark Twain, Abraham Lincoln, and Mildred Babe Dickinson, the famous girl athlete.

Mrs Services Latin II class is translating excerpts from Pliny's writings dealing with Roman family life customs, and ideals of educations.

Reporter, Elva Mae Dickinson.

Mr Mead's Classes

The eighth grade American history classes are studying the life of the English Colonist in America.

The World History classes are completing the study of Rome and are about to start the study of the Middle Ages.

The ninth grade Citizenship students cooperated with the rest of the high school in the preparation for campaigning for the election here at school. They made the ballots and also the booths where we voted. We had separate booths so that the votes might be secret.

Doris Aebersold, Reporter.

Mr Young's Classes

The tenth grade English classes are at present quite interested in oral reports. They have been divided into groups, each of which will report on some experiences, a short play, vacations, book reviews, travelogues, or moving picture reviews.

Mr Young's American Literature class is reading novels dealing with the Revolutionary period. They are all planning to see the motion picture "The Howards of Virginia," for its relationship to their present study.

Reporter, Mary Lou Carlson.

Mrs Laidlaw's Classes

The Home Economic III class is working on a unit in Home Furnishings.

The things which they are making are as follows: dressing tables made from crates, chintz pictures, lamp shades, draperies and slip covers. They are also repainting the kitchen and apron cabinets, trimming them in red. They are learning how to make large rooms look smaller and small rooms larger.

The eighth grade Home Economics Classes are enjoying their family dinners. They are organized into seven families with four in each, and each family gives a dinner at a scheduled time. Each group plans its own meal, makes out the list of groceries needed and plans the work to be done. The day after the dinner they criticize the meal. The girls began to be a little noisy, so now they have a monitor system to keep better order.

Genevieve Dobel, Reporter.

Mr Johnson's Classes

In General Math. the students are studying multiplication of fractions. They have found out that they are weak in this kind of work.

Algebra students have just finished the chapter on simple equations and are now studying a new chapter, Parentheses.

In Geometry they have finished the chapter on triangles and are now working on parallel and perpendicular lines.

Joan Ward, Reporter.

Sixth Grade
Mrs Smith, Teacher

In our room we held an election for president, vice president, and other offices. The results were a tie for president with 19 votes each, and Mr Dickinson won for governor. We had four speeches two for Willkie, and two for Roosevelt.

In science we are studying what causes sound. We learned that sound comes from vibration. Mr Johnson talked to us about vibration Friday. His talk was very interesting.

In English we are using well chosen words. We are now writing, "The Flower Sellers of Paris."

In geography we are studying "The Union of South Africa."

The room helpers are: Colleen Davidson and Juanita Kerentoff.

Reporters, Martha Hewlett and Wilfred Waldron.

Second Grade - West Branch
Miss LaPointe, Teacher

We are now using our second grade readers and also our second grade number books.

Mrs Lawrence Lawson and Mrs LaRue Hart were visitors in our room recently.

Kenneth Tomezak who has been attending the East Branch school has moved to the west side of our town and is now enrolled in the west Branch school. Virginia Gregory has moved into another part of town and will attend the East Branch.

Shirley Bailey is absent from school on account of illness.

We voted on Election Day with the following result: 21 for Willkie and 9 for Roosevelt.

Kindergarten - West Branch
Mrs Updyke, Teacher

We have felt the need of a playhouse for our dolls. This week we decided where we would like to build it, and now we have it started. We also have a new chart that tells about all of the rooms in a house.

We have a November calendar on our black board. Many of us can find the date and also find where Thanksgiving day is. We are learning to count very well.

Macon

Pupils and teachers of the grade school enjoyed a half holiday Monday, Nov. 11

Ralph Halladay was in East Lansing last Thursday to attend the meeting of the Michigan Milk Producers Association as a delegate from this county.

Guests during the week end of Mr and Mrs Wm. O'Reilly were Mr and Mrs Earl Van Dusen of Rochester, N. Y., and Mr and Mrs Harry Pinkstone of Cleveland, Ohio.

The Community Club will meet with Mr and Mrs Clayton Bigelow Tuesday evening, Nov. 19. A potluck supper will be served at 7:30 o'clock.

Mr and Mrs Paul McClue were guests Saturday at the marriage of Mrs McClue's cousin Ansel Louden of Tecumseh to Miss Thelma Marie DeShelter, daughter of Mr and Mrs Ralph A. DeShelter of Deerfield which was solemnized at St. Alphonsus church, Deerfield, at 9 o'clock.

Did you ever hear about the author who submitted an article entitled "Why Do I Live?" The editor replied on a rejection slip, "Because you sent your writings by mail."

Mr. Sherrard was born in Tecumseh and in the 90's taught Greek in the Detroit schools where Mr. Pitkin attended classes.

SCHOOL NOTES.

Second Grade, West Branch
Miss LaPointe, Teacher

Eleanor Treat, who has been absent for nearly three weeks on account of illness, has returned to school.

The following have not been absent or tardy during October: Clara Bell Barnes, Shirley Bailey, Joleng Barron, Billy Baker, Owen Campbell, Ruth Covell, Larry Dreyor, Richard Haight, Elizabeth Hayden, Ila Jean Louden, Charles Nobles, David Ousterhout, Howard Pennington, Mary Potts, Nancy Wilson, Joan Hart.

Mrs Preckelton, Mrs Barron and Mrs Campbell were recent visitors in our room.

Mrs Earl Pennington entertained the second grade Friday afternoon honoring Howard's birthday.

West Branch, First Grade
Miss Smith, Teacher

We are making a book about Tom's Trip. Already we have seven pages completed. We enjoy making our own Pre-Primer as well as reading the stories in it and those on the self-help posters.

One reading class has finished their Pre-Primer "Dick and Jane" and is ready to start a new one.

We are busy making baggage for the baggage car and writing letters to be sent on our train.

Our attendance has been very good lately, practically one hundred per cent.

Kindergarten, West Branch
Mrs Updyke, Teacher

We enjoyed our Halloween party very much. Many of us were dressed up funny, and we went into the first and second grades to show them how we looked. For our party we had popcorn, apples, cookies, candy, and milk. Sue Carol Tomezak brought a pretty Halloween tablecloth for our little table.

Chapel

Rev. Escolme spoke at the high school last Monday, Nov. 4th, using Psalm 146 as his verse.

He brought out the thought that the Psalms have the same meaning for us today as they did hundreds of years ago when they were written.

He also pointed out that God's kingdom is everlasting, even if the world changes as it has, especially since 1914.

12 GET DRAFT QUESTIONNAIRES

SIX WILL BE INDUCTED INTO FEDERAL TRAINING SERVICE ON NOV. 28

Twelve Lenawee county men, volunteers for a year's military training under the nation's first peace-time draft law, have received questionnaires and will undergo physical examinations in the order of their draft numbers, preparatory to being inducted into federal service at Detroit, November 28. The County Selective Service Board at Adrian has announced that the first six of the 12 Lenawee men who pass the tests will go into training next week, Lenawee being required to furnish only six men for the first training period.

A county legal board, to aid registrants who soon will be filling out questionnaires for the second draft call, has been named by the Selective Service Board. This group, it was said, will assist the men with the questionnaires, helping them with questions they find difficult to answer. The board is made up of L. J. Hammond, James H. Baker and Floyd Meech of Adrian, Victor Klep of Hudson and Rex Christ of Blissfield. It also was said that any public officer or lawyer might be willing to help for according to the law, members of the board, notary publics, federal, state or municipal officers are authorized to administer oaths or witness affidavits without charge.

The 12 men who have volunteered for the first year's training are: Melvin B. Reed of Clayton, Leslie W. Kalberg of Adrian, Norbert L. Blanchard of Adrian, Page N. Kerbawy of Blissfield, Robert McNichol of Adrian, James F. Morse of Jasper, Harold J. Beal of Blissfield, Harold Fallon of Morenci, Morris C. Harris of Hudson, Jack L. Jordan of Adrian, Bernard M. Greenwald of Tipton and Howard Christy of Adrian.

Additional order numbers released by the Adrian board, showing the order in which questionnaires will be received by registrants in the future follows:

2059 Leland L. Ackley, Clinton
2069 James W. Brady, Tecumseh
2071 Lewis W. Giberson, Onsted, Rt. 1
2072 Wm. Slawson, Tecumseh
2074 Joseph R. Garno, Britton
2075 Wilson F. Spreeman, Britton, Rt. 2
2077 Marion E. French, Tecumseh
2081 Cecil A. Pawson, Onsted, Rt. 1
2088 Gordon W. McKee, Tecumseh
2086 Paul O. Howley, Britton

Benedict Asks No Pity For His Prison Term

Donald Benedict, Tecumseh high school graduate, one-time Adrian soft-ball star and former student at Albion College, was one of eight divinity students sentenced to serve a year-and-a-day in federal prison for refusing to register for the draft. Sentence was passed in the federal courts in New York last week, but the students held that they were confident that they were "doing the right thing."

All eight of the draft objectors were students at the Union Theological Seminary, New York. Because of the "year-and-a-day" sentence, it is believed that they will be eligible to parole after serving four months of the term.

Young Benedict, who during the summer was married to Miss Marjorie Hicks of Tecumseh, in a letter to his parents, who reside in Adrian, expressed hope that no one would have pity on the students as a result of the sentence.

"If only those who have pity on us would realize that what happens to us is beside the point but that it is the cause that counts," he wrote. "I am more and more convinced that our stand is the only one to take."

Mrs. Benedict, in a wire to relatives said that the judge in the case had been sympathetic, and had promised to keep the case open for developments. The Benedicts have been working in Newark, N. J., and it is likely that after the prison sentence has been completed, Donald and Meredith Dallas, a classmate who also was sentenced, may take up work in a conscientious objector's camp. Donald is in his second year of a three-year course at the Seminary.

M. E. A. MEETING

The Michigan Educational Association of Lenawee county will hold a district meeting at the Tecumseh high school gymnasium, Monday evening, November 25. Supt. W. L. Berkhof is in charge of the meeting which will be preceded by dinner at 6:30. Mrs. E. T. Armstrong, county school commissioner urges all rural teachers to attend.

PAST CHIEFS CLUB

Mrs. Lynn Harris and Mrs. E. M. Spangler will entertain the Past Chiefs club of the Pythian Sisters Tuesday evening, November 26 at the Harris home on W. Kilbuck street.

New Ford Factory At Manchester Is Among Village Industries To Begin Operation Soon

PLANTS AT WILLOW RUN AND MANCHESTER BRING TOTAL TO 18 IN FORD'S RURAL GROUP

DEARBORN, Mich. — Two new units in the Ford Motor Company's string of village industries — small neighborhood plants on rural waterpower sites within a 50-mile radius of the Ford Rouge plant—will be ready for full productive activity before January 1, the company announced today.

One of these small "factories in a meadow" is the Willow Run plant, located two miles east of Ypsilanti along the stream for which it is named. This unit will start manufacturing door and ignition locks for Ford cars about December 1.

At Manchester, 12 miles southwest of Ann Arbor, another village industry is being completed to start assembling automobile instrument panel "clusters" by the beginning of the new year. This plant is situated on the River Raisin.

The two new units bring to a total of 18 the number of such village plants producing small motor car parts for the parent Ford factory. They mark another milepost in the experiment started in 1918 by Henry Ford when he established the first village industry at Nankin Mills to help close the gap between farm and factory and also to help decentralize his mass-production operations.

In striking contrast to the immense Rouge plant, each of the village industries occupies a small building of its own in a picturesque setting near a small Michigan town. The plants fit with complete harmony into the landscape. Many of them occupy rehabilitated grist mills, originally built in pioneer days.

Photo shows Willow Run plant, near Ypsilanti, that will make door and ignition locks, and employ local labor. Power is furnished by a 10-horse water wheel.

A new plant was erected at Willow Run, adjacent to a lake created by the plant dam. It is a two-story structure of brick and concrete. The main section is 20x50 feet, with an "L" joining the north portion which houses the water-power turbines.

From neighboring farms and towns a staff of 35 young men have been enlisted to operate the plant. Company officials estimated that Willow Run would produce approximately 3,000 locks a day during normal operations.

The plant is a model of compactness and efficiency. Equipped to make locks all the way from brass castings to the completed unit, it has a small foundry with electric furnaces on the first floor. Brass is melted and poured into molds in this department. These castings, which become the body of the lock, are milled on the second floor. Even the tiny tumbler pins for the locks are made at the plant.

An unusual feature at Willow Run is its water turbine system. Electric power is provided by twin water wheels of 10-horse-

ALIENS WARNED OF FEDERAL LAW

MUST REGISTER ON OR BEFORE DECEMBER 26, OR FACE PENALTIES

Alien registration will end on December 26 and all non-citizens who have not yet registered are warned that severe penalties will follow failure to comply with this Federal law.

All aliens, 14 years of age and older, must register in person and be fingerprinted.

Alien children, under 14, must be registered by their parents or guardians.

Registration takes place at the postoffices.

There is no charge of any kind connected with alien registration.

The Department of Justice warns aliens to beware of racketeers.

The Postoffice Department and the Department of Justice will willingly assist the alien in every possible way.

Earl G. Harrison, director of alien registration of the department, suggests that those aliens who have not yet registered do so as soon as possible and avoid the Christmas rush at the post offices.

All aliens are also warned that, having registered, they are required to report any change in their permanent residence address within five days to the Immigration and Naturalization Service of the Department of Justice in Washington. Forms for this purpose are obtainable at all post offices.

No alien need be unprepared for the questions he will be asked. Sample registration forms which show him exactly what information he will need at registration are available in all post offices.

GUESTS AT LANSING

Lenawee county 4-H club members who completed their winter projects last spring and those who have completed the 1940 summer projects, will be guests of the athletic department of Michigan State College at East Lansing, Saturday, November 23, at the football game between M.S.C. and West Virginia. All local leaders and any parents furnishing transportation to the game will also be guests.

Tickets are available at the office of Louis Hall, county agricultural agent in Adrian.

INVITATIONAL DANCE

The first in a series of four invitational dancing parties will be held Thanksgiving night in Withcrell Hall, with Mrs. Vincent Haight, Mrs. Lois Schneider, Mrs. E. E. Berry and Mrs. F. C. Hanna the committee in charge.

The other parties in the series are a Christmas party, Valentine party and spring dinner dance.

NURSES TO MEET

The Lenawee District Nurses Association will meet tonight in the staff room at Bixby hospital in Adrian, when Dr. Carl Badgley of the University hospital in Ann Arbor will speak on "Orthopedic Nursing."

MEN'S CLUB DINNER

The Men's Club of the Methodist church met Tuesday evening at the home of Wilfred Waldron for a 6:30 dinner followed by business meeting and social hour.

Detroit Chemist Talks To Rotary On Vitamins

Paul Holton, Detroit chemist and manufacturer, was the guest speaker at the regular noon-day luncheon meeting Tuesday, of the Tecumseh Rotary club. The dinner was served at the high school by the girls of the home economics department, under the direction of Mrs. O. W. Laidlaw.

Mr. Holton's subject was vitamins, and he explained in detail the use of vitamins by doctors in an effort to cure many illnesses, including arthritis, neuritis, neuralgia, etc. Chemists are finding, he said, that wheat germ contains all B vitamins as well as minerals, and that its use is becoming widespread. Man's greatest need, due to modern food preparation, he declared, is vitamin B. This vitamin is in many instances practically eliminated from food due to processing. Mr. Holton was the guest of Perry Hayden, and his talk was both interesting and educational.

For the next four meeting, the Rotary club will be the guests of the school's home economics class, the sophomore girls receiving credit for "planned meals" by serving the Rotary luncheon. Mrs. Laidlaw told the club that the girls would not only prepare and serve the meals, but would purchase the food as well.

Dr. T. Rentschler and Donald Nixon were received into club membership at Tuesday's meeting.

Harry Titley, Aged 70, Franklin Farmer, Dies

Harry Titley, aged 70 years, a resident of Franklin township for many years, died Friday afternoon following a week's illness although he had been in failing health for several years.

Mr. Titley was born in England but came here while a young man. He later married Miss Zena Bailey whose death occurred in 1928.

He leaves five sons Herman and LeRoy of Tecumseh, Glen of Detroit, Grant of Monroe and Walter of Santa Monica, Calif., also five grand children.

Funeral services were held Monday afternoon at the Community church in Tipton, with Ralph Heuard officiating and burial in tipton cemetery.

BRITTON CHILD DIES AFTER SHORT ILLNESS

Frederick Allan Gamboe, four-year-old son of Mr. and Mrs. Maurice Gamboe of Britton, formerly of Tecumseh, died Sunday afternoon at Tecumseh hospital after a two week's illness.

His parents, two sisters, his grandparents Mr. and Mrs. Lavern Rankin of Dundee and Clifton Gamboe of Winchester, Ky., and a great grandmother Mrs. Fred Haystead of Dundee, survive.

Funeral services will be held this afternoon at 2 o'clock at the Niblack Funeral Home in Britton, with Rev. William Spencer of Toledo officiating.

C. A. R. MEETS SATURDAY

Mrs. O. W. Laidlaw and Mrs. Ned Baldwin are hostesses for the meeting of Charles E. Mickley Society of the C. A. R., to be held Saturday afternoon at Croswell House in Adrian.

Miss Harriett Simons of Marshall, state president of the society, will be a guest and the program will include music by Patty Hough and Marjory Hardy.

HEART ATTACKS KILLS HUNTER

P. B. O'BRIEN, 39, NIGHT POLICEMAN HERE, DIES AFTER SHOOTING BUCK

Percy B. O'Brien, aged 39 years, a resident here about four years, died suddenly of a heart attack, Friday, while on a hunting trip near Luther. He left here Thursday and with a cousin Wayne Bush, of Reed City, was visiting an aunt at Leroy and hunting in the vicinity. Mr. O'Brien had shot a deer a short time previous to his death. His body was found by Mr. Bush.

Mr. O'Brien, who was a member of the local night police force, had moved here with his family from Mobile, Ala., and made their home with an uncle, Richard Putnam, on North Maumee street. He had previously been a member of the U. S. Navy. He was born at Leetsville, Michigan, July 13, 1901.

Survivors are the widow Mrs. Alberta, Orben, two children Jerry and Patsy, his mother Mrs. Clara Forsythe of Chicago and his uncle Mr. Putnam.

The body was brought to Tecumseh Saturday and taken to the Collins Funeral Home where funeral services were held Tuesday afternoon. Rev. E. F. Hildebrand officiated and a military service was conducted by Underwood-Orr post, American Legion. The bearers were William House, Wayne Bush, Louis Schneider, George Isaacson, Bert Mominee and Edward W. Wilson. Burial was in Brookside cemetery.

Theatre Guild To Give Play Here, December 4

"The Case of the Laughing Dwarf," a mystery play in three acts by James Reach, and produced by special arrangement with Samuel French, will be presented by the Tecumseh Theatre Guild, Wednesday evening, December 4. The play will be given in the high school auditorium and is produced for the benefit of the local high school Girls Glee Club.

Fred'k Dickinson is directing rehearsals and the cast includes F. C. Dickinson, as the brilliant Inspector Britt; John McColl as Wing, his Confucius proverb speaking assistant, with Miss Opal Kerr in the leading feminine role as Georgia Divine, the hotel keeper. Others taking part are Bertha Mae Kring, Hugh Des Ermia, Kenton Hunt; Lois Anderson, Donald White; Ruth Falk, Frances Yerger and Jean Collins.

Tickets may be obtained from members of the Girls Glee Club.

SHAWNEE CLUB

The Shawnee Women's Republican Club will meet at Mrs. Nellie Luce's Cafe, in Tipton, on Saturday, Nov. 23, at 2 p. m. The Franklin unit, vice president, Mrs. Addie Lindberts, will be the hostess unit. For transportation apply to Mrs. Lindberts, or Mrs. Jenny Hardy.

FAMILY NIGHT

The Ladies Union of the Baptist church is sponsoring a family night observance at the church on Wednesday evening, November 27. Mrs. B. J. Roberts is general chairman and Mrs. N. D. Johnson of Morenci will be the speaker on the program to follow the pot-luck supper at 7 o'clock.

GRID BANQUET HERE NOV. 28

MOTHERS CLUB SPONSORS AFFAIR TO HURRY COMPLETION OF ATHLETIC PARK

A football banquet, honoring members of the Tecumseh high school grid team, and designed to give an impetus to the completion of the school's recently acquired athletic park, will be held next week Thursday evening at 6:30 o'clock in the high school gymnasium. The banquet and the program that follows is open to the public at a nominal charge.

Joe Holsinger, backfield coach at Michigan State College, East Lansing, an able after-dinner speaker and who is widely known for wit and humor, will headline the program. The Davis brothers of Dundee, members of the MSC team, also will be guests, and there will be movies of the Michigan-Purdue game.

The banquet is being sponsored by the Tecumseh Mother's Club, made up of 18 mothers who have sons on the high school grid team. The organization was formed this week at a meeting at the home of Coach and Mrs. Neville Hart. Mrs. Lyman Curtis was named as president, Mrs. L. A. Carlson, secretary, and Mrs. O. J. Winter, treasurer. The mothers are interested in the completion of the athletic park, and also in securing new uniforms for the players. They are of the opinion that there are enough public-spirited parents and friends of players in Tecumseh to support the well-aimed project. The eighteen mothers, in order to hold down expenses and to immediately swell the club's treasury, will prepare and serve the banquet, which carries the endorsement of Ray Whelan, president of the Parent-Teacher Association. Mr. Whelan also urged members of the association to attend, the banquet taking the place of the regular November meeting.

Committees in charge of the banquet are: Mrs. Karl Schneider, general chairman; Dinner: Mesdames Wilson, Mohr, Brooks, Shook, Allen, Jackson, Jewell, Packard, Leonardson and Sisson; Dishes and Silver: Mesdames Carlson, Brown and Dingle; Room: Mesdames Winter, Butler, Hart, Sisson, Ammer and Coffey; Publicity and Programs: Mesdames Carlson, Brown and Osborne; Decorations: Mesdames Wilson, Carlson, Oliver, Bagshaw, Schneider, Sisson, Jewell, Mohr, Winter, Curtis and Ammer.

Floyd Starr Will Speak To The Monday Club

Floyd Starr of Starr Commonwealth Home for Boys at Albion is to be the guest speaker at next week's meeting of Tecumseh Monday Club when Thanksgiving baskets and gifts will be brought by members fro the boys of the school.

The program at this week's meeting of the Club consisted of a book reviews: "How Green Was My Valley" by Mrs. W. L. Berkhof; "The Flowering of New England" by Mrs. J. O. Eaton, and "Gabriel's Search" by Miss Jane Elliott. Mrs. W. C. Fisher was program leader and Mrs. E. D. Brown and Mrs. Burtsel Claus, hostesses.

MISSION GUILD

Mrs. Wade L. Jones and Mrs. W. J. Penman will entertain the Florence Weld Mission Guild Monday evening at the home of the former on South Union-st. "The West Indies" will be the topic for study with Mrs. W. H. Harper as leader.

FIRE DAMAGES CAR

A fire which started in the motor of Earl Cook's automobile Saturday was kept under control until the arrival of the fire department, by Mr. Cook who threw flour on the blaze. The engine was damaged.

Six Lucky Names To Get Theatre Tickets

Somewhere in this issue of The Herald are six lucky names, entitling six subscribers to The Herald to free admission to see one of the attractions at the Strand theatre.

Look for your name—it may be in the news column, it may be in the advertisements—but somewhere you'll find six names and the announcement that they will receive the free tickets. The lucky winners may call at The Herald office within a week and receive tickets that will admit them free to one of the coming attractions.

There are no strings attached to this offer. All you need do is discover your name, call at The Herald for the pass, and become the guest of The Herald and the Strand at the show. It's a fine game, a game that your friends will enjoy, too. Look this week and every week to see who wins the tickets. If you don't win this week, maybe you'll be lucky next time. But don't fail to look.

Many Hunters Home From North With Deer

Hunters bringing home deer from the north woods during the week were Mr and Mrs. Clarence Damon, Clarence Bumpus, Elmer Buehrer, Floyd Russell, Glenn Tingley, Ralph Oliver, F. K. Smith, B. B. Turnbull, R. H. Moore, Carl McClue and C. W. Gilman.

Others who returned or are still in the north are A. W. Porter, Clarence Beach, P. G. Heidenreich, Howard Truesdale, George Isaacson and son George Jr., Ernest Oliver, C. R. Dustin, George Redding, Lynn Harris, Frank Gray, Charles Stevenson, Delmar Anderson, Jos. O'Pravil, W. J. Dr. S. J. Harrison

Dr. Harrison, president of Adrian College, will be the speaker at the Union Thanksgiving Service tomorrow, at the Friends Church.

Mrs. John Frayer Dies At Home In Ridgeway

Mrs. John Frayer, aged 67 years, died early Thursday morning at her home in Ridgeway after a long illness. She had been in failing health the past four years and on November 11, suffered a fourth paralytic stroke which resulted in her death.

Mrs Frayer was formerly Della Smith, eldest daughter of Thomas and Mary Jane Smith, and was born in Ridgeway township May 7, 1873. On September 30, 1894 she was married to John Frayer, also of Ridgeway township. They always made their home in this community.

Survivors are her husband, a son Forrest Frayer of Tecumseh, a daughter Mrs. Peter Wurm of Detroit, a sister Mrs. Sherman Staulter of Ridgeway, a brother Floyd Smith of Milan, four grandchildren and several nieces and nephews. Two sons Fayette, aged three years and Everett, who died in infancy preceded her in death.

Funeral services were held at the Niblack Funeral Home in Britton, Saturday afternoon. Rev. Norman McNaughton officiated and hymns were sung by Mrs. Forrest Weichner with Miss Kanous accompanying. Beares were John Foote, Will Beach, Percy Cadmus, Clifford Southard, William Spreeman and Douglas Baker and burial was in Ridgeway cemetery. Relatives and friends attended from Detroit, Milan, Petersburg, Adrian, Deerfield, Britton and Tecumseh.

Ridgeway Tenant House Is Damaged By Fire

Fire of unknown origin did considerable damage to the Morris Pennington tenant house in Ridgeway Sunday morning about 8:30. The blaze, which apparently started in the partitions, was confined to the interior of the house, it burned the stairway and living room badly and the furniture was damaged by smoke and water. The house is occupied by Mr. and Mrs. Snyder. Mrs. Snyder discovered the fire and called the Ridgeway fire department whose quick response saved the house with about a $200 damage which is covered by insurance.

TO MEET MONDAY

The Child Study Club will meet Monday evening at the home of Mrs. Winthrop Winfield on West Bidwell street, with Mrs. Hugh Andrews and Mrs. George Weller the assistant hostesses. Mrs. Percy Bowen is program leader and Mrs. Carl Cederquist will give a paper on "Good Routine for Pre-School Children."

WEDNESDAY PAPER

Because Thanksgiving Day falls on Thursday, November 21, The Herald this week publishes its paper on Wednesday, a day earlier than usual. Thursday publication will be resumed next week.

NOTICE

During my absence from Nov. 14th to Nov. 23rd incl., Dr. Claxton will be in charge of my practice.

UNION THANKS SERVICE HERE

ADRIAN COLLEGE PRESIDENT TO SPEAK AT FRIENDS CHURCH MEETING

Union Thanksgiving Services will be held tomorrow, Thanksgiving Day, from 10 till 11 a. m., at the Friends church, with Dr. Samuel J. Harrison, president of Adrian College, as the speaker. "Hope Thou In God," is the subject of his address. Dr. Harrison is making his first appearance in this community.

Dr. Harrison graduated from Albion College in 1917, from Northwestern University in 1919, and from Garrett Biblical Institute in 1920 and is one of seven in 90 years to receive the degree of Doctor of Sacred Theology at Boston University. He received this degree in 1931. He has served as missionary in China, and as principal of a boys' school there, also as secretary of the Conference Board of Education. He was also one of the founders of the Kuling summer school of Religious Education and director of the Wesley Foundation for two years. The past 10 years he has been professor of Bible and Religion at Albion College and when the merger of the branches of the Methodist church took place, he was chosen president of Adrian College. He is a member of the Detroit annual conference of the Methodist church and also of Rotary International.

Other ministers taking part are Rev. E. M. McGehee, invocation; Rev. E. F. Hildebrand, responsive readings; Rev. E. R. A. Green, scripture lessons and Rev. O. V. Robinson, prayer. The offering will be given to the Tecumseh Welfare Service.

As is customary in all Christian Science churches, a special Thanksgiving service will be held this (Wednesday) evening at 8 o'clock at the Christian Science Society on North Union street. Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help received during the past year.

Thanksgiving Day, November 21, there will be a half hour celebration of Holy Communion in St. Peter's Church at 9 o'clock in the morning. The usual service will interfere with the Union Service being held in the Friends' Church an hour later.

Mrs. Ernest Du Bois, Britton Resident, Dies

Mrs. Ernest DuBois, aged 68 years, died Saturday afternoon at her home in Britton after a long illness. Mrs. DuBois who was formerly Gertrude Kniffen, was born in Britton and spent her entire life there.

She leaves her husband and two brothers Leon Kniffen of Britton and J. L. Kniffen of Vallejo, Calif., also nieces and nephews.

Funeral services were held Tuesday afternoon at the Niblack Funeral Home in Britton, Rev. O. E. Priest officiated and burial was in Ridgeway cemetery.

Bird Flies Into Car; Driver Loses Control

Guy Grieves, who suffered a ruptured blood vessel in his right leg and a bad cut on his forehead in an automobile accident two weeks ago, is still confined to his bed. The accident occurred when a bird flew in his car window, striking him in the face and causing him to lose control of the machine which went into the ditch.

WED IN DETROIT

Miss Helen Louise Kelley, daughter of Mr. and Mrs. Henry Kelley of Tecumseh and Dwight Dale Bashaw, son of Mr. and Mrs. Henry Bashaw of Petersburg, were married in Detroit, Saturday, by Rev. Lutell, pastor of the Pryor Baptist church. They were attended by Miss Christine Miller, half-sister of the bride, and Robert E. Coffey.

The bride was a student of Tecumseh high school. Mr. Bashaw graduated from Petersburg high school in 1938 and is employed at Tecumseh Products Company. They will make their home in Tecumseh.

OIL STOVE BLAZES

The fire department was called to the Richard Putnam home on North Maumee street, Thursday, where an oil stove had caught fire. The blaze spread to the partition and caused slight damage. Mrs. P. B. O'Brien who lives in the Putnam home threw the stove out of doors and had the blaze nearly extinguished when the department arrived.

NEIGHBORHOOD CLUB

The Comfort Neighborhood Club met last Wednesday at the home of Mrs. Fred Anderson for an all day meeting with a pot-luck dinner at noon. Mrs. J. L. Calhoun led the discussion on "Different Dinners."

The December meeting will be held with Mrs. R. L. Cadmus and will be a social meeting with exchange of gifts.

AMERICA'S "WALLOP INDEX"

Now that this nation is really swinging into its national defense program, there is a good chance to look around and judge some of the factors that would give any possible aggressor pause before it —or he—went looking for trouble with the United States.

Examining the facts of the case, the conclusion is inescapable that it is the industrial might of this country that is our best insurance against getting embroiled with any other nation in the world. Col. Willard M. Chevalier, publisher of Business Week, has, for instance, collected some very pertinant statistics on this subject. Col. Chevalier has estimated America's "wallop index," based on the national capacity to produce the essentials necessary to carry on a modern war — items like coal, oil, steel, autos, and electric power.

"Setting at 100 the German capacity to produce these resources, our own capacity would figure at 242," he declares. "Stacked up against the totalitarian powers, the United States still has the edge despite the recent industrial and agricultural acquisitions of Hitler and his Axis partners."

Citing the steel industry as an example, the noted analyst continues: "The capacity of U. S. mills at the beginning of 1940 was 81,619,500 tons. This is nearly twice last year's output in Germany and the countries that have come under German control where mills were operating at a feverish pace. It is 50 per cent greater than the production of the Rome-Berlin-Tokyo axis; and it falls only 15,000,000 tons short of the output of the entire world outside the United States, but including Russian and the British Empire."

Industrial production alone does not make a country strong. National faith and national unity are vital, too. But when all work together, the result surely is foreordained.

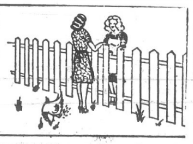
THIS BUSINESS OF Living

BY SUSAN THAYER



"HOW CAN I HELP?"

They sat around the supper table, at night, talking about it—like so many of the rest of us. It was often the first thing they spoke of in the morning when one of them brought in the paper, black with shocking headlines. And at bed time again, after listening to their favorite commentator they discussed it:—What could they do, as individuals and as a family in defense of America in these critical times?

The father of this family was over-age for military service; the son was under. The mother had a full time job with her family and her home and the daughter was still in school. But there were other things besides this to do; things vital to the very spirit of America. And it was of those things they thought and talked—and finally wrote in a book which every patriotic American should read!

It is called "How Can I Help?" and outlines in 47 straightforward pages what you and I and millions of other Americans can do for our country at this time when the rest of the world seems to be going to pieces around our ears and when we ourselves are, for te first time in history, seriously threatened.

Don't expect anything spectacular of this little book with its red, white and blue cover and its modest price. Look, instead, for a series of suggestions for everyday activities so simple and practical you won't have to make your life over. Yet it a few millions of us followed those suggestions America would be better protected than by any army of many millions!

Its first suggestion is that we read the Constituion and the Monroe Doctrine, as the authors of this book did a few months ago, and that we learn the words of our "Star Spangled Banner." The next suggestion is for studying again the thrilling history of the United States. We'll find it means more to us now than it ever did before, showing us clearly the Thread of Destiny which will make our job today seem well worth doing. It suggests that we toughen our bodies and find new spiritual power.

Then, after these personal developments, come suggestions for meeting problems of the community and the nation: how to handle the Fifth Column with common sense and without prejudice; how to spot propaganda against those of other races or against our American system of business which it would serve our enemies to undermine; how to work with the genuinely American youth movements of the country and with the various organizations of our community and how to cooperate with South America. Finally, how to prepare for "M" day, and crystallize our creed so that we, a representative democracy, will be as strong and united as those who oppose us.

It's a stirring book, written by a business man and his family, as American as Thanksgiving or a picture of Uncle Sam!

Extension Clubs Meet

The Franklin Extension Club met Friday with Mrs Aiden Erlenbush with 18 members and two guests present. Dinner was cooked and served as a part of the lesson, by the leaders, Mrs Erlenbush and Mrs Willis Elwood. The topic for study was "Different Dinners." Plans were made for a Christmas party to be held in December at the home of Mrs Roy Bishop. The hostess served light refreshments after the meeting.

The Pentecost Extension Club met all day Thursday at the home of Mrs Edward Preston. Dinner was prepared after the members arrived. The leaders Mrs Alice Warner and Mrs Emma Preston presented the lesson in the afternoon. A Christmas party will be held Dec. 16 at the home of Mr and Mrs Harvey Warner.

Mrs Fred Willnow and Mrs Paul Geiger entertained the Past Chief's Club Wednesday afternoon at the home of Mrs Willnow.

Mrs Jacob Dowell, who suffered a broken left hip two weeks ago has been brought home from the Tecumseh hospital.

Mr and Mrs Emery Webber of South Bend who came to attend the funeral of clarence Cook have been guests in the Cook home and of other relatives here this week.

LET'S GET THIS STRAIGHT!
During the past year, a great deal has been printed and said in automobile circles about new kinds of "drives" for the 1941 model cars. As a result, many people have come to Oldsmobile with natural and pertinent questions:
"Are the 'drives' that other manufacturers offer similar to Oldsmobile's Hydra-Matic Drive?"
"If not, how does Hydra-Matic Drive differ from the others?"
In order to clear up any confusion or misunderstanding that may prevail in the public mind, Oldsmobile takes this opportunity to publish the statements of fact at the right!
ONLY ONE KIND OF DRIVE eliminates the clutch! . . . .
ONLY ONE KIND OF DRIVE eliminates gear-shifting! . .
ONLY ONE KIND OF DRIVE has a completely automatic transmission! . . . . . .
ONLY ONE KIND OF DRIVE gives full accelerating power without manual shifting. . .
HYDRA-MATIC DRIVE*!
built and backed by GENERAL MOTORS
Offered in OLDSMOBILE!
WHY OLDS' HYDRA-MATIC DRIVE* IS SO DIFFERENT AND IN A CLASS BY ITSELF!
Ordinary "new drives" are based on the principle of fluid coupling. Oldsmobile's exclusive Hydra-Matic Drive is a combination of fluid coupling and completely automatic transmission. It eliminates clutch and clutch pedal. It does away with the gear shifter. It provides a special fourth speed for cruising. It gives you a special pick-up gear for passing other cars and climbing steep hills. The "no clutch, no shift" Hydra-Matic Drive is optional at extra cost on all Olds models for 1941. Try it . . . there's nothing else like it in the world!

NEW FORD PLANT

(Continued from Page 1)

power capacity each. They are the smallest water turbines ever built, the company announced.

The Manchester plant, now in the last stages of construction and machinery installation, is expected to be ready for production before the first of the year. It will employ 125 people. This village industry is to manufacture parts of the instrument panel "cluster" and to assemble all the vital instruments such as oil pressure and fuel gages, and water temperature recorder in their proper grouping. It will have a normal capacity of 2,500 clusters a day.

Like all of the other village plants, Manchester will be operated by water power. It has a 50-horsepower water wheel. The two-story plant, 48x60 feet in size, is built into a hillside above the river bank.

The day's output from both Willow Run and Manchester, as in the case of the other village industries, will represent only a small portion of the Ford Motor Company's needs for their particular product. But the advantages of such little plants, to their communities, to the workers, and to the company, are so definite that Mr. Ford has steadily increased the scope of the village industry program. It will be extended, company officials said, as rapidly as suitable sites are found.

Sixteen other industries placed in operation in rural Michigan since 1918, with the products each makes, are: Brooklyn, electric starter switches; Dundee, welding points; Flat Rock, lamps; Hayden Mills at Tecumseh, soybean storage and cleaning; Milan, ignition coils; Milan Old Mill, soybean oil and meal; Milford, carburetors; Nankin Mills, engraving, fine tools and dies; Newburg, drills; Northville, valves; Phoenix, cutouts and regulators; Plymouth, taps; Saline, soybean oil and meal; Sharon Mills, lighters and stoplight switches; Waterford, precision production gages, and Ypsilanti, generators and starters.

S. S. Club Meets

The Congregational Service class held its November meeting Thursday evening in the church social room. Mrs E. E. Hoyt presided and Mrs H. R. Hause conducted the devotional service. Plans were made for the Christmas White Gift. Mrs Charles Anglemyer gave the chapter from the study book. A committee served refreshments.

Gives Talk On T. V. A.

Mrs Eric Halladay acted as temporary chairman for the November meeting of the Congregational Priscillas held Thursday evening with Mrs Raymond Anglemyer. Mrs Roscoe Parker gave a talk on T. V. A. and Mrs Hazel Barnard presented the study on "The Prophets." Mrs Frank Breitenbach assisted Mrs Anglemyer in serving refreshments. The December meeting will be held at the church with a potluck supper. Mrs Leon Schwartz will arrange the program and members are to take inexpensive gifts.

Culture Club Hears Talk On Irish Hills

James Hewitt of Cambridge Junction gave an entertaining description of the development of the Irish Hills region from the earliest days to the present before the members of the Clinton Culture Club Thursday afternoon. Mrs L. W. Kimball, the program leader, introduced the speaker and members responded to the roll call with miscellaneous clippings.

Mrs L. C. Weaver, second vice president, was in charge of the business session at which the women voted to donate $2 to the Red Cross. It was requested that canned fruit for the Starr Commonwealth should be taken to the library Thanksgiving evening. (Thursday) the club will observe gentlemen's night and Mr and Mrs Winfield Line of Howell are to present a program at the library.

The Woman's Union of the Congregational church will meet Friday evening, November 29.

The annual thank offering service and family night supper will be held at the Methodist church, the evening of November 29.

The Philathea class of the Congregational church is planning to send a box of toys to Caney Creek school in Kentucky also a box of used clothing to Pleasant Hill Academy in Kentucky. Donations may be left at the Tag & Kaiser store not later than December 1.

The December meeting of the class will be a Christmas party and members are to bring inexpensive gifts for needy children.

The Women's Society of Christian Service voted to donate $5 to the Red Cross at the November meeting held at the home of Mrs Howard Schmidt. Mrs E. H. Meyers was named secretary of literature in place of Mrs L. A. Ward, resigned. The Society has sent 86 quarts of canned fruits and vegetables to the Old People's Home in Chelsea. Each member has been asked to donate a dish towel to society.

The next meeting will be held at the church December 10 and will begin with a one o'clock luncheon.

Mrs Lawrence VanGleson and daughter Dorothy have gone to Tecumseh to spend the winter with Mrs VanGleson's parents Mr and Mrs B. H. Ahrens. Mr Ahrens recently returned home from Tecumseh hospital.

Mrs Hazel Barnard, Red Cross chairman, announces $133.83 in memberships and donations received since Wednesday morning. All other donations since the canvass may be left at Quigley's store or the State Savings Bank. A year ago Clinton contributed $170.

The Community Thanksgiving service was held Sunday evening in the Congregational church with the Rev. R. E. Simons delivering the sermon.

CHRISTIAN SCIENCE SOCIETY
North Union Street

Service Sunday 10:45 a. m.

All literature at the public library.

Special Thanksgiving service tonight, Wednesday, at 8 o'clock.

The Golden Text from Psalms (97:12), will be very appropriate for the occasion and reads: "Rejoice in the Lord, ye righteous: and give thanks at the remembrance of his holiness."

The Bible citations include: "Praise ye the Lord. O give thanks unto the Lord; for he is good: for his mercy endureth for ever" (Psalms 106:1).

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following: "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more" (p. 3).

"Soul and Body" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, November 24.

The Golden Text (Psalms 66:8, 9) is: "O bless our God, ye people, and make the voice of his praise to be heard: which holdeth our soul in life, and suffereth not our feet to be moved."

Among the Bible citations is this passage (Psalms 103:1-3): "Bless the Lord, O my soul: and all that is within me, bless his holy name. Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases;"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 350): "Divine Truth must be known by its effects on the body as well as on the mind, before the Science of being can be demonstrated."

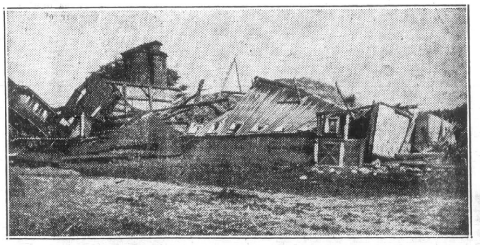
ROARING-CRASHING-WHINING-BLASTING

Its Way Across Michigan, Armistice Day, November 11, 1940, Came the Most Horrifying and Devastating Windstorm of Many Years



This wreck was caused by windstorm. A beautiful barn, 36 x 96 — 34 x 104 — 10 x 20, belonging to Clarinda Gagnon, Saginaw County. This company promptly paid the loss, $5,698.20.

No Warning! No Escape!

Like a Heinkel Bomber, it Ripped its Course Through Village and Farm, Metropolis and Suburb, Leaving Wreckage and Desolation in its Wake.

THE PROPERTY DAMAGE IS ENORMOUS!

We Had About 5000 Losses Reported From This One Armistice Day Storm

The property owners who had windstorm insurance in the Michigan Mutual of Hastings can smile at this misfortune.

This storm on Armistice Day, November 11, is proof that No Season is secure from Windstorm and No Section is safe from wind's destruction.

LOW BABY DEATH RECORD

If the trend of the first nine months of the year continues, a new low record in infant deaths will be established for 1940, says the Michigan Department of Health.

Dr. Smith pointed out that for the first nine months of the year there were 40.64 deaths of babies under one year of age per 1,000 births. The rate for the same period in 1939 was 41.96 deaths per 1,000 births. Last year's 12-month record of 41.8 deaths per 1,000 births was almost three points below the 1938 figure, which also was a record.

Chapel

Our chapel service Monday morning opened with the flag salute. We sang two songs, "For the Beauty of the Earth" and "Finlandia." Then Rev. Hildebrand began his talk. He talked of the things for which we should be thankful. He compared us with the people living in the war regions, and made us realize that we have something to be really thankful for. He said that one way to show our thanks to God is to bring happiness to someone less fortunate than ourselves, and we all agree with him. The service was closed with a prayer.

Reporter, Margaret Jack.

Mr Parson's Classes

Alfred Allen, president of the local F. F. A., was sent to Kansas City to attend the National Convention of the Future Farmers of America, held from November 9 to 14. 10,000 boys were present from every state of the union, including 121 boys from Michigan and 6 from Lenawee county. The expenses of the trip were partly paid by Alfred, the rest by the local chapter and the Tecumseh Rotary Club.

The biology classes are working on their leaf collections in which they must mount properly and identify fifty different leaves and write a theme of about two thousand words.

The members of Farm Crops class are studying the different kinds of soils and the property of soils. During the laboratory period they are learning to identify grains and common weed seeds.

The Animal Husbandry class is learning to test milk and balance rations.

Reporter, Irene Dobek.

Girl Scouts

The Girl Scouts of Troop One opened their meeting Wednesday by having patrol corners in which dues and attendance were taken. After patrol corners, we discussed many plans for the coming year, the most important of which are ways of doing things to make others happier, sending delegates to state and national conventions, and plans for building a Girl Scout "Little House" sometime in the future.

After the regular meeting we enjoyed a potluck supper served in the Home Ec. room. The tables were decorated with bouquets of chrysanthemums. Our special guest was Miss Humphrey. Mrs Moore showed us how to weave belts on macaroni using yarn. Other handicraft suggestions, such as leather work, were discussed as possibilities for Christmas presents. After the supper Miss Humphrey led us in singing some patriotic and other Scout songs, and we also learned a new song called "My Uncle."

Wilma Hoagland, reporter.

Sixth Grade
Mrs Smith, Teacher

On our front blackboard we have a very beautiful picture of mums drawn by Mrs Smith. We are proud to have an artist for a teacher. Ben Hammack and Jim Sisson are drawing a picture of Chief Tecumseh.

Wilfred Waldron brought in a castle which he made out of cement. It represents the early feudal home of the Kings, Nobles, and Lords. It's grey walls look very realistic and it has a moat and drawbridge, too.

Gloria Underwood made a castle out of clay which is smaller than Wilfred's, and so did Louise Bowen.

This week was education week, and we made invitations for our parents to visit school. Mrs Smith invited the mothers to come and have tea.

In spelling Friday we had 95% A's.

The room helpers this week are Collen Davidson and Juanita Kerentoff.

Reporters, Wilfred Waldron, Martha Hewlett.

Fifth Grade
Miss Starr, Teacher

We are gradually preparing for Thanksgiving with decorations, posters, and thoughts.

As this was Education Week we have had visitors practically every day. Those who visited us were Mrs Lent, Mrs Corkery, Mrs Penter, Mrs Tressler, Mrs Carlson, Mrs Ferguson, and Mrs Moore, Mrs Frost, and Mrs Brown. We wish that more parents could have found time to visit us.

Several pupils in our room have been sick this week. Marlou Gilman and Billy Brown have been under the doctor's care.

We have enjoyed our Book Week pictures. Many of us are now reading some interesting books.

Room helpers this week were Alice Duncan, Nina Marsh and George Seitz.

Fourth and Fifth Grades
Mrs Pfaus, Teacher

In science we are studying machines in the fifth grade, and, in the fourth, how living things grow. We are enjoying this new course immensely.

During National Education Week several parents and friends visited our room. We are always glad to have guests.

We observed Book Week by learning how to select books, how to handle a book, how to conduct ourselves at the library. In art class we made some book marks.

The fourth grade is using our colonial furniture to dramatize a Thanksgiving play, which is in the fourth reader.

Nearly all of our children attended the senior play and enjoyed every minute of it.

Marian Pennington and Shirlie Moore are room helpers this week.

First & Second Grades -E. Branch
Miss Borgards, Teacher

We have been making cut paper figures showing different forms of good citizenship. These were the result of our Armistice Day talk. Now we are making a poster of the Pilgrims. We have traced their travels and learned something about their landing in America.

The first graders are enjoying the supplementary Pre-Primers called "We Look and See" and "We Work and Play" very much. One class is ready for their Primers.

Our workbooks are of great interest also and we are having fun making our "Tom's Trip" books.

Eight out of ten second graders had a perfect spelling lesson Friday.

We had several mothers visit us during Education Week. About 50 per cent of the children were represented.

Kindergarten - West Branch
Mrs Updyke, Teacher

We have been enjoying the story of the Pilgrims, and many of us can tell it all alone. We have made the "May flower," Indians, wigwams, the Pilgrim mother and father and their log cabin. One day we made Indian head dresses and wore them. We felt like real Indians and we learned an Indian dance.

Second Grade - West Branch
Miss LaPointe - Teacher

Barbara Bryan who has been absent for six weeks on account of illness has returned to school.

The following mothers visited us during National Educational Week: Mrs Barron, Mrs Burleson, Mrs Bagshaw, Mrs Breitenwischer, Mrs Bickham, Mrs Grider, Mrs Hayden, Mrs Haight, Mrs Keith, Mrs Pennington, Mrs Sharp, Mrs Tomezak and Mrs Wilson.

Sixth Grade
Mrs Smith, Teacher

In music Miss Humphrey is teaching us "I Am An American."

Some of us brought to school a picture of the Tecumseh Cider Mill which we found in the Sunday Free Press. Three people in our room were in the pictures.

In history we are studying how Charlemaigne built up the Franzish Empire, and how it fell after his death, and how his three grandsons broke up the empire into countries.

In gym Mrs Bliel is teaching us the waltz.

Reporters, Martha Hewlett and Sonny Waldron.

Fourth and Fifth Grades
Mrs Pfaus, Teacher

Charles Manley and Clyde Smith have been doing some handwork for science. They have each built a boat, and Charles has made a pulley with which we are experimenting.

Four committees have been preparing charts, booklets, etc., in fifth grade science class to show how animals help us in our work, in obtaining food, in supplying us with clothes, and how they protect us from other animals.

Irene Hammel and Esther Hindall are room helpers this week.

Fourth Grade
Miss Cole, Teacher

We have been practicing multiplication drills every day this week, but many of us still need to work hard on them.

We began a new unit in our readers called "Little American Citizens;" we have read several stories about children who lived when America was very young, and we have found their lives very interesting and quite different from ours in America today. We wonder if boys and girls reading stories of our lives one or two hundred years from now will find them as strange and exciting.

Pastor's Memory Is Honored At Dedication Service

The Britton Christian Church, in a service November 10, rededicated a set of fine old pulpit chairs, recently restored. These chairs were formerly in the old Presbyterian church of Macon and were given to the DeSpelder Presbyterian Church located near Britton. They served this congregation for some years and were finally discarded for a newer set of pulpit furniture. Some years ago, services were discontinued in this church and two years ago the local American Legion Post secured a lease of the building. In the disposal of the contents the old chairs were given to the Britton Christian Church with the understanding that they were to be restored as a memorial. Former members and friends, of the DeSpelder church now affiliated with the Britton church, contributed to the restoration fund and the chairs were dedicated to the memory of John A. DeSpelder, minister of the Gospel, first pastor of the DeSpelder Dutch Reform Church, later identified as the DeSpelder Presbyterian.

A number of the former members of the church were present at the services Sunday morning. Mrs. Guy Pocklington, Mrs. Margaret Curry, Mrs. Wm. McCarbery and Mrs. T. V. Coughlin spoke briefly of the Rev. Mr. DeSpelder and the work of the church. Alonzo DeSpelder, a nephew, and Robert E. and Richard DeSpelder, two grand-nephews of Rev. DeSpelder were also present, having come from their home in Detroit for the occasion.

Letters were read from the Rev. W. C. Jones of Blissfield, and the Rev. Chas. Blanchard of Marshall, expressing the appreciation of the Lansing Presbytery, and also a letter from R. F. DeSpelder, son of Rev. J. A. DeSpelder, of Columbus, thanking the church for its action and paying a beautiful tribute to the memory of his father.

These chairs were dedicated with a prayer, "That they might serve through the years as a constant reminder of a by-gone day when our pioneer fathers were ready and willing to make the sacrifices necessary, to maintain and pass on to those of our day the great blessing of religion."

Following is the letter received from R. F. DeSpelder:

Dear Reverend Priest:

I appreciate very deeply your letter of Nov. 4th, and your invitation to be with you Sunday at the presentation of the restored pulpit chairs from the DeSpelder Church and their dedication to the memory of my father, Reverend John A. DeSpelder, If it is at all possible, which I doubt, I shall be present. I shall very surely be there in spirit.

It is more than 25 years now since my father, that loyal and life long laborer in the Lord's vineyard, was called to his reward. There is indeed inspiration in the way that he, after all these years, still lives in the hearts and thoughts of those he served as pastor and their sons and daughters, and in the way his name and memory is now being perpetuated by the members of your congregation.

DeSpelder Church, naturally, was very dear to him and I feel very sure that he, too, will be with you in spirit Sunday—a bit embarrassed by the honor being done him, just as he always was, but very, very appreciative of your remembrance.

And so—in words from his own pen—may I transmit this as his greeting to you:

"...Amid a widely circling band
Of friends, we greet you—and this golden day.
The greetings, e'en from western strand,
Are urging, swift of wing, their eager way:
The golden milestone where ye stand
As lodestone serves to all our thoughts today.
It draws our minds, our hearts, to you:
We live the vanished decades o'er again;
The flowers in friendship's lanes that grew
Are breathing forth their fragrance—sweet as then.
It is a time when memories dear
Come flocking round, as doves with olive sprays;
We hail them with their wealth of cheer—
Mementos rare of other days.
Reminders they if childhood's bliss,
They mirror forth the happy, roseate past;
A holy pledge are days like this
That love shall laugh at change, and time outlast.
Affection's pledge, to parents and to sons—
The sweetest wish of poet's song.
And blessing rich while time his cycle runs.
Nay, More. My hope takes higher flight—
Be yours the endless golden day of God.
May golden crowns your heads bedight
While sound from harps of gold your joys abroad."

These are lines taken from a poem of his, written long ago and published subsequently in the book "Poets of America." They give, I feel, glimpses into the heart and mind of one whose his wife.

The Trend of Things

SKETCHED IN THE MERCHANDISE MART, CHICAGO, ILL.

Coats for the 1940 fall and winter season are to be slim and easy fitting—with many boxy types in evidence. Long haired furs, particularly fox, wolf, marten or skunk, will probably lead in popularity, with curly furs, persian and krimmer, a close second. Leopard is rapidly gaining vogue. Fur-trimmed coats and those with detachable furs are in high favor. Fur collars are smaller. Fur bandings—particularly in side closing models—will be popular. Linings to zip in when the temperature drops will be good sellers. Dressier untrimmed coats have these removable linings this season—as well as sport coats.

A Good Neighbor, a Welcome Visitor for Nearly a Century

"Yes, we dine out every evening since John began advertising in The Herald"

For 90 years the people of Tecumseh and its trading territory have relied upon The Herald for the news of this community and the advertising messages of its merchants.

The Herald's enviable record of nearly a century of service has made it a welcome weekly visitor in homes, shops and stores, where annually hundreds of thousands of dollars are spent for food, clothing, farm implements, motor cars, luxuries, etc.

Your message, Mr. Business Man, if it appears in The Herald, is reaching these buying centers. Your advertising is included in a newspaper that is read by the members of the families that are spending these thousands of dollars each year for necessities and luxuries.

Consider for a moment:

You are a part of Tecumseh; are you doing your share of advertising for your store or business, your town and your community?

Are you, through advertising, attempting to bring more people to Tecumseh that they may learn of its advantages as a shopping center?

Your advertising—is it carefully planned and attractively presented? (Advertising, you know, is your representative. It is YOU in the printed form.)

Should you not consder a well-balanced, regular program of advertising; a program that will reflect the dignity of your business, the alertness of your enterprise?

When you advertise in The Herald you are advertising in a medium that has an enviable reputation for service; a newspaper that has kept abreast of the times for nearly 100 years; a newspaper its subscribers have learned to know as trustworthy.

Why not share with The Herald these advantages? Include your advertising message in a newspaper that is welcomed by the family circle. Present your story through a medium backed by 90 years of good neighborliness — through a friend that has a front-door entrance to every home where it calls.

Lay something by for a rainy day and you will always be pretty sure of fair weather.

A boy was scolded by his father for telling his sister to go to hell. The boy said no disrespect was intended — he was simply talking to her as a man would to

Thanksgiving Day

THE Psalmist sang (Psalms 69:30), "I will praise the name of God with a song, and will magnify him with thanksgiving." Thanksgiving Day, in the United States, originated with the Pilgrims, who set apart a day for thanksgiving to God after their first harvest in 1621. Later on, President Lincoln appointed the last Thursday in November, 1863, to be set aside for thanksgiving and praise to God.

The Pilgrims encountered many difficult problems in establishing their homes in a new land, but through steadily turning to their heavenly Father for help they were guided through them all. Is it any wonder that their sense of gratitude for their deliverance caused them to render thanks to the Giver of all good gifts?

As Thanksgiving Day recurs through the years, we are reminded of the Psalmist's statement (Psalms 26:6, 7), "I will wash mine hands in innocency: . . . that I may publish with the voice of thanksgiving, and tell of all thy wondrous works." Today our hearts go out in gratitude to God, divine Love, who is leading the people of many nations through the Red Sea and the wilderness of materiality, and who will deliver them as they seek His presence. In the face of "wars and rumours of wars," we can lift our thought in thanksgiving to God; for is there not always something for which we can be thankful? In "The First Church of Christ, Scientist, and Miscellany" (pp. 149, 150) Mary Baker Eddy writes: "Remember, thou canst be brought into no condition, be it ever so severe, where Love has not been before thee and where its tender lesson is not awaiting thee. Therefore despair not nor murmur, for that which seeketh to save, to heal, and to deliver, will guide thee, if thou seekest this guidance." The demonstrable truth that divine Love is with us and will guide us if we seek its guidance, is indeed cause for thanksgiving. . . .

We must maintain this constant thanksgiving in our thought. As we acknowledge the one God, we begin to comprehend our true habitation in the kingdom of heaven, and are safe therein. This is our defense, which can never be taken from us, wherever we may be. We are safe and protected under all circumstances and conditions if we acknowledge God's allness and our unity with Him. Noah in the ark, Joseph in exile, the Hebrews in the fiery furnace, Daniel in the lions' den, and Jesus—most glorious of all—understood and proved God's supremacy. They were protected through every trying experience and thus proved the powerlessness of mortal mind. . . .

In what may seem a saddened home, darkened by mortal mind's illusions, in apprehension of still other contests to be waged, one may express thanksgiving that God is ever present, and that right must and does win the victory over the claims of evil. Mortal mind claims to put heavy burdens upon us. It attempts to bring utter despair and despondency; it appears to lay waste the achievements of years of progressive work, but there rings forth the command that sounded in the ears of the children of Israel to go forward. We should never look back. Looking back into matter means looking back into illusion. Evil is not power, reality, or substance. The aggressive suggestions of evil would claim to outdo the love of God, but thought which trusts in Him cannot be mesmerized into admitting that evil has reality, personality, place, or power.

Thanksgiving Day should mean that we give our whole-hearted praise to God, the omnipresent Mind, who loves and cares for all His children. It is not a day to be spent in wasting, wantonness, or in the gratification of the senses. Rather is it a holy day, in which thought should be lifted in thanksgiving to God, and to the men and women throughout the centuries who have given unselfishly to the cause of freedom and the betterment of mankind. In response to a request from a newspaper for "a sentiment on what the last Thanksgiving Day of the nineteenth century should signify to all mankind," Mrs. Eddy said, in part, it signified that "the Christ-spirit will cleanse the earth of human gore; that civilization, peace between nations, and the brotherhood of man should be established, and justice plead not vainly in behalf of the sacred rights of individuals, peoples, and nations" (Miscellany, pp. 264, 265). This sets forth the glorious purpose of Thanksgiving Day.

STATE THANKFUL FOR BLESSINGS

BUSINESS FAR AHEAD OF LAST YEAR; EMPLOYMENT ALREADY IN EXCESS OF 1929

LANSING, Nov. 20 — Michigan celebrates Thanksgiving this week with more than customary gratitude for its blessings.

Business is ahead of last year. The Business Week index stands at 138.6, a new high point for the year which dipped to 103 last April. Department store sales are 6 per cent higher; rural sales are up 8 per cent.

Because of heavy arms contracts, Michigan industrial plants have a total of future orders well past the half-billion mark, and this amount is being swelled each week by new authorizations at Washington. Small plants are getting a fair share of the volume, too.

Employment for the nation has already exceeded our 1929 peak, being 48,404,000 persons in 1940 as compared with 47,925,000 for the final boom year. Michigan automobile plants are operating at full speed in order that dealers' field stocks may be built up in anticipation of the coming arms production.

Farm prices are more firm, too. The national average shows a 5 per cent rise in food prices.

In the judgment of leading Michigan industrialists, we are due for at least two years of record-breaking prosperity.

Reasons are two-fold:

1. Huge defense orders, highlighted by a Morgenthau post-election statement that the Treasury borrowing limit may be raised 20 billions.

2. Growing orders from Britain for aircraft, ordinance and ships.

According to the United States News, whose editor was pro-Willkie, this "spells the greatest sustained boom in the history of this or any other country—as far as industrial volumes are concerned. The election cannot change that substantially."

A boom in production, even though maintained artificially by borrowing, is likely to result in inflation of prices. While the state will collect more in sales taxes when prices increase, it will also pay more to maintain public services. The spiraling effect becomes hard to control.

A rising market also brings inevitably a trail of increased labor difficulties. This condition will be regarded as normal.

What, then, after the boom? We can be thankful also that the future is unknown. The world is moving fast, and we must go with it for better or for worse.

Merchants in Michigan "small towns"—places with population under 10,000—have new reasons to be thankful.

The U. S. Census for 1940 shows that Michigan was the second in 17 states with an increase in the percentage of inhabitants living in small towns and rural areas. Whereas the state was 31 per cent rural in 1930, today it is 42 per cent. Oklahoma had the greatest population shift, advancing from 56 to 73 per cent rural in ten years.

Other states which show a greater population of small towns and rural population than in 1930 are: California, Connecticut, Delaware, Illinois, Kentucky, Maryland, Nevada, New Hampshire, New Jersey, New York, Ohio, Oregon, Pennsylvania, Rhode Island, and Washington.

Thirty-seven of the 48 states are more than 50 per cent "small town."

The spilling over of metropolitan population into suburban area has been a factor in this trend. Decentralization of industry has revitalized many communities; Henry Ford plants at the fringe of Detroit offer a familiar example.

In these days of foreign crisis and national security, much talk is heard about "national unity."

To achieve a semblance of coalition government, President Roosevelt included four Republicans in his cabinet: Harold Ickes, Frances Perkins, Frank Knox and Henry Stimson. A former Republican, Henry Wallace, will be the next vice-president. This same desire for inter-party strength prompted the choice of a Democrat, Wendell L. Willkie, by the Republicans as their nominee for president.

Michigan's new state government will also be bi-partisan. Its governor, lieutenant governor, state treasurer and highway commissioner will be Democrats. Secretary of state, attorney general, auditor general and state superintendent of public instruction will be Republicans.

NINETY - FIRST YEAR— NUMBER NINE. TECUMSEH, MICHIGAN, WEDNESDAY, NOVEMBER 28, 1940. FIVE CENTS PER COPY

THREE MEN DIE IN ROAD CRASH SNOW IS BLAMED

HEAD-ON CRASH ON US-112 NEAR SALINE KILLS THREE, TUESDAY AFTERNOON

Tuesday's heavy snowfall, the first of the season for Lenawee county and Lower Michigan, was blamed for three deaths in a traffic accident near Saline on US-112, and caused motorists to move their cars at a snail's pace, Tuesday night and Wednesday. About four inches of snow fell in Tecumseh and throughout the county, and pavements, especially in cities and villages, were coated with ice. Several minor motor mishaps, bent fenders, etc., were reported by garagemen, but so far as was learned, none of them was serious.

Involved in the Saline accident were E. J. Beaver, 60, of Highland Park, "Skiff" Nelson,34, of Chicago, Thomas E. Allen, 35, of Chicago, and John Bajada, of Chicago. The first three men named were killed. Bajada escaped with only minor cuts and bruises.

According to a police report, Beaver was driving his car west on US-112 about three miles west of Saline, about 6 o'clock, Tuesday afternoon. He applied his brakes on a hill and his car went into a spin due to the slippery pavement, and crashed head-on into the truck, carrying 12 tons of baking soda, in barrels. The truck hit a guard rail and nosed into the ditch and the heavy load broke loose, crashing down upon the men riding in the cab. Bajada was thrown through the windshield, Nelson and Allen were buried under the load. Nelson was the truck driver, and Allen a member of the truck crew. Beaver was thrown from his car, his body striking the pavement.

State police were called, and wreckers from Clinton and Chelsea aided in clearing the wreckage from the highway, a job that was completed about 10 o'clock Tuesday night.

Yesterday's temperature, at near the freezing point, kept roads in a dangerous condition for travel, despite the fact that highway workers had sanded all hills and curves on trunklines. A light snow fell throughout the day, and there was an east wind. The weatherman promised no improvement from the chill wind and snow, his predictions for today being snow flurries and continued cold.

Palman Dept. Store To Move Next Week

The Palman Department Store, one of Tecumseh's oldest establishments and for many years located on East Chicago boulevard, next Saturday night will begin to move into its newly remodeled and redecorated building at the corner of the boulevard and Evans street, it was announced today. It was believed that it would take several days to complete the transfer, and that the new store would not be opened before next week Thursday or Friday.

The new store building, formerly occupied by the Rosacrans store and which includes the store space immediately west, has been completely remodeled to make it one of the most modern in the village. A new glass front has been installed, new lighting fixtures are being placed, and new display cases, counters and fixtures will add greatly to the shop's appearance. The Palman store will carry a complete line of dry goods, ready-to-wear and shoes, as well as men's clothing and furnishings.

The Palman store has been operating a removal sale for several weeks in its present location, and this will be brought to a close Saturday night.

State President Guest At Meeting Of C. A. R.

Mrs. O. W. Laidlaw and Mrs. Ned Baldwin were hostesses for the meeting of Charles Medley Society, Children of the American Revolution, held Saturday in Adrian. Miss Harriett Simons of Marshall, state president of the Society, was a guest and luncheon in her honor was served at Palmer House preceding the meeting held at Croswell House.

During the meeting Miss Simons told of the recent Mississippi Congress of the C. A. R., and installed the officers of the Adrian group as follows: Alice Louise Claus, president; Mary Wright, vice junior president; Carolyn Bryant, secretary; Mary Lundahl, treasurer and Delight Heffron, custodian of the flag. Three new members were accepted.

The program included piano solos by Miss Patricia Hough.

BENEFIT PARTY

Mrs. S. L. Wyman and Miss Claudyne Newton were hostesses for the benefit bridge party given by the Lenawee County Federation of Women's Clubs in Witherell hall, Monday evening. 36 persons attended. This was the final party in the series.

6 LENAWEE MEN JOIN U. S. ARMY

FIRST UNIT FROM COUNTY IN DETROIT FOR FURTHER EXAMINATIONS FOR SELECTIVE SERVICE

Norbert Lee Blanchard of Tecumseh, Bernard M. Greenwald of Tipton, James F. Morse of Jasper, Page N. Kerbawy of Blissfield, Morris Clare Harris of Hudson and Harold E. Fallon of Morenci are the first six men from Lenawee county to be called for a year's traiuig under the selective service military act and today they are members of the U. S. Army.

The group, all volunteers, left Adrian yesterday afternoon to report at the Armory in Detroit at 7 this morning. They will be given physical examinations today and those who pass will be given uniforms.

The six men called were the first six who volunteered in the county. The five others of the 11 volunteers will be inducted in the next call, late this month or early in January.

The county board is now preparing to draft men for the next call, sending out questionnaires which must be answered within five days. The blanks are sent to the men in the order of their draft order numbers.

A local board, to assist men receiving questionnaires locally, has been named as follows: Wade L. Jones, village clerk, Richard F. Roe, attorney, and A. O. Howard, supervisor. These men will administer oaths and give the draftees such other information as they may need. The work entirely without pay, the service being a patriotic one.

Followin ig a new list of order numbers for men who registered in this area:

Tecumseh Is Host To District M. E. A. Meet

W. L. Berkhof, superintendent of Tecumseh schools and president of the Lenawee district, Michigan Educational Association, and members of his staff were hosts on Monday evening at a banquet meeting of the association, served in the gymnasium of the high school. Some 140 teachers, most of them from the rural schools of the county, were in attendance.

Dr. Harvey L. Turner, director of the Michigan Cooperative Teacher Education Study, was the principal speaker, using as his topic, "In Service Problems of Teacher Education." Discussion groups were led by C. Mulder of the Blissfield schools, W. Moats of Clinton, W. Gray of Addison and K. Olson of Morenci.

The local unit adopted a resolution that it was definitely opposed to the plan of initiatory legislation to increase school aid from $41,000,000 to $46,000,000 regardless of state income. Although not satisfied with the present distribution of state aid funds, they still were not in favor of the initiatory legislation plan.

Previous to the dinner there was group singing directed by Mrs. J. McColl, accompanied by Miss Sarah Humphrey and the invocation was by Rev. Alvin Brazee, Miss Humphrey also sang several numbers and there was a French horn solo by Corleone Hunt.

BRABLEC - SCOTT

George J. Brablec, son of Mr. and Mrs. George Brablec of Britton, and Ines Elizabeth Scott, daughter of Mr. and Mrs. Frank Scott of Blissfield, were married Saturday afternoon in Toledo. They were attended by Miss Blanche Cevara of Detroit and Martin Ivan, Jr., of Britton.

A wedding reception was held Saturday evening at the home of his parents in Britton. They left later on a short trip in northern Michigan and on their return will make their home in Britton.

Tecumseh's New Church

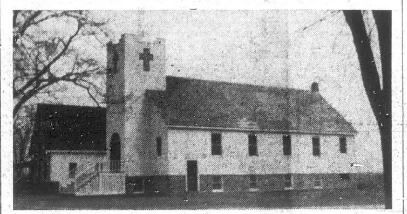

Photo shows the new Grace Evangelical Lutheran Church of Tecumseh, on North Maumee street, that will be dedicated with appropriate services, Sunday. The church was built at a cost of approximately $5,000, and will seat about 200 persons. The pastor is the Rev. R. W. Scheele.

XMAS PAGEANT TO BE REPEATED

MRS. MOORE TO AGAIN DIRECT YULE SERVICE, GIVEN HERE 25 TIMES

"Holy Night," a story of the first Christmas eve, will be presented at the Baptist church, here December 15, under the direction of Mrs. R. S. Moore. This "Holy Night" pageant has been presented here 25 times, and each year it has been the policy of Mrs. Moore and her cast to improve and enlarge upon it. In keeping with this idea, Mrs. Moore spent the summer of 1939 at the Walden Woods School of Music and Pageantry, where she gained many very fine ideas which she will use in the direction of the pageant this year.

"Holy Night" has attracted such large crowds annually that the church was not able to care for them and many were turned away. This year, to enable more to witness the pageant, it will be presented twice the same evening, the first presentation at 7 and the second at 8:15 p. m.

Everyone who has taken part in previous years, is requested by Mrs. Moore to meet at the church on Sunday, December 1, at 2:30 p. m.

The committees in charge are as follows: stage properties, Floyd Bryan, Norman McConnell, E. H. McConnell and Howard Everhart; lighting, Harley McConnell and E. H. Van Vleet; wardrobe, Mrs. Myrtle McNeil, Mrs. Van Antwerp, Mrs. Alice Benewav, Mrs. Bertha Hoag, Mrs. Carrie Bryan and Miss Ethel Garlinghouse; chorus and music, Mrs. E. H. Van Vleet and Mrs. Cecil Alderdyce; beards, wigs and make-up, Mrs. Floyd Bryan; Bethlehem women, Mrs. Charles Ruthruff, Mrs. E. Harris and Mrs. R. H. Moore; Bethlehem children, Mrs. Moore and Mrs. O. V. Robinson; angels, Mrs. Charles Stevenson; shepherds, Mrs. F. Bryan, Mrs. Leon Van Valkenburg, Mrs. Faye Van Valkenburg and Dean Van Valkenburg; wise men, Mrs. Leon Van Valkenburg; Joseph's brethren, Mrs. L. Van Valkenburg, J. D. Cook and Raynor Van Valkenburg; kings and soldiers, Carl Fosbender.

SHAWNEE REPUBLICAN CLUB TO SEW FOR RED CROSS

A meeting of the Shawnee Republican Women's Club was held Saturday afternoon, at Mrs. Nellie Lace's Blue Bird Inn, Tipton.

Mrs. Addie Lindbert, and the Franklin Township unit were the hostesses. Forty ladies were present.

Miss Bessie Spayde gave the highlights of the Willkie post-election radio address. Mrs. Bud Goodwin of Adrian, spoke on continuing the club work, as outlined by Wendell Willkie in his address, to support the administration, and a loyal opposition.

Mrs. R. S. Carmichael of Holloway, gave a most interesting talk on her experiences in some slums in our great cities, where she witnessed strange foreign ceremonies.

Mrs. Jenny Law Hardy, Mrs. Elka Wilmoth, and Mrs. Addie Lindbert spoke on the necessity for organizing loyal Americans against the subversive agencies of foreign governments.

The club voted unanimously to continue its work for Americanism and to unite with the other Federated Republican Clubs in this work.

The club will meet at Mrs. John Nyland's residence, Chicago Blvd., Tecumseh, at 1:30 on Dec. 4, to sew for the Red Cross.

The next regular meeting will be called by Miss Lois Lancaster in Clinton, on the second Wednesday in January, the place to be announced later.

WIT-WISDOM CLUB

The Wit & Wisdom Club will meet Monday evening, December 2, at the home of Mr. and Mrs. W. L. Berkhof, with Mrs. E. D. Brown as assistant hostess. "Crime Detection" will be the topic of the evening with Nelson Bliss from the Federal Prison at Milan as the speaker.

Starr Commonwealth ... Head Is Club Speaker

Floyd Starr of the Starr Commonwealth Home for Boys at Albion, was guest speaker at this week's meeting of Tecumseh Monday Club. His subject was "Kinks," and Mr. Starr who believes all cases are purely mental and will yield to the right treatment, gave a very interesting address. Gifts for the boys of the school were brought to the meeting and presented to Mr. Starr.

Miss Mary Whitelock was leader of the program which also included a vocal solo by Mrs. Edward Beal.

Sister Helene of Siena Heights College in Adrian will speak on "Art" at next week's meeting.

Furniture, Appliance Store, Des Ermia Plan

As soon as the present close-out sale is finished, soon after Christmas, it was announced today that the Des Ermia Department Store on East Chicago Boulevard, would be remodeled to grit the needs of a modern furniture, appliance and radio store, which will be opened here by L. A. Des Ermia, sometime in January.

The Des Ermia store has operated here for several years as a department store, and is now closing out its entire stock of dry goods, ready-to-wear, men's furnishings and shoes, preparatory to the change in policy. The two-floor and basement store will give the proprietor an opportunity to carry a large assortment of stock, comparable to metropolitan stores, yet at prices that are in keeping with rural areas, because of lower overhead.

An announcement of the change of policy, and of the nationally known appliances, radios and furniture that Mr. Des Ermia will offer will be made in a subsequent issue of The Herald.

Aged Resident Dies After 3-Year Illness

David Connor, aged 84 years, died Monday morning at his home on East Kilbuck street. Death followed a series of paralytic strokes covering a period of three years, during which time he was practically helpless.

Mr. Connor was born in Rhode Island but had lived in Michigan for many years. He resided in Clayton, Cadmus, Tecumseh and South Rockwood, returning here about three years ago. He was a member of the Methodist church at Flat Rock.

Survivors are the widow, two daughters, Mrs. Florence Washburn of Hudson, N. Y., and Mrs. Fannie Harrington of Napoleon, Ohio, four grandsons, Dorman Harrington of Monroe, Richard Harrington of Napoleon, Robert Washburn of Cincinnati and Robert Harrington of Tecumseh, and a sister Mrs. Hannah Glosser of Belding.

The funeral was held Wednesday afternoon at Belding Funeral Home. Rev. E. F. Hildebrand officiated and burial was in South Dover cemetery.

CIVIC HOLIDAY PARTY, DEC. 6TH

SANTA CLAUS TO VISIT TECUMSEH WITH GIFTS FOR ALL OF THE CHILDREN

A civic pre-Christmas party, including a visit from Santa Claus who will have a gift for every child that he sees, was announced for Tecumseh today by Wade L. Jones, executive secretary of the Chamber of Commerce.

The party, according to Mr. Jones, will be held here on Friday evening, December 6, with Santa's arrival tentatively scheduled for 8 p. m. Whether he will come by sleigh or by plane, and other intimate facts concerning his visit, Mr. Jones said, would be announced next week.

Although St. Nick's visit will not occur until next week, Mr. Jones said that Tecumseh is now in readiness for the holiday trade, and that stores and the downtown streets would be completely decorated by Saturday. Street decorations, he declared, will include yule trees, sparkling with lights, on every lamp post, and strings of colored lights across the downtown streets. These will be lighted for the first time on Saturday evening of this week.

The wedding took place Friday evening at 7:30 in the home of her sister Mr. and Mrs. C. G. Bristol in St. Petersburg, Fla. Rev. McNabb of the Christian church performed the ceremony before a few friends. The couple were attended by Mr. and Mrs. Bristol.

The bride wore gold crepe with a corsage of red roses and pink rosebuds; Mrs. Bristol wore navy blue and carried red and white roses.

Both Mr. and Mrs. Titley are graduates of Tecumseh high school. They left immediately for Santa Monica, Calif., where he is employed by the Douglas Airplane Company.

OGDEN WORKMAN DIES IN HIS CAR

BODY FOUND TUESDAY MORNING NEAR BIRDSALL; HEART ATTACK BLAMED

Clarence Wyncoop of Ogden Center, was found dead in his automobile Tuesday morning about a mile and a half north of Birdsall on M-52. Mr. Wyncoop had evidently suffered a heart attack while on his way to work in Clinton, and had lost control of the car which left the road and stopped in the tall grass. The ignition was still on when he was found.

David Hammill, a farmer who lives nearby, and who discovered the body, said the car had been there since Monday morning. It was directly in front of Mr. Hammill's house and after seeing it the second morning he decided to investigate. The body was slumped over on the seat, one foot still on the clutch. A slip was found in his pocket notifying him to report for work Monday at Water Works Park in Clinton.

The sheriff's department and Coroner Paul Mott were called. The latter decided no inquest was necessary.

Mr. Wyncoop, who was 65 years of age, leaves four daughters, two of whom came from Detroit Tuesday to make arrangements for the funeral which will be held Friday afternoon at the Mott Funeral Home in Adrian, with burial in Ogden township.

Series Of Meetings Announced By Friends

Willis R. Hotchkiss of Cleveland, Ohio, will conduct a series of meetings in the Friends church during the coming week, beginning December 1 and continuing until Sunday, December 8.

Mr. Hotchkiss has had many interesting experiences as explorer, missionary and author. He was a pioneer missionary in British East Africa, now Kenya Colony. He began his work in Africa in 1895 and for 20 years from 1911 to 1931 remained on that continent without furlough. In addition to his regular duties he founded the Friends African Mission and the African Inland Mission which now numbers over 200 missionaries.

Meetings will be held December 1 at 10 a. m. and 7 p. m. On Monday December 2, a fellowship supper for Fathers and Sons will be held at 6:45. The Lenawee Holiness Association will meet here on 2 and 7:45 on Tuesday; a children's meeting is scheduled for 4:15 on Wednesday; women's meeting at 3 p. m. on Thursday, with evening meetings at 7:45. On Friday evening the Adrian Quarterly Ministers meeting will unite in the service. On Sunday, December 8, services will be at 10 a. m., and 7 p. m., with a men's mass meeting at 3 p. m.

Mrs. Helen Crane and Mrs. Gladys Perryman of Detroit will furnish special music for these meetings.

FLORENCE WELD GUILD

Mrs. Wadel L. Jones and Mrs. W. J. Penman entertained the Florence Weld Mission Guild Monday evening at the home of the former on South Union Street. Mrs. Penman presided. Missionary work was discussed and it was decided to pack a missionary box at the home of Mrs. A. Heilzerman. Mrs. Frank Nyland conducted devotionals and Mrs. W. H. Harper was leader of the program on "Presbyterian Missions in the West Indies." She was assisted by Mrs. Harold Wilson and Mrs. Frank Buck.

A social hour with refreshments followed the program. Mrs. Jennie Satterlee was a guest.

WED AT ONSTED

Miss Ruth Smith, daughter of Mr. and Mrs. George M. Smith of onsted, and Clark Vincent of Tecumseh, were married Thanksgiving Day at the home of her parents, the Rev. E. F. Hildebrand reading the ring service. The couple were attended by Mr. and Mrs. William Hamilton.

Following the ceremony dinner was served to 30 guests.

They will reside in Tecumseh where Mr. Vincent is employed by Tecumseh Products Co.

LUTHERANS TO DEDICATE NEW CHURCH SUNDAY

$5,000 BUILDING ON N. MAUMEE STREET, READY FOR OCCUPANCY NEXT SUNDAY

The Grace Evangelical Lutheran Mission, organized in Tecumseh a little less than three years ago, next Sunday will dedicate its new church on North Maumee street, erected at a cost of approximately $5,000.

Dedication services, expected to attract scores of Lutherans throughout this area, will begin at 10:30 o'clock Sunday morning when the Rev. A. G. Wacker of Ann Arbor will be the speaker. At 3 o'clock in the afternoon there will be another service with the Rev. W. Stein of Lansing as the speaker. The evening meeting, at 8 o'clock, will be in charge of the Rev. M. C. Schroeder of Bay City, as guest speaker. The Misses Marie, Marjorie and Doris Wintersteen of Tecumseh, will sing at each of the services, offering special trio arrangements of the "Lord's Prayer," "Thanks be to God," and "A Mighty Fortress is our God." At the morning service Mrs. George Parsons will accompany them at the organ.

The Rev. R. W. Scheele, local pastor, has extended an invitation to the public to attend any and all of the services. He also announced that there would be no Sunday School sessions next Sunday, these to be resumed a week later at 9:30 a. m., in the basement rooms of the new building.

A brief history of the local mission reveals that plans for the establishment of a Lutheran church in Tecumseh were begun here nearly three years ago when, on January 6, 1938, the Rev. Mr. Wacker, assisted by members of the Salem congregation at Adrian, came to Tecumseh and began a house-to-house canvass to determine the interest in such a movement. Many Tecumseh families expressed a desire for a church, the nearest Lutheran church being on the Ridge road, north of Ridgeway. The Mission Board of the Michigan District of the Wisconsin Synod was petitioned for the services of a missionary, following a meeting held at the home of Mr. and Mrs. A. G. Hiller, and

Grid Banquet Tonight To Attract Big Crowd

A large crowd is expected this evening at the fotball banquet, honoring members of the 1940 Tecumseh high school grid team and intended to lend impetus to the completion of the school's recently acquired athletic field, a natural amphitheatre immediately north of the central school building. The dinner will be served in the high school gymnasium.

At the banquet tonight at 6:30, to which the public is invited, Joe Holsinger, backfield coach at Michigan State College, East Lansing, will be the principal speaker. The Davis brothers of Dundee, members of the 1939 team champs, also will be guests. Motion pictures of the Michigan State-Purdue game, will be shown.

Charles O. Butler, Michigan State football end in 1915-16, will act as toastmaster, adn there will be remarks by Fred Raizk, director of the high school athletics, N. L. Hart, football coach, and W. L. Berkhof, superintendent. Mrs. Lyman Curtis, president of the Mothers' Club, will speak on "Why Our Grid Mothers Organized," and community singing will be led by Wade L. Jones. Members of the 1940 squad will be introduced, including Captain Bill Leonardson and co-captains, and school letters will be awarded.

The banquet is being prepared and served by the Tecumseh Mothers' Club, an organization made up of members of high school football players. Proceeds of tonight's banquet will be used to further the improvement of the athletic field.

Murder Mystery Show Here Next Wednesday

A three-act mystery play "The Case of the Laughing Dwarf," produced by special arrangement with Samuel French, will be presented here next week Wednesday evening, in the high school auditorium, under the direction of Frederick Dickinson. The play is being staged by the Tecumseh Theatre Guild, a project of the high school girls Glee Club.

The role of the brilliant Inspector Britt is being played by Frederick Dickinson, Sr. Wing, his Confucius proverb-speaking assistant is John McColl. The leading feminine role goes to Miss Opal Kerr as the hotelkeeper, Georgia Divine. Other speaking parts are taken by Bertha Mae Kring, Hugh Des Ermia, Kenton Hunt, Lois Anderson, Donald White, Ruth Falk, Frances Yerger and Jean Collins.

The play, crammed with mystery, action and suspense, promises to be one of the finest yet staged by the local Guild and is expected to attract a capacity house for the 8:15 curtain. Tickets are on sale by the Glee Club members.

GOOD AND BAD HABITS

Nearly everybody has both strong and weak points—good and bad qualities. Some have more good than bad; others just the other way—more bad than good—judgment depending on the temperament and inherent tendency of the observing critic. Persons who have similar interests or tastes, are drawn together in the face of defects that would repel others. The one who holds high appreciation of integrity and candor or of fine intellectual or spiritual values is not largely influenced by material possessions. The fellow whose thinking is monopolized by the quest for money, is strongly inclined to base his appraisement of another on what he has earned or is earning and to let attributes of mind and character slide by as unimportant. The fact is, one may find good in nearly every person if he looks in a receptive frame of mind, and it is plainly unfair to give blanket condemnation when dislike or disagreement exists in only one point or in a minority of points. The individual who sees good only in himself—feels that noble purposes are restricted to himself—is of course a hopelessly twisted egoist.

BRANDED

If some system could be devised by which a man who is convicted of flagrant traffic violation could be made to drive a branded car, we would see a most rapid decrease in accidents. No man wants to be branded publicly.

In olden times a man lost an ear or had his flesh seared by a red hot iron if he violated the laws of his country. There is no greater criminal than the man who skims over the road at high speed, weaving in and out around cars on curves and hills.

What a help to be warned ahead of time that a maniac of speed is approaching. To see a red flag, a white cross, or a skull and cross bones emblazoned on the radiator of his car would be a warning to move over, slow down and allow the wild man to pass. After a period of probation the emblem could be removed.

It is said [illegible] European country follows this practice and is finding it successful.

"Don't light any matches! Here comes Gwendolyn!"

No, Gwen isn't afraid of fire. It's simply that she has an undeniable odor of benzine. Her clothes have been cleaned in dirt-logged, over-worked cleaning solvent and the smell lingers on and on.

We use fresh, pure, cleaning solvents because we know how objectionable "cleaning odor" is to most people. Send a garment to us tomorrow for cleaning. We'll send it back SMELLING as well as looking clean and fresh.

LUTHERANS TO

(Continued from Page 1)

attended by some 60 persons.

In July of 1938, the board honored the petition and the Rev. Mr. Scheele came to Tecumseh. The Braun building on East Chicago Boulevard was rented, and it was here that the first Lutheran service was held on August 14, 1938, conducted by Mr. Wacker. Mr. Scheele was ordained and installed as the first pastor.

It was in September of the same year that the church launched its plans for a Sunday School, the pastor being assisted in this work by C. A. Wagner and Mrs. A. G. Filter. The school now numbers 86 members.

In the fall of 1938, the men active in the mission decided to remodel the basement of the Braun building for church meetings, and it was there that the Christmas program was held in the same year.

In the fall of 1939, it became evident that the Braun building would not long be suitable as a church, because of the rapidly increasing size of the congregation. A committee was named to secure a site for a new church and the property on North Maumee at Shawnee was purchased.

March 23, 1940, the Braun building was badly damaged by fire, making it unsuitable for church services, and the second floor of the building unfit as living quarters for the pastor and his family. It was only a few days after the fire that the men of the congregation began to remodel the house on the newly acquired property, making it suitable as the minister's home, and on August 27 of this year, final plans were approved for the building of the new church. During the time that the building has been in progress, services were held in the basement of the home of Mr. and Mrs. Wagner, and also in the Episcopal church at Clinton, offered for that purpose.

The committee, in charge of the plans and construction of the church that will be dedicated on Sunday, is made up of G. Bailey, Harvey Dinse, Mr. Wagner, Bernard Clark and Wm. Jewell. The congregation also expressed its thanks to the following organizations and individuals for these gifts: The lighting fixtures in the main auditorium were donated by members of the Salem congregation at Scio; The altar was donated by the Tabor congregation at Detroit; The organ by St. Peter's congregation at Petersburg; The amber windows throughout the church by O. Teske, Mr. Dinse, and O. Marion. There also were other gifts.

The new building, of frame construction, is large enough to seat between 150 and 200 persons, and the church membership at the present time is about 90. The basement of the church is equipped for the use of the Sunday School, and also may be used for other meetings and suppers, there being a modern kitchen in connection. The pastor's home is immediately north of the church, the mission having acquired a considerable block of property at the time of the purchase. It is understood that the land is to be subdivided and some 14 building lots made available to the public.

County Population Gains While Large Cities Lose

Families are leaving a number of cities in Michigan, but evidently they aren't going far away, says the Michigan Department of Health. Study of preliminary 1940 census figures shows that in several counties the chief cities lost population yet the total for the county was higher than in 1930.

Migration of city workers to suburban areas explains the population increases in such counties as Macomb and Oakland. The same trend is evident in the state's second and third largest cities. Grand Rapids lost 2.7 per cent of its population in the last ten years and Flint lost 3.3 per cent. Yet Kent county gained 2.2 per cent in spite of the Grand Rapids loss and Genesee gained 7.5 per cent in spite of the drop in Flint. Battle Creek, Kalamazoo, Owosso, Ironwood and Niles are other examples of city losses and county gains.

The state's growth from 1930 to 1940 was the smallest recorded in any census period since the first enumeration showed a population of 4,762 in 1810 when Michigan was a territory. A hundred years ago, the population increased 570.9 per cent. In the last ten years it increased 8.3 per cent. The state total is provisionally 5,245,012 as compared with 4,842,325 in 1930.

Five counties of the state showed a decrease, four in the Upper Peninsula (Dickinson, Houghton, Iron and Keeweenaw) and Jackson in the Lower Peninsula which lost 146 persons from the census rolls.

Several counties in the upper half of the Lower Peninsula showed large percentage gains, led by Roscommon county which gained 78.1 per cent when its population went from 2,055 to 3,660.

The Golden Text (Isaiah 45:22) is: "Look unto me, and be ye saved, all the the ends of the earth: for I am God, and there is none else."

Among the Bible citations is this passage (Ephesians 6:13): "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 29): "Christians must take up arms against error at home and abroad. They must grapple with sin in themselves and in others, and continue this warfare until they have finished their course. If they keep the faith, they will have the crown of rejoicing."

Warner Clark of Hillsdale was a guest last Friday afternoon.

Last week David Green spent three days with us while his parents were out of town.

We are all getting very independent and can get into our snow suits without much help.

Christmas pictures, stories and songs are very popular now. Many of us do very nice work drawing and cutting pictures.

Marcia McGehee and Tommy Baldwin are frequent all day visitors.

Afternoon visitors have been Barbara Ousterhout, Sally Brown, Patsy O'Brien, Mary Pat McCann, Dean Andrews, Marie and Ruth Boyce, Jean Johnson, Judy and John Sisson, Susan Nilsen, Keith Parker and Billie Bruce Berkhof.

A Special Service

Miss Mary Leland, factory representative, will be at our store all day today to consult with you on your corset problems.

School Notes

Third Grade
Mrs Truesdale, Teacher

Mrs Lindsley visited our room recently. She brought an attractive aquarium containing some guppies and red snails. It has been interesting to have them here. She also brought two plants to add to our cacti collection.

Group one has had two number drills in arithmetic. The class average has been good each time. Several have had perfect scores.

On Armistice Day we discussed acts at school that show good and poor citizenship. A few posters were made that stressed playing together peaceably, waiting our turn at the fountain, and other desirable habits.

Our Weekly Readers have been very interesting this year. We are making covers for them. In this way we can keep them all together and refer to old ones when we wish. We have quite an attractive array of covers. Some are made of plywood and hinged. Others are made of cardboard and covered with decorated paper. The linings are decorated with potato printing.

The following visited school in response to our invitations sent during Education Week: Mrs Nebert Rommel, Mrs Paul Keyser, Mrs George Weller, Mrs Rose Service, Mrs Claud, Goodacre, Mrs Clifton Holmes and Mrs Frances Bender. This makes a total of 17 mothers who have visited this year.

Chapel

We opened our chapel Monday morning by repeating the pledge to our flag. Then we sang two hymns. Rev. E. M. McGehee was our speaker. His topic dealt with the material out of which we are going to build "our house." He illustrated this with a nursery rhyme and also with the parallel of the houses being built on the sand and on a rock. He raised to question: "Will your house be strong enough to stand up under nature's forces and life's hardships?"

We closed our chapel service with the Lord's Prayer. We enjoyed the Rev. Mr McGehee's talk, it was very interesting.

Doris Aebersold, reporter.

Sixth Grade
Mrs Smith, Teacher

We have a new girl in our room. In gym we are learning to do a processional. We will do it in our operetta at Christmas time.

This afternoon Martha Hewlett read us a story about Thanksgiving. In this same paper with the story there were some pictures about the Pilgrims. Wilfred Waldron brought a book about the Pilgrims' Party. It explained why and how the Pilgrims had a Thanksgiving. Mrs Smith read us a story about the Todd's Thanksgiving. Our teacher said we should turn the word "Thanksgiving" around and say "giving thanks."

Room helpers are Esther Frost and Jean Leonard.

Reporters, Martha Hewlett, Wilfred Waldron.

Fourth and Fifth Grades
Mrs Pfaus, Teacher

We enjoyed dramatizing our Thanksgiving play for the fifth grade. The use of our colonial furniture helped to make the play more real.

The following pupils have the splendid record of not being tardy or absent the first twelve weeks of school: Michael Chamberlain, Patty Hammack, Wilbur Kimball, Melvin Murphy, Zoe Ann Pennington, Donna Adams, Mary Erhart, Marian Pennington, Irving Shaw, Gertrude Shervino and Clyde Smith.

14 MEN CALLED FOR DRAFT EXAM

WILL REPORT TUESDAY AT ADRIAN; WARN OF QUESTIONNAIRE DELAY

After an examination of the 100 questionnaires sent out to county registrants for selective compulsory military training, 14 Lenawee men have been ordered by the draft board to report for physical examination at Bixby hospital in Adrian, Tuesday. These 14 men, including two volunteers, are placed in Class 1 by the board and are available for immediate service. Some questionnaires have not been returned and those registrants are liable to imprisonment and fines, unless it is proved, that it was impossible to return them inside the 5-day limit.

The men to report Tuesday are Kenneth E. Bigelow, Adrian, and V. Fred'k Smith of Tecumseh, volunteers; Watson S. Clark, Palmyra; William J. Murrell, Adrian; Paul A. Pasley, Adrian; Amil M. Smelik, Blissfield; Joseph McCormick, Riga; Floyd R. Monafield, Morenci; Gerald L. Wright, Hudson; Walter Solarski, Tecumseh; Percy J. Nugent, Blissfield; Robert E. Foley, Manitou Beach; Samuel B. Campbell, Adrian; Henry J. Fischer, Adrian.

Instructions received by the board yesterday indicate that 25 men will be called from Lenawee for selective service on January 2.

Tuberculosis Seals To Be Sold By Children

A supplementary tuberculosis Christmas seal sale will be conducted by the school pupils in Tecumseh, starting today and continuing until Christmas, Superintendent W. L. Berkhof has announced.

"The sale is held to give local residents, who do not receive seals through the mail, an opportunity to purchase them and help in the fight against tuberculosis," Mr. Berkhof explained.

Money derived from the Christmas seal sale will be used in the various phases of the Michigan Tuberculosis Association's health program for 1941. Tuberculin testing and X-ray clinics are an important part of this program. During the last year 98 X-ray clinics were held throughout the state, and 5,659 persons were X-rayed. The field service department of the Association contacts the sick and their families and urges tuberculin testing and X-rays for those suspected of having the disease and makes sure that active cases are hospitalized. Examinations of families of the draftees rejected because of tuberculosis will also be a part of next year's program.

A campaign to educate the public on tuberculosis control is being conducted by the Association in the schools, homes and industries. Talks are given before clubs, organizations and school assemblies, and movies on tuberculosis are shown throughout the state.

Assisting Mr. Berkhof in conducting the school's supplementary seal sale will be Miss Cole, Mrs. Pfaus, Miss Starr, and Mrs. Smith.

ELECTED PRESIDENT

Mrs. E. M. Spangler has been elected president of the Past Chiefs Club of the Pythian Sisters for the coming year. Other officers elected are Miss Nellie Wilson and Mrs. Rose Schreder, vice presidents, Mrs. Ira Manwaring, treasurer, and Mrs. I. W. Broiller, secretary.

The club will hold a Christmas party at their next meeting to be held December 27 at the home of Mrs. Bert Aten with Mrs. C. F. Jones the assistant hostess.

Home Of The New Palman Store

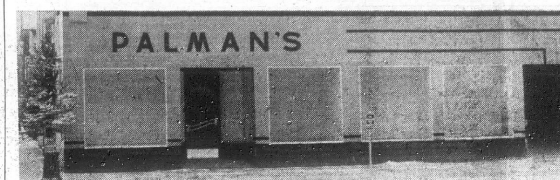

Photo above shows the new Palman department store at the corner of Chicago Boulevard and Evans Street, that will be formally opened to the public tomorrow evening. Remodeled and redecorated, it is one of the most modern stores of its kind in Lenawee county.

PALMAN STORE OPENS FRIDAY

FREE SOUVENIRS TO BE GIVEN AT FORMAL SHOWING ON FRIDAY EVENING

Palman's, Tecumseh's new department store at Chicago boulevard and Evans street, will be formally opened to the public on Friday evening between the hours of 7 and 10 p. m., it was announced today. After that time it will be open for business at regular hours.

There will be free souvenirs for both men and women when they inspect the new, modern store tomorrow evening, one of the largest department stores in Lenawee county. The new store carries a complete line of dry goods, ready-to-wear, men's clothing and furnishings, and men's, women's and children's shoes. Immediately after the first of the year, the second floor of the three-story building is to be remodeled and a carpet, rug and floor coverings department will be added.

The new home of the Palman store, formerly occupied by the Rosecrans store and another store immediately to the west, was purchased some months ago by the Palmans and has been completely remodeled and redecorated and a new modern front installed. New lighting fixtures and furnishings make it one of the most attractive retail houses in this section of the state.

Formerly, the Palman store was located on East Chicago boulevard, but an increased volume of business made the quarters too crowded. The East Chicago store has been closed, and the owners have not announced what disposition will be made of the building in the future.

Art Instructor Speaks To The Monday Club

Sister Mary Helene and Sister Mary Jerome of Sienna Heights College in Adrian, were guests of Tecumseh Monday Club at this week's meeting at the Methodist Episcopal church parlors, and Sister Mary Helene gave an interesting talk on "Art—It's Appreciation and Understanding." The speaker was introduced by Mrs. Ellsworth Collins, leader for the afternoon. The program also included two piano solos by Camilla Satterthwaite.

During the business seccion the club voted to send a gift of money to the Childrens' Aid Society in St. Joseph.

Mrs. Earl Wickwire and Mrs. B. B. Turnbull were hostesses.

Men's Mass Meeting Planned By Friends

A men's mass meeting will be held Sunday afternoon at three o'clock at the Tecumseh Friends church at which time Willis R. Hotchkiss will be the speaker. During the opening portion of this meeting there will be special music by "The Exalters of Christ" who will be using the cathedral chimes, the vibra-harp, and the vbra-phone, Mrs. Ralph Comfort at the organ.

A large congregation greeted Mr. Hotchkiss on Tuesday when he showed motion pictures that he took in Africa last year.

Willis Hotchkiss, who is listed in "Who's Who in America" is the author of two books on east Africa. He has spoken in all the large universities, and theological seminaries, and the women's colleges east of the Mississippi. He speaks at the Tecumseh Friends Church this evening and tomorrow evening at 7:45 and on Sunday morning at 10 and Sunday evening at 7 o'clock, in addition to the men's mass meeting at 3 o'clock Sunday afternoon. The public is invited to these meetings.

Sleigh and Horses To Bring Santa Claus Here on Friday

Santa Claus, laden with gifts for every boy and girl he finds in Tecumseh, will arrive here on Friday evening, at 7:30 p. m., according to a communication from the North Pole, and received here late yesterday afternoon by Wade L. Jones, secretary of the Chamber of Commerce.

"Tell all of the boys and girls," Santa's telegram said, "that I will reach Tecumseh on Friday evening, December 6, at 7:30 p. m. This year I will come with horses and sleigh, and I will bring with me 1,000 gifts for the boys and girls of your community. I'll stop my team at the four corners in the downtown section, and it is there that I hope to meet and to greet my many young friends."

Mr. Jones declared that gmal preparations for St. Nick's visit have been completed and that nothing remains undone.

"Heretofore," Mr. Jones said, "Santa has found it necessary to fly to Tecumseh by plane, and we have been forced to meet him outside the village with one of our fire trucks. This year, however, because it is cold and there is considerable snow, he has decided to make the trip by sleigh. We are very happy to have him come early this year, and we hope that all Tecumseh boys and girls, and all of them in this trading area, will be on hand to greet him."

Tecumseh's business section will be in gala Christmas dres for Santa's visit. Streets have been decorated with evergreen trees and thousands of twinkling colored lights, and store windows also reflect the spirit of the Yule season.

All Tecumseh stores will be open on Friday evening for Santa's visit, and many of them will remain open each evening thereafter, except on Sunday, until Christmas.

Past Matrons Elect Mrs. Russell President

The Past Matrons Club of Tecumseh chapter, Order of the Eastern Star, met Friday evenin at the home of Mrs E. E. Hendershot on West Chicago Boulevard for their annual meeting and election of officers. Mrs. Glenn Van Denbergh was assistant hostess.

Mrs. Gladys Russell was elected president; Mrs. Robert H. Moore, vice president; Mrs. F. C. Dickinson, secretary and Mrs. Lynn Harris, treasurer. Mrs. Jennings Prayer, retiring worthy matron of Tecumseh chapter, was accepted as a new member of the club.

A turkey dinner preceded the meeting which was followed by a social hour.

WATER CONNECTIONS MADE BY VILLAGE ON SUNDAY

If your home was without water for about five hours on Sunday, rest assured that a similar interruption will not occur again for many months, in the opinion of Al Bagshaw, waterworks engineer.

The interruption on Sunday was due to the cutting in of new mains from the west village wells to the central main on West Chicago Boulevard at Union street. Workmen began the job early Sunday morning and at 10 o'clock they were ready to make the connection. It took about five hours to complete the job, the water being off until 3 p. m.

The installation of new mains to feed the central main was necessary because of increased growth of the village, and the heavy demand for water in the homes that have been built here during the past three years.

STORE REMODELED

The interior of the Wehr Pharmacy has been remodeled and enlarged and is being redecorated. The soda fountain has been moved to the west side and the partition moved back making room for more tables. Booths have also been installed.

ROHWEDER TRANSFERRED

Joseph H. Rohweder, formerly of Tecumseh, who has been connected with the Consumers Power office in Erie, has been transferred to the Owosso office and has moved his family there from Temperance. Fred Burkhart employed here at one time, has been transferred to the Erie office.

NEW LUTHERAN CHURCH OPENED

DEDICATION SERVICES HELD HERE SUNDAY; 700 PERSONS ATTEND

Over 700 persons, including pastors and laymen from Detroit, Lansing, Ann Arbor, Belleville, Scio, Monroe, Saline, Adrian, Bay City, Blissfield and Riga, attended the dedication of the new Grace Evangelical Lutheran church here on Sunday.

The ceremonies began at 10 a. m. when the pastor Rev. R. W. Scheele and members of the church council marched to the church where they were met by the contractor Adolph Lindemann of Saline, who presented them with the key. After a dedicatory prayer the door was opened, and sacred vessels carried into the church. The congregation followed.

Three services marked the dedication with the Rev. A. G. Wacker of Ann Arbor, the Rev. W. Stolz of Lansing and the Rev. N. C. Schroeder of Bay City as the speakers. Music at each service was presented by the Misses Marie, Marjorie and Doris Wintersteen, accompanied by Mrs. George Parsons.

The Men's Club of the church served dinner to 100 persons at noon in the church basement and the Ladies Aid Society served nearly 75 at the evening meal.

Grid Banquet Attended By 250 Persons, Thursday

Some 250 persons, interested in Tecumseh high school's athletic program, attended a gridiron banquet, sponsored by the Football Mothers' Club, and served last Thursday evening, in the gymnasium of the high school.

The program included the invocation by the Rev. O. V. Robinson, singing led by Wade L. Jones, and remarks by Mrs. Duman Curtis, president of the Mothers' club. Superintendent W. L. Berkhof acted as master of ceremonies and C. O. Butler, a 1915-16 grid star at Michigan State College, proved a genial toastmaster. There were remarks by Fred Rauk, athletic director, and N. L. Hart, grid coach, and the main address was by Joe Holsinger, backfield coach at State College. After the dinner and program, motion pictures of the Purdue-MSC game were shown.

Coach Hart also presented letters to the local grid team as follows: Wm. Leonardson, Robert Mohr, Robert Wilson, Donald Carlson, Max Green, Charles Coffey, Dale Carpenter, Ernest Oliver, Robert Williamson, Allen Brooks, Malcolm Bagshaw, Karl Schneider, jr., Jack Curtiss, Wayne Jackson, Robert Jewell and Jack Brown. Second team members introduced were: Jack Osburn, Alfred Allen, Clifford Jackson, Seaman Packard, Oliver Bovee, Richard Murphy, Wm. Sisson, Donald Winter, James Spooner, Dean Ammer and Donald Smith. Managers were Ned Harrington and Franklin Humble.

WED 15 YEARS

Mr. and Mrs. Herbert Murphy are celebrating their 15th wedding anniversary today.

G. H. LANCASTER BURIED MONDAY

WELL KNOWN CLINTON BUSINESS MAN DIES AFTER A LONG ILLNESS

George H. Lancaster, Clinton business man and well known throughout Lenawee county, died last Thursday night at Ford hospital, Detroit, where he had been taken Tuesday for treatment. Mr. Lancaster had been ill for nearly three years and had been at the hospital several times.

He was born September 28, 1876, near Evans Lake, and was a son of Mr. and Mrs. Martin Lancaster who moved to Clinton in 1884. Mr. Lancaster was engaged in the hotel and livery business in Clinton for many years and in 1912 opened the Lancaster automobile sales and garage business in which he continued until his death. He also opened the first gasoline station in Clinton.

Mr. Lancaster was widely known in racing circles and had owned a number of race horses. He had served as Clinton village president, township treasurer, village clerk, village treasurer, a member of the council and also as deputy sheriff for 18 years. He was a member of the Episcopal church and of the Masonic Lodge.

Survivors are the widow, formerly Miss Bertha O'Hara, five daughters Mrs. Minota Fleming of Dearborn, Miss Marietta Lancaster of Roseville, Mrs. Sarah Libs of Jackson, Misses Lois and Laura Lancaster of Clinton; two sons John of Dearborn and George of Clinton, also a grandson Joseph L. Fleming, a niece and nephew Helen and Frank McClure of Los Angeles, Calif. His parents, a brother Edgar and a sister Sibella preceded him in death.

Funeral services were held Monday afternoon at St. John's Episcopal church in Clinton. Dr. J. J. Preston of Wayne officiated and burial was made in Riverside cemetery.

Scout Court Of Honor To Be Held Here, Monday

Boy Scout troops of Lenawee county will meet in the Tecumseh high school gymnasium Monday evening, December 9, for a district court of honor when troops and individual honors will be awarded. Tecumseh troop No. 4 will be hosts for the meeting and 20 troops will be represented.

At a meeting of the executive committee held Tuesday evening, plans were made for the committee's Appreciation banquet to celebrate the 15th birthday anniversary of Wolverine Council. It was announced at this time that Waldo Shaffer of the Regional Boy Scout office in Chicago will be in Adrian December 11-12-13 to give a series of lectures to scout leaders on their duties as members of standing committees.

COUNCIL MEETS

The village council met in regular monthly session here, Monday evening with Mayor Karl M. Schneider presiding. The greater part of the session was given over to a discussion of routine business, the approval of current bills, and reports of the several department heads.

Jens Touborg was granted permission to install a small bore rifle range in an old gravel pit on property near his home. The council approved the purchase of a septic tank for the Roger Wilson home on N. Dewpsrat street. Approval of bonds of the Bender Construction Co., and the American Well Works Co., by the village was authorized. The two companies are building and installing new equipment at the west wells for the water works department.

TECUMSEH "OVER THE TOP"

Mrs. Edna Codling, local Red Cross chairman, reports 290 names added to the membership and $361 collected in the recent Red Cross roll call to date. This is not a complete report but is already $40 over the quota. Mrs. Codling wishes to thank all the workers who assisted in the drive.

Rare Gowns and Tapestries To Be Used In Pageant

"Holy Night," a pageant that moves across the pages of the history of Israel, from the time of Abraham through the birth of Christ, will be presented at the Baptist church Sunday evening, December 15. The pageant has been presented by the Baptist church here over a period of 25 years, although it has not been given every year during this period, It has been the policy of the cast, under the direction of Mrs. R. S. Moore to try to enlarge and improve the pageant from time to time. Some of the original cast will again appear this year, in fact they have "grown up with the pageant."

In looking over the properties one finds rich gowns and fine laces from France, tapestries from Italy, leopard skins from Africa, sandals from Hawaii and blankets from Mexico. Truly it is fitting that the peoples of the earth should be so united in the celebration of the birth of the Prince of Peace.

The entire church joins in saying "Thank You" to its many friends for the very fine things they have contributed for the pageant. Gifts have been received from friends all over the country from the East to the West Coast, and the church is especially grateful to Ronald Pocklington for the use of leopard skins brought from Africa.

The entire pageant is presented in a spirit of worship and all the cast feels they are helping many to have a more complete knowledge of Lord Jesus Christ.

In view of the fact that so many have been turned away in the past, the pageant will be presented twice during the same evening this year, at 7 and 7:15 p. m.

A dress rehearsal will be held Sunday afternoon at 3 o'clock at the church and all who have taken part before are requested to be present.

— Rotary Speaker —

Dr. Onderdonk

Dr. Francis Skillman Onderdonk of Ann Arbor, architect, author, world traveler, educator, and famous lecturer on international affairs, delivered an address before the Tecumseh Rotary Club, Tuesday, following luncheon at the high school. His topic was "The Frankenstein of Europe."

A member of the Sons of the American Revolution, the Society of Friends (Quakers), the Detroit Philosophical society, and the International Lyceum Association, Dr. Onderdonk comes of noted old Holland stock.

Though born in New York, young Francis Onderdonk went to live in Austria when he was ten years old, due to the second marriage of his mother. Later, he studied architecture at the Imperial and Royal Technical Institute in Vienna, receiving the degree of of Doctor of Technical Sciences there in 1919.

In 1925 Dr. Onderdonk became an instructor of the College of Architecture at the University of Michigan and taught there until 1933. He has gone to Europe every third year since making his home in Ann Arbor. In August 1938, on his eighth trip abroad since 1901, he attended the International Conference at Pontigny, France, as the guest of Lord Davies. He was at Geneva during the Munich disaster and previewed there a striking talking picture on "World Organization" showing the League of Nations' successes in combatting epidemics, drug traffic, social evils, etc.

In his address here, Dr. Onderdonk presented his opinions concerning the significance of the present World crisis and outlined the foreign policy which he believes the United States should adopt.

Telephone Cable Cut; 200 Users Affected

Some 200 telephones in Tecumseh were put out of service, Tuesday, when employees of the Consumers Power Company, while erecting a pole on South Pearl Street, accidentally cut into a 200-pair cable, buried in the ground, near the office of Dr. H. H. Hammel. Most of the phones afected were in the downtown and western section of the village.

"It was the most serious service interruption we have had in Tecumseh," Mrs. Julian Owen, local manager of the Michigan Associated Telephone Company, said. "However, we were able to call an extra workmen from Coldwater, and in the main all repairs were completed on Tuesday evening."

Employees of the power company said that they had no idea that the cable was buried near where the hole for the pole was being dug. Several months ago, during a sewer excavation project, a cable was damaged on South Maiden Lane, but only a few phones were affected at that time.

CULBERTSON P.-T. A.

The Culbertson P.-T. A. will meet Friday evening, December 6, at the home of Mr. and Mrs. Raymond Guy with Miss Thelma Johnston assisting in entertaining. Refreshments of coffee, sandwiches, doughnuts and cookies will be served following the program.

SCHOOLS ADOPT HEALTH PROGRAM

INSPECTION OF PUPILS INTENDED TO POINT WAY TO MORE COMPLETE CHECK-UP

An extensive health inspection program in the local public schools, to make available valuable data regarding possible physical handicaps of pupils; to stimulate the regular instructional program in health; and point the way to corrective measures which may be taken to assist those who are handicapped, was announced today by W. L. Berkhof, superintendent.

Tests to detect defective vision and color blindness are being administered to all pupils in the central building this week. Next week a hearing test will be administered to all pupils from grades three through twelve by means of and audiometer which is being loaned to the school through the courtesy of the University of Michigan Speech Clinic. This equipment, which will enable those in charge of administering the inspection program to test large groups of pupils at one time, furnishes the most accurate method at present available for testing hearing.

A third important step in the inspection program will be the examination of pupils by a school nurse for defects or disorders of teeth, tonsils, lymphatic glands, nutrition and skin. This data together with height and weight measurements will furnish school authorities with a valuable health index for each child.

The follow-up program will consist of such corrective measures as the school is capable of providing and also notes to the parents of children who appear to have defects or disorders as revealed through the inspection. The letters to the parents will stress the fact that the inspection which is being given should be followed by a real examination by the family doctor or dentist and that the school inspection is intended only for pointing the way. Although there can and will, of course, be no compulsion in this matter, the willing cooperation of parents will assist greatly in making the program really worth-while.

The health inspection program is being carried out in the schools with the cooperation of members of the local Child Study Club. Numerous members of the club are devoting their time to assist with the clerical and such phases of the inspection program as can be carried out without the assistance of a nurse.

Funds for the program were made available through the community drive by the Youth Council. This organization, interested in youth activities in this community, allocated a part of the funds raised through the drive to the Child Study Club to finance a health inspection program in the schools.

New Officers Installed By Local Chapter. O. E. S.

Tecumseh chapter, Order of the Eastern Star, met Thursday evening, for installation of recently elected officers. More than 100 persons witnessed the ceremonies conducted by Mrs. Gladys Russell, installing matron; Mrs. Robert H. Moore, marshal; Mrs. Edna Codling, chaplain and Mrs. F. C. Dickinson, organist, assisted by several past officers of the chapter and 16 members of the Masonic lodge.

Officers installed were: Mrs. Louise Lott, worthy matron; John R. Lott, worthy patron; Mrs. Alice Hamilton, associate matron; Mrs. Belva Weichner, conductress; Mrs. Ledah Beal, associate conductress; Miss Grace Gillespie, secretary; Mrs. Agnes Harris, treasurer; Mrs. Ora Murphy, organist; Mrs. Helen Hodges, marshall; Mrs. Mildred H. Wilson, Ruth; Mrs. Mildred R. Wilson, Adah; Mrs. Reva Raymond, Esther; Mrs. Edna Leeni, Martha; Mrs. Emma Mae Benham, Electa; Mrs. Clara Puffer, warder; John H. Smith, sentinel.

Mrs. Nina Sturtevant, a past matron, presented her daughter, Mrs. Thelma Frayer, with the past matron's jewel and Mrs. Frayer, in turn presented each of her retiring officers with a floral bouquet and a gift. Mrs. Frayer was also presented with a gift by the officers who had served with her during the year and gifts of flowers were presented to new and retiring officers.

A choir composed of Mrs. B. J. Pulver, Mrs. Ernest Taylor, Mrs. Nina Heath, Mrs. Ina L. Wyman, and F. C. Dickinson sang during the installation. Refreshments were served in conclusion.

BRILLIANT PROGRESS

More than 3,500,000 men, women and children have died of tuberculosis in the United States in the last thirty years. An additional 2,500,000 would have died in that period if the mortality rate of thirty years ago had continued to prevail.

What has caused this appreciable decline in tuberculosis mortality? A number of factors have been responsible. Though a specific cure is yet to be discovered, medical science has nevertheless made brilliant advances in the way of treatment. In recent years chest surgery has become an increasingly important all of bed rest. The tuberculin test and the X-ray have made possible the discovery of the disease long before the appearance of symptoms. Consequently, the development of early tuberculosis into the more dangerous stages can today be guarded against.

Then too, there has been the constant health education campaign of the anti-tuberculosis organizations of the nation. In addition to spreading knowledge about the most needless of all diseases, these agencies, through tuberculosis Christmas seal funds, have been enabled to carry on case-finding programs, do invaluable socio-economic and medical research and promote the passage of effective tuberculosis legislation.

The Michigan Tuberculosis Association's annual sale of tuberculosis Christmas seals is now under way. Watch for those tiny tokens of good health and good will. When the seals do appear, make a generous purchase. They have had much to do with the fall of the tuberculosis death rate in the last thirty years. They will be an important force in the fight that remains ahead.

Gran'pa Drank "Chief Kokomo's Wonder Tonic"
This wonder remedy was said to cure everything from chilblains to summer complaint. Today, thanks to the advancement of medical science, fake nostrums no longer flood the market. In Gran'pa's day, home laundering was said to be superior. Today, with the modern laundry offering the advantages of marvelous equipment, scientific testing and skilled workers, "home washing" can't even approximate it in cleanliness or care. And the modern laundry has a service and price for every need.

KATTY KITTY Says

"You've had that white dress dyed gray, haven't you?"
Expert cleaning removes all trace of dirt from garments, but cleaning with overworked, dirt-logged solvents usually leaves clothes dingy and gray.
Cleaning is an art and a science. We've studied it thoroughly and have adopted every cleaning improvement. Send a garment to us tomorrow and see for yourself how perfectly clean it comes back.

Ridgeway

The annual meeting of the Ridgeway Library Association will be held in the library Friday evening Dec. 6. All interested are urged to be present.

A meeting of the Ridgeway Garden Club will be held at the home of Mr and Mrs Willis Palmer Friday, Dec. 6, beginning at 10 a. m., with potluck dinner at noon. Members are to bring dishes and come prepared to sew in the morning. Movies "From Sunrise to Sunset" will be shown in the afternoon.

Sunday guests of Mr and Mrs W. R. Benham were Mr and Mrs Wm. Noble and Mrs Emma Noble of Azalia.

Mr and Mrs Smith Pocklington entertained Sunday Wm. Coleman, Mr and Mrs Harry Coleman and son Billie of Rea, Mr and Mrs Roy Carothers and baby Kay Linn of Detroit, Mr and Mrs J. A. Collins of Tecumseh and Mrs Carl Alexander and two children of Adrian.

Ridgeway School Notes

The primary room children completed their months work on Indians and Pilgrims besides additional work in health and citizenship. Last Wednesday we invited our mothers and friends as our guests to our Thanksgiving Party. We reviewed some of our fall songs and presented several plays that had been created during the month. We didn't forget to express our thanks for the peace and plenty that we enjoyed in America. The afternoon was brought to a lovely conclusion with refreshments served by the ninth and tenth grade girls.

We are sorry to have Robert Cooper and Ellen Myers confined to their home by illness.

We have three new children in our room. Dorothy, Alfred and Helen Jewell from Ridgeway Dist. No. 2. We have 40 enrolled in our school now.

Everyone is thinking and planning for Christmas. We were glad to see the snow as it put us all in a happy mood.

We observed Armistice Day with a suitable program. Rev. Priest of Britton was our guest speaker. He told us about his experiences in France during the World War.

The school children are selling Christmas Seals to help prevent tuberculosis.

Miss Dibble gets library books from the Adrian Library for us to read. About one third of our number read a book last month. We are on our second set of books now, and each one hopes to complete a book this month.

In Citizenship the ninth and tenth grades have been studying about different types of homes. They completed the unit by making an illustrated booklet representing the different types of homes. They look very attractive up in our room.

The upper grades made Pilgrim Posters for Thanksgiving. They are on display about the room.

This past week the upper grades made a study of Indians living in North America. They studied Indians of Hot Regions, Indians of the Plains, Indians of the Desert, ad Indians of the Forest. Each pupil was given an outline to follow and he could choose some particular tribe to study about. They studied about their homes, dress, occupations, transportation, religion and legends. Each pupil compiled a booklet. They found this study of Indians very interesting.

Report cards were given out for the second time. Those from the upper grades who were on the Honor Roll this time are: Eleanor Cadmus, Raynor Spreeman, Jerry Filter, Evelyn Gall, Jean Munger, Vera Chase, Geraldine Spreeman and Dorothy Austin.

The following having perfect attendance from the upper grades were Albert Todd, Jean Munger, Eleanor Cadmus, Jerry Filter and Dorothy Gittus.

Our new attendance chart shows that Albert Todd, Eleanor Cadmus, Dorothy Gittus and Jerry Filter have perfect attendance for the month of September, October and November.

Reporters, Eighth Grade — Evelyn Gall, Shirley Spaven, Wayne Dunbar.

Clinton

Aged Resident Dies

Mrs June Esther White, aged 80 years, widow of the late John White, a tailor here for many years, died Friday night at the home of her son John White. Mrs White had lived in Clinton for over 50 years.

She leaves two sons John of Clinton and Fred of Detroit, two sisters Mrs Laura Sharkey of Toronto, Ont., and Mrs Florence Doherty of New York, and one grand-daughter Alma Therese White of Clinton. Her husband, a son and a daughter preceded her in death.

Funeral services were held Saturday morning at the Hause Funeral Home with Rev. R. E. Simons officiating. Burial was in Riverside cemetery.

Adress Church Women

Mrs George Baltzer of Ypsilanti who was a delegate to the national council of Congregational Churches in Berkeley, Calif., last summer, spoke to the Woman's Union of the Clinton Congregational Church Friday afternoon.

Mrs C. L. Kimball conducted a short business session and Mrs J. D. Hause led the devotional service.

At 1 o'clock Mrs J. R. Foreman and her circle served a luncheon to about 40 women and Mrs H. R. Hause acted as the hostess.

The next meeting will be held Dec. 20 with Circle 1 serving the luncheon. A Christmas program will be presented.

S. S. Class Meets

The Methodist Friendly Class met Thursday evening with Mrs F. A. Furgason. Mrs Frank Harrison presided and Miss Maud King was in charge of the devotional service. The group's Christmas project was discussed. The women brought gifts for the "Sunshine Boxes" being sent to Mrs John McComb and Mrs. L. B. Hittle. The hostess assisted by Mrs Mary Clark served refreshments. Miss King will be hostess to the class on December 12.

To Plan Christmas Program

A special meeting of business people and other interested persons was held Monday evening in Legion Hall to arrange a Christmas program for Clinton. Trees for Main Street have been ordered by the Commerce Club.

Gene Marstellar returned to Chicago Thursday. His daughter will remain for a time with her aunt Mrs E. C. Codling who is in Ann Arbor with a broken arm received in a fall on the sidewalk last week.

Mr and Mrs Clyde Way have moved to their home on Tecumseh street.

The Clinton Culture Club will present "The Womanless Wedding" here Dec. 12 and 13, with 80 local men taking part.

The American Legion Auxiliary met Tuesday evening in Legion hall when gifts of candy, nuts, cigarettes and playing cards were brought for the Veterans' Hospital at Battle Creek.

Program Presented

The thankoffering service of the Methodist Woman's Society of Christian Service was held at the church Friday evening beginning with a family potluck supper in charge of Mrs F. A. Furgason, Mrs John Knight and Mrs Glen Hindes. Mrs Knight was the leader of the program in which the parts were taken by Mrs S. K. Englehart, Mrs Howard Schmidt, Miss Maud King, Mrs Furgason, Mrs Edith Huffman, Miss Helen Larzelere, Mrs R. E. Simons and Mrs Lewis Widmark with Mrs Amos Wilson at the piano.

The next activity of the Woman's Society will be its Christmas luncheon at the church at 1 o'clock, Dec. 10, open to all Methodist women.

Mr and Mrs Elwood Meyers and children and Miss Marie Furgason of Cleveland spent the week end with their parents Mr and Mrs E. H. Meyers and Mr and Mrs F. A. Furgason.

O. B. Feldkamp, F. L. Weaver, Forrest Lemm and Obed Alvord with friends from Jackson and Detroit returned Saturday from a hunting trip near White Pine Mines in northern Michigan. They brought back two deer.

Mr and Mrs John Hause have returned from their wedding trip and will reside at the Bellow apatment on East Michigan Avenue.

Paul Hoyt was in Toledo Sunday to take his daughters Catherine Jean and Betty Ann who had been here since last Wednesday evening and were returning to their home in Pittsburgh.

Working Toward a New Day

A NEW note of understanding has come into the American Public's thoughts concerning the railroads.

It is now recognized that the coming of new forms of transportation has brought about disruption of the normal transportation situation. These new agencies must be properly fitted into the nation's distribution system if the best interests of the public are to be served. And certainly that program must include attention to the present disordered and unfair regulation requirements under which the railroads are the worst sufferers.

Armed with this new sympathy, the public in recent years has sought to rectify this injustice. Congress, in 1935, and the various states have passed laws to this end. This year Congress enacted the so-called Transportation Act of 1940.

But much additional progress along this line must be made before the railroads are on a parity with their competitors. To achieve equality will not harm other forms of transportation; is no more than justice requires; and definitely will be in the public interest.

Our members of the Michigan legislature and our representatives in Congress are urged to exercise justice, fairness and common sense in considering any legislation intended to bring equality into our transportation industry.

Michigan Mirror

Non-Partisan News Letter

LANSING, Dec. 5 — "Britain backs Michigan plant."

Such was the cryptic headline over a single paragraph news item in a recent issue of the New York Times. The dispatch by the Associated Press follows:

"DETROIT — Officials of the Kelsey-Hayes Wheel Company disclosed today that British funds would pay for its new plant, for the manufacture of Colt-Browning machine guns, near Plymouth, Mich. The company announced construction would begin at once to fill a contract to supply machine guns to Britain. Employment will be provided for 2,000 men, company officials said."

Forty-eight hours later a United Press dispatch to Detroit:

"WASHINGTON — Great Britain hopes to obtain financial aid from the United States next year as well as ships, planes and munitions, British Ambassador Lord Lothian said today after an eighty-minute conference with President Roosevelt."

"Clear Mandate"

Arthur Krock, Washington correspondent of the New York Times, observes:

"The impression which seems to prevail among Britons here (Washington) is that the election gave Mr. Roosevelt a clear mandate to render the fullest sort of such aid to the Empire, and that Lord Lothian can properly proceed on this interpretation."

While the Marquess of Lothian, his Britannic Majesty's present ambassador to Washington, says frankly that Britain is reaching the end of her credits in the United States, here is what Sir Cecil Spring-Rice wrote to Secretary Lansing on July 1, 1917, in the similar capacity of British ambassador to Washington.

He declared that the financial position of Great Britain was "of an urgent and critical character.. There is danger that the ability of His Majesty's government to effect payments in America from today onward will be in jeojardy.. A collapse of the exchange will be no less disastrous than a great military reverse."

It was our own ambassador to London, Walter Hines Page, who wrote one month before we entered the war in 1917: "Perhaps our going to war is the only way in which our present prominent trade position can be maintained and a panic averted...All the money would be kept in our own country, trade would be continued and enlarged until the war ends, and after the war Europe would continue to buy food and would buy from us also an enormous supply of things to re-equip here peace industries."

Reaction to Propaganda

Sir Sidney Rogerson in his baak, "Propaganda and the Next War," published in 1938, pointed out:

"In the next war, as in the last, the result will probably depend upon the way in which the United States acts, and her attitude will reflect the reaction of her public to propaganda properly applied."

The following statement is attributed to the late Lord Northcliffe:

"England sent $150,000,000 for propaganda purposes in the United States during the war, and I consider that money spent to greater advantage than any equal amount during the entire conflict." (It was admitted in the House of Commons that Northcliffe's paid publicity agents in the United States numbered some 4,500.)

Because he frankly opposes the United States entering the war, Ambassador Joseph Kennedy, American envoy at London, has been accused of being a "defeatist propagandist." Kennedy made this statement one year ago —Dec. 12, 1939—in the Church of the Assumption in Boston, Mass.:

"There is no place in this fight for us. It's going to be bad enough as it is. As you love, America, don't let anything that comes out of any country in the world make you believe you can make a situation one whit better by getting into the war...There is no reason—economic, financial, or social—to justify the United States entering the war."

Our Economic Stake

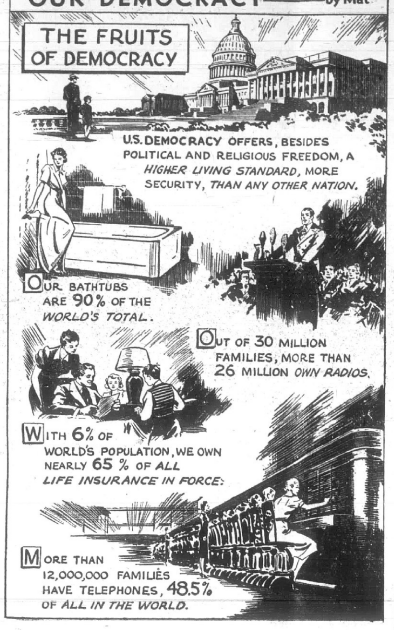
John D. Biggers, secretary of the national defense commission, recently said that our own government's arms contracts, totaling $12,5000,000,000 include a third of a billion dollars in allocation to Michigan industrial plants. British arms awards, such as the machine gun plant near Plymouth (in Wayne county), will swell this total.

Economic maps and charts for the nation, such as the Business Week feature, invariably show Michigan to be a "bright" spot.

The state is enjoying an unusual prosperity.

Christmas retail sales are climbing upward.

OUR DEMOCRACY — by Mat



Alfred Sloan, General Motors magnate, terms the boom "synthetic."

We present the above interpretative picture at the risk of being subjected to "name calling" — a fifth columnist, a defeatist propagandist, and so on. And so pardon a personal note. It was in 1758 that our family forefathers, two brothers, fled from Germany to escape German oppression. They fought as Americans in the Revolutionary war. In 1917 we enlisted on our 18th birthday, served overseas in England and France, and returned home after 19 months of military service.

We desire to repeat an earlier observation: Michigan is getting, more than the average state, an economic stake in war trade. Let us think calmly of the possible consequences while there is still time to do so.

Michigan Farmer

The 1939 income of the Michigan farmer was 93 per cent of the 1929 income.

Our state ranked 12th in point of percentages of the 48 states.

And this in spite of the fact that agricultural commodities in general dropped 63 per cent in prices from 1929 to 1933 while production declined only 6 per cent. Michigan's agricultural diversity—fruit, vegetables, grain and livestock—and its climatical benefits of scarcity from drought all have made the Michigan farmer better off than the average American farmer—believe it or not!

Michigan-grown onions, for example, are prized highly in eastern markets. This year's crop was of bumper proportions. A surplus has accumulated.

Hence the success of the federal food stamp program and the proposed extension to serve 5,000,000 consumers is of potential importance to Michigan producers of food. The Michigan Food Council, comprising producers, receivers and distributors, is supporting this stamp plan actively.

Briefly, it is this: The government gives to relief clients 50 cents worth of blue stamps, good in any co-operating grocery, for any foodstuff officially designated as surplus, for each $1 worth of orange stamps which the client buys from his relief funds. The limit is $1 a person per week.

It is a federal subsidy to stimulate consumption of surplus commodities among the so-called "ill-fed" third of our population.

Extension of the foodstamp plan in 1941 would provide new markets for more than $10,000,000 worth of surplus farm crops each month.

The Michigan farmer, well off as he is on a compartive basis, has an interest in this new form of unemployment relief. Despite mounting arms contracts and a reported shortage of skilled workers, relief rolls have not shown a marked tendemcy to decline. The problem is still here.

BOY'S LIFE WEEK

Perhaps the oldest feature magazine writer in America today is Daniel Carter Beard, National Scout Commissioner of the Boy Scouts of America. "Uncle Dan," as he is known to millions of boys not only in the United States but all over the world, was 90 years old last June. For over a quarter of a century he has been Associate Editor of "Boy' Life." Each month he writes and illustrates an article, delighting new generations of boys with his limitless fund of nature stories and helpful hints on living in the out-of-doors. "Boys' Life Week" is being observed from Dec. 1 to 7.

Thousands of boys in all parts of the nation who are deeply interested in keeping themselves physically fit turn to a physician for personal health guidance. Dr. C. Ward Crampton, a veteran in Scouting for many years, is a member of the National Council's Committee on Health and Safety. He has won a wide following through his monthly articles on "Keeping Physically Fit" in "Boys' Life," published by the Boy Scouts of America, for all boys.

The Editor of "Boys' Life" since 1923, Dr. James E. West, Chief Scout Executive of the Boy Scouts of America, has been a champion of better reading material for boys since childrood. He first became a book enthusiast at an early age in an orphan home in Washington, D. C., where as a crippled boy he was a leader of the children. Discovering for himself the treasures unfolded through reading books, he was placed in charge of the institution's library and to encourage reading, he paid each child one cent for each book read.

WILLIAMS OIL COMPANY, a Michigan Corporation,
Plaintiffs,
vs.
J. KIMBALL and MRS. J. KIMBALL, her Christian name being unknown; JESSE KIMBALL and MRS. JESSE KIMBALL, her given name being unknown; HANNAH M. RUDE, FLORENCE M. ROBERTS and C. MAY HATHAWAY, or their respective unknown heirs, legatees, devisees and assigns, and EMMA L. WELLS,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, in said County, on the 23rd day of October, A. D. 1940.

PRESENT: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause, it appearing from the Bill of Complaint on file therein, and the affidavit of Henry R. Jewett, attached thereto, that the Defendants above named, or their unknown heirs, legatees, devisees and assigns, are proper and necessary parties defendant in the above entitled cause;

And it further appearing to the Court that after diligent search and inquiry, it cannot be ascertained, and it is not known whether the above named Defendants, or their respective unknown heirs, legatees, devisees and assigns are living or dead, or where they, or any of them, reside, if living, or whether they, or any of them have heirs, legatees, devisees and assigns, or whether they have personal representatives, and further that the names of the persons included herein, without being named, under the title of unknown heirs, legatees, devisees and assigns, could not be ascertained after such diligent search and inquiry.

It further appearing that Emma L. Wells, one of the above named defendants, is not a resident of the State of Michigan, but her last known place of residence was Woodsdale, City of Wheeling, and State of West Virginia,

On motion of Henry R. Jewett, attorney for said Plaintiff, it is ordered that said Defendants, and their unknown heirs, legatees, devisees and assigns, cause their appearance to be entered in said cause within three months from the date of this order, and it is further ordered that a copy of this Order of Publication be served by Registered Mail, with a return receipt demanded, on the said Emma L. Wells, directed to her last known postoffice address, Woodsdale, Wheeling, West Virginia,

It is further ordered that this order be published according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Alice M. Welch,
Deputy Clerk of the Court.

The Golden Text (Hebrews 3:4) is: "Every house is builded by some man; but he that built all things is God."

Among the Bible citations is this passage (Psalms 40:5): "Many, O Lord my God, are thy wonderful works which thou hast done, and they thoughts which are to us-ward: they cannot be reckoned up in order unto thee: if I would declare and speak of them, they are more than can be numbered.

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 502): "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected."

National Defense Spending To Boom Michigan Business

TOTAL CONTRACTS TO STATE'S PLANTS AMOUNT TO NEARLY $126,000,000

By Gene Allman

LANSING, Nov. 28 — Post-Thanksgiving reflections:

"Didn't I say last week that Michigan is headed for at least two years of record-breaking prosperity? And all because Mr. Hitler's military monkey-business across the ocean has forced both Great Britain and the United States to spend recklessly for huge armaments.

"Yes, I did write that, and I believe it is true. But it does sound like prosperity Pollyanna this pulling ourselves up by our own bootstraps into a false Utopia. There must be another side of the story. Why don't you tell it?

"You can't feed a kid on candy and then take it away from him without stirring up a fuss. How will all this war economy affect Michigan people? Will they tend to favor our participation in the Battle of Britain in order to keep our factories going?

"Come on, mister, don't keep your head in the sands!

"Here is something vital in the lives of your readers. Tell them about it."

Arms and Michigan

How will the national defense program affect Michigan?

Editor and Publisher, national magazine for newspaper and advertising people, places Michigan second of the 48 states in volume of government contracts let from July 13 to Oct. 26 and reported by the department of labor at Washington.

Michigan contracts totaled $123,-820,000.

October awards aggregated $41,423,000.

And these sums are only a modest beginning. National expenditures during the third quarter (July, August, September) totaled $500,000,000. The fourth quarter will double this amout, while the first quarter of 1941 is expected to bring another 50 per cent increase.

Thus federal expenditures are spiraling upward, and by July, 1941, they are due to reach 600,-000,000 to $700,000,000 monthly until the billion-a-month peak is hit. Compare this billion goal with our current month's estimated spending of about $300,000,000, and you get some idea of what this astronomical spending will mean to our U. S. A.

Mass Production

It was inevitable that a state where mass production methods had been widely applied in industries would be relied upon to achieve quick output of munitions and arms.

Since the day that Detroit, Flint, Saginaw, Lansing, Pontiac and other cities became automobile centers, Michigan had been world-famous for its assembly line and the efficiency of its workers.

That has not been without its penalty, however. When automobiles are in demand, times are good in Michigan. When the reverse takes place, times are hard.

The assembly line, the crux of mass production science, and the adoption of annual models assures either steady employment or lay-offs. A sit-down strike in one supply factory can cause the entire line to come to a stop. Flint automobile workers who went deer hunting the other day accomplished the same thing: The line couldn't function.

These industrial centers consequently have experienced recurring periods of boom and depression. Unemployment dips to an extreme, or rises to a near vanishing point. This does not happen also without the fringe of suburban communities being directly affected. Scores of small-town industries are kept alive by the big motor business. Thousands of workers reside in nearby towns, commuting daily by automobile between work bench and home.

British Orders

National defense orders and British arms orders are today, to all practical extent, one and the same.

Henry Ford balked at manufacture of Rolls-Royce motors for British planes, but promptly accepted a similar contract from the United States government for airplane engines. Other automobile companies have not been so choosey. Packard is to make British engines; General Motors has substantial British arms contracts.

President Franklin D. Roosevelt announced that Britain would get 50 per cent of our arms output, and there is little doubt that the proportion will be increased in Britain's favor if a new crisis threatens.

Under our capitalistic system whereby private ownership is entitled to private prolt, it is inevitable that a war economy of this type will produce war profits. Such was the history of World War I. Let us take a look at 1940.

Our Export Trade

The Wall Street Journal on Oct. 21 stated that 42 per cent of America's exports are munitions or related arms materials. Exports during the first year of World War II exceeded four billions, a gain of 37 per cent over the preceding 12 months. Our export balance was the largest since 1921. Of these exports, 62 per cent go to Britain.

The three-quarters earning of leading industrial corporations also show sharp gains. United States Steel has more than 500-per cent increase, Jones & Laughlin 2.500 per cent, Glenn L. Martin 300 per cent, according to figures printed in Business Week.

General Motors earnings for the same three-quarter period of 1940 wee $129,172,000, a gain of $20,-000,000 over the same period in 1939. The third quarter earnings record was $15,597,000, compared with $8,627,000 in 1939, or almost double even after new tax levies were deducted.

Motor Wheel, at Lansing, has gone from $1,091,000 to $1,440,000 earnings for the same three-quarter period. Oil firms show substantial gains.

And yet it would be grossly unfair to infer that directors of these corporations are interested in war for war profits. Better than the average worker, the modern industrial leaders realize that a war economy is a false economy; tomorrow's headaches will plague capital and labor for years to come.

One reasonable conclusion from the rising tide of war profits might be this: Michigan, as one state, is getting an economic stake in the war.

Will History Repeat?

Ray Stannard Baker in his Wilson biography stated:

"Thus by the end of the year 1914 the traffic in war materials with the Allies had become deeply entrenched in America's economic organization and the possibility of keeping out of the war by the diplomacy of neutrality no matter how skillfully conducted, had reached the vanishing point."

Jerome Frank, chairman of the Securities and Exchange commission, recently wrote: "Every student of our conduct prior to our entry into the last war agrees that non-participation was made all but impossible because of our precious huge shipments to the belligerents . . . The same forces are now at work that were operative in 1914-17."

President Roosevelt in his Chautauqua speech referred to war profits as "fools' gold" and warned of "the inevitable penalties, the inevitable day of reckoning."

Ambassador Page in 1917 advised Woodrow Wilson: "Perhaps our going to war is the only way in which our present pre-eminent trade position can be maintained and a panic averted."

Secretary McAdoo in 1915 favored credit for the Allies as a protection to "great prosperity" for farmer and factory worker. Even Secretary Lansing said that neutrality should not stand in the way of "our national interests which seem to be seriously threatened."

The principle of cause and effect still functions. Will Michigan's coming prosperity help to create a public attitude, as history says it did previous to the last war, in support of our direct participation in the present war as a fighting ally of Great Britain?

Or, in other words, will history repeat?

You can surmise what the future holds. We strive to interpret the news.

Mrs. Frank Buehrer, 66, Formerly Of Tecumseh, Dies

Mrs. Frank Buehrer, aged 66 years, formerly Olcea Owen of Tecumseh, died Saturday night at her home near Clayton after a long illness.

Mrs. Buehrer was a daughter of the late J. W. Owen and wife, and was born in Tecumseh August 6, 1874. On November 14, 1894 she was married to Calvin O. Bovee and they made their home on a farm in Hudson township until his accidental death in October 1929. Mrs. Bovee spent the next few years in Adrian, Brighton and Tecumseh, returning to the farm at Clayton in the fall of 1933. On August 15, 1934 she was married to Mr. Buehrer who survives. She was a member of the Clayton Methodist church, a life member and past matron of Clayton chapter, Order of the Eastern Star; a member of Past Matrons Club and a former member of Cadmus Grange.

Besides her husband she leaves a daughter Mrs. Emery R. Hoff of Adrian, three sons, Harlan and Carl Bovee of Lansing and Mac-Donald Bovee of Toledo, her mother Mrs. Mariella Owen of Tecumseh; four sisters Mrs. Elmer Stofflett of Chelsea, Mrs. R. K. Welliver of West Virginia, Mrs. W. H. Wagner of Sioux City, Iowa, and Mrs. Lyman Curtis of Tecumseh, 11 grandchildren and four great-grandchildren. She also leaves a step-son Henry Buehrer of Adrian, three step-daughters Mrs. Arthur Barley of Rochester, N. Y., Mrs. Theo LaBounty and Mrs. Earl Burnett of Toledo. A daughter died in infancy and her father, a brother Walter Owen and a sister Mrs. Addi Lindsley also preceded her in death.

Funeral services were held in Clayton Tuesday afternoon, Rev. L. L. Finch of the Morenci Methodist church officiating. The body was brought to Tecumseh for burial in Brookside cemetery.

THE TECUMSEH HERALD

NINETY - FIRST YEAR— NUMBER ELEVEN. TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 12, 1940. FIVE CENTS PER COPY

COUNTY'S DRAFT LIST INCREASED

EXPECT 34 TO BE CALLED IN-TO SERVICE DURING JANUARY FROM LENAWEE

With the state's draft quota placed at 3613, Lenawee county's quota for compulsory military training to be filled during January has been officially set at 34 men and call orders and dates will be issued at once by the county board at Adrian. Some 400 questionnaires have been issued and the board has 75 men now listed as available for service if they pass the physical examination. The 75 men drawn last week were given physical examinations Tuesday but reports will not be ready for several days.

The status of a married man seeking deferment from the draft must be considered at the time of classification, regardless of the time of marriage. Asserting local boards "cannot assume that a married man, whether or not his wife is dependent upon him, may be deferred until all unmarried men have been called," the headquarters listed the following conditions which must be met to exempt married men:

The wife must be the registrant's wife or divorced wife, and a citizen of the United States.

At the time of classification, she must depend for support in a reasonable manner upon his income earned by the registrant.

She must receive regular contributions, including alimony, for support and such contributions may not be merely a small part of such wife's support.

The headquarters said a husband is exempt if his wife and the community look upon him as her normal source of support, even though he is unable to furnish her money or other support for temporary periods because of physical or economic conditions.

The final list of order numbers for men in this vicinity follows.

St. Peter's Announces Church School Program

St. Peter's annual Episcopal church school Christmas party will be held next Wednesday afternoon and evening, December 18, in the parish house. The pupils in the primary department (the department which meets in the station at 11:15 on Sunday morning) will come to the parish house at 4:30 o'clock in the afternoon and remain until 6:15. Cars will be provided to take these pupils home. Mrs. Lindbert's class of girls will also come at 4:30 o'clock.

The remainder of the older pupils in the junior and senior departments will come to the parish house at 6:30 o'clock. The customary chicken dinner will be served to both sections of the party. Mrs. Russel Thurlby is in charge. The entertainment will consist of two moving pictures. The final number on the program in both sections will be the arrival of Santa and the distribution of gifts at the Christmas tree.

On Sunday morning, before Christmas, December 22, a pageant entitled, "A Little Child Shall Lead Them," will be presented by the church school at 11:15 o'clock. All departments and classes will come at that time on that day. On Christmas eve, December 24, the traditional mid-night candle-light service will be held, beginning at 11 o'clock.

Monday Club Sponsors Xmas Decoration Program

The Monday Club listened to two excellent talks at its meeting Monday afternoon, when Dean Rush of Adrian College spoke on "The Light of the World" and Jon Young of the high school on "Our Foreign Policy." Robert Dannells sang two soprano solos.

The club decided to promote the outside decorations of homes again this Christmas and Mrs. Guy T. Pocklington has offerel a prize for the best decoration. Mrs. Sam Sisson, club president, appointed as judges, Mrs. R. J. Pulver, Mrs. B. B. Turnbull, Mrs. W. L. Berkhof and Mrs. F. C. Dickinson. Two new members, Mrs. Neville Hart and Mrs. Lee C. Jacokes, were voted in at this meeting.

A Christmas program will be given at next Monday's meeting.

DIES IN JACKSON

Mrs. George Church and son Ernest are in Jackson today for the funeral of her sister, Mrs. Frank Allen, whose death occurred Monday afternoon at Mercy hospital in Jackson where she had been taken Sunday. TECUMSEH WINS 2ND CAGE GAME

VARSITY AND RESERVE VICTORIUS IN CONTEST AT HUDSON, FRIDAY EVENING

Coach Fred Raizk's high school Indians won their second cage game of the season, Friday evening, when they defeated Hudson high school on the local court, by a score of 23 to 10. The reserve team also won its game by a 23 to 6 score. This was the second win of the season for the Redskins, their first victory coming on December 3 when they defeated Addison in a contest there, 29 to 12. The reserves also won their opener at Addison, 21-19.

In the game here last Friday, Mohr, Wilson, Carlson, Green and Leonardson were in Tecumseh's line-up while Davis, Kaufmann, Sturges, Redmann and Goodrich played for Hudson. Brazee and Coffey were tied for high score with six points each.

In the first quarter, Hudson failed to score while Carlson had two baskets and a free throw, Mohr one basket and a free throw and Wilson and Leonardson a basket each, making the score 12-0, Tecumseh. In the second quarter Hudson made two free throw scores while Mohr scored once and Green twice for the Indians, a pep talk at the half inspired the visitors and they held Tecumseh scoreless during the third quarter while they ran up eight points. In the final quarter, the Redskins with the aid of Leonardson and Spillman ran up five more scores, making the final 23-10.

Tecumseh this year has a fine appearing cage team but it must be remembered that it still has on its schedule two of the most dangerous teams in the league—Blissfield and Manchester. Blissfield in playing out of its class and recently defeated Monroe, a Class A school, and fans are of the opinion that Raizk's men will have more than their hands full when they meet the Sugar Boys. Manchester also is expected to give Tecumseh considerable trouble, but not nearly as much as Blissfield.

Cleveland Bible Chorus To Give Program Here

The Cleveland Bible College Chorus of Cleveland, will present two musical programs at the Tecumseh Friends church on Sunday, Dec. 15, at 3 p. m. and 7 p. m. Several members of the chorus choir will be present at the morning worship service at 10 o'clock. It is expected that a member of the faculty of Cleveland Bible College will be the preacher at the Friends church Sunday morning. Other members of the chorus will be attending other Friends churches in Lenawee county.

Professor Philip J. Macx who is the head of the music department and professor of voice at Cleveland Bible College, is the director of the chorus choir. He also is the choir director of the First Friends church in Cleveland; also the Youth Church of the Air chorus, and is studying at the Cleveland Institute of Music.

In order to avoid a conflict with the local Baptist church which is presenting its Christmas pageant twice on Sunday evening, there will be an intermission at the evening program at the Friends church which will afford time for all who wish to do so to attend the second presentation of the Christmas pageant at the Baptist church at 8:15 p. m. No charges will be made for admission to the musical programs at the Friends church but free-will offerings will be received. The public is cordially invited to these programs.

BUY GRAVEL PIT

The Lenawee county road commission has purchased two gravel pits in Raisin township for highway purposes. One plot of 21 acres was purchased from Ed Marks; another 6 acre plot from the Cupples estate.

Hot Stove League Politicians Turn Thoughts to Gov. Pat

LANSING, Dec. 12—The "hot stove league" has convened at country general stores, and one of the choice, timely topics is Governor-elect Murray D. Van Wagoner.

What will "Pat" try to accomplish during his administration?

How will he get along with a Republican legislature and an administrative board which he can not control?

Folks take their politics seriously in the 'hot stove league" when the snow drifts grow higher and skies are overcast and the northwest winds whistle outside, the Van Wagoner administration should get a lot of free advice, all for the listening!

On the basis of campaign remarks, press statements and Lansing analysists, here is a fairly good picture of what is to come.

First, Governor Van Wagoner will emphasize a business administration.

Mr. Van Wagoner intends to seek a gradual liquidation of the $29,000,000 state deficit, a book-keeping result of fund juggling, by having a specified amount of state revenues set aside each year out of the reach of pressure group spenders.

When times are good and the sales tax and liquor revenues are mounting, this drift program should be no hardship on anyone. The sales tax this year is expected to reach the $70,000,000 mark, proof enough that it is productive if not ideally fair to the low-income group.

The governor-elect is confident that a more business-like collection of taxes, through a centralized agency, will enhance the productivity of the sales tax. This is a sore spot in state government, and it evoked a nasty situation last spring in Wayne county where rumors were thick that many retailers were being favored and that exemptions and adjustments were being made entirely too promiscuously.

Under the present budget arrangement, the legislature appropriates funds for use of state institutions and departments, but there is no legal power to penalize or check state officials who exceed their appropriations.

For example, Budget Director Gus Hartman, who has earned a reputation for being hard-boiled as an army top-sergeant, has risked fire and brimstone by refusing arbitrarily to grant additional funds in excess of allotted budget sums.

A new budget control bill has been drafted by the "Young Republican" study committee of the legislature to achieve a two-way objective:

Consolidate all tax-collecting

John J. Moore, Aged 75, Dies At Home Near Dunree

John James Moore, aged 75 years, a former resident of Tecumseh, died Wednesday morning at his home near Dundee following a heart attack. Mr. Moore had been in failing health the past four years. He was born in Dundee October 25, 1865, and was a son of the late Henry (Harry) Moore and Anna Watterson Moore.

He leaves the widow, Ruby McFaul Moore, two daughters Mrs. Russell Cauchie and Mrs. Cecile Smith, one son Roger Moore all of Dundee; a sister Mrs. Frank Ellis of Dundee, three brothers Robert and Harry Moore of Tecumseh and Irving Moore of Dundee, several grandchildren, among them Mrs. George Elliott of Tecumseh, one great grandchild and a number of nieces and nephews.

Funeral services will be held Saturday afternoon at 2 o'clock at the Kyper Funeral Home in Dundee, with burial in Dundee cemetery.

Mrs. D. J. Van Valkenburg, Franklin Resident, Dies

Mrs. D. J. Van Valkenburg, aged 50 years, life-long resident of Franklin township, died last Wednesday night at her home near Tipton after a short but serious illness.

Mrs. Van Valkenburg was formerly Hazel Preston, daughter of the late Daniel and Mary Preston, and was born February 18, 1890 in Franklin township. She was married to Mr. Van Valkenburg on June 15, 1940. She was a former member of the Tipton Methodist church later transferring her membership to Tecumseh. She was also a member of Tipton Grange and Lenawee Pomona Grange and had served as treasurer of Franklin township for several years.

Besides her husband she leaves a brother Earl Preston of Orland, Ind., a step daughter, Mrs. Russell Munch of Cleveland and four step-sons Wade Van Valkenburg of Kalamazoo, John of Standish, Lear and Milo of Adrian and several nieces and nephews.

Funeral services were held Saturday afternoon at the Community church in Tipton with Rev. E. F. Hildebrand of Tecumseh and Rev. D. T. Yaple of Adrian officiating. Bearers were Perry, Leon and Dean Van Valkenburg, Floyd, Edward and Alba Preston. Burial was in Tipton cemetery.

Relatives and friends from away who attended the services included Mr. and Mrs. Earl Preston of Orland, Ind., Mr. and Mrs. Andrew Storer of Battle Creek, Mr. and Mrs. Wade VanValkenburg and children of Kalamazoo, Mr. and Mrs. John VanValkenburg of Standish, Mr. and Mrs. Carl Van Valkenburg of Morenci, Mr. and Mrs. Durbin Oberleiter of Monroe, Mr. and Mrs. Lear VanValkenburg of Adrian, Mr. and Mrs. August Boehrer of Palmyra, Mr. and Mrs. Fred Morse of Jasper, Charles Figy of Morenci and many others from the surrounding community.

SCHOOL RECESS BEGINS DEC. 20

CHILDREN TO ENJOY 2-WEEK HOLIDAY; STORES OPEN EVENINGS UNTIL XMAS

With less than two weeks remaining until Christmas, the public schools, the churches, and the business district the merchants and the Chamber of Commerce were today making final preparations for the arrival of the world's greatest holiday.

At the public schools, W. L. Berkhof, superintendent, announced that the holiday recess would begin on Friday afternoon, December 20, and continue until January 6. This means that the school children and the teaching staff will enjoy a full two-weeks' holiday, instead of a week or 10 days, as in the past. Mr. Berkhof also announced that there would be appropriate Christmas exercises throughout the school, terminating with the Christmas dance in the gymnasium, the evening of the twentieth.

Practically all churches are busy with Christmas programs, to be announced next week. The pageant, "Holy Night," which has been given in Tecumseh for nearly 25 years, will be presented this week Sunday evening at the Baptist church.

In the downtown district, Wade L. Jones, secretary of the Chamber of Commerce, said that the merchants are in readiness for one of the heaviest shopping seasons in history. Following holiday shopping, he said, got under way last week Friday evening with the arrival of Santa Claus, who distributed 1,000 candy canes to the children who greeted him as his sleigh pulled into the downtown district.

"Stores here this year have an excellent stock of holiday merchandise," Mr. Jones declared, "and early shopping is brisk. To accomodate customers, the stores will remain open each evening until Christmas, beginning Saturday of this week. Many of them will be open tonight and tomorrow night.

"Many people," Mr. Jones said, "are finding that Tecumseh's ample parking facilities enable them to shop more easily here than in other towns and cities, and for that reason Tecumseh is attracting larger crowds. Stocks of merchandise too, including toys and gifts for youngsters, are the largest Tecumseh has offered for many years, to say nothing of increased assortments in practically all other lines."

STORES TO BE OPEN EVENINGS TILL XMAS

Wade L. Jones, secretary of the Chamber of Commerce, said today that beginning on Saturday evening, the stores in Tecumseh would remain open each evening until Christmas. This will permit buyers to shop on nine evenings before the holiday.

"Some of the stores already are staying open," Mr. Jones said. "Many of them will be open tonight and tomorrow night. But beginning on Saturday, all of them will remain open each evening until Xmas."

Health Inspection Project Is Continuing In Schools

Miss Ruby Brouillette, a state employed nurse, has been assigned to the health inspection project, begun last week in the public schools here, and which is being carried to completion this week. Eight tests already have been conducted, and hearing tests are being given this week with the aid of audiometer equipment, furnished through the courtesy of the University of Michigan.

Superintendent W. L. Berkhof reported on the progress of the health inspection at the regular meeting of the board of education, Tuesday evening. The Child Study Club is aiding greatly with the work of the examinations, the board was told.

A report of the treasurer showed the receipt of $390.91 in delinquent taxes during the past month, $1,359.20 in primary money and $120 due the district as final payment from the old First National Bank of Detroit.

The board canvassed a survey of comparative costs of school operations in 14 Michigan school districts, comparable in size to Tecumseh and recommended a reduction in janitor service costs locally. Mr. Berkhof was directed to reduce the expense of this department by limiting janitor service during the summer months to not more than three employees. The school janitors care for four buildings, the Central, East and West Branch buildings, as well as the public library.

Tecumseh Gets $2,204 In State Primary Cash

The final payment in the 1940 state primary school interest fund has been received by Irving Bentley, Lenawee county treasurer and is being allotted to the various school districts. The total amount received is $43,292 and completes a total of $11.73 paid this year for each census child in the county.

Of this amount Tecumseh receives $2204; Adrian $11,823; Blissfield $1,882; Onsted $278; Clinton $713; Deerfield $511; Jasper $371; Weston $335; Clayton $405; Hudson $2,134; Sand Creek $630; Drexel Park $408; Palmyra $408; Britton $421; Riga $302; Morenci $1,570, and Addison $501.

FUNERAL HERE TUESDAY FOR MRS. HAZEL HENRY

Mrs. Hazel Henry, wife of William Henry, died Saturday night at her home on Wyandotte street. She was 56 years of age and had been in poor health for several years.

Besides her husband she leaves a son Wilford Henry, a grandson Charles Henry, both of Tecumseh. Other relatives reside in California and Ontario.

Funeral services were held Tuesday afternoon at Belding Funeral Home. Rev. E. F. Hildebrand officiated and burial was in Brookside cemetery.

History Of Floriculture An Interesting Topic

Floriculture, its growth since the building of the first greenhouse in 1850, was the subject of an interesting talk on Tuesday by Bert Ousterhout, of the Tecumseh Flower Shop, to Mr. Ousterhout spoke at the regular meeting of the Rotary club, following luncheon at the high school.

Mr. Ousterhout explained in detail how flowers are forced to bloom out of season, declared that if transportation facilities were improved orchids from Mexico might sell for a few cents a dozen instead of $6 each, and predicted that the war in Europe may skyrocket the price of tulips and other bulb plants, normally imported from the old world. His talk, a part of the club's vocational service program, was highly interesting and educational.

The club will enjoy its annual Christmas party next Tuesday, first with a dinner of turkey and the trimmings, and later with an exchange of gifts. After the meeting out of season, decided that it

A PATRIOTIC EXAMPLE

Examples crowd on each other's heels of industry's efforts to make the national defense program a real success. While other groups and individuals indulge all too frequently in backbiting and in trying to gain temporary advantages at the expense of real progress, the great majority of manufacturing companies have continually been making notable contributions to our national security and to the creation of a patriotic atmosphere in the United States.

The latest such action which has come to public attention is that of the Eastman Kodak Company, which, as a voluntary patriotic measure, recently repeated its World War act of pledging itself to return to the Government any defense profit over 10 per cent of cost.

The Company, in announcing this move, added the following clear comment:

"As each of these contracts will extend over a period of several years, any profit up to 10 per cent retained by the Company must be spread over that period.

"Any profit retained up to 10 per cent will, of course, be subject to income and excess-profits taxes, which at present rates will probably amount to nearly two-thirds of any such retained profit."

The example is only one among hundreds of forward-looking actions by industry in every part of the country. Through such acts—and America has the right to expect them of other groups as well as the manufacturers—the defense program can be carried out in the spirit for which this nation's people are famous. And only on those terms can we keep in this nation the essentials that are really worth the defending.

Some folks still can't believe their eyes

GOING over Buick dealers' reports on our 1941 models, we find an unusual thing happening.

Time and again cars come in for the usual inspections with an extra note of instructions—"Please check the gas gauge needle."

Even after hundreds of miles, people mistrust their eyes when they see its snail-like pace from the Full mark toward Empty—they don't see how it's possible for a car as big as Buick to go so far on so little.

But it does—and for good reasons.

The whole FIREBALL engine was designed and built to get the most good out of modern gasolines.

And the simple secret of Compound Carburetion is that it keeps your engine running on its most frugal diet for all *normal* driving—and provides full feed *only* when you need, want and call for the lift of extra wallop.

Meantime even the gears are helping save money—for the regular high gear in a Buick gives you the economy of the so-called "gas-saving" top speeds you hear about.

The big thing is, of course, that this is no small car that's setting these economy figures. There are all the room, size, impressiveness, comfort and downright thrilling performance you expect from a Buick.

So it isn't because the needle's out of kilter that it goes down so slowly. It's simply because it's in a FIREBALL Buick.

ENJOYING CAMP LIFE

Boys from Lenawee county who are at Camp Beauregard, La., are enjoying themselves according to a letter to The Herald from Frank E. Shea, of Tecumseh, a member of the headquarters detachment, 126th Infantry, 32nd Division. Besides young Shea, others at the camp from here are Corporal Gouden, and Privates Flager and Bill De Puy, members of Company B.

The letter relates that there has been considerable rainfall at the camp and very much mud. Intensive training has kept the troops busy, both on the parade field and in the study tents. Thanksgiving Day was one of enjoyment, with turkey, fruit cocktail, cranberries, English dressing and ice cream and cake.

THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY
Order Of Publication

WILLIAMS OIL COMPANY, a Michigan Corporation,
Plaintiff,
vs.
J. KIMBALL and MRS. J. KIMBALL, her Christian name being unknown; JESSE KIMBALL and MRS. JESSE KIMBALL, her given name being unknown; HANNAH M. RUDE, FLORENCH M. ROBERTS and C. MAY HATHAWAY, or their respective unknown heirs, legatees, devisees and assigns, and EMMA L. WELLS,
Defendants.

At a session of said Court, held at the Court House in the City of Adrian, in said County, on the 23rd day of October, A. D. 1940.

PRESENT: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause, it appearing from the Bill of Complaint on file therein, and the affidavit of Henry R. Jewett, attached thereto, that the Defendants above named, or their unknown heirs, legatees, devisees and assigns, are proper and necessary parties defendant in the above entitled cause;

And it further appearing to the Court that after diligent search and inquiry, it cannot be ascertained, and it is not known whether the above named Defendants, or their respective unknown heirs, legatees, devisees and assigns are living or dead, or where they, or any of them, reside, if living, or whether they, or any of them have heirs, legatees, devisees and assigns, or whether they have personal representatives, and further that the names of the persons included herein, without being named, under the title of unknown heirs, legatees, devisees and assigns could not be ascertained after such diligent search and inquiry.

It further appearing that Emma L. Wells, one of the above named defendants, is not a resident of the State of Michigan, but her last known place of residence was Woodsdale, City of Wheeling, and State of West Virginia.

On motion of Henry R. Jewett, attorney for said Plaintiff, it is ordered that said Defendants, and their unknown heirs, legatees, devisees and assigns, cause their appearance to be entered in said cause within three months from the date of this order, and it is further ordered that a copy of this Order of Publication be served by Registered Mail, with a return receipt demanded, on the said Emma L. Wells, directed to her last known postoffice address, Woodsdale, Wheeling, West Virginia.

It is further ordered that this order be published according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

Countersigned:
Alice M. Welch,
Deputy Clerk of the Court.

Notice is hereby given that the above case is brought and a Decree sought to quiet title to the real estate situated in the City of Hudson, County of Lenawee and State of Michigan, described as follows, to-wit:

Commencing at the South West corner of Lot Number One (1) in Block Number Five (5) on the Plat of the Village (now City) of Hudson, as surveyed by Joseph Gibbons; thence East along the North line of Main Street Twenty-three (23) feet; thence North parallel with the West line of said Lot, Eighty (80) feet to an alley; Thence West along the South line of said alley Twenty-three (23) feet to the East line of Lane Street; Thence South along the East line of said Lane Street Eighty (80) feet to the place of beginning.

and to correct the description in the West Twenty-three (23) feet of said premises.

agencies into a single revenue department.

2. Invest the governor with power to veto individual items of legislative appropriations and otherwise fix financial responsibility on the executive office.

This imposes the responsibility of budget balancing squarely on the governor, as he could check the spending instincts of a legislature which gives way to pressure groups and thus invites fiscal troubles to the state administration.

It is one thing to draft a bill, but it is entirely something else to get it passed by the legislature.

This would be particularly true in 1941 when a Republican legislature would be asked, by one of its own study committees, to clip the organization wings of such popular vote-getters as Secretary of State Harry F. Kelly. Mr. Kelly's department collects automobile license fees, for example, and it maintains a comprehensive network of local offices and deputies and clerks to serve automobile and truck owners.

NINETY - FIRST YEAR— NUMBER TWELVE. TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 19, 1940. FIVE CENTS PER COPY

Products Payroll To Hit $1,250,000 In '41

Will Employ 1,100 by Feb. 1; Volume To Reach $5,000,000

A payroll in 1941 that will exceed $1,250,000 for between 1,000 and 1,100 employees, a business volume during the next 12 months that will exceed $5,000,000, and the brightest future for Tecumseh, industrially, that it has ever known: this was the prediction today of Ray W. Herrick, president of the Tecumseh Products Company, as he briefly reviewed the industry's last year for the year now drawing to a close, and gave a brief glimpse into bright pages of the refrigeration business' book of progress for the New Year that will dawn January 1.

"We are constantly expanding; we are growing so rapidly that it has necessitated a building program during the past year totaling $115,000, and we are still crowded for room. Last year's business, which was a record for our company, amounted to about $2,500,000, but this year—the one now drawing to a close—will approximate $4,000,000. Our payroll this year, ending January 1, will amount to $900,000, and next year it will be a million and a quarter.

"We have, at the present time, over 900 persons on our payroll. This number will be increased to between 1,000 and 1,100 by January or February, our peak season. We anticipate the best business that the nation has ever known in 1941, and we are happy to know that we will be bringing our share of it to Tecumseh, for the benefit of our employees, the merchants and the village generally. Our forecast for Tecumseh next year is the brightest, we believe, in its history."

The building program to which Mr. Herrick referred included the construction of 40,000 square feet of floor space to house a new assembly department and dehydrating division, 10,000 square feet for a warehouse for the company's service department, and $10,000 for a new office building. These three projects cost the company about $70,000 and an additional $45,000 was spent for new machinery and equipment. The new office building was completed a few months ago and is now occupied. The assembly room will be opened next week, and the storehouse will be ready for occupancy about the first of the year.

The Products Company, Tecumseh's largest industry, came here from Hillsdale in 1934 and at that time employed about 200 persons. The popularity of the products it manufactures — electrical refrigeration units—has grown by leaps and bounds until today it is the largest independent manufacturer of refrigerator units in the entire world.

The company's plant occupies some 150,000 square feet of floor space, the original plant having been purchased from H. Brown & Co. It has, however, been enlarged annually to its present size.

TECUMSEH READY FOR CHRISTMAS

CIVIC AND CHURCH PROGRAMS IN CELEBRATION OF EVENT ARE ANNOUNCED

Christmas will be fittingly observed in Tecumseh this year with special services and programs in the various churches and schools.

At the Parent-Teacher meeting, to be held this evening in the high school auditorium, a Christmas musical will be presented by the pupils of the fourth, fifth and sixth grades, under the direction of Mrs. Catherine Bliel, Mrs. Edith Smith, Miss Gladys Starr, Mrs. Walter Pfaus and Miss Mary Cole. Miss Sarah Humphrey has charge of the music and staging is under the direction of Miss Jane Elliott, assisted by the speech class. Ernest Van Valkenburg is reader; Robert Bailey and Elva Mae Dickinson, the accompanists.

The program is as follows: Candlelight processional, "Hark the Herald Angels Sing"; vocal solo, "Little Ones, Dear Lord, Are We," Patsy Wilson; "Oh, Holy Night" and "First Noel," by fourth, fifth and sixth grade chorus; "While Shepherds Watched Their Flock," fifth grade chorus; tableau, "The Shepherds"; "Angels We Have Heard on High" and "Follow the Gleam," fifth and sixth grade boys; "We Three Kings of the Orient Are," Stanley Swan, Richard Teske, Robert Moore, Jay Tressler and chorus; tableau "The Wise Men"; "Silent Night" and "It Came Upon a Midnight Clear," Wilfred Waldron, Bill Hayden, Jerry Coffey, Ben Hammack; Luther's "Cradle Hymn," fourth, fifth and sixth grade chorus; tableau, "Nativity"; "Jesu Bambino," fifth and sixth grade girls; "What Child Is This?" sixth grade chorus; "Beautiful Savior," fifth and sixth grade chorus; tableau, "Adoration"; "Joy to the World," fourth, fifth and sixth grade chorus.

The Westminster Junior League of the Presbyterian church will sponsor their fourth annual Candle Light service at the church Sunday afternoon, December 22, at 5 o'clock, when a chorus of 50 voices will present a program of historical and legendary carols, Mrs. F. C. Dickinson is organist and director and the following program has been arranged:

Organ prelude, "Adoramus Te," Palestrina; processional, "O Come All Ye Faithful"; chorus, "O Holy Night," Adams; Negro spiritual, "Rise Up, Shepherd, an' Foller"; solo, "Sleep, Holy Babe!" Dykes, Crystal Wise; The Christmas Story by Rev. E. M. McGehee; carol, "Lo, How a Rose E'er Blooming," Praetorius; solo, "The Coventry Carol." Marjorie Boyce; old Polish carol, "Tell Us, Wise Men;" response, "We Three Kings of Orient Are," Austin Drake, Fred'k Dickinson, David Nelson; offertory, "O Night, Peaceful and Blest," a Normandie carol; carol, "Whence Comes This Rush of Wings?" Bas-Quercy; The Westminster carol, [illegible] English-French; ancient Polish carol, "When Christ Was Born"; recessional, "Hark, Hark My Soul"; postlude, "In Dulci Jubilo," a 14th century air.

During the 11 o'clock morning service at the Presbyterian church Rev. E. M. McGehee will deliver the morning sermon on "Can We Keep Christmas?" The choir under the direction of Mrs. F. C. Dickinson will render the Christmas anthem. Musical numbers include the prelude, "Light Over Galilee" (Ronald Diggle); anthem, "Sing, O Heavens" (Caleb Simper); offertory, "The Shepherds and the Angels," a Bohemian carol; postlude, "Noel! Noel!" (Stainer). The Christmas lesson will be taught throughout the entire Sunday school.

On Monday evening at 7:15 the school will hold an old fashioned Christmas program at the church, after which a tree laden with gifts will await the arrival of Santa Claus to distribute the gifts. Santa will be assisted by Curtis Dehn's class boys. At 6:30 p. m. the Tuxis Society will leave on a caroling tour under the direction of Archie Porter and Dorothy Bowen.

On Sunday morning, December 22, all departments of the Church School of St. Peter's Episcopal church will meet at 11:15, when the church school Christmas service and pageant will be held in order that the adult congregation may worship with the School and witness the pageant entitled "A

STORES OPEN EACH EVENING

BRISK SHOPPING IS REPORTED; POSTOFFICE STAMP SALE BREAKS RECORD

With only four more shopping days until December 25, and with Tecumseh stores open each evening until the holiday, a record-breaking season of buying was forecast for Tecumseh today as crowds filled the stores here intent on finding last-minute gifts for Christmas.

Tecumseh, according to many merchants, will experience its biggest Christmas this year since 1930, there being a heavy demand for practically all lines of merchandise. Toys are tops on many gift lists, while others are turning to the more practical presents of clothing, furniture and electrical supplies. Home gifts, it was said, are very popular, as is jewelry.

"I believe a lot of folks are finding it very convenient to trade in Tecumseh this year," one business man said. "Our parking facilities are far superior to those offered in many towns, and today shoppers move by automobile. Shoppers also are discovering that Tecumseh stores have excellent selections this season, in practically all departments."

From the local postoffice, Mrs. Franc S. Gillespie, who is serving her fifth term as postmistress, declared that this year's holiday business will far exceed any other year in her term. Up to an early hour yesterday, over 22,000 one-and-a-half cent stamps had been sold, and added thousands will be sold before Saturday night. Previous year's sales amounted to about 26,000. There also has been a large call for two and three cent stamps, it was said.

The postoffice is now working at high speed in order to assure the prompt delivery of the heavy Christmas mail. Greeting cards by the thousands are beginning to arrive, as are parcel post packages from friends and relatives. The outgoing packages volume also is heavy, but this is expected to fall off by the end of the week.

Rotarians Play With Toys, Then Give Them To Welfare

Forty-two Rotarians and their guests forgot the worries of business and the holidays for about an hour and forty-five minutes on Tuesday when they enjoyed the club's annual Christmas party, following dinner in the domestic science department of the high school.

A banquet of turkey, dressing, plum pudding and all of the trimmings was served under the direction of Mrs. O. W. Laidlaw by a committee of sophomore girls. Tables were beautifull decorated with candles, cones and evergreen, in keeping with the Yule season.

After the dinner, gifts of toys were exchanged and each Rotarian had "loads and loads" of fun with present that ranged from 6 man sets to musical instruments and baseballs. After the party the gifts were turned over to the Welfare Service and the Child Study Club for distribution in the village on Christmas morning.

Two new members were accepted by the club on Tuesday, Lou Carlson and Ralph Comfort.

For the past five weeks the club has been meeting regularly at the high school, the meals being served by the domestic science department as a part of their regular class work. There will be no meeting of the club next week, and the week following, on Thursday evening, January 2, the club will meet with Clinton Rotarians at the hotel there. The dinner will be served at 6:15.

FRANK MUIR DIES

4 1-2 Tons of Dressed Turkeys Xmas Gift to Products Workers

The merriest of Christmases was assured today for employees of Tecumseh Products Company when R. W. Herrick, its president, announced the gift of 9,000 pounds of dressed turkeys to the heads of families employed in his factory, as well as pounds and pounds of candy, cigars and cigarettes for girls and unmarried men who are on the payroll.

"Cooperating with Ralph Oliver of the Nation-Wide Store, and Walter Pfaus, of the East Side Market, we have purchased four and a half tons of dressed turkeys, to be delivered to our employees who are heads of families on Tuesday, the day before Christmas. To the girls and to the unmarried men whom we employ will go boxes of chocolates, cigars and cigarettes. There is no one who will not be remembered."

Mr. Herrick made the Christmas gift announcement at a factory mass meeting on Tuesday of this week, enabling the men to build their holiday dinner around the Christmas birds. The turkeys will be brought here by truck and butchered, and then trucked to the factory, where Mr. Herrick will take an active hand in the distribution next Tuesday at 3:30 p. m.

The Products head also announced that the plant would work on "short-shifts" the day before Christmas and the day before New Year's, enabling the men to be at home for dinner on the holidays. The day shift will work from 8 a. m., to 11 a. m., and the night shift from 11 p. m., to 4 a. m.

The company also will meet its second payroll for December three days earlier than usual, December 24 instead of December 27, the president said, placing some $50,000 in employees' hands the day before the holiday.

"This makes a total of $91,000 in payroll to our employees during the month of December," Mr. Herrick pointed out, "the largest monthly payroll in Products' history."

The Products Company also placed in effect last October 1 a new medical-hospital plan, whereby all of its employees and their wives are given complete medical and hospital care without cost to themselves.

This plan was inaugurated by the company a little over a year ago, and at first it covered only employees. Last October it was broadened to cover employees and wives, and to include not only hospital care, but medical care as well.

"We are mighty happy to be able to do this for our employees," Mr. Herrick said, "and we hope, at some future time, to include employees' families — their children—in the same protective medical and hospital program."

Tecumseh Club Gives $105 To Aid Churches Xmas

A contribution of $15 to each of Tecumseh's seven churches, the funds to be used as the churches see fit for the spreading of Christmas cheer, was approved by the board of governors of the Tecumseh Club at a meeting this week, and checks amounting to $105 are now in the mail.

The Club definitely went on record as approving the improvement of the public school's recently acquired athletic field, and will sponsor activities during the coming year in an effort to have the natural amphitheatre in readiness for the grid season in the fall of 1941.

A banquet for members of the high school basketball team, with a speaker from the University of Michigan, the proceeds to go toward athletic field improvement, will be announced at some future date. Lou Carlson will be in charge of this affair.

The Club is planning five parties, including a New Year's eve party, between now and the first of May. The second party will be on January 30, the third on February 27, and on March 20, a St. Patrick's affair. There will be a May Party about May 1. There also will be bridge parties and ping pong contests throughout the winter.

At an election, the board of governors and officers of the club were named as follows: R. W. Herrick, president; Frank Smith, vice-president; R. K. Anderson, secretary; and Geo. Isaacson, Harold Anderson, C. O. Butler and Robert H. Moore.

MAJ. MARSH TRANSFERRED

Major R. B. G. Marsh, 107th Medical Regiment, at Camp Beauregard, La., expects soon to be transferred to Camp Livingstone, near Winnfield, La., according to a letter from the Major to The Herald. Mrs. Marsh and their family will take up their residence at Winnfield, during the Major's stay at the new camp.

Winnfield is the home of Huey Long's towns, and is the home of a memorial trade school bearing his name. Louisiana weather, according to the letter, is warm with plenty of sunshine.

Major Marsh, before joining the army, was a practicing physician and surgeon here.

AT OLIVET CONFERENCE

Mr. and Mrs. S. L. Wyman, Mrs. Jenny Law Hardy, Mrs. Pearl Elliott and Miss Marian Whelan attended the Pan-American Student Congress at Olivet College, by invitation to the Shawnee Women's Republican Club, on Sunday.

Christmas Program Is Enjoyed By Monday Club

Members of Tecumseh Monday Club enjoyed a Christmas program and tea at this week's meeting held Monday afternoon in the club room at the Methodist church which was decorated with Christmas wreaths and lighted candles and a star for the occasion.

A chorus composed of Mrs. Perry Hayden, Mrs. E. A. Collins, Mrs. B. J. Pulver, Mrs. W. L. Berkhof and Mrs. George Parsons sang Christmas carols; Miss Crystal Wise sang "Sweet Holy Babe" with Mrs. F. C. Dickinson as accompanist and Mrs. R. H. Moore read a Christmas play "Ten Fingers of Franzwa."

At the close of the program tea was served by Mrs. Glenn Van Denberg's social committee with Mrs. E. T. Armstrong of Adrian and Mrs. Jennie Law Hardy pouring.

The next meeting will be held January 6 following the holiday recess.

PNEUMONIA FATAL

William Joseph Nichols, aged 48 years, of Springville, died early Tuesday morning at Tecumseh hospital where he had been brought Monday afternoon. Pneumonia was the cause of his death.

He leaves the widow Mrs. Gertrude Nichols of Springville, two sons Raymond of Houghton Lake and Francis at home; his mother, Mrs. William Nichols of the Irish Hills; two sisters, Mrs. Dwight Hendricks of Onsted and Mrs. Victor Dowling of Irish Hills, and two brothers Paul and Edwin Nichols, also of Irish Hills.

Funeral services will be held this morning at 9 o'clock in St. Joseph's Catholic church in the Irish Hills. Rev. Fr. McMahon will officiate and burial will be in the parish cemetery.

HERALD CORRESPONDENTS PLEASE TAKE NOTICE

Because both Christmas and New Years' this year fall on Wednesday, it is necessary that The Herald complete the greatest part of its work before the holiday each week, in order that employees may fitting celebrate, and the newspaper may publish as usual on Thursday at 8:30 a. m.

The Herald urges that its correspondents cooperate by sending their copy EARLY, and by using the telephone to cover any happenings of importance after letters have been mailed.

Lenawee Must Furnish 34 Men For January Draft

A total of 28.2 per cent of Lenawee registrants are available for service under the national selective service act, according to figures compiled by the Lenawee board at Adrian. All but 11 registrants of the first 400 to get questionnaires were classified.

In the first 389 questionnaires examined by the board members, 110 men have been placed in Class 1. Of this number, nine are students, deferred until the end of the present school year.

Several of the 11 questionnaires not yet returned have been given extension dates but it is expected that the complete classification record of 400 men will be recorded by the end of the week.

The board stopped mailing questionnaires after 400 were issued.

Men who are liable to see service in the second call will be examined this week and next with two examination days set for each week.

Lenawee county must provide 34 men in January.

GETS NEWS OF DEATH

Sanford Middlebrook has been notified of the death of his sister, Mrs. M. A. Smith, which occurred Monday at her home in Bridgeton, N. J., after a long illness. Mrs. Smith was formerly Mina Middlebrook of Manchester and had visited here many times.

She leaves her husband and seven children, also nine brothers and sisters, among them Mr. Middlebrook and Mrs. William Fielder of Clinton.

The funeral and burial will be held today in Bridgeton.

CHRISTMAS — 1940

In a little more than 100 hours hours this war-torn world will arrive at another Christmas; a day set apart for the celebration of the birth of the Saviour; the time for the singing of hymns; that period when Christian life pauses to speak words of peace and good will toward men.

Christmas came to the world as a new horizon for men's thoughts. It brought to mankind a new meaning for civilization. A spiritual and brotherly relationship never experienced before filled the hearts of men. The world has gone through many stages, many trials, many changes. And throughout the centuries, whenever men kept the spirit of brotherhood constant, there the meaning, the symbolic beauty of Christmas remained.

It is true that this Yuletide finds the world besmirched with war...but among the peoples of all countries, a loftier expression of good will and fraternity defiantly moves forward, more deeply imbedded, with the sanctity of Christmas, a spirit that can never be broken or forced from the hearts of men.

Our message of Christmas cheer this year is not a mere phrase. Wherever the holiday spirit is exchanged, the glow of its warmth is a call to re-instail its virtues in every corner of the globe . . . Good Will toward Men . . . of all lands who hold dear the brotherhood of Man.

In the spirit of Christmas, a Merry Christmas to you!

CHRISTMAS IN ENGLAND

Writing its Christmas editorial in its overseas issue of November 23, the London Daily Mail, one of Britain's leading newspapers, calls upon its readers to "be of good cheer . . . for we are free."

That readers of The Herald may know how the London editors feel this holiday season, with the nation in the midst of a battle for its existence, we publish the Mail's editorial in its entirety:

Christmas, 1940

This is the Christmas number of the Overseas Daily Mail. These words are being written at a time when Christmas seems a long way off — but still, a Merry Christmas to you all.

In the last 12 months the scene has changed beyond the wildest imagination. A new canvas—a canvas of domination and ruthlessness toward helpless neighbours—has been painted by the painter of Berlin.

For hundred of thousands—for millions—there will be no Christmas this year. It will probably be "verboten" in occupied countries.

Be Of Good Cheer

But we—the people of Britain and the greatest Empire the world has ever known—can be of good cheer. For WE ARE FREE.

We take no orders from despots; we do not have to kotow to odd little men with odd little moustaches. We are fighting, now, the greatest battle the world has ever known. And proud we are to be in the thick of it.

This Christmas there will be rejoicing among those of us who realise that it is one Christmas nearer the liberation of mankind.

Our Christmas Gift

What may have happened by the time you read these words? Who can tell? Anyway, we have, even if a little in advance, given one of our Christmas presents away this year—a few bombs and aerial torpedoes with love to Mussolini at Taranto.

We have given special gifts to Berlin, too—to all the enemy, for we are not being miserly in the distribution of our talents.

There will be more to come. And remember, those who perhaps feel despondent, that we have plenty of Merry Christmases to come. Germany's and Italy's are strictly numbered.

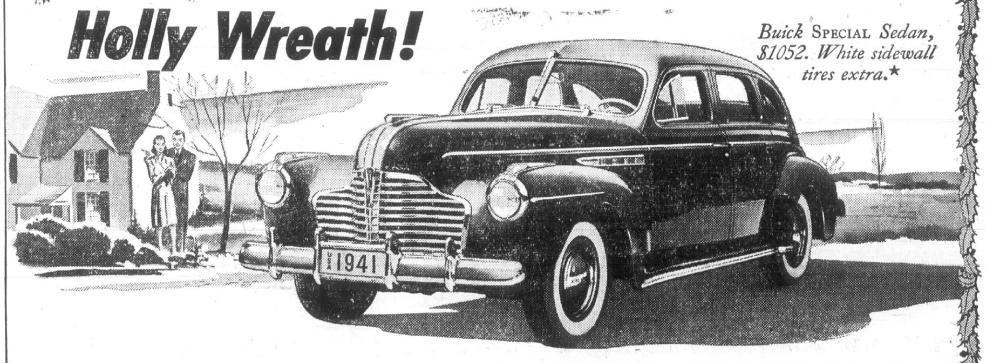
Wrap up a THRILL in this Year's Holly Wreath!



Buick SPECIAL *Sedan, $1052. White sidewall tires extra.*★

SUPPOSE, come Christmas morning, you took your wife to the front door, pointed out through the holly wreath — and there let her see a brand-new Buick standing at the curb!

A thrill? You bet — for the whole family!

Out of the question? Not at all. Look:

We're not suggesting that you add the cost of a new Buick to your Christmas budget.

But you probably will be buying a new car soon and we are simply proposing that you buy it now, a few months ahead of time — and make this a holiday long to be remembered.

We're suggesting that there's no time like the present to get back of that big FIREBALL Eight — no time like right now to start piling up gasoline mileage economies that run as high as 10% or 15%.

There's no time like holiday time to dress up yourself (and family) in smart, fresh Buick aerodynamic styling, or to introduce your brood to the roomy comfort of this BuiCoil-cradled traveler.

You can do that—if you act promptly.

A trial ride to give you a hint as to what Buick can do — a little figuring on your present car's worth (at *today's* trade-in values, not next spring's)—a little working out of convenient terms — and you'll have a FIREBALL to celebrate this Christmas!

How about it? It's one thing your wife would never expect — and just about the finest gift any man could give his family!

School Notes

Chapel

This morning our chapel service was opened as usual with a salute to our flag. We sang two Christmas songs, and then we were honored by having some of the eighth grade girls sing for us, "Come All Ye Faithful."

Our speaker this morning was the Rev. O. V. Robinson. His talk was about the very well known and well loved Christmas story. He spoke mostly on the question, "Have you got time?" By that he meant ..have we time ..for ..the church and those things which build us up and make the community worthwhile. Our chapel service was closed with a prayer.

Reporter, Margaret Jack.

Junior Class Notes

At the Junior Class meeting held December 10th we discussed several things.

We Juniors are trying very hard to earn points toward the activity award given at the end of the school year.

We are planning on giving an assembly program sometime in the near future soon after Christmas vacation.

We also discussed our Junior Play, which we are to present in the spring.

In the future class meetings will be held the second and fourth Tuesday of each month for a half hour. If we find it necessary to call a special meeting, it will be held after school or at 12:30 at noon.

Reporter, Doris Aebersold.

Freshmen Class Notes

The Freshmen class has had two class meeting this week. It has not yet been decided whether or not they will sell Christmas trees.

In order to be sure that class dues will be paid, the class voted that a penalty of ten cents should be added at the end of each semester to dues that are not paid.

From now on the regular class meetings held twice a month will be held in the assembly room. All other rooms are too small for our large Freshman class.

Reporter, Dorothy Bowen.

Girl Scout News

The Girl Scouts of Troop I held their weekly meeting at the schoolhouse a week ago last Wednesday. Our Captain, Mrs Moore, opened the meeting by introducing a speaker, Mrs Magdalena Boyd. Mrs Boyd talked on "personal attractiveness." She told us how to care for our hair, skin, and nails. However, she said that a cheerful smile and a good disposition were the most essential factors in attractiveness. We wish to express our sincere appreciation to Mrs Boyd for her interesting talk.

A committee was appointed to make plans for a sleigh ride or an indoor party in case there is no snow. The meeting was closed by singing Taps.

Wilma Hoagland, Reporter.

Mrs Updyke, Teacher

Irma Jean Brollier celebrated her fifth birthday on Tuesday. Her mother surprised us with ice cream and a beautiful birthday cake.

We have remodelled our grocery store into a toy shop for Christmas. We have already made it look like Christmas time with many things that we have made.

LET'S GET DOWN TO ACTUAL FACTS!

ABOUT THE NEW DRIVES

Oldsmobile's "no clutch" Hydra-Matic Drive has proved such a sensational success that many manufacturers have brought out new devices for 1941—with similar sounding names and with claims to similar advantages. There are new kinds of shifts, new kinds of transmissions, new clutch systems, new controls, new "drives." What these devices *really* do, in comparison with Hydra-Matic Drive, is shown in the chart below. Check their accomplishments carefully.

You'll find this fact remains:

Just one kind of drive is completely automatic . . . has no clutch pedal at all . . . and never requires any manual shifting, even for quick acceleration. That is the original Hydra-Matic Drive, built and backed by General Motors, introduced by Oldsmobile and now proved by millions of miles of driving in the hands of nearly fifty thousand owners!

Names of the devices compared with Hydra-Matic Drive in the chart below will be furnished upon request.

	DOES IT ELIMINATE THE CLUTCH PEDAL?	DOES IT DO AWAY WITH ALL CLUTCH PUSHING?	DOES IT GIVE YOU FULLY AUTOMATIC SHIFTING?	DOES IT GIVE FULL ACCELERATING POWER WITHOUT MANUAL SHIFTING?	DOES IT HAVE A SPECIAL PICK-UP GEAR?	DOES IT ALWAYS REMAIN IN GEAR WITH NO FREE WHEELING?

Mrs. A. W. Lee Of Britton Dies After Short Illness

Mrs. A. W. Lee, a resident of Britton and community for over 70 years, died Thursday evening at her home in Britton after a short illness from a strep throat infection. Mrs. Lee who was formerly Maggie Craig, was born in County Antrim, Ireland, May 16, 1884, and was one of a family of nine children. She came here with her parents, the late Thomas and Rose Craig, when three years of age. On July 30, 1884, she was married to Albert W. Lee and together they celebrated their 50th wedding anniversary six years ago at the home of their son and wife Mr. and Mrs. Ralph T. Lee in Detroit.

She leaves one son George Lee of Detroit, a daughter Mrs. Myrtle Taylor and two brothers Wilson and John Craig, all of Britton; also nine grandchildren and several nieces and nephews. Mr. Lee died in February 1939 and the son Ralph died in March 1940.

The funeral services were held Sunday afternoon at the Niblack Funeral Home in Britton. Rev. O. E. Priest officiated and Mrs. Belva Weichner sang hymns accompanied by Mrs. Doris Exelby. Bearers were Fay Wiggins, C. D. Zeluff, Earl Taylor, William Kuster, Benj. Beasley and John H. Smith. The burial was in Ridgeway cemetery. Relatives and friends from Cleveland, Ohio, Detroit, Saline, Milan, Adrian, Dundee, Clinton, Ridgeway and Tecumseh attended the services.

Booster Athletic Association Schedules 14 Cage Games

An organization formulated for the purpose of sponsoring an athletic program for men has been formed in Tecumseh. A basketball program has been started with the following teams: Hermetic Assembly (Products), Inspection (Products), Philco Office (Products), Business Men, and Fords. These teams play every Monday night at the high school gym.

The pick of these teams will play a complete schedule in the newly formed Southern Michigan League. These games also will be played on Monday nights of each week.

Officers in this booster organization are Paul Breitenwischer, president; Max Smith, secretary and treasurer; M. W. Wilson and M. L. Dannells Jr. in charge of teams, with each team in the city league having an individual manager. Anyone interested in playing is asked to meet at the high school Monday night. The public is invited to attend the games.

Schedule for league games as follows:

Dec. 4—Tecumseh at Britton

St. Peter's Episcopal Church
ERECTED IN 1833
Tecumseh, Michigan

Christmas, 1940

Dear Friends and Parishioners of St. Peter's:

The mid-night Christmas Eve Holy Communion service has become by far our best attended service. For several years now the church has been filled to capacity. In fact, a goodly number of people were unable to gain entrance. This is largely due to the quaint colonial charm and beauty of St. Peter's which provides an ideal Christmas setting.

That service this year will be held next Tuesday evening, December 24, beginning promptly at 11 o'clock. Special music will be sung by the choir, as well as the familiar carols in which all can participate. The church will again be lighted entirely by candle llght and decorated wlth evergreen.

The spirit of Christmas is the spirit of love and giving. "So God loved the world that He gave His only begotten Son." People in turn reflect that divine spirit by making gifts to those they love, and to what they love.

We have decided to apply the Christmas Offering this year to our parish house addition and improvement. Construction is n o w in progress. The biggest portion of the cost has already been taken care of by cash and bonafide pledges, so that only an unpaid balance of approximately a thousand dollars remains.

No goal has been set for this Offering. You are simply promised that your Christmas gift to St. Peter's at the mid-night service, whatever it may be, will be used exclusively to reduce the above mentioned debt. We are confident that this decision will meet with your hearty support, because anyone acquainted with St. Peter's realizes the real need for a larger, more modern, parish house.

Assuring you of a cordial welcome to the mid-night service, and wishing you every joy of the Nativity, we are

Very sincerely yours,

The Vestry and Rector

Mrs Karl Listman has received word from her son Maurice Greenwald that he has been assigned to the quartermaster corps at Fort Brady at Sault Ste. Marie.

The Modern Maidens, 4-H clothing club, met Saturday afternoon at the home of their leader, Mrs Chester Baker for an afternoon of sewing followed by a social hour.

SCHOOL NOTES

Second Grade, West Branch
Miss La Pointe, Teacher

We are going to give a short Christmas program Friday afternoon, December 20, at 2 o'clock. Parents and friends are invited to attend. Instead of giving our program in the kindergarten as we have done for several years, it will be given in the second grade room.

We have lost two of our pupils recently. Susan Metcalf has moved to Tipton, so she will attend school there. Herbie Gorrell has moved to Jackson, his former home.

Sixth Grade
Mrs Smith, Teacher

Mrs Smith was absent last Monday, so Mrs Parsons was our teacher. We enjoyed her very much, although we were sorry that Mrs Smith was sick.

We have two new patrol boys, Dwaine Louden and Jerry Coffey. They are replacing our other ones.

In history we are going rather slowly because we are studying the way our government came into existence.

Bob Metcalf, who recently moved to Tecumseh, has gone away again. He has moved to Tipton.

Our study of British possessions in Asia is over, and we are now starting the study of Australia.

The room helpers are Louise Bowen and Patsy Graham.

Reporters, Wilfred Waldron, Martha Hewlett.

Kindergarten, West Branch
Mrs Updyke, Teacher

One afternoon last week the "morning" kindergarten children came back as "afternoon" children. We all had a good time together and we felt acquainted with each other when we left.

We have finished making our gifts and have made Christmas cards to put in each one. Many of us can print the names of the members of our family as well as our own name.

Knights Pythias, Sisters Enjoy Christmas Party

Tecumseh Lodge, Knights of Pythias and the Pythian Sisters and their families enjoyed a Christmas party Monday evening in the lodge rooms in Witherell Hall. One hundred and twenty-five were seated for the turkey dinner at seven o'clock. Tables were decorated with Christmas wreaths and lighted candles and a large lighted Christmas tree added to the decorations.

Following the dinner Alfred Beckman, chancellor commander, introduced the speaker Ed Braun of Adrian who gave a timely talk which was followed with remarks by Mrs. C. Gray, most excellent chief of the Pythian Sisters, Robert Quackenbush, charter member of the Knights and Guy E. Belding charter member of the Sisters organization and a past chancellor commander of the Knights.

The men's organization has three charter members, Mr. Quackenbush, John R. Nyland and Ed Holdway who will celebrate their 50th anniversary as members in November 1941. Mr. Quackenbush was the only one present. Mr. and Mrs. Guy Belding, Mrs. George Church, Mrs. John Mahaney, Mrs. George Blesing and Mrs. Nellie Adamson are the charter members of the Pythian Sisters and Mr. and Mrs. Belding and Mrs. Church were among those present.

Mrs. Lynn Hubbard, program chairman, then announced a short program which consisted of vocal solos by Mrs. Ed Braun, accompanied by Mrs. C. F. Jones; recitations by Allen Dale Bender, Judy Beckman and Junior Hubbard, and assembly singing of Christmas carols. Santa Claus then arrived and distributed packages to each child, also gifts and candy to all present. A social hour concluded the evening.

The committee in charge included Mr. and Mrs. Duncan Oliphant, Mr. and Mrs. Lynn Hubbard, Mr. and Mrs. Jim Allison, Mrs. Rose Schreder, Mrs. Fred Marsh, Mrs. Alta Lidke, Mrs. Lynn Harris, Mrs. Frank Gray, Ira and Aaron Manwaring, Hoyt Raymond, Larue Hart and M. L. Dannells.

D. A. R. MEETS

The December meeting of Abi Evans chapter, Daughters of the American Revolution, was held Friday afternoon at the home of Mrs. F. C. Dickinson on North Maiden Lane. The assisting hostesses were Mrs. Edith C. Smith, Mrs. F. E. Holmes and Mrs. W. J. Penman.

Mrs. E. D. Brown presided, Mrs. F. C. Dickinson conducted devotionals and Mrs. H. H. Loveland led the group in the flag salute and singing of "The Star Spangled Banner." During the business session it was voted that members send Christmas cards to Mrs. Andrew Wilson, who is spending the winter in Sandusky, Ohio, with her daughter and family.

Mrs. Athol Brainerd was leader of the program which opened and closed with the singing of Christmas carols. Mrs. F. C. Dickinson accompanying. Mrs Brainerd gave a talk on the work of the D. A. R. approved schools, and Miss Ethelyn Garlinghouse told of the work of the D. A. R. in the mountain schools of Tamassee, S. C., and the Kate Duncan Smith school in Alabama. Mrs. Arthur Brown then gave a travelogue of her recent trip through Kentucky and a visit to Berea College, explaining the student industries and self help plan and exhibiting a collection of handiwork made by students at the college. Gifts were brought by members to be sent to the mountain schools.

Refreshments were served at the close of the program.

B. & P. W. CLUB

A Christmas program in charge of Mrs. Merlie Jones was presented at the December meeting of the Business & Professional Woman's Club held in the Methodist church parlors. The program included assembly singing of Christmas carols, accordion solo by Marlou Gilman and a Christmas story by Mrs. S. L. Wyman. A chicken dinner preceded the meeting.

NINETY-FIRST YEAR— NUMBER THIRTEEN. TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 26, 1940. FIVE CENTS PER COPY

HOLIDAY TRADE HITS NEW HIGH

BUSINESS HOUSES, POST-OFFICE REPORT LARGEST VOLUME OF BUSINESS IN YEARS

The largest Christmas trade volume in years; that was the way Tecumseh's leading stores and Mrs. Franc S. Gillespie, postmistress, today summed up the holiday business, brought to a close on Tuesday evening.

"There is no doubt," Mrs. Gillespie said, "but that the post office did its greatest business in history. We sold well over 50,000 one-and-a-half cent stamps, and our other stamp sales sent the total over the 100,000 mark. Previous small stamp sales never amounted to more than 26,000."

Outgoing mail, Mrs. Gillespie declared, was by far the heaviest she had ever experienced, with the peak day's cancellations at near the 10,000 mark. Incoming mail, too, was unusually heavy, and postmen delivered mail on Sunday to speed up their work.

"When the office closed on Tuesday evening there was not a piece of undelivered mail," she declared. "We worked each night and on Sunday for two weeks, but we finished our job. Special delivery letters and packages were delivered yesterday, that no one might be disappointed on the holiday."

Merchants reported the heaviest holiday trade here in a decade, with shopping lasting into the late hours, Christmas eve. Many stores reported a complete sell out in some departments, and [illegible] handling the heavier merchandise, such as electrical equipment, furniture, etc., said that sales were exceptionally heavy. There were no disappointments.

"It is apparent," one merchant said, "that Tecumseh stores this year had exactly what the buying public wanted. They had it in volume, too. Few shoppers were disappointed, and many expressed appreciation for the excellent parking facilities offered by the village. Today, when shoppers move by automobile, it is necessary to accommodate their cars. Our parking lots do this, and they are easily accessible."

Mrs. Vern P. Hill, 52, Formerly of Tecumseh, Dies

Mrs. Vernon P. Hill, aged 52 years, died Sunday at her home in Adrian township following an operation performed Thursday. Mrs. Hill was formerly Ida May Young, a daughter of the late Peter Young and wife of Tecumseh, where she attended school and made her home until her marriage.

Besides her husband she leaves a daughter Lois at home, three sons, Vernon Jr., and Dwight at home and Rexford at Chanute Field, Rantoul, Ill., a step daughter Mrs. Beatrice Fralich of Oscoela, Mo., four sisters Mrs. Sarah Linton of Jackson, Mrs. Benj. Weigert of Douglas, Mrs. Nellie Luce of Tipton and Mrs. Edw. Jacobs of Adrian and several nieces and nephews.

Funeral services were held Tuesday afternoon at Everiss Funeral Home in Adrian, Rev. J. W. Greenwood officiated and burial was in the Hunt cemetery.

Hoyt Raymond Is Named Head Of K. of P. Lodge

Tecumseh Lodge, No. 190, Knights of Pythias, has elected the following officers for the coming year: chancellor commander, Hoyt W. Raymond; vice chancellor, Ira Manwaring; prelate, Aaron Manwaring; keeper of records and seals, Jim Allbeen; master of finance, Lynn Hubbard; master of works, A. L. Beckman; master at arms, LaRue Hart; inner guard, Claud Gray; outer guard, E. H. Van Vleet.

Installation of officers will be held Tuesday evening, January 7.

MRS. HEWITT ILL

Word has been received here that Mrs. Clara E. Hewitt formerly of Holloway, is in a serious condition at the home of her son Rev. W. A. Hewitt in Byersville, Ohio, following a paralytic stroke suffered December 16. Rev. Mr. Hewitt, who was pastor of the Holloway Presbyterian church a few years ago, has been ill of bronchitis.

HONORS FATHER

Archie Boyd entertained 12 members of the Tipton orchestra last Wednesday evening at a Christmas party in the home of his father David Boyd on West Chicago blvd. The group included Mr. and Mrs. Earl Luce, Mr. and Mrs. Roy Luce and son, Mr. and Mrs. Howard Luce, Mr. and Mrs. Percy Van Valkenburg, Mr. and Mrs. McKinley Spaulding and son, Mrs. Lottie Hardy, Nolan West, Russell Spaulding, Irving Outman and G. Gady.

4 1-2 Tons Of Turkeys Go To Products Workers

Four-and-a-half tons of dressed turkeys, a quantity large enough to supply every family head employed by the company with a bird sufficient in size for the Christmas dinner — that was the gift Tuesday afternoon of the Tecumseh Products Company to some 600 of its workers. To the single men and to the girls went boxes of candy, cigars and cigarettes. Every employee was remembered.

The distribution of the birds was supervised personally by R. W. Herrick, president of the company, who donned a white coat and cap and assisted local butchers. The turkeys were trucked to Tecumseh alive and then dressed, and taken to the factory at 3:30 Tuesday for the Christmas party.

The factory also announced a holiday hours schedule, permitting the men to be at home yesterday for the Yule dinner. It also met its $50,000 payroll three days early, employees receiving their checks on Tuesday instead of tomorrow, the regular pay-day.

The $50,000 payroll this week brought the total paid by the company in salaries here during the month of December to $91,000, the largest in its history. Mr. Herrick estimated that next year's total payroll would amount to about $1,250,000, or an increase of some $350,000 over 1940.

FORD SCHOOLS OBSERVE XMAS

CAROLS, DANCING AND ARRIVAL OF SANTA BRING FUN FOR THE CHILDREN

Christmas was observed in the Ford schools last week, closing with a Christmas party at Macon high school, Friday night. Carols were sung at 7:30 and dancing furnished the amusement for the evening until Santa arrived and distributed gifts from the Christmas tree.

Parents were entertained at both the Green Lane Academy and McLain House. At Green Lane, in charge of Miss Macreath Dobie, the following program was presented: "Christmas Questions" and "Marching," Ashley Chase, Carl Henkle, Louis Underwood, Elwyn May, Keith Parker and Jerry Miller; "Santa Claus," Judy Sisson; "A Christmas Tree," Jerry Miller; music by the Rhythm Band, with Keith Parker assisting her; "Busy Santa," Sally Jo Rentschler; "Up On The Housetop," Thelma Reeves and Jimmy Hartsell; "Teddy Bear," Philip Stutesman; "Sleep" Jean Johnston; "A Sweet Mouse," Albert Comfort; "A Lady," Grace Elizabeth Moore; "Baby Mine," Nancy Randall; "Swing Out," Max McHenry; "Christmas Eve," "God Bless America" and "Jingle Bells" sung by all. At the close of the program the children enjoyed a visit from Santa Claus, who distributed gifts from the Christmas tree.

Miss Frances Yerger is teacher at McLain school and their program consisted of the following: song "Merry Christmas"; "The Lord's Prayer" led by Richard Schoolmaster; recitations, "Santa Claus Month," James Stutesman; "Old Jeremy Jones' Christmas," Bill Beardsley, Jim Wilson, Dean Collins and Eddie Clark; "Christmas Toys," Norma Bilby; "Christmas Time Questions," Lowell Bush, Dean Sheldon and Roger Craig; "The Friendly Beasts," Carolyn Chase, Danny Dermyer, Charles Des Ermia, Doris Pritchard, Anna Downing and Kathryn Van Valkenburg; songs by the group, "Here is the Church," "Big Bells are Clanging," "Away in a Manger," "Silent Night," "Jolly Old Saint Nicholas," "Up on a Housetop"; selections from the Rhythm Orchestra, "Andante" (Haydn), "Jingle Bells," "Indian Song" and "March."

At the close of the program refreshments were served to their parents by the children.

The Christmas program at Brownville school was held Thursday evening.

LOCAL ROTARY CLUB TO MEET IN CLINTON

One week from tonight, members of the Tecumseh Rotary Club will join with Clinton Rotarians for a meeting at the hotel in that village. The local club did not hold a meeting this week, having celebrated the Christmas season with a party a week ago, at which time gifts were exchanged and refreshments served prior to the Welfare Service for distribution here on Christmas morning.

HAPPY NEW YEAR!

AN EDITORIAL

NEXT WEEK Wednesday is January 1, 1941. On that day will be born a New Year. That's the time we'll hang a new calendar on the wall, forget the water that's gone over the dam and start all over again.

Think of it! Isn't it grand to have a new year—a time when you can close the old book and say to yourself, "Boy, I'm startin' fresh. The depression — it's worn out. Forget it. I'm not living in the past any more. What I'm interested in is the future."

And what a future! Twelve brand new months looking you in the face, inviting you to get sixty minutes of value out of every hour, a full day's joy, work and pleasure as each new morning dawns. Isn't that something to think about; something to be thankful for?

Don't go into the new year with a long face, a sad heart and a bowed head. Keep your chin up! Who ever had any time for a crepe hanger? He's as out-moded as the Model T and the kerosene street lamp. This isn't any time for sorrow and gloom. It's a new year, fellow; your opportunity to spread glad tidings. Happiness is a habit — cultivate it!

We're a lucky lot of people — we Americans. For more than 150 years the good things of life have rained upon us in abundance. We've got what it takes to make happiness. There are no Hitlers or Mussolinis over here—and there's not going to be any. We Americans have the courage and the ability to run our own business, and the world knows it. We're not taking orders from a dictator this year, or any other year, so help us!

And besides being Americans, we in Tecumseh have reason for additional joy. We're about the luckiest crowd we know of, believe it! For half a dozen years, ever since we decided we'd talked depression long enough, we've been going places. We don't have to take a back seat for any community — not even county seat towns. We're driving from the front seat.

Why are we so happy, so chesty about this town — Tecumseh? Man, you can't live here and not know the answers. This is a community where everybody knows, because everybody takes part in the community life. We don't have any civic secrets. We've learned that unity brings success.

You'd like the proof? Look about you. Everybody's at work. There's happiness and contentment. Tecumseh's payrolls list more than fifty per cent as many names as there are residents of the village. New homes are going up—not shacks, but honest-to-goodness houses; modern, roomy places where kids have an opportunity to play and grow up as American children should. Our factories are expanding, improving, enlarging. Our aggregate payrolls in 1941 will top $1,750,000. There's big things ahead for us.

From Ray W. Herrick, president of the Products company, Tecumseh's No. 1 industry, comes the word that Tecumseh's future is the brightest it's been in a decade. He should know, because he heads an institution that next year will have a payroll that will hit $1,250,000 for some 1,100 employees—a company that will do $5,000,000 worth of business. And from other industrial executives comes similar stories. They're optimistic, too.

Blame us for being happy? Man, you couldn't. We're due to go places just as sure as shootin. We've got that spirit of determination, and who can stop us?

Next Wednesday's New Year's. It's the time to celebrate, and it's also the time to give thanks for our good fortune. If you ever had any envy, jealousy or greed in your heart, get rid of it. Get back to the spirit of your boyhood or girlhood days, when your soul bubbled with enthusiasm, when your ambitions knew no horizon.

Yours is a sacred privilege. You are an American, and besides you live in Tecumseh — "the biggest little town on earth."

— E. L. W.

Edward Escolme the preacher; Tuesday, January 7, Presbyterian church, Rev. E. F. Hildebrand; Wednesday, January 8, St. Peter's Episcopal church, Rev. O V. Robinson; Thursday, January 9, Baptist church, Rev. E. R. A. Green; Friday, January 10, Friends church, Rev. E. M. McGehee, preacher. This schedule was adopted at the November meeting of the local ministers.

PARENTS TO GET HEALTH REPORT

RESULT OF SCHOOL INSPECTION PROGRAM TO BE MADE KNOWN TO PARENTS

The comprehensive school health inspection program, which has been carried out in the local public schools during the past three weeks, was completed Friday. The inspection, which has included a check on vision, hearing, teeth, oral passages, and nutrition will make available to the teachers vital health data which will enable them to understand more fully the health factors which may be influencing the work which is being done by each individual child.

The follow-up program will consist, in the first place, of notices to the parents of children who should, as indicated by the evidence obtained through the school inspection, be examined more fully by the family physician or dentist; secondly, more complete routine inspections of pupils by the teachers are being planned. Instructions for such inspections are being given to the teachers by Miss Brouillette, the school nurse who has been assisting in the program. Finally, those in charge of the school program will plan such corrective measures as can be carried out by the school staff in cooperation with the various local and state agencies which may be willing and able to assist.

The program, as carried out in the local schools, was under the direct supervision of Paul Johnson, director of the Guidance program in the local schools. Mr. Johnson was assisted by the following members of the local Child Study Club many of whom spent a number of days assisting the nurse with clerical details and such phases of the inspection program as could be carried out without the assistance of the nurse; Mrs. Vincent Haight, who had charge of scheduling the workers from the Child Study Club, Mrs. Edward R. Green, president of the club, Mrs. Sam Sisson, Mrs. Paul Johnson, Mrs. Frank Smith, Mrs. Jens Toubora, Mrs. Lysle Des Ermia, Mrs. Robert H. Moore, Mrs. Elmer Burleson, Mrs. George Armstrong, Mrs. Keith Barron, Mrs. Percy Bowen, Mrs. Homer Colson, Mrs. Wallace Hite, Mrs. Kenneth Johnson, Mrs. Earl Lindsley, and Mrs. Rolland Mohr.

Parents who receive health notices regarding their children through the mail are urgently requested to read them carefully and, if possible, to follow the suggestions which are given. All parents are cordially invited to inspect at the school the health data which has been obtained regarding their children through the school inspection program.

MRS. ANNIE HARMON BURIED IN NORVELL

Mrs. Annie Harmon, aged 73 years, widow of the late Carl W. Harmon died last Wednesday night at the home of her daughter Mrs. Beni Upham in Saline. She was formerly Annie Craig.

Besides the daughter she leaves two sons Harry of Detroit and Jay of Saline, three brothers Hugh Craig of Britton, Samuel Craig of Chelsea and Forrest Craig of Milan, also five grandchildren. Mr. Harmon died six years ago.

Funeral services were held Friday afternoon in Saline with burial in Norvell cemetery.

IT'S HAPPY NEW YEAR

This week, The Herald carries many greeting advertisements from Tecumseh merchants, expressing their appreciation for patronage during the year now drawing to a close, and extending the season's greetings. Also, on page three will be found a full page advertisement from the Products company, expressing confidence in the new year, and in Tecumseh's future.

TO ADMINISTER SACRAMENT

The Sacraments of the Lord's Supper and baptism will be administered at the eleven o'clock service at the Presbyterian church on Sunday morning, January 5. Parents desiring to present their children for baptism on that date should notify Rev. E. M. McGehee, minister, not later than December 29.

XMAS IN JERUSALEM

J. N. Satterthwaite received a cable Monday from his son, Joseph C. Satterthwaite, who is with the American Embassy in Ankara, Turkey, stating that he would spend Christmas Day in the city of Jerusalem.

POPULAR COMET IS NOW VISIBLE

HOW TO FIND HEAVENLY WANDERER AND HISTORY TOLD BY LOCAL SCIENTIST

The popular Cunningham comet, now attracting national and world-wide attention, will soon be visible in this vicinity, according to George H. Adamson of Time Laboratory. The local scientist, who has received many calls for information regarding the spectacle, today issued this statement:

"I have had several people ask me about the popularly publicized comet which it is hoped will be visible to the naked eye from this locality this month.

"Important comets are generally named for their discoverer. L. E. Cunningham of Harvard first photographed this comet on 15 August, 1940, and computed its orbit and ephemeris. The official name is therefore Comet 1940d Cunningham. The comet is traveling rapidly in an almost due south direction. On 30 December, the comet will be slightly west of the bright star Altair in Aquila and should be well visible to the naked eye. If those interested will look for comet Cunningham according to the following ephemeris, they will be awarded a sight of this heavenly wanderer. It will be interesting to note the increase of brilliancy as well as the expanding tail, from day to day.

"24 to 30 December, 6 p. m., E. S. T., look in the northwest sky and find the northern cross or Cygnus. Between the star marking the end of the long axis and southwest to the bright star, (Altair in Aquila).

"30 December to 5 January, 6 p. m., E. S. T., the comet will be very near Altair and lower in the heavens.

"5 January to 10 January, 6 p. m., E. S. T., the comet will be south of Altair and still lower. By the tenth it probably will be too far south for observation from this latitude.

"To those uninformed with the structure of comets, it may be well to add that a comet is composed of three parts, a nucleus surrounded by a coma and the tail. At times some comets do not exhibit the tail or coma. The tail when visible always points away from the sun regardless of whether the the comet is approaching or receding from the sun. The various parts are supposed to be composed of matter in a highly divided state. So divided, in fact, that when the nucleus or most dense part is observed to pass between us and a star very little of the star's brilliancy is lost. Should the nucleus collide with earth it is very doubtful if any unpleasantness would be experienced. And, when one considers the fact that thousands and perhaps millions (latest estimate) of meteorites are colliding with earth each day the fear of an encounter should vanish. If earth were to pass through the tail of a comet and in all probability this will happen with Cunningham's comet, nothing in view of an unpleasant nature would be manifest. The tail is composed of such minute particles that even a ray of light is diffused and the Cunningham comet is the brightest since Halley's comet in 1910."

Britton Resident Dies In Hospital At Monroe

Ralph W. George, aged 60 years, a resident of Britton for nearly 30 years, died Thursday in a Monroe City hospital, wher he was taken the day previous. Mr. George was born in Watseka, Ill., had resided near Maybee since leaving Britton three years ago. He was a member of the Britton Christian church.

Survivors are the widow Lenora, three sons, Harlan of Youngstown, Ohio, Gardner and Arthur of Maybee; two daughters Mrs. Helen Osterhout of Britton and Mrs. Ethel Jewell of Monroe; two brothers Walter of Tonkawa, Okla., and Oscar of Williamsport, Ind., two sisters, Mrs. Minnie Smith of Peoria, Ill., and Mrs. Villa Lapier of Watseka, Ill, and several grandchildren.

The body was brought to the Niblack Funeral Home in Britton where funeral services were held Sunday afternoon. Rev. O. E. Priest officiated and burial was in Ridgeway cemetery.

TO WED DECEMBER 29

Invitations have been issued for the wedding of Betty Jane Schoeck, daughter of Thomas Schoeck and David Platt, son of Mr. and Mrs. H. R. Platt, all of Detroit, which will take place Sunday afternoon, December 29, at 2 o'clock, in the Presbyterian church in Tecumseh.

The bride-elect is a granddaughter of Mrs. Martha Boyd and a niece of Mrs. Lynn Harris of Tecumseh.

MISSIONARY CIRCLE

The Presbyterian Missionary Circle met Friday afternoon with Miss Mary Whitelock. Mrs. D. W. Beck presided. Mrs. C. A. Slayton read a Christmas story. Mrs. S. W. Boyce gave the prayer for missionaries and Mrs. George Kidman reported on the recent Synodical meeting which she attended. The thank offering boxes were opened at this time.

The January meeting, will be held with Mrs. F. N. Griffeth.

NIGHT AIR

There comes to us this statement made by the farm boy named health champion of his western state. He says in the winter he sleeps in a room with it's one window closed. No night air. To admit you don't have fresh air in your room is to be frowned upon by folks who are "fiends" for it. There has always been much talk about the necessity in having all windows open and wide, to be healthy! Sleeping porches were added to houses to give the sleeper more air. Today they find it isn't necessary to have the cold night air blowing over you. In fact there are many doctors dealing in various disorders of nose, throat and lungs, who insist the patient is better to sleep in a closed room. Coughing is not helped by the night air we read. Health is hard to obtain and more to be valued than money.

CARS AND HIGHWAYS

At the close of 1939 there were over 28,250,000 motor cars registered in the U. S., or a car to every five persons, figuring the present population at 130,000,000.

From such statistics you can gather the real seriousness of the traffic problem. Every hour in the day and night there are enough cars running to make our highways dangerous, and we are fast getting too many cars for the good road mileage we have. This is the main contribution to our death and accident rate. Then, too, most of us are not any too careful about driving when we get behind the wheel of a car. These two factors combine to make of our traffic problem one of the greatest facing the nation. And we don't seem to be making much headway toward a solution. When road builders wake up to the fact that it is just about as important to widen old roads as it is to build new ones, and when new ones are built wider than they are now being built there may be some hope of relief, and not until then.

The Herald's Weekly Scrapbook

Week's Best Recipe:

SPICE CAKE—1 cupful sugar; 2 eggs; 4 tablespoons butter; 1-2 cupful sour milk; 1-2 cupful strong coffee; 1 teaspoonful soda; 1 teaspoonful baking powder; 2 1-2 cupfuls flour; 1 teaspoonful cinnamon; 1 teaspoonful nutmeg. Cream sugar and butter and add the milk, coffee, soda, baking powder, flour, spice, cinnamon and nutmeg. Bake in a medium-sized pan, and frost with powdered sugar mixed with cream.

The Beauty Shoppe:

If hands are constantly moist from too free perspiration, bathe them frequently either in salt water, which acts as a stimulant or tonic, or in a solution of vinegar or lemon juice, which acts as an astringent. Another good remedy is to rub them with a mixture of powdered alum and tannic acid, both of which have astringent properties.

About The House:

To fill up cracks or holes in furniture, make a thick glue size by boiling pure white glue with water to the consistency of milk or thin cream. Mix with fine wood sawdust from wood the same color as that of the furniture to make a stiff paste. With this fill the holes and cover deep cuts and rough places. When dry, thoroughly scrape down with an edge of broken glass. Then polish.

Kitchen Kinks:

The liquid in the jar from spiced fruits and pickles may be used to good advantage in home-made mince meat . . . Muffins should be just slightly stirred together and baked rapidly. They are not so good if beaten as much as is necessary for a cake. . . . Leftover meat will keep better if the gravy is not poured over it. The gravy often sours more readily and may spoil the meat.

The Home Canner:

If you find your jelly has not "jelled," place glasses in a pan of cold water and bake in the oven for about three-quarters of an hour. This method eliminates the necessity of removing the jelly from the glasses and reboiling... A small bag of grated carrot placed in the kettle when boiling fruit juices for jelly making will aid in the congealing.

The Family Doctor:

Brandy may be given to children one year old as a stimulant, diluting one teaspoonful with three teaspoons of hot water, giving half of it, following five minutes later by the other half. Children two years and over may receive the entire quantity at one time. Mix it with cold water if hot water is not immediately available. Stimulants should be given only in extreme emergencies.

Tecumseh Poultry Assn. Hears About Management

The second meeting of the Tecumseh Poultry Association in this season's series, was held at the Tecumseh high school. George Parsons, agricultural teacher, presided, and introduced Harold Schneider of Ann Arbor, who spoke on "Poultry Management."

Mr. Schneider stressed practically every phase of poultry management.

"Provide at least four square feet of floor space per bird. Provide adequate ventilation, but avoid drafts. Adjust windows from day to day to con trol the movement of air. Ventilators should be put at the highest point toward which all the air will flow. Side walls and ceiling should be insulated. Provide plenty of litter, such as straw, peat moss, shavings, etc. Wet litter is probably due to faulty ventilation. Often there are too many birds in the house. Droppings and vapor from the breath of 100 birds amounts to 25 quarts of moisture a day.

"Provide at least one nest for every six to eight birds. Keep them low to the ground, not over four feet for leghorns, and three and one-half feet for heavier types. Keep the nests darkened and provide clean nesting material.

Water is very important. There should be at least two fountains per pen. Allow six gallons of fresh water per 100 birds daily. Keep cool in summer, and warm in winter. Provide a wire platform underneath the fountains to keep the litter dry. This platform should be raised six to eight inches from the floor and should be one foot larger than the botton of the fountain.

Provide 30 to 40 feet of hopper space for each 100 birds. In other words a feed hopper 20 feet long allowing birds to feed from both sides, is about right for 100 birds.

When it comes to roosts, allowance should be made for from six to nine inches per bird, depending upon the breed. Perches should be 12 to 15 inches apart. Many good poultrymen prefer to have them run from front to rear instead of long way of the house.

Dropping boards should be six to eight inches below the roost, and netting should be tacked to under side of roost to keep birds out of droppings. Clean often to keep down odors and to prevent excess moisture.

"Broody cages" are a necessary part of equipment. Build an elevated wire cage three feet square and 18 to 20 inches high. This will hold three to five birds. Birds respond quickly in a few days.

Make sure that the birds get 13 to 14 hours of light a day. Morning lights prove most successful, but if this is not possible, the lights should be left on till around 8:30 at this time of year, in the evening.

Continuous culling of the flock is necessary. Remove the sickly birds.

Mr. Schneider also stressed the importance of keeping the old hens confined until noon or later. If on the mash-grain program, grain should be fed only at night. Good birds wait until cold weather to moult. Cull out the early moulters.

In addition to Mr. Parsons and Mr. Schneider, A. B. Horton and George McMullen of Tecumseh, made a few remarks.

The meeting was well attended not only by local poultrymen but from many nearby towns.

Congress has a great deal to do, it must be admitted, but the Congressional Record may be expected to prove that it had even more to say.

Inaugurating

A NEW ERA IN AMERICAN PROGRESS

As the Year 1941 Looms on Time's Horizon We in Tecumseh Look Forward to Making Great Headway in Civic and Industrial Life

NEXT MONTH, in which we see the inauguration of a new year, shall be as a beacon shining through the pages of American history; because it shall also inaugurate a new epoch in our nation's progress. Let's look at the facts. Business in almost all lines is better than it has been in a decade. Our National Defense program has stepped up both employment and production. Throughout the land, more millions are at work than ever before, indicating definitely that America is going steadily forward.

Here in Tecumseh, as we look forward to the dawning of a new year, we have much for which to be thankful. Industrial employment is at an all-time peak. Payrolls in the aggregate will be well over $1,750,000 for the next 12 months. Unemployment as we knew it in Tecumseh five or six years ago will be no more. Instead, there will be work, jobs, income and happiness for everyone in this community — the finest spot on earth.

We have a world of faith and confidence in Tecumseh. We look upon this community as one big, happy family, working together for a common good. Our spirit of close cooperation in the past hurried us out of the 1929-33 depression years ahead of other towns, and sent us into an era of action. We enlarged our factories, we built homes, we built a community hospital, we expanded our sewer and water mains. Why? Because we had confidence, courage and foresight. It was this kind of determination that caused us to grow in population by nearly 1,000 in less than 10 years while similar sized communities slipped backward.

We're mighty proud of the fact that we are playing our part in this "march of progress." Our every thought, our every effort, our every desire is for the betterment of Tecumseh. That's why we have fostered the building of dozens of homes; why our executives and employees have taken an active interest in civic projects and improvements; why we have been constantly on the alert within our own organization, expanding, building and improving. We know full well that as the nation moves forward, and as Tecumseh grows, so shall we grow.

Today, as we look across the Atlantic upon the warring nations of Europe, we give thanks to God that we live in America. Here there MUST be no room for the strife, hatred and isms that precipitated that conflict. It is in communities such as Tecumseh that America has its roots of patriotism, loyalty and devotion — roots that cannot be torn loose from a soil enriched with love and liberty.

As the new year dawns — in the spirit of Christmas — let's resolve to make it one of unselfishness, of even greater progress than we have anticipated, a year of "doing unto others as we would have them do unto us." Let's observe more closely that true Christian spirit of friendliness and cooperation. Let's make it a point to live as He would have us live — ever mindful that we are our brother's keeper.

Brady - Munsell

Miss Jayne Brady, daughter of Mr and Mrs Fred Brady of Clinton and Hugh Munsell of Fowlerville were married Saturday evening, December 14, at the First Methodist church in Ann Arbor by the Rev. C. W. Brashares. Only the relatives and a few friends were present. Their attendants were Miss Msy Brady of Clinton and Gale Tiedemann of Fowlerville.

Mr Munsell is employed by the Ford Motor Co. in Dearborn. They will make their home in Ann Arbor where the bride has been employed since graduating from Clinton high school in 1934.

Extension Club Meets

The South Bridgewater Home Economics Extension Club held its December meeting in the home of Mrs Kenneth Lemm with ten members present. This was an all day meeting and Mrs F. E. Odell presided at the business session which preceded the dinner. During the afternoon the leaders, Mrs Maud Alban and Mrs Walter Geiger gave the lesson on "Tailored Finishes" and members worked out part of the instructions as they were given. There will be no meeting of the club in January. The February meeting will be held with Mrs Odell and the subject is to be "Remodeling Garments."

Mr and Mrs J. S. Hartman have received word of the birth Nov 11 of a daughter Eleanor Kay, to Mr and Mrs Arthur Markle of Ontonagon. Mr Markle formerly was agricultural instructor in the Clinton school.

Mrs Paul Gieske and Mrs D. F. Jenkins were co-hostesses for the Christmas party of their bridge club held in the Jenkins home. Christmas decorations were used in the rooms and on the table where the dinner was served. A Christmas tree and an exchange of gifts wre enjoyed. The remainder of the evening was spent playing bridge at which prizes were awarded to Mrs Charles Blackmer, Mrs Glenn Wilson and Mrs John Feldkamp.

Miss Laura Haggart, Mrs F. G. Van DeMark, Mrs G. W. Freese and Mrs L. W. Kimball were in Ann Arbor Thursday to call on Mrs E. C. Codling who is a patient in St. Joseph's hospital. Mrs Codling expects to be brought home today.

The Congregational Woman's Union met Friday at the church beginning with a 1 o'clock luncheon served by Miss Eleanor Wellwood and her committee, Mrs C. L. Kimball was in charge of the devotions and the program included Christmas carols directed by Mrs J. R. Foreman and a review of the book "Home For Christmas" (Douglas) by Mrs H. H. Halladay.

Frank Weaver is home from Cleary College at Ypsilanti to spend the holiday vacation. He was elected treasurer of the Pan-American Congress of Students at the recent meeting held at Albion. Wayne Kaiser of Michigan State College at East Lansing and Donald Kaiser of Michigan State Normal College at Ypsilanti are also home for their vacation.

Trooper Lewis Cook who has been assigned to the Clinton post of the State Police has been transferred to the dispatcher's office in the headquarters at East Lansing. He assumed his new duties Thursday.

Eigteeen members of the Child Study Club enjoyed their Christmas party held at the home of the president Mrs William Moeller north of the village. Mrs Donald O'Hara conducted the diversions and inexpensive gifts were exchanged. A committee served refreshments.

Mr and Mrs W. D. Moats and daughters were at Waldron last Tuesday evening with Mary Fox, Marian Clack, Vivian Moats and Jack King, Clinton's saxophone quartet which played with the Waldron school band in a concert. The quartet played two saxophone numbers, Jack King accompanied by Roberta Hornsby of Clinton played a solo and Vivian, Barbara and Phyllis Moats sang two numbers.

About 60 persons from this community were in Ann Arbor to attend the annual presentation of "The Messiah" in Hill auditorium.

Miss Miriam Hardee who teaches in the schools at Lewiston, Mont., arrived Sunday to spend the vacation with her parents and sister Mr and Mrs Marvin Pardee and Miss Ruth Pardee.

Dean R. C. Pellett and Dr. Theodore Henry of Kalamazoo College were over Friday night guests of Mr and Mrs W. D. Moats. They left Saturday morning on a trip to Florida. Miss Kathryn Moats of Kalamazoo will spend her vacation with her parents.

Stanley Weaver who attends college at Kalamazoo came home Friday for the holiday recess.

The Clinton schools closed Friday afternoon for two weeks vacation. The first six grades with their teachers, Mrs Helen Way, Miss Mabel Douglas and Cecil Moore, gave a Christmas program Friday afternoon at the school auditorium with mothers of the pupils as guests. Tea was served to the guests and the boys and girls enjoyed exchange of gifts.

PWA employes on the sewer project in Clinton erected a flag pole in Water Works Park last week and on Thursday "Old Glory," also purchased by the employees and donated to the village, was raised. Dedication ceremonies were attended by members of the council and others.

"Again loved Christmas is here"

AGAIN loved Christmas is here, full of divine benedictions and crowned with the dearest memories in human history the earthly advent and nativity of our Lord and Master. At this happy season the veil of time springs aside at the touch of Love. We count our blessings and see whence they came and whither they tend." So writes Mary Baker Eddy, the Discoverer and Founder of Christian Science, on page 256 of "The First Church of Christ, Scientist, and Miscellany."

This impressive season will never lose its attraction for humanity, whose innate desire is to express love. Human hearts are softened in commemoration of the blessed Bethlehem babe, whose birth dated the Christian era because his life set a new standard for human thought and action. Jesus' advent in the flesh marked the appearing of the Messiah, or Saviour of mankind, for which prophets and godly men and women had longed with tender expectation; and which they greeted with praise and gratitude.

The devout New England preacher-poet, Phillips Brooks, caught the beautiful sentiment of Christmas, and indited a hymn which has since become beloved. The tenderly impressive first verse reads:

"O little town of Bethlehem,
How still we see thee lie;
Above thy deep and dreamless sleep
The silent stars go by;
Yet in thy dark streets shineth
The everlasting Light;
The hopes and fears of all the years
Are met in thee tonight."

Yes, the hopes which had been entertained by consecrate Biblical characters, during the preceding centuries, met their fulfillment that night, when "the everlasting Light" shone over Bethlehem, and the precious promise of mankind's salvation began to be realized. And today it is beyond human ability to measure the beneficent results of the advent of Jesus in ten centuries ago.

At Christmas time spiritual qualities are more clearly recognized and valued, and are expressed to a greater extent. It is not material gifts in themselves that count, but the thoughtfulness, the loving-kindness expressed in little tokens of love, the desire to surprise a loved one and to impart joy. Everyone values these signs of love, and seeks to reciprocate by tendering, in exchange, appreciation and gratitude. Thus is the spirit of the Christ expressed in loving deeds, even as the Apostle Paul urged upon the Romans: "Let love be without dissimulation. . . . Be kindly affectioned one to another with brotherly love" (Romans 12:9, 10). The true worth of Christmas lies not in material gift giving, but in the deepening and extending of the true sense of love between brethren, and in a broader answer to the question, "Who is my neighbour?" . . .

Human life is enriched beyond calculation, because centuries ago there was born, in Bethlehem, the babe Jesus, who, in his later ministry, faithful to his trust, revealed and demonstrated the Christ, founded Christianity, and gave to all men the gospel of love. This, then, shows whence come our blessings, "and wither they tend."

It is the Christ-spirit, the tender influence of the Christ-power, that is making the world a better place in which to live. Gratefully may we acknowledge this sacred influence upon the lives of men, and seek to reflect divine Love, in spreading kindness, love, and cheer around us. Our true desire finds expression in Mrs. Eddy's Christmas message for 1900 (*ibid.*, p. 257): "To this auspicious Christmastide, which hallows the close of the nineteenth century, our hearts are kneeling humbly. We own his grace, reviving and healing. At this immortal hour, all hatred, hate, pride, greed, lust should bow and declare Christ's power, and the reign of Truth and Life divine should make man's being pure and blest."—*The Christian Science Monitor.*

City Boy Turns Farmer—Brings in the Harvest

DEARBORN, MICH. — He's gained in weight, this Michigan boy. He and 129 other lads from big city streets have averaged a weight gain of 13 pounds by working from spring to fall under healthful conditions.

They have just got in another harvest at Camps Legion and Willow Run and are figuring up the profits on their season's work.

In these two camps Henry Ford has been providing a special opportunity for a certain group of under-privileged boys.

These boys for the most part are selected from applicants who are the sons of men who served our country in the army or navy during the last great war. Ill health or death among these veterans leaves their families in difficult circumstances.

Mr. Ford wanted to help these families by giving boys of 17, 18 and 19 years of age belonging to them, an opportunity to make more of their lives.

Ever since the frost left the ground last April these lads have been working two 320-acre tracts of farm land which he provided for them. When the last of the produce is sold there will be approximately $18,000 in earnings to be split in equal shares among the 130 youths, the director of the camps estimates. This will be in addition to the two dollars a day, plus food and lodging each boy received throughout the season.

At camp the boys learn teamwork and self-reliance. Each camp is governed by the boys themselves. They elect a camp leader, keep their own books, market their own produce through roadside stands and wholesale channels.

Now that the season has ended, the boys are free to do anything they wish, but they are offered an opportunity to enroll in the school system at the Rouge plant, or to do plant work at regular salaries.

In starting the camps, Mr. Ford acted in the belief that it is up to business men and industrialists to accept as a social responsibility the problems facing boys who found themselves, through no fault of their own, at loose ends.

DO YOU KNOW HOW TO DRIVE ON ICY WINTER HIGHWAYS?

Can You Answer These Quiz Questions?

1. Does it help to reduce air pressure in tires when travelling over icy surfaces?

2. When is an icy pavement most dangerous; when the air temperature is 2 degrees above freezing or when it is 2 degrees below freezing?

3. Are tires with good treads much better than smooth tires on icy roads? On wet roads?

4. How do highway departments prevent sand or cinders, used in skidproofing, from blowing off the road or being brushed off by traffic?

5. Can a vehicle with tire chains negotiate icy curves at higher speeds than a vehicle without chains?

6. In what manner should brakes be applied when stopping on an icy surface?

Last winter on Lake Cadillac, Michigan, the National Safety Council and a group of co-operating agencies conducted an extensive investigation of the problems involved in winter driving. The correct answers to the foregoing questions are found among the interesting and valuable data developed. Substantial reductions in the heavy winter traffic toll can be made if every motorist who quizzes himself on these questions will also read and remember the answers given below.

Left: 3,000 individual tests were made during the investigation of winter driving hazards, some of them being conducted at night. Right: Treated abrasives were spread on the frozen lake surface and demonstrations made of their effectiveness in skidproofing.

Answers to Highway Safety Quiz

1. The common practices of lowering tire pressure and increasing the load over rear wheels to increase traction on slippery surfaces are not recommended. The resulting increase in traction for stopping is slight, and this is more than offset by reduction of safe speed on curves.

2. Strange though it may seem, icy surfaces are more treacherous at 2 degrees above freezing than they are at 2 degrees below freezing. As temperatures go down, safety on icy surfaces goes up and the stopping distance on ice at 15 degrees is actually 37% less than at 31 degrees.

3. On icy roads, condition of tires does not have much bearing on skidding. In the case of wet roads, however, cars with good treads are definitely better.

4. Practically all highway departments now treat skidproofing abrasives with calcium chloride. This material forms a thin coating around the sand or cinder particles which causes them to melt into the ice and anchor securely. Since calcium chloride is an anti-freeze, it also prevents storage piles of abrasives from freezing and makes spreading on icy roads easy even at sub-zero temperatures.

5. While the use of chains is beneficial in negotiating ac[illegible] on straight sections of icy highways, they do not prevent skidding rear-end skidding on curves. Chains should be regarded as providing an extra margin of safety at moderately slow speeds, but a margin that disappears if speeds are too fast.

6. In stopping on slippery roads, let the braking power of the engine in high gear slow the vehicle down to about 10-12 miles per hour, using the brakes lightly, if necessary; then disengage the clutch and apply brakes cautiously for the final stop. "Pumping" the brakes lightly off and on is much better than locking the brakes for maintaining control of direction.

"For the first time in my life, I want a COMPLETE new outfit. My husband is now advertising in The Herald now"

A Good Neighbor, a Welcome Visitor for Nearly a Century

For 90 years the people of Tecumseh and its trading territory have relied upon The Herald for the news of this community and the advertising messages of its merchants.

The Herald's enviable record of nearly a century of service has made it a welcome weekly visitor in homes, shops and stores, where annually hundreds of thousands of dollars are spent for food, clothing, farm implements, motor cars, luxuries, etc.

Your message, Mr. Business Man, if it appears in The Herald, is reaching these buying centers. Your advertising is included in a newspaper that is read by the members of the families that are spending these thousands of dollars each year for necessities and luxuries.

Consider for a moment:

You are a part of Tecumseh; are you doing your share of advertising for your store or business, your town and your community?

Are you, through advertising, attempting to bring more people to Tecumseh that they may learn of its advantages as a shopping center?

Your advertising—is it carefully planned and attractively presented? (Advertising, you know, is your representative. It is YOU in the printed form.)

Should you not consder a well-balanced, regular program of advertising; a program that will reflect the dignity of your business, the alertness of your enterprise?

When you advertise in The Herald you are advertising in a medium that has an enviable reputation for service; a newspaper that has kept abreast of the times for nearly 100 years; a newspaper its subscribers have learned to know as trustworthy.

Why not share with The Herald these advantages? Include your advertising message in a newspaper that is welcomed by the family circle. Present your story through a medium backed by 90 years of good neighborliness—through a friend that has a front-door entrance to every home where it calls.
